If you are an employee participating in Great Plains Energy's Employee Savings Plus Plan, you will receive separate instructions from the Plan's Trustee, UMB Bank, n.a., describing how to vote your shares.

WHAT SHARES ARE INCLUDED ON THE PROXY CARD? The proxy card represents all the shares registered to your account including all shares held in your Great Plains Energy Dividend Reinvestment and Direct Stock Purchase Plan account.

HOW ARE VOTES COUNTED? The Annual Meeting will be held if a quorum, consisting of a majority of outstanding shares of common stock entitled to vote, is represented. Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached.

IS MY VOTE CONFIDENTIAL? Great Plains Energy has a policy of voting confidentiality. GREAT PLAINS ENERGY PENSION PLANS

Great Plains Energy has a non-contributory pension plan (the "Great Plains Energy Pension Plan") for its management employees providing for benefits upon retirement, normally at age 65. In addition, a supplemental retirement benefit is provided for executive officers. The following table shows examples of single life option pension benefits (including unfunded supplemental retirement benefits) payable upon retirement at age 65 to the named executive officers:

Annual Pension for Average Annual Base Years of Service Indicated Salary for Highest - - - - - - - - ------------ - - - - - - -- - - - - - - - -36 Months 15 20 25 30 or more ---

------------------------- -150,000 45,000 60,000 75,000 90,000 200,000 60,000 80,000 100,000 120,000 250,000 75,000 100,000 125,000 150,000 300,000 90,000 120,000 150,000 180,000 350,000 105,000 140,000 175,000 210,000 400,000 120,000 160,000 200,000 240,000 450,000 135,000 180,000 225,000 270,000 500,000 150,000 200,000 250,000 300,000

Each eligible employee with 30 or more years of credited service, or whose age and years of service add up to 85, is entitled to a total monthly annuity equal to 50% of their average base monthly salary for the period of 36 consecutive months in which their earnings were highest. The monthly annuity will be proportionately reduced if their years of credited service are less than 30 or do not add up to 85. The compensation covered by the Great Plains Energy Pension Plan -- base monthly salary -- excludes any bonuses and other compensation. The Great Plains Energy

Pension Plan provides that pension amounts are not reduced by Social Security benefits. The estimated credited years of service for the named executive officers in the Summary Compensation table are as follows:

Credited **Officer** Years of Service - - - - - ------- - - - - - ----- -----------Bernard J. Beaudoin 22 vears Andrea F. Bielsker 18 vears William н. Downey 2 years Jeanie S. Latz 22 vears Douglas Μ. Morgan 24 years

Eligibility for supplemental retirement benefits is limited to executive officers selected by the Compensation Committee of the Board; all the named executive officers are participants. The total retirement benefit payable at the normal retirement date is equal to 2% of highest average earnings, as shown above, for each year of credited service up to 30 (maximum of 60% of highest average earnings). The actual retirement benefit paid equals the target retirement benefit less retirement benefits payable under the management pension plan. A liability accrues each year to cover the estimated cost of future supplemental benefits.

The Internal Revenue Code imposes certain limitations on pensions that may be paid under tax qualified pension plans. In addition to the supplemental retirement benefits, the amount by which pension benefits exceed the limitations will be paid outside the qualified plan and accounted for by Great Plains Energy as an operating expense.

GREAT PLAINS ENERGY SEVERANCE AGREEMENTS

Great Plains Energy has severance agreements ("Severance Agreements") with certain of its executive officers, including the named executives, to ensure their continued service and dedication to and their objectivity in considering on behalf of Great Plains Energy any transaction that would change the control of the Company. Under the Severance Agreements, an executive officer would be entitled to receive a lump-sum cash payment and certain insurance benefits during the three-year period after a Change in Control (or, if later, the three-year period following the consummation of a transaction approved by Great Plains Energy's shareholders constituting a Change in Control) if the officer's employment was terminated by:

- Great Plains Energy other than for cause or upon death or disability;
 the executive officer for "Good Reason" (as defined in the Severance Agreements); and
- the executive officer for any reason during a 30-day period commencing one year after the Change in Control or, if later, commencing one year following consummation of a transaction approved by Great Plains Energy's shareholders constituting a change in control (a "Qualifying Termination").

A Change in Control is defined as:

- an acquisition by a person or group of 20% or more of the Great Plains Energy common stock (other than an acquisition from or by Great Plains Energy or by a Great Plains Energy benefit plan);
- a change in a majority of the Board; and

- approval by the shareholders of a reorganization, merger or consolidation (unless shareholders receive 60% or more of the stock of the surviving Company) or a liquidation, dissolution or sale of substantially all of Great Plains Energy's assets.

Upon a Qualifying Termination, Great Plains Energy must make a lump-sum cash payment to the executive officer of:

- the officer's base salary through the date of termination;
- a pro-rated bonus based upon the average of the bonuses paid to the officer for the last five fiscal years;
- any accrued vacation pay;
 two or three times the officer's highest base salary during the prior 12 months:
- two or three times the average of the bonuses paid to the officer for the last five fiscal years; the actuarial equivalent of the excess of the officer's accrued pension
- benefits including supplemental retirement benefits computed without reduction for early retirement and including two or three additional years of benefit accrual service, over the officer's vested accrued pension benefits; and
- the value of any unvested Great Plains Energy contributions for the benefit of the officer under the Great Plains Energy Employee Savings Plus Plan.

In addition, Great Plains Energy must offer health, disability and life insurance plan coverage to the officer and his dependents on the same terms and conditions that existed immediately prior to the Qualifying Termination for two or three years, or, if earlier, until the executive officer is covered by equivalent plan benefits. Great Plains Energy must make certain "gross-up" payments regarding tax obligations relating to payments under the Severance Agreements as well as provide reimbursement of certain expenses relating to possible disputes that might arise.

Payments and other benefits under the Severance Agreements are in addition to balances due under the Great Plains Energy Long-Term Incentive Plan and Annual Incentive Plan. Upon a Change in Control (as defined in the Great Plains Energy Long-Term Incentive Plan), all stock options granted in tandem with limited stock appreciation rights will be automatically exercised.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On November 7, 2002, Innovative Energy Consultants Inc., a wholly-owned subsidiary of Great Plains Energy, merged with Environmental Lighting Concepts, Inc., with Innovative Energy Consultants continuing as the surviving corporation and a wholly-owned subsidiary of Great Plains Energy. On the date of the merger, Mr. Orman received \$10.07 million from Great Plains Energy for his interest in Environmental Lighting Concepts in the form of 258,917 shares of Great Plains Energy common stock, valued at \$5.34 million, and a short-term note for \$4.73 million which was subsequently paid on January 2, 2003.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Great Plains Energy is composed of four independent directors. The Compensation Committee recommends to the Board the executive compensation structure and administers the policies and plans that govern compensation for the executive officers of Great Plains Energy. Executive compensation is consistent with the Great Plains Energy total remuneration philosophy which provides:

Given Great Plains Energy's strategies in the competitive and demanding energy marketplace, attracting and retaining talent is a top priority. Great Plains Energy is committed to establishing total remuneration levels which are performance-based, competitive with the energy or utility market for jobs of similar scope to enable the organization to recruit and retain talented personnel at all levels in a dynamic and complex marketplace. This will be established through base salary, benefits and performance-based annual and long-term incentives. The incentive targets will be consistent with current trends in the energy or utility sector and the incentive measures will be appropriately tied to shareholder and customer interests.

The Compensation Committee has not adopted a policy concerning the Internal Revenue Services' rules on the deductibility of compensation in excess of \$1,000,000.

BASE SALARIES

The Compensation Committee reviews executive officer salaries regularly, at least once every twelve months, and makes adjustments as warranted. The Compensation Committee also compares annually executive compensation with national compensation surveys. Base salaries were established for 2002 on the basis of:

- job responsibilities and complexity;
- individual performance under established guidelines;
- competitiveness for comparable positions in companies of similar size within the industry; and
- sustained performance of Great Plains Energy.

ANNUAL INCENTIVES

Under the Great Plains Energy Annual Incentive Plan in 2002 (the "Plan"), executives received incentive compensation based upon the achievement of a specific corporate performance target based on Economic Value Added (EVA(R)(1)). Under the Plan, when shareholder value is increased by the amount of the annual EVA(R) goal, bonuses are paid at a target level that varies to reflect a participant's level of responsibility. A minimum level of EVA(R) improvement has to be achieved before any bonus is awarded. EVA(R) improvement above the annual goal results in payouts above the target level. In 2002, the EVA(R) goal was met and bonuses were earned at the target level in the amounts set forth in the Summary Compensation Table.

- -----

(1) EVA(R) is a registered trademark of Stern Stewart & Co. in the United States of America, France, the United Kingdom, Canada, Australia and Mexico.

LONG-TERM INCENTIVE PLAN

The Great Plains Energy Long-Term Incentive Plan, as approved by the shareholders in May 2002, provides for grants by the Compensation Committee of stock options, restricted stock, performance shares and other stock-based awards. The Compensation Committee believes that equity interests in Great Plains Energy by its executive officers more closely aligns the interests of management with shareholders and has established stock ownership guidelines for executive officers based on their level within the organization. Compliance with these guidelines is taken into consideration in determining grants under the Long-Term Incentive Plan. Stock options were granted in 2002 in the amounts set forth in the Summary Compensation Table. The stock options were granted at an exercise price equal to the fair market value on the date of issuance.

CHIEF EXECUTIVE OFFICER

In determining the base salary for Bernard J. Beaudoin, the Chairman of the Board, President and Chief Executive Officer in 2002, the Compensation Committee considered:

- financial performance of Great Plains Energy;
- cost and quality of services provided;
- leadership in enhancing the long-term value of Great Plains Energy; and
- relevant salary data including information supplied by the Edison Electric Institute (EEI).

Incentive awards to Mr. Beaudoin in 2002 under the Annual Incentive Plan and Long-Term Incentive Plan were determined in the same manner as other executive officers.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS ITEM 2 ON PROXY CARD

Deloitte & Touche LLP, who acted as Great Plains Energy's independent auditors in 2002, has, upon recommendation of the Audit Committee, been selected and appointed by the Board of Directors to audit and certify the financial statements for 2003, subject to ratification and approval by the shareholders of the Company.

The services of PricewaterhouseCoopers LLP as independent auditors prior to 2002, were discontinued effective February 8, 2002. PricewaterhouseCoopers LLP's reports on the financial statements for the years ended December 31, 2000 and 2001 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

Great Plains Energy's Board of Directors, upon recommendation of the Board's Audit Committee, proposed the change in independent auditors to Deloitte & Touche LLP. In connection with the audits of the two years ended December 31, 2000 and December 31, 2001, and the subsequent period, there were no disagreements with PricewaterhouseCoopers LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to their satisfaction, would have caused PricewaterhouseCoopers LLP to make references thereto in connection with its report.

Representatives from Deloitte & Touche LLP are expected to be present at Great Plains Energy's Annual Meeting, with the opportunity to make statements if they desire to do so, and are expected to be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the shares of common stock of the Company present and entitled to vote at the meeting is required for the approval of this proposal to ratify and approve the appointment. If the shareholders do not ratify the appointment of Deloitte & Touche LLP, the selection of independent public auditors will be reconsidered by the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION.
