APPLICATION

COME NOW, Westar Energy, Inc. and Kansas Gas and Electric Company (referred to herein as “Westar”) Great Plains Energy Incorporated (“Great Plains Energy” or “GPE”), Kansas City Power & Light Company (“KCP&L”) (all parties are collectively referred to herein as “Applicants”), and file this Application seeking approval of the merger of Westar and Great Plains Energy, parent company of KCP&L. This Application is filed pursuant to K.S.A. 66-101, *et seq.*, 66-104, 66-117, 66-131, 66-136 and other applicable statutes, and pursuant to the terms of the Amended Unanimous Stipulation and Agreement in Docket No. 01-KCPE-708-MIS (“01-708 S&A”) (“01-708 Docket”)¹, and any other potentially applicable order issued by the State Corporation Commission of the State of Kansas (“Commission” or “KCC”). In support thereof, Applicants state as follows:

I. INTRODUCTION

1. Westar is the largest Kansas jurisdictional electric utility. Westar is a Kansas corporation, with its principal office and place of business at 818 South Kansas Avenue, Topeka, Kansas 66612. operate as electric public utilities in Kansas. Westar generates, transports, distributes and sells electric service to the public in Kansas and is subject to the jurisdiction, supervision and control of the Commission under Chapter 66 of the Kansas Statutes Annotated. Westar's stock is traded on the New York Stock Exchange ("NYSE") as "WR." A map showing the service area of Westar is attached as **Appendix A**.

2. Great Plains Energy, through its operating subsidiary KCP&L, owns the second largest Kansas jurisdictional electric utility. Great Plains Energy, 1200 Main Street, Kansas City, Missouri 64105, is a Missouri corporation authorized to do business in Kansas, and is the holding company for KCP&L (a single legal entity with operations in both Kansas and Missouri), and for KCP&L Greater Missouri Operations Company ("GMO") (a single legal entity with operations in Missouri only). GPE was established on October 1, 2001², and its stock is traded on the NYSE as "GXP". GPE is a public utility holding company under the Public Utility Holding Company Act of 2005, which was enacted as part of the Energy Policy Act of 2005. A map showing the service areas of GPE's regulated operations is attached as **Appendix B**.

3. KCP&L is a corporation duly organized and existing under the laws of the State of Missouri, and is located at 1200 Main Street, Kansas City, Missouri 64105. and is a public utility subject to the jurisdiction, supervision and control of the Commission under Chapter 66 of the Kansas Statutes Annotated.

4. Westar and KCP&L are joint owners, with another party, of the Wolf Creek Nuclear Generating Station, an 1,170 megawatt (“MW”) nuclear power plant, which is operated by the Wolf Creek Nuclear Operating Company (“WCNOC”).³ KCP&L and Westar are also joint owners of the La Cygne Generating Station, a two-unit 1,400 MW coal-fired power plant.⁴ GMO and Westar are also joint owners of the Jeffrey Energy Center, a three-unit 2,150 MW coal-fired power plant.⁵

II. OVERVIEW

A. Background

6. In late 2015 and early 2016, Westar embarked on a process to inquire into the merits of a possible transaction in which Westar could be combined with another company. That process resulted in Great Plains Energy and Westar entering into a transaction whereby GPE would acquire 100% of Westar's stock and become the parent company of Westar ("Initial Transaction"). The terms of the Initial Transaction were set forth in an application filed with the Commission on June 28, 2016, in Docket No. 16-KCPE-593-ACQ ("16-593 Docket" or "Initial Transaction Docket"). On April 19, 2017, the Commission issued an Order denying that application ("16-593 Order" or Initial Transaction Order"), finding that certain aspects of the Initial Transaction failed to meet the public interest test under the Commission's Merger Standards adopted in the Commission's November 15, 1991 Order in Dockets No. 172,745-U and 174,155-U ("1991 Merger Order"), and its September 28, 1999 Order in Docket No. 97-WSRE-676-MER ("1999 Merger Order"), as reaffirmed in the Commission's Order on Merger Standards issued August 9, 2016, in the 16-593 Docket ("Order on Merger Standards"). The

Commission concluded that the Initial Transaction was not in the public interest, due in large part to the purchase price and acquisition premium (“AP”), transaction debt, and the impact of the transaction on GPE’s financial condition. The Commission also emphasized concerns about the lack of immediate guaranteed customer benefits and the level of analysis and planning pertaining to merger integration and savings.

7. On May 4, 2017, Applicants filed a Petition for Reconsideration of the Initial Transaction Order which was denied, but the Commission stated that it “encourages the parties to continue working together...and welcomes the filing of a new application that can satisfy the merger standards and advance the public interest.”⁶

8. For the next three months, Applicants continued their efforts to develop a revised agreement which addressed the Commission’s concerns regarding the Initial Transaction, balanced the interests of shareholders and could be brought to the Commission for its approval. Those efforts were successful, resulting in the Amended and Restated Agreement and Plan of Merger (“Amended Merger Agreement” or “Merger”) that is the subject of this Application. Although renegotiating a transaction to the extent reflected in the Amended Merger Agreement is very unusual, the Applicants took this step because they are confident that combining Westar and GPE is in the best interest of their customers, shareholders, and other stakeholders. This is discussed in the direct testimony of Mark Ruelle and Terry Bassham, the respective chief executive officers of Westar and GPE.

⁶ 16-593 Docket, Order Denying Joint Applicants’ Petition For Reconsideration, p. 3, ¶ 9.

B. The Amended and Restated Agreement and Plan of Merger

9. The Amended Merger Agreement is attached hereto as **Appendix C** and is incorporated herein by reference. The Merger reached between Great Plains Energy and Westar is a stock-for-stock merger of equals, negotiated with the intent and result that neither company would be paying or receiving a premium with respect to the other company, there would be no transaction debt and no exchange of cash. Westar and GPE will merge to form a new holding company, which will operate regulated electric utilities in Kansas and Missouri, and will have a combined equity value of approximately \$14 billion. Shareholders of both Westar and GPE will exchange their respective shares for shares in the new holding company, which will have a new, yet to be determined, name. After closing of the Merger, Applicants propose that retail electric customers receive upfront bill credits with an aggregate value of \$50 million across all rate jurisdictions and will benefit from merger savings created over time.

10. The Merger will result in a legal structure identical to the structure that exists at GPE today, but with the addition of Westar as an additional subsidiary utility operating company of GPE.⁷ Ultimately, the Merger will result in the formation of a new publicly traded holding company, Holdco (also sometimes referred to as “the combined Company”), of which Westar and KCP&L will be direct wholly-owned subsidiaries.

11. The Merger is structured to permit a tax-free exchange of shares. The exchange ratio reflects the agreed-upon ownership split between the two companies derived with the intent that neither company would be receiving or paying a premium with respect to the other.

⁷ Kansas Gas and Electric Company will continue to be a wholly-owned subsidiary of Westar Energy, Inc. after the merger.

Following completion of the Merger, Westar shareholders will own approximately 52.5 percent and GPE shareholders will own approximately 47.5 percent of the combined Company.

12. The closing of the Merger is subject to customary conditions, including the receipt of certain approvals by the common shareholders of GPE and Westar, and the receipt of certain state and federal regulatory and governmental approvals, including the approval of the KCC, the Missouri Public Service Commission (“MPSC”), the Federal Energy Regulatory Commission (“FERC”), the Federal Communications Commission (“FCC”)⁸, and the Nuclear Regulatory Commission (“NRC”). The Amended Merger Agreement is subject to the notification, clearance and reporting requirements of the Hart-Scott-Rodino Act. Closing is expected to occur in the first half of 2018.

13. Holdco will be the 100% owner of Westar, KCP&L and GMO. Pursuant to K.S.A. 66-101b, 66-101d, and 66-136, this Application is requesting Commission approval for GPE to restructure and reorganize itself as the combined Company, as described herein. In accordance with the terms of the 01-708 S&A and the Commission’s Order in the 01-708 Docket, all rights and obligations of GPE thereunder will automatically become the rights and obligations of Holdco.

14. It is expected that the utility companies will continue operating under the names of KCP&L and Westar post-Merger. While Applicants anticipate the utility companies will eventually operate under a common name, a name change for those companies is not part of this Application.

⁸ This approval relates to radio licenses held by the Applicants.

15. Holdco will have operating headquarters in Topeka, Kansas, and Kansas City, Missouri. Holdco's corporate headquarters will remain at GPE's current headquarters building in Kansas City, Missouri. Westar's current headquarters at 800-818 Kansas Avenue in Topeka will be Holdco's Kansas headquarters and Applicants commit that staffing levels there will be maintained at no less than 500 employees for at least five years following the closing of the Merger. In addition, there will be no involuntary severance of employees due to the Merger.

16. The board of directors of Holdco will consist of an equal number of directors nominated from GPE and Westar, and a majority of directors will be independent as defined by the NYSE.⁹ Mark Ruelle, Westar's present Chief Executive Officer ("CEO"), will become the non-executive chairman of Holdco's board of directors. Terry Bassham, GPE's present CEO, will serve as president and CEO of Holdco and will also serve as a member of its board of directors. The lead independent director will be Charles Q. Chandler, IV, currently Westar's independent chairman of the board. Senior management roles will be staffed with executives from both companies. A copy of the combined Company's post-merger organizational chart is attached as **Appendix D** and incorporated herein by reference.

17. On a combined basis, Holdco's subsidiary utility companies will provide electric utility service to approximately 1,000,000 Kansas customers and nearly 600,000 customers in Missouri. Holdco's regulated utilities will have under their control nearly 13,000 MW of generating capacity, almost 10,000 miles of transmission lines and over 51,000 miles of distribution lines. In addition, after the Merger, the combined utilities will produce renewable

⁹ Generally, no director qualifies as "independent" unless the board of directors affirmatively determines that the director has no material financial relationship with the listed corporation. Section 303A.02, New York Stock Exchange Listed Company Manual (Jan. 11, 2013).

energy equal to nearly 30% of retail sales, and produce emission-free energy equal to more than 45% of the combined utilities' retail sales. Among investor-owned utilities in the United States, the combined Company will have one of the largest portfolios of wind generation in the country, largely due to the Commission's and state legislators' foresight in supporting public policies that unlocked the prominence of Kansas' wind power resources. A map showing the combined service area of KCP&L and Westar following conclusion of the Merger is attached to this Application as **Appendix E**.

18. Applicants seek approval of the Amended Merger Agreement pursuant to the Commission's authority under K.S.A. 66-101, *et seq.*, 66-117, 66-131, 66-136 and other applicable statutes and orders issued by the Commission, including the 01-708 S&A, which states:

Great Plains Energy shall not, directly or indirectly, acquire or merge with a public utility or public utility holding company, nor will it allow itself to be acquired by a public utility or public utility holding company unless Great Plains Energy has requested prior approval for such a Revised Transaction from the Commission.¹⁰

19. The Merger was unanimously approved by both companies' boards of directors. A certified copy of the Resolutions of the Board of Directors of GPE authorizing the Merger and related transactions is attached as **Appendix F**. A certified copy of the Resolutions of the Board of Directors of Westar authorizing the Merger and related transactions is attached as **Appendix G**. Shareholders of the companies are expected to vote on the proposed Merger in the fourth quarter of 2017.

¹⁰ 01-708 S&A, p. 13, ¶ 12.

20. As part of this Application, Applicants are making substantial commitments regarding the location of and staffing levels at the combined Company's Kansas headquarters in Topeka, charitable contribution levels, employee headcount levels, financing and ring-fencing, ratemaking and accounting related to the Merger, affiliate transactions, quality of service, and reporting and access to records. In combination with the structure and financial terms of the Merger, the Applicants' Merger Commitments and Conditions have been made to address any remaining concerns raised by interveners in the Initial Transaction or expressed by the Commission. Those conditions and commitments are attached as **Appendix H**. Generally, these commitments include:

- I. General Conditions
- II. Employee Commitments
- III. Financing and Ring-Fencing Conditions
- IV. Ratemaking, Accounting and Related Conditions
- V. Affiliate Transactions and Cost Allocations Manual ("CAM") Conditions
- VI. Quality of Service Conditions
- VII. Reporting and Access to Records
- VIII. Other Parent Company Conditions

C. The Amended Merger Agreement as Compared to the Initial Transaction

21. The Initial Transaction Order described the Commission's concerns in detail while also connecting those concerns with its review of each element of the Merger Standards and served in important respects as a roadmap for the Applicants during the negotiations that are described in the direct testimony of Mr. Ruelle and Mr. Bassham.

22. The primary concerns identified by the Commission in its Initial Transaction Order related to the financial condition of the merged company. The Commission concluded that the merged company would not be financially strong in comparison to the stand-alone companies in its evaluation under Merger Standard (a)(i). The Commission's decision appeared

to be influenced by a conclusion that the price GPE agreed to pay to acquire Westar was too high and, by direct implication, the AP was too high. In considering Merger Standards (a)(ii) and (a)(iv) in its Initial Transaction Order, the Commission expressed concern that the Joint Applicants did not have a plan to close the gap between the estimated savings and the amount of the AP, while also noting that the commitment not to seek rate recovery of the AP was not a firm one. The Commission observed that the high purchase price required GPE to rely to an extraordinary degree on acquisition debt at the holding company level to finance the acquisition, and left the holding company with little financial “margin for error” should the future turn out differently than was expected.¹¹ The Commission concluded that this would potentially inure to the detriment of the financial condition of the utility operating subsidiaries that are regulated by the Commission and that the proposed ring-fencing conditions would not be adequate to protect customers of the operating subsidiaries.¹²

23. Applicants have addressed these concerns by seven specific actions:

- (1) the initial transaction was reconstituted as a Merger of Equals;
- (2) the exchange ratio for the stock-for-stock transaction was established without a control premium;
- (3) the Applicants have made a firm commitment not to request rate recovery of any Merger goodwill from utility customers;
- (4) consummating the Merger no longer requires any transaction debt;
- (5) the Applicants have performed extensive work to firm up the Merger savings, and now have definitive integration plans;

¹¹ Initial Transaction Order, ¶ 92.

¹² Initial Transaction Order, ¶ 82.

(6) the Applicants have maintained the ring-fencing provisions in substantially similar form to those proposed in the Initial Transaction even though the financial concerns have been significantly addressed through items (1) through (5); and

(7) the Applicants have proposed to provide upfront bill credits totaling \$50 million to retail electric customers across all rate jurisdictions.

24. The table below sets out the major differences between the Initial Transaction and the Amended Merger Agreement:

TERM OF TRANSACTION	INITIAL TRANSACTION	REVISED MERGER
Purchase Price	\$60 per Westar share	Merger will be effectuated by an exchange of stock
Acquisition Premium	\$4.9 billion	None ¹³
Debt Issuance Related to Transaction	\$4.3 billion	None
Rate Recovery of Acquisition Premium/Goodwill	Reserved the right to seek recovery of goodwill in certain circumstances	No control premium paid and an absolute commitment not to seek recovery in rates of the goodwill recorded in connection with the Merger
GPE/Holdco Post-Closing Capital Structure	GPE: 41% equity/59% long-term debt	Initially 59%, with plans to reduce equity to rebalance to ~50% long-term debt/~50% equity
KCP&L Post-Closing Capital Structure	Balanced	Balanced

¹³ Although this Merger involves neither a purchase price nor a control premium, goodwill – with Westar as the accounting acquirer in the Merger representing the difference between GPE’s market value and book value upon the closing of the Merger, and currently estimated to be approximately \$1.52 billion – will be recorded in accordance with accounting rules on the books of Holdco as a result of the Merger.

Westar Post-Closing Capital Structure	Balanced	Balanced
GPE/Holdco Post-Closing Credit Rating	GPE: S&P – BBB+, negative outlook; Moody's – Baa3	Holdco: S&P – BBB+, positive outlook; Moody's – upgraded rating to Baa2 (pre Initial Transaction level)
KCP&L Post-Closing Credit Rating	S&P – BBB+, negative outlook; Moody's – Baa2	S&P – BBB+, positive outlook; Moody's – Baa2
Westar Post-Closing Credit Rating	S&P – BBB+, negative outlook Moody's – Baa2	S&P – BBB+, positive outlook; Moody's – Baa2
Forecasted Holdco Debt Five Years Post-Transaction	\$3.8 – 4 billion	~\$1.15 billion in 2019-2020 to re-balance capital structure
Upfront Retail Electric Customer Bill Credits	None	\$50 million
Estimated Net Merger Savings	Initial analysis Year 1: \$15 MM Year 2: \$63 MM Year 3: \$149 MM Year 4: \$199 MM	Completed integration plans Year 1: \$28 MM Year 2: \$110 MM Year 3: \$144 MM Year 4: \$150 MM Year 5: ~\$160 MM
Merger Integration Plans	Preliminary	Completed
Employees	Use retirements, natural attrition and voluntary severance before any involuntary layoffs would be considered	No involuntary layoffs as a result of the Merger
Topeka Headquarters	Retained, with significant presence (Not quantified)	Retained, with significant presence; quantified to retain at least 500 employees for at least five years post-Merger

25. It also bears noting that GPE has redeemed all of the previously issued debt (\$4.3 billion) and mandatory convertible preferred stock (\$0.8 billion) it issued in contemplation of the

Initial Transaction using largely cash generated by those financings. GPE redeemed this previous financing because this Merger is a merger of equals that involves only a 100% stock-for-stock exchange transaction. The common equity related to the Initial Transaction remains outstanding as further discussed below. No rate recovery from customers of the costs associated with this financing will ever be requested. After redeeming these debt and preferred equity securities, GPE will have no less than \$1.25 billion in cash on its balance sheet at closing. The result will be an initial consolidated capital structure that has an equity ratio of about 59%; which is higher than the typical utility equity ratio. After closing of the Merger, Holdco anticipates repurchasing common stock over time to rebalance the consolidated capital structure to a more typical equity ratio. Cash on hand as well as modest amounts of Holdco debt will be used over the first few years of operation to accomplish this re-balancing. This is explained in more detail in the direct testimony of Mr. Anthony Somma and Mr. Kevin Bryant.

Given the similar nature of their testimony, concurrent with the filing of this Application, Applicants have also filed a Motion for approval to present Messrs. Ruelle and Bassham jointly at hearing as a panel.

IV. THE PUBLIC INTEREST

A. The Commission's Merger Standards

28. The merger of equals between Great Plains Energy and Westar is in the public interest and meets the criteria established by this Commission in evaluating a proposed merger or acquisition. Those Standards are as follows:¹⁴

- a. The effect of the transaction on consumers, including:
 - (i) the effect of the proposed transaction on the financial condition of the newly created entity as compared to the financial condition of the stand-alone entities if the transaction did not occur;
 - (ii) reasonableness of the purchase price, including whether the purchase price was reasonable in light of the savings that can be demonstrated from the merger and whether the purchase price is within a reasonable range;
 - (iii) whether ratepayer benefits resulting from the transaction can be quantified;
 - (iv) whether there are any operational synergies that justify payment of a premium in excess of book value; and
 - (v) the effect of the proposed transaction on the existing competition.
- b. The effect of the transaction on the environment.
- c. Whether the proposed transaction will be beneficial on an overall basis to state and local economies and to communities in the area served by the resulting public utility operations in the state. Whether the proposed transaction will likely create labor dislocations that may be particularly harmful to local communities, or the state generally, and whether measures can be taken to mitigate the harm.
- d. Whether the proposed transaction will preserve the jurisdiction of the KCC and the capacity of the KCC to effectively regulate and audit public utility operations in the state.

¹⁴ These are the Merger Standards referenced above that were adopted by the Commission in its 1991 Merger Order, amended in its 1999 Merger Order, and affirmed in its August 9, 2016 Order on Merger Standards in the 16-593 Docket.

- e. The effect of the transaction on affected public utility shareholders.
- f. Whether the transaction maximizes the use of Kansas energy resources.
- g. Whether the transaction will reduce the possibility of economic waste.
- h. What impact, if any, the transaction has on the public safety.

These Merger Standards are discussed in turn, with reference to the direct testimony of the Applicants where the specific standard is addressed.

Merger Standard (a)(i):

The effect of the transaction on consumers, including the effect of the proposed transaction on the financial condition of the newly created entity as compared to the financial condition of the stand-alone entities if the transaction did not occur.

29. The Merger exchange ratio was negotiated with the intent and result that neither company would pay or receive a control premium with respect to the other company and there will be no acquisition-related debt. KCP&L's and Westar's capital structure and financial condition will not change as a result of the Merger. Holdco, with no acquisition debt having been incurred, will have increased size and scale and a strong financial profile immediately after the Merger and thereafter, and the financial condition of the combined companies will be stronger than the stand-alone entities absent the Merger. After closing, Holdco will have an initial consolidated capital structure with an equity ratio that is somewhat higher than typical utility equity ratio, along with substantial cash. Applicants intend for Holdco to repurchase shares, dependent upon market conditions and other factors, within approximately 24 to 36 months after closing in order to rebalance the consolidated equity ratio to more typical levels. These matters are addressed in the direct testimonies of Messrs. Bryant and Somma.

30. Holdco's projected credit metrics after the Merger are expected to support investment grade credit ratings the same as or higher than GPE's current ratings. Upon

announcement of the Merger on July 10, 2017, Moody's issued a credit opinion report on July 21, 2017, upgrading GPE's rating to Baa2 with a stable outlook, its level prior to the Initial Transaction. S&P issued a report on July 11, 2017, maintaining GPE's, KCP&L's and GMO's BBB+ rating and revising the three entities' outlook from negative to positive, and affirming Westar's and KGE's BBB+ rating and revising the outlook on both entities to positive from negative. S&P also indicated that it may upgrade Holdco's credit rating, as well as the credit ratings of its utility subsidiaries, after the Merger closes. These opinions are based on the combined Company's increased size and scale, strengthened business risk profile, strong financial measures, synergies resulting in operational improvements, and cost savings resulting from the Merger. Mr. Somma and Mr. Bryant address these matters in their direct testimonies.

31. Based upon the pro forma financial strength of the combined Company with the supportive credit rating agencies' reports and actions, an analysis of the criteria under Merger Standard (a)(i) supports a finding that the proposed Merger is in the public interest.

Merger Standard (a)(ii):

The effect of the transaction on consumers, including reasonableness of the purchase price, including whether the purchase price was reasonable in light of the savings that can be demonstrated from the merger and whether the purchase price is within a reasonable range.

Merger Standard (a)(iv):

The effect of the transaction on consumers, including whether there are operational synergies that justify payment of a premium in excess of book value.

32. In assessing Merger Standards (a)(ii) and (a)(iv) as defined above, Applicants will address them together in this Application due to the substantial overlap in those two Standards.¹⁵

¹⁵ This overlap was recognized by the Commission in the Initial Transaction Order, p. 23, ¶ 48.

33. The Merger is a stock-for-stock transaction. No cash will change hands. Shareholders of Westar and GPE will simply exchange shares in their respective companies for shares in the combined Company. GPE shareholders will receive 0.5981 shares of Holdco stock for each share of GPE stock, and Westar shareholders will receive 1.0 shares of Holdco stock for each share of Westar stock. At close of the Merger, Westar's former shareholders will own approximately 52.5% of Holdco and GPE's former shareholders will own approximately 47.5%.

34. The exchange ratio was the result of arms'-length negotiations, informed by GPE's and Westar's respective advisors' analyses of the value of each company's common stock undisturbed by the Initial Transaction with the intent and result that neither company pays or receives a control premium with respect to the other. Westar and GPE recognize that spot share prices for each company at the time of negotiation reflected lingering effects and investor expectations that impacted each stock's trading value relative to how it might have traded if otherwise undisturbed. Accordingly, neither company negotiated value based on then current spot stock market prices, but rather, they endeavored to look to the relative contributions of each to the combined Company. Messrs. Somma, Bryant, and Reed address the exchange ratio in their direct testimonies.

35. As is discussed in detail in the testimonies of Messrs. Steven Busser, Anthony Somma, and John Reed, while there is no control premium created by the Merger as it pertains to the exchange of stock, the applicable accounting rules still require the recording of Merger-related goodwill. As discussed by Mr. Steve Busser, Merger-related goodwill will be calculated as the difference between Great Plains market value at the time of the exchange and book value, and will be recognized on the books of the combined Company. As discussed by Mr. Darrin Ives, Merger-related goodwill has no impact on the cost of service for customers. Merger-related

goodwill will not be recovered from the utilities' customers, and if there were ever an impairment of Merger-related goodwill, it would not impact the utilities' costs or customers' rates.

36. As mentioned earlier, Applicants propose to provide \$50 million in upfront bill credits to all retail electric customers soon after the Merger closes. These upfront bill credits exceed the expected net Merger savings in 2018 and serve as a timely and quantifiable benefit to customers. Also, over time, customers will realize the benefit of a substantial majority of the Merger savings. In addition, customers will not be affected by Merger goodwill because Applicants have made the unconditional commitment to never request rate recovery of Merger goodwill.¹⁶ Although it is not clear how Merger Standard (a)(iv) should be applied to a merger of equals, comparing the estimated Merger goodwill to the net present value of bill credits and operational synergies Applicants project will result from the Merger, demonstrates that Merger savings and bill credits will exceed Merger goodwill. This justifies the Merger goodwill that will be recorded on Holdco's books, particularly in light of the level of Merger savings that will inure to the benefit of customers, Applicants' unconditional commitment to never seek rate recovery of Merger goodwill and the enhanced financial strength of the combined Company compared to GPE and Westar on a stand-alone basis. These matters are addressed in the direct testimonies of Messrs. Ives, Somma, Greenwood and Reed.

37. Based upon the evidence presented in this filing, Applicants demonstrate that they have satisfied Merger Standards (a)(ii) and (a)(iv) and the proposed Merger is in the public interest under these criteria.

¹⁶ It should be noted that Generally Accepted Accounting Principles do not allow amortization of goodwill. Rather, goodwill is subject to an annual impairment test.

Merger Standard (a)(iii):

The effect of the transaction on consumers, including whether ratepayer benefits resulting from the transaction can be quantified.

38. KCP&L's and Westar's tariffs and rates presently on file with and approved by the Commission will not change as a result of the Merger unless authorized by the Commission, and both companies will continue to provide service to Kansas customers under those rates, rules, regulations and other tariff provisions until such time as they may be modified according to law. As such, all of KCP&L's Kansas customers and Westar's customers will continue to experience quality day-to-day utility service at just and reasonable rates with safe, reliable service.

39. GPE and Westar began integration planning efforts in July 2016. Over the course of ten months, 14 functional teams comprised of Westar and GPE employees worked through the four integration planning phases and developed business plans, implementation plans and efficiency charters that detail specific merger efficiencies and associated timing. The integration planning efforts are now complete. Mr. Busser discusses integration planning and Merger savings and efficiencies in his direct testimony.

40. Applicants expect that the Merger will result in efficiencies that produce significant savings from the elimination of redundant executive positions and consolidation of corporate functions including Finance and Accounting, Information Technology, Human Resources, Legal, and Marketing and Public Affairs. These efficiencies will be achieved without involuntary layoffs. As demonstrated in the direct testimony of Mr. Steve Busser, the Merger is expected to produce savings, which will translate into rates for utility service that would be lower than if Westar and KCP&L each were to continue operating on a stand-alone basis. Net Merger

savings and efficiencies for KCP&L and Westar are currently estimated to reach approximately \$28 million in the first full year after the Merger closes, and are expected to increase to about \$160 million by 2022 and thereafter, with a reasonable opportunity to achieve even greater savings. Such savings estimates are the product of detailed integration planning by the Applicants and are supported by implementation and business plans. The demonstrated savings and efficiencies related to the Merger are expected to be realized in five primary areas:

- Corporate and Shared Services;
- Supply Chain;
- Transmission & Distribution/Customer Service;
- Generation; and
- Achieve Benchmark Staffing.

41. Generation cost savings relating to the expected retirement of certain KCP&L generating units certainly serve to reduce costs to customers, but are not included in Merger savings, as GPE announced them on June 1, 2017 and they are not dependent on the Merger. Cost savings relating to the accelerated retirement of Westar's generating stations are included as such plans significantly accelerate those retirements and are made possible only with the Merger.

42. Additionally, as discussed in the direct testimony of Mr. Ives, Applicants are proposing upfront bill credits for customers in an amount of \$50 million (across all retail electric customers in both states) upon the closing of the Merger. These upfront bill credits exceed the expected net merger savings in 2018 and serve as a timely and quantifiable upfront benefit to customers.

43. Applicants expect economies of scale benefits for customers and shareholders through the combined Company as compared to Westar or GPE stand-alone including, 1) higher earned returns for larger utility holding companies; 2) lower non-fuel operations and maintenance costs as a percentage of property, plant and equipment balances for larger utility

holding companies; and 3) lower effective borrowing costs for larger utility holding companies. This is addressed in Mr. Somma's direct testimony.

44. The Merger will have no detrimental effect for the Kansas customers of KCP&L or Westar's customers, and will benefit them as Merger savings and efficiencies are realized and delay or reduce future rate increases, in addition to the upfront bill credits customers will receive as a result of the Merger. As discussed in regard to Merger Standard (a)(iv), substantial Merger-related cost savings will benefit Westar and KCP&L customers through avoided rate increase filings and/or reduced levels of rate increases, if any increase is necessary, resulting in rates that will be lower than without the Merger. Mr. Ives discusses customer benefits from Merger savings in his direct testimony.

45. KCP&L expects to file a general rate case in the first or second quarter of 2018 due to the new customer information system that is scheduled to be implemented in the second quarter of 2018, as well as other rate base additions that have been made since its last general rate case. Westar expects to file a general rate case in the fourth quarter of 2017 or first quarter of 2018 due to certain expiring wholesale power contracts, the addition of 280 MW of wind resources, and expiring Production Tax Credits currently in rates, among other factors. Though early in the integration process, some merger savings are expected to offset a portion of the revenue requirement in these Westar and KCP&L rate cases, resulting in lower rates for customers than without the Merger, again, in addition to the upfront retail electric customer bill credits. Mr. Ives addresses these matters in his direct testimony.

46. Based upon the evidence presented demonstrating and quantifying these benefits of the Merger to customers, an analysis under Merger Standard (a)(iii) supports a finding that the proposed Merger is in the public interest.

Merger Standard (a)(iv):

The effect of the transaction on consumers, including whether there are operational synergies that justify payment of a premium in excess of book value.

47. The discussion of this Merger Standard is combined with Merger Standard (a)(ii) and is addressed above.

Merger Standard (a)(v):

The effect of the transaction on consumers, including the effect of the proposed transaction on the existing competition.

48. As discussed in the direct testimony of Mr. Greenwood, the Merger will not have an adverse effect on retail competition in Kansas. Under the Kansas Retail Electric Supplier's Act, K.S.A. 66-1,170 *et seq*, retail electric competition is not permitted. The Merger does not affect the geographical certificated territories served by KCP&L or Westar in Kansas. The Commission will maintain its authority to regulate the utilities just as it did before the Merger, with this regulation continuing as the long-standing substitute for retail competition. KCP&L and Westar offer services in wholesale markets which are subject to active regulation by the FERC which has the authority to address any competitive concerns from the elimination of a single potential supplier of wholesale services. FERC is required to review and rule on these aspects of the Merger before it can be consummated.

49. Based upon the fact that the Merger will maintain the current level of existing competition for services subject to this Commission's jurisdiction, the analysis under Merger Standard (a)(v) supports a finding that this merger standard is satisfied and the proposed Merger is in the public interest.

Merger Standard (b):

The effect of the transaction on the environment.

50. The Merger will have a positive effect on the environment, in that it enables an acceleration of the retirement of some of Westar's fossil-fuel generating facilities. Without the Merger, Gordon Evans (units 3 and 4), Murray Gill (units 1 and 2), and Tecumseh (unit 7) are scheduled to close in 2028, 2025, and 2023, respectively. As a result of the Merger, those dates are accelerated to no later than December 31, 2018. These accelerated plant closures will reduce fossil fuel emissions, which will have a beneficial impact on the environment.

51. The results of GPE's stand-alone Integrated Resource Plan ("IRP") and the results of a combined GPE/Westar IRP demonstrate that closing of a number of GPE generating units (Montrose units 1, 2 and 3, Sibley units 1, 2 and 3 and Lake Road unit 4/6 – which are not Merger-related) and Westar generating units (Tecumseh unit 7, Murray Gill units 1 and 2 and Gordon Evans units 3 and 4 – which are attributable to the Merger). Because of legal restrictions on the ability of Westar and GPE to fuel price forecasts before they are under common ownership¹⁷, the combined IRP reflects this one limitation. Testing for sensitivity to different fuel price assumptions has demonstrated that this lone limitation does not negatively impact the decision quality of the combined IRP results and Applicants believe the combined IRP results should be helpful to the Commission and the parties in evaluating the resource-related benefits and savings anticipated from the Merger. Mr. Ives addresses these matters in his direct testimony.

¹⁷ As provided for under the Hart-Scott-Rodino Anti-Trust Improvements Act.

52. The Merger will result in KCP&L and Westar maintaining all their requirements to operate under the rules and full oversight of both the Environmental Protection Agency (EPA) and the Kansas Department of Health & Environment (KDHE). Additionally, the combined Company will have a stronger financial profile as a result of the Merger, which will allow more flexibility to expand KCP&L's and Westar's wind and emission-free renewable generation portfolio.

53. As discussed in the direct testimony of Mr. Ives, because the Merger will accelerate the closure of certain fossil fuel generating stations owned by Westar, and because the increased financial strength of the combined Company as a result of the Merger will allow more flexibility for Westar and KCP&L to expand renewable investments, the analysis under this Merger Standard supports a conclusion that the proposed Merger is in the public interest.

Merger Standard (c):

Whether the proposed transaction will be beneficial on an overall basis to state and local economies and to communities in the area served by the resulting public utility operations in the state. Whether the proposed transaction will likely create labor dislocations that may be particularly harmful to local communities, or the state generally, and whether measures can be taken to mitigate the harm.

54. The Merger will have a positive effect on Kansas and its local economies and communities. As discussed in the testimony of Mr. Reed, when the combined effects of lower levels of spending (as a result of operational savings), lower electric rates and the up-front bill credits are evaluated, the merger will produce a positive long-term impact on state and local economies. These benefits will extend to all customer classes, and to the region more broadly as the effects spread beyond our service territories. These impacts, in combination with the Applicants' employee-related commitments, more than offset any negative effects of reduced, and more efficient, utility employment levels.

55. As discussed by Messrs. Ruelle and Bassham, Westar, KCP&L and the combined Company are making commitments that ensure that Kansas communities do not suffer inordinate employment impacts. The following employee commitments are reflected in **Appendix H**:

- While Merger-related efficiencies will result in a lower employee headcount over time for the combined organization post-closing compared to the two stand-alone organizations prior to closing, there will be no involuntary severance as a result of the Merger.
- There will also be no involuntary severance as a result of closing the following generating facilities: Sibley (units 1, 2 and 3), Montrose (units 1, 2 and 3), Lake Road (unit 4/6), Tecumseh (unit 7), Gordon Evans (units 3 and 4) and Murray Gill (units 1 and 2).
- Holdco will achieve headcount-related efficiencies through normal attrition and other voluntary means over time in a generally balanced way across both states.
- Holdco will maintain staffing levels of no less than 500 employees based at 800-818 South Kansas Avenue, Topeka, Kansas for at least five (5) years after the closing of the Merger.
- Holdco will honor all existing collective bargaining agreements.
- Holdco will maintain substantially comparable compensation levels and benefits for all employees for two years after the closing of the Merger.

56. Further, as discussed by Mr. Busser, due to recent and future substation and transmission capital investments, property tax revenues for Kansas political subdivisions, although moderately reduced due to Westar Merger-related plant retirements, are expected to remain at levels higher than just a few years ago for KCP&L and Westar.

57. Both Westar and KCP&L have a long history of charitable giving and community support in the State of Kansas and they will continue to be involved in this type of community activity and support. They will continue to invest corporate resources and employee volunteer hours in their communities while maintaining charitable giving at levels equal to or greater than

Westar's and KCP&L's respective 2015 levels for a minimum of five years following the closing of the Merger. Mr. Bassham addresses these matters in his direct testimony.

58. Westar will retain its customer contact center in Wichita, and will establish new walk-in customer service centers in Wichita and Topeka. Westar will also retain its downtown Topeka offices as an operations headquarters after closing of the Merger. Historically, the downtown Topeka headquarters has held between 500 and 600 employees. Upon closing of the Merger, the combined Company will maintain no fewer than 500 employees in its downtown Topeka headquarters for at least five years after the Merger. These matters are discussed in the direct testimonies of Messrs. Bassham and Akin.

59. Based upon the evidence presented, an analysis under Merger Standard (c) supports a finding that the proposed Merger is in the public interest.

Merger Standard (d):

Whether the proposed transaction will preserve the jurisdiction of the KCC and the capacity of the KCC to effectively regulate and audit public utility operations in the state.

60. The Commission will maintain full retail jurisdiction over KCP&L and Westar after the completion of the Merger. The Merger will preserve the Commission's access to Holdco's books and records as is reasonably necessary to carry out the responsibilities of the Commission relating to KCP&L's and Westar's regulated operations, including the conduct of proper audits. The Merger will preserve the Commission's ability to monitor service and reliability levels being achieved by Westar and KCP&L as the obligations imposed by Docket No. 02-GIME-365-GIE will remain in effect for both Westar and KCP&L after the Merger. Applicants have also proposed customer service and reliability commitments to address Merger Standard (h) below.

61. In the Initial Transaction Docket, there was concern expressed regarding the potential that the post-transaction debt level at GPE would restrict the Commission's ability to regulate the subsidiary utility companies. This concern is resolved under the amended Merger because there will be no debt incurred to finance an AP, and the Merger strengthens Holdco's financial condition compared to that of GPE and Westar on a standalone basis. Additionally, as Messrs. Ives and Reed discuss in their direct testimonies, Applicants are proposing specific, comprehensive ring-fencing conditions to protect customers from incremental financial risk associated with the Merger or the combined Company that are consistent with norms across the country, appropriate for this Merger and provide customers with greater protection than they have currently. Those commitments and conditions are set out in detail in **Appendix H**.

62. Since the Commission's jurisdiction will not be negatively impacted by the Merger, the analysis under Merger Standard (d) supports a finding that the proposed Merger is in the public interest.

Merger Standard (e):

The effect of the transaction on affected public utility shareholders.

The Merger is expected to benefit GPE's and Westar's shareholders through

- their respective ownership in a combined Company that has increased scale and jurisdictional diversity,
- ownership in the combined Company with enhanced financial strength and the ability to fund capital investments,
- enhanced opportunity for the operating utilities to earn closer to their allowed returns due to operating efficiencies and cost savings created by the Merger,

- an approximately 15 percent increase in dividends for Westar's shareholders due to the adoption of a dividend policy with target dividend payouts consistent with GPE's existing payout and industry norms, and
- post-closing share repurchases to rebalance the capital structure of the combined Company.

The benefits listed above are discussed in more detail by Messrs. Somma and Bryant and lead to the prospect for shareholders of higher earnings and dividend growth than could be achieved by either GPE or Westar as stand-alone entities. Additionally, the Merger has been structured as a tax-free exchange of shares which provides value to shareholders.

63. The Amended Merger Agreement will be presented to the shareholders of Westar and GPE in the fourth quarter of 2017 allowing them to vote their interests. In light of Holdco's expected financial strength as explained above, and Holdco's dividend plans post-Merger, Applicants submit that the Merger meets the public interest under the criteria of Merger Standard (e).

Merger Standard (f) and (g):

(f) Whether the transaction maximizes the use of Kansas energy resources.

(g) Whether the transaction will reduce the possibility of economic waste.

63. The Merger will allow Westar to continue to rely principally on Kansas energy resources, and it will allow KCP&L to rely substantially on Kansas energy resources. The combined companies will have the largest commitment to Kansas renewable energy of any company and positioned for even more.

64. The Merger will reduce the possibility of economic waste by enabling the combined Company to obtain efficiency savings unattainable by the companies individually on a stand-alone basis.

65. As stated above, the results of GPE's most recent IRP and the results of a combined IRP show that the Merger will facilitate the acceleration of the closure of the Murray Gill (units 1 and 2), Gordon Evans (units 3 and 4) and Tecumseh (unit 7) generating stations by December 31, 2018.¹⁸ Because the IRP process results in resource decisions that produce the lowest long-term revenue requirements, the closing of these generating facilities enabled by the Merger reduces the possibility of economic waste. As such, the analyses under Merger Standards (f) and (g) support a finding that the Merger is in the public interest and should be approved. Mr. Ives addresses these matters in his direct testimony.

Merger Standard (h):

What impact, if any, the transaction has on the public safety.

66. Both Westar and KCP&L have provided electric service in Kansas for more than 100 years, demonstrating strong commitments in a variety of ways to the well-being of the State and the communities served by each as validated by the Commission: "The Commission reiterates its belief that the Joint Applicants are responsible companies that serve their communities well"¹⁹ A relatively recent example is Westar's participation as the first private sector partner embedded into the Kansas Intelligence Fusion Center ("KIFC") a public-private partnership created to enhance Kansas' infrastructure security posture. Holdco intends to grow the combined Company's participation in KIFC after the Merger.

¹⁸ As discussed above under Merger Standards (a)(iv) and (b).

¹⁹ 16-593 Docket, Order Denying Joint Applicants' Petition for Reconsideration, p. 2.

67. In the Initial Transaction Docket, some parties expressed concerns that financial pressures related to the financing of the transaction could cause the companies to delay capital expenditures for updating and maintaining infrastructure, resulting in reduced service quality. The Amended Merger Agreement, the resulting stronger financial profile of Holdco post-closing and the absence of Merger-related debt should alleviate this concern. Further, as Mr. Bruce Akin discusses in his direct testimony, Applicants propose the Commission adopt service quality standards and penalties consistent with those imposed in other similar Kansas merger transactions.²⁰ These standards and penalties will ensure that measures necessary to maintain reliability (including vegetation management practices) and accessibility of contact center employees will continue post-closing. Because the service quality and reliability standards proposed by Applicants ensure the maintenance of service reliability and contact center responsiveness, public safety performance will also be maintained after the Merger.

68. The evidence presented by Applicants regarding the Merger's effect on quality of service demonstrates that the Merger promotes the public interest under an analysis of Merger Standard (h).

B. Public Notice

69. The Applicants are willing to mail notice to all of Westar and KCP&L's Kansas retail customers advising them of the proposed Amended Merger Agreement and this Application should the Commission so request. A copy of the proposed notice to be sent to all

²⁰ In the GPE acquisition of Aquila, Docket No. 07-KCPE-1064-ACQ, Joint Motion and Settlement Agreement, filed Feb. 28, 2008, Attachments 1, 2 and 3; the Kansas Gas Service re-organization, Docket No. 14-KGSG-100-MIS, Joint Motion for Approval of Unanimous Settlement Agreement, filed Dec. 4, 2013, Exhibit A; and the Algonquin acquisition of The Empire District Electric Company, Docket No. 16-EPDE-410-ACQ, Joint Motion for Commission Approval of Unanimous Settlement Agreement, filed Oct. 6, 2016, Exhibit A, Unanimous Settlement Agreement.

customers would be submitted to the Commission Staff for its review and approval. Once the notice is approved by the Staff, it would be mailed to all Kansas retail customers.

C. Procedural Schedule

70. Applicants have been actively engaged with Staff, the Citizens' Utility Ratepayer Board ("CURB"), and other interested parties in the period leading up to the preparation of this Application. Applicants provided drafts of the Application and the Merger Conditions and Commitments to those parties in advance of this filing to provide an opportunity for feedback in advance of filing. Additionally, concurrent with the filing of this Application, Applicants provided a compendium of financial-related documentation (including rating agency reports, equity analyst reports, financial modeling information, etc.) to Staff and CURB in an effort to facilitate their review of the Merger. As parties are granted intervention by the Commission, Applicants will provide that financial documentation to them upon request.

71. Applicants intend and desire to continue working with all interested parties for the next few weeks to answer questions about the filing and develop a potential procedural schedule to present to the Commission for its consideration. If an agreed schedule is developed, the parties would present it to the Commission no later than October 13, 2017.

V. CONCLUSION

72. The Amended Merger Agreement will produce economies of scale and significant savings and efficiencies, the benefits of which will flow to Westar and KCP&L's retail electric customers in the form of upfront bill credits and through rates in the normal course of rate cases after closing. It will strengthen the companies in the short-term and in the long-term to the benefit of all interested parties. The terms of the Amended Merger Agreement as well as the proposed regulatory commitments and conditions reflect the efforts of the Applicants to

thoroughly address the concerns expressed by the parties and the Commission in the Initial Transaction Docket. As a result, the Merger is in the public interest and should be approved and allowed to go forward so that its many benefits can be achieved for customers, investors and the State of Kansas.

WHEREFORE, for the reasons set forth above and as supported by the Testimony and Exhibits filed concurrently herewith, the Applicants request the Commission issue an order:

- (a) Finding that the Amended Merger Agreement and other relief sought in this Application in conjunction with approval of the Merger Commitments and Conditions offered by the Applicants promotes the public interest;
- (b) Approving the Amended Merger Agreement as set forth in this Application and **Appendix C** hereto;
- (c) Authorizing Westar and GPE to perform in accordance with the terms of the Amended Merger Agreement and Merger-related instruments and agreements, and to take any and all actions that may be reasonably necessary and incidental to the performance of the Merger, including the creation of the new holding company (Holdco) and the reorganization thereunder, for the purposes and in the manner set forth above;
- (d) Approving the Merger Commitments and Conditions set out in **Appendix H**;
- (e) To the extent any waivers of Commission Orders or regulations are necessary to allow the Applicants to perform in accordance with the Amended Merger Agreement and Merger-related instruments and agreements, granting such waivers; and

- (f) Granting such other relief as may be necessary and appropriate to accomplish the purposes of the Amended Merger Agreement and this Application, and to consummate the Merger and the Merger-related agreements in accordance with the terms thereof.

RECITALS

WHEREAS, Westar, GPE and Original Merger Sub entered into that certain Agreement and Plan of Merger, dated as of May 29, 2016 (the “Original Merger Agreement”), pursuant to the terms of which, among other things, GPE would acquire Westar through the statutory merger of Original Merger Sub with and into Westar, whereupon the separate corporate existence of Original Merger Sub would cease, and Westar would be the surviving corporation;

WHEREAS, the Parties intend to effect a reorganization, pursuant to which, upon the terms and subject to the conditions set forth herein, at the Effective Time (as defined below), GPE will merge with and into Holdco, with Holdco surviving such merger, and Merger Sub will merge with and into Westar, with Westar surviving such merger;

WHEREAS, the board of directors of Westar (the “Westar Board”) has (a) determined that it is in the best interests of Westar and its shareholders, and declared it advisable, for Westar to enter into this Agreement and to consummate the transactions contemplated hereby, (b) adopted and approved this Agreement and approved Westar’s execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement, and (c) resolved to recommend that Westar’s shareholders adopt this Agreement;

WHEREAS, the board of directors of GPE (the “GPE Board”) has (a) determined that it is in the best interests of GPE and its shareholders, and declared it advisable, for GPE to enter into this Agreement and to consummate the transactions contemplated hereby, (b) adopted and approved this Agreement and approved GPE’s execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement, and (c) resolved to recommend that GPE’s shareholders adopt this Agreement;

WHEREAS, the board of directors of Holdco (the “Holdco Board”) has (a) determined that it is in the best interests of Holdco and its shareholders, and declared it advisable, for Holdco to enter into this Agreement and to consummate the transactions contemplated hereby, and (b) adopted and approved this Agreement and approved Holdco’s execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement;

WHEREAS, the board of directors of Merger Sub has (a) determined that it is in the best interests of Merger Sub and its shareholder, and declared it advisable, for Merger Sub to enter into this Agreement and to consummate the transactions contemplated hereby, (b) adopted and approved this Agreement and approved Merger Sub's execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement, and (c) resolved to recommend that Holdco, in its capacity as Merger Sub's sole shareholder, adopt this Agreement;

WHEREAS, Holdco has adopted this Agreement and approved the transactions contemplated hereby, by written consent in its capacity as the sole shareholder of Merger Sub;

WHEREAS, GPE has adopted this Agreement and approved the transactions contemplated hereby, by written consent in its capacity as the sole shareholder of Holdco;

WHEREAS, Westar and GPE desire to make certain representations, warranties, covenants and agreements specified herein in connection with this Agreement; and

WHEREAS, for federal income tax purposes, it is intended that (a) the Westar Merger will qualify as an exchange under the provisions of Section 351 of the Code, and/or as a reorganization under the provisions of Section 368(a) of the Code and (b) the GPE Merger will qualify as a reorganization under the provisions of Section 368(a) of the Code.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth herein, and subject to the conditions set forth herein, and each intending to be legally bound hereby, the Parties agree as follows:

ARTICLE I

THE MERGER

SECTION 1.01 The Mergers.

(a) At the Effective Time, upon the terms and subject to the conditions set forth herein, GPE shall be merged with and into Holdco in accordance with Section 351.410 of the General Business and Corporation Law of Missouri (the "GBCLM") and this Agreement (the "GPE Merger"), and the separate corporate existence of GPE shall cease. Holdco shall be the surviving corporation in the GPE Merger (sometimes referred to herein as the "Holdco Surviving Corporation"). Throughout this Agreement, the term "Holdco" shall refer to Holdco prior to the GPE Merger or to Holdco in its capacity as the surviving corporation in the GPE Merger, as the context requires.

(b) At the Effective Time, upon the terms and subject to the conditions set forth herein, Merger Sub shall be merged with and into Westar in accordance with Section 17-6701 of the Kansas General Corporation Code (the "KGCC") and this Agreement (the "Westar Merger" and, collectively with the GPE Merger, the "Mergers"), and the separate corporate existence of Merger Sub shall cease. Westar shall be the surviving corporation in the Westar Merger (sometimes referred to herein as the "Westar Surviving Corporation").

SECTION 1.02 The Effective Time. Subject to the provisions of this Agreement, as soon as practicable on the Closing Date: (a) GPE shall deliver to the Secretary of State of the State of Missouri articles of merger with respect to the GPE Merger, in such form as required by, and executed in accordance with, the relevant provisions of the GBCLM (the “GPE Articles of Merger”), and (b) Westar shall deliver to the Secretary of State of the State of Kansas articles of merger with respect to the Westar Merger, in such form as is required by, and executed in accordance with, the relevant provisions of the KGCC (the “Westar Articles of Merger”). The Mergers shall become effective simultaneously and at the time that GPE and Westar shall agree, which time shall be specified in the respective articles of merger for the Mergers (such time being herein referred to as the “Effective Time”).

SECTION 1.03 The Closing. Unless this Agreement has been terminated in accordance with Section 8.01, the consummation of the Merger (the “Closing”) shall take place at the offices of Baker Botts L.L.P., 30 Rockefeller Plaza, New York, New York 10112 at 10:00 a.m. New York City time on a date to be mutually agreed to by the Parties, which date shall be no later than the third Business Day after the satisfaction or waiver of the conditions to the Closing set forth in Article VII (except for those conditions to the Closing that by their terms are to be satisfied at the Closing but subject to the satisfaction or waiver of such conditions), unless another time, date or place is mutually agreed to in writing by the Parties. The date on which the Closing occurs is referred to herein as the “Closing Date.”

SECTION 1.04 Effects of the Mergers. The GPE Merger and the Westar Merger shall have the effects specified herein and in the applicable provisions of the GBCLM, including Sections 410-459 thereof, and the KGCC, including Article 67 thereof, respectively. Without limiting the foregoing, from and after the Effective Time, (a) the Holdco Surviving Corporation shall possess all of the properties, rights, privileges, powers and franchises of GPE and Holdco, and all of the claims, obligations, liabilities, debts and duties of GPE and Holdco shall become the claims, obligations, liabilities, debts and duties of Holdco, and (b) the Westar Surviving Corporation shall possess all of the properties, rights, privileges, powers and franchises of Westar and Merger Sub, and all of the claims, obligations, liabilities, debts and duties of Westar and Merger Sub shall become the claims, obligations, liabilities, debts and duties of Westar.

SECTION 1.05 Organizational Documents.

(a) As of the Effective Time, the articles of incorporation of Holdco, as in effect at the Effective Time (which shall be amended and restated pursuant to Section 6.06), shall be the articles of incorporation of the surviving corporation in the GPE Merger until thereafter amended as provided therein and in accordance with applicable Law. As of the Effective Time, the bylaws of Holdco, as in effect immediately prior to the Effective Time (which shall be amended and restated pursuant to Section 6.06), shall be the bylaws of the surviving corporation in the GPE Merger until thereafter amended as provided therein and in accordance with applicable Law.

(b) As of the Effective Time, the articles of incorporation of the Westar Surviving Corporation shall be amended and restated to be the same as the articles of incorporation of Merger Sub, as in effect immediately prior to the Effective Time, until thereafter amended as provided therein and in accordance with applicable Law, except that

the name of the Westar Surviving Corporation shall continue as “Westar Energy, Inc.”. As of the Effective Time, the bylaws of Westar shall be amended and restated to be the same as the bylaws of Merger Sub, as in effect immediately prior to the Effective Time, until thereafter amended as provided therein and in accordance with applicable Law, except that the name of the Westar Surviving Corporation shall continue as “Westar Energy, Inc.”.

SECTION 1.06 Directors and Officers. The directors of Merger Sub immediately prior to the Effective Time shall be the directors the Westar Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be. The officers of Westar immediately prior to the Effective Time shall be the officers of the Westar Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected or qualified or appointed, as the case may be.

SECTION 1.07 Plan of Merger. This Article I and Article II and, solely to the extent necessary under the KGCC or the GBCLM, the other provisions of this Agreement shall constitute a “plan of merger” for purposes of the KGCC and GMCLM.

SECTION 1.08 Transition Committee. As promptly as practicable after the date of this Agreement and to the extent permitted by applicable Law, Westar and GPE shall create a special transition committee to oversee integration planning, including, to the extent permitted by applicable Law, consulting with respect to operations and major regulatory decisions. This transition committee shall be co-chaired by the chief executive officer of Westar and the chief executive officer of GPE, and shall be composed of such chief executive officers and two other designees of Westar and two other designees of GPE or as otherwise may be agreed by such chief executive officers.

SECTION 1.09 Post-Closing Holdco Dividend Policy. Subject to the discretion of the Holdco Board, Holdco shall adopt a dividend policy, effective as of the Effective Time, which shall be on terms consistent in all material respects with the dividend policy of GPE in effect immediately prior to the Closing.

(i) by virtue of the GPE Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, subject to Section 2.01(c), each share of GPE Common Stock issued and outstanding immediately prior to the Effective Time (except for shares to be canceled and retired or converted in accordance with Section 2.01(a)(i) and the Dissenting Shares) shall be converted automatically into the right to receive 0.5981 (the “GPE Exchange Ratio”) validly issued, fully paid and nonassessable shares of common stock, no par value, of Holdco (“Holdco Common Stock”) (such amount, the “GPE Merger Consideration”), payable as provided in Section 2.02, and, when so converted, shall automatically be canceled and retired and shall cease to exist;

(ii) by virtue of the Westar Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, each share of Westar Common Stock issued and outstanding immediately prior to the Effective Time (except for shares to be canceled and retired or converted in accordance with Section 2.01(a)(ii)) shall be converted automatically into the right to receive one (1) (the “Westar Exchange Ratio”) validly issued, fully paid and nonassessable share of Holdco Common Stock (such amount, the “Westar Merger Consideration” and, collectively with the GPE Merger Consideration, the “Merger Consideration”), payable as provided in Section 2.02, and, when so converted, shall automatically be canceled and retired and shall cease to exist; and

(iii) by virtue of the Westar Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, each share of common stock of Merger

Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Westar Surviving Corporation and shall constitute the only outstanding shares of capital stock of the Westar Surviving Corporation.

(c) Adjustments to Merger Consideration. If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of Westar or GPE (or any other securities convertible therefor or exchangeable thereto) shall occur as a result of any reclassification, stock split (including a reverse stock split), combination, exchange or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, or any similar event, in each case, other than pursuant to the transactions contemplated by this Agreement, the Merger Consideration and any other similarly dependent items shall be equitably adjusted to provide to the holders of GPE Common Stock and Westar Common Stock the same economic effect as contemplated by this Agreement prior to such action.

SECTION 2.02 Payment for Shares.

(a) Exchange Agent. Prior to the Closing Date, GPE and Westar shall appoint a bank or trust company to act as paying and exchange agent reasonably acceptable to each of them (the “Exchange Agent”) for the purpose of exchanging shares of GPE Common Stock and Westar Common Stock for the Merger Consideration in accordance with Section 2.01(b). At or prior to the Effective Time, Holdco shall deposit or cause to be deposited with the Exchange Agent, in trust for the benefit of the holders of GPE Common Stock and Westar Common Stock contemplated by Section 2.01(b), an aggregate amount of Holdco Common Stock sufficient to deliver the Merger Consideration pursuant to Section 2.01(b). In addition, Holdco shall deposit, or cause to be deposited, with the Exchange Agent, as necessary from time to time after the Effective Time, any dividends or other distributions payable pursuant to Section 2.02(j). All shares of Holdco Common Stock, together with the amount of any such cash dividends and distributions deposited with the Exchange Agent pursuant to this Section 2.02(a), shall hereinafter be referred to as the “Exchange Fund.”

(b) Payment Procedures.

(i) Promptly after the Effective Time (but no later than four (4) Business Days after the Effective Time), the Exchange Agent will mail to each holder of record of a certificate representing outstanding shares of GPE Common Stock and Westar Common Stock immediately prior to the Effective Time (a “Certificate”) and to each holder of uncertificated shares of GPE Common Stock and Westar Common Stock represented by book entry immediately prior to the Effective Time (“Book-Entry Shares”), in each case, whose shares were converted into the right to receive the Merger Consideration pursuant to Section 2.01(b):

(1) a letter of transmittal, which shall specify that delivery shall be effected, and that risk of loss and title to Certificates or Book-Entry Shares held by such holder will pass, only upon delivery of such Certificates

or Book-Entry Shares to the Exchange Agent and which shall be in form and substance reasonably satisfactory to GPE and Westar, and

(2) instructions for use in effecting the surrender of such Certificates or Book-Entry Shares in exchange for the Merger Consideration with respect to such shares.

(ii) Upon surrender to, and acceptance in accordance with Section 2.02(b)(iii) by, the Exchange Agent of a Certificate or Book-Entry Share, the holder thereof will be entitled to the Merger Consideration payable in respect of the number of shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificate or Book-Entry Share surrendered under this Agreement. Until such time as the Merger Consideration is issued to or at the direction of the holder of a surrendered Certificate or Book-Entry Shares, Holdco Common Stock that constitutes the Merger Consideration shall not be voted on any matter.

(iii) The Exchange Agent will accept Certificates or Book-Entry Shares upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange of the Certificates and Book-Entry Shares in accordance with customary exchange practices.

(iv) From and after the Effective Time, no further transfers may be made on the records of GPE or Westar or its respective transfer agent of Certificates or Book-Entry Shares, and if any Certificate or Book-Entry Share is presented to GPE or Westar for transfer, such Certificate or Book-Entry Share shall be canceled against delivery of the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by such Certificate or Book-Entry Share.

(v) If any Merger Consideration is to be remitted to a name other than that in which a Certificate or Book-Entry Share is registered, no Merger Consideration may be paid in exchange for such surrendered Certificate or Book-Entry Share unless:

(1) either (A) the Certificate so surrendered is properly endorsed, with signature guaranteed, or otherwise in proper form for transfer or (B) the Book-Entry Share is properly transferred; and

(2) the Person requesting such payment shall (A) pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of the Certificate or Book-Entry Share or (B) establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(vi) At any time after the Effective Time until surrendered as contemplated by this Section 2.02, each Certificate or Book-Entry Share shall be deemed to represent only the right to receive upon such surrender the Merger

Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by such Certificate or Book-Entry Share as contemplated by Section 2.01(b). No interest will be paid or accrued for the benefit of holders of Certificates or Book-Entry Shares on the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by Certificates or Book-Entry Shares.

(c) No Further Ownership Rights in GPE Common Stock and Westar Common Stock.

(i) At the Effective Time, each holder of a Certificate, and each holder of Book-Entry Shares, will cease to have any rights with respect to such shares of GPE Common Stock or Westar Common Stock, except, to the extent provided by Section 2.01, for the right to receive the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificate or Book-Entry Shares upon surrender of such Certificate or Book-Entry Share in accordance with Section 2.02(b);

(ii) The Merger Consideration paid upon the surrender or exchange of Certificates or Book-Entry Shares in accordance with this Section 2.02 will be deemed to have been paid in full satisfaction of all rights pertaining to the shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificates or Book-Entry Shares (other than the right to receive dividends or other distributions, if any, in accordance with Section 2.02(j)).

(d) Termination of Exchange Fund. The Exchange Agent will deliver to Holdco, upon Holdco's demand, any portion of the Exchange Fund (including any interest and other income received by the Exchange Agent in respect of all such funds) which remains undistributed to the former holders of Certificates or Book-Entry Shares upon expiration of the period ending one (1) year after the Effective Time. Thereafter, any former holder of Certificates or Book-Entry Shares prior to the Mergers who has not complied with this Section 2.02 prior to such time, may look only to Holdco for payment of his, her or its claim for Merger Consideration to which such holder may be entitled.

(e) Investment of Exchange Fund. The Exchange Agent shall invest any cash in the Exchange Fund if and as directed by Holdco; provided that such investment shall be in obligations of, or guaranteed by, the United States of America, in commercial paper obligations of issuers organized under the Law of a state of the United States of America, rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Ratings Service, respectively, or in certificates of deposit, bank repurchase agreements or bankers' acceptances of commercial banks with capital exceeding \$10,000,000,000, or in mutual funds investing in such assets. Any interest and other income resulting from such investments shall be paid to, and be the property of, Holdco.

(f) No Liability. None of Westar, GPE, Holdco, Merger Sub, the Exchange Agent or any other Person shall be liable to any Person in respect of any portion of the

Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(g) Withholding Taxes. Each of Holdco, GPE, Westar and the Exchange Agent shall be entitled to deduct and withhold from any cash and consideration otherwise payable pursuant to this Agreement to any holder of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights such amounts for Taxes as may be required to be deducted and withheld with respect to the making of such payment under applicable Tax Law. Amounts so deducted and withheld (or the cash equivalent thereof) shall be promptly paid over to the appropriate taxing authority, and shall be treated for all purposes under this Agreement as having been paid to the holder of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights, as applicable, in respect of which such deduction or withholding was made. Holdco or the Exchange Agent, as relevant, shall provide advance notice of any requirement to withhold and deduct Taxes, and shall obtain from holders of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights such certificates or other documents required to avoid or reduce any such Taxes.

(h) Lost, Stolen or Destroyed Certificates. If any Certificate formerly representing shares of GPE Common Stock or Westar Common Stock has been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Holdco, the posting by such Person of a bond, in such reasonable and customary amount as Holdco may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall deliver and pay, in exchange for such lost, stolen or destroyed certificate, the Merger Consideration payable in respect thereof pursuant to this Agreement.

(i) Fractional Shares. No certificates or scrip representing fractional shares of Holdco Common Stock shall be issued upon the conversion of GPE Common Stock or Westar Common Stock pursuant to Section 2.01, and such fractional share interests shall not entitle the owner thereof to vote or to any rights of a holder of Holdco Common Stock. For purposes of this Section 2.02(i), all fractional shares to which a single record holder would be entitled shall be aggregated and calculations shall be rounded to three decimal places. As promptly as practicable following the Effective Time, the Exchange Agent shall determine the excess of (i) the number of whole shares of Holdco Common Stock delivered to the Exchange Agent by Holdco pursuant to Section 2.02(a) representing the Merger Consideration over (ii) the aggregate number of whole shares of Holdco Common Stock to be distributed to former holders of GPE Common Stock and Westar Common Stock pursuant to Section 2.02(b) (such excess being herein called the “Excess Shares”). Following the Effective Time, the Exchange Agent shall, on behalf of former shareholders of GPE and Westar, sell the Excess Shares at then-prevailing prices on the NYSE, all in the manner provided in this Section 2.02(i). The Parties acknowledge that payment of the cash consideration received from the sale of the Excess Shares in lieu of issuing fractional

shares of Holdco Common Stock was not separately bargained for consideration but merely represents a mechanical rounding off for purposes of avoiding the expense and inconvenience to Holdco that would otherwise be caused by the issuance of fractional shares of Holdco Common Stock. The sale of the Excess Shares by the Exchange Agent shall be executed on the NYSE through one or more member firms of the NYSE and shall be executed in round lots to the extent practicable. The Exchange Agent shall use reasonable efforts to complete the sale of the Excess Shares as promptly following the Effective Time as, in the Exchange Agent's sole judgment, is practicable consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to the holders of Certificates and Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock, the Exchange Agent shall hold such proceeds in trust for holders of GPE Common Stock and Westar Common Stock (the "Common Shares Trust"). The Holdco Surviving Corporation shall pay all commissions, transfer taxes and other out-of-pocket transaction costs, including the expenses and compensation of the Exchange Agent incurred in connection with such sale of the Excess Shares. The Exchange Agent shall determine the portion of the Common Shares Trust to which each former holder of GPE Common Stock or Westar Common Stock is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Common Shares Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former holder of GPE Common Stock or Westar Common Stock would otherwise be entitled (after taking into account all shares of GPE Common Stock or Westar Common Stock, as applicable, held at the Effective Time by such holder) and the denominator of which is the aggregate amount of fractional share interests to which all former holders of GPE Common Stock or Westar Common Stock would otherwise be entitled. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Certificates or Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock with respect to any fractional share interests, the Exchange Agent shall make available such amounts to such holders of Certificates or Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock, without interest, subject to and in accordance with the terms of Section 2.02(b).

(j) Dividends with Respect to Holdco Common Stock. No dividends or other distributions with respect to Holdco Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Shares with respect to the shares of Holdco Common Stock issuable hereunder, and all such dividends and other distributions shall be paid by Holdco to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Certificate (or affidavit of loss in lieu thereof) or Book-Entry Shares in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Certificate (or affidavit of loss in lieu thereof) or Book-Entry Shares there shall be paid to the holder thereof, without interest and subject to any required Tax withholding, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Holdco Common Stock to which such holder is entitled pursuant to this Agreement and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and

with a payment date subsequent to such surrender payable with respect to such shares of Holdco Common Stock.

SECTION 2.03 Equity Awards.

(a) At or prior to the Effective Time, Westar shall take such actions as are necessary (including obtaining any resolutions of the Westar Board or, if appropriate, any committee thereof administering the Westar Stock Plan and providing any required notices and obtaining any required consents) to effect the following and to ensure that the conversions pursuant to Section 2.01(b) of the Westar Common Stock held by any director or officer of Westar and the conversion pursuant to this Section 2.03(a) with respect to any director or officer of Westar will be eligible for exemption under Rule 16b-3(e) under the Exchange Act:

(i) Westar Restricted Share Units. Immediately prior to the Effective Time, each Westar Restricted Share Unit that is outstanding and unvested immediately prior to the Effective Time shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Restricted Share Unit as of the Effective Time, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g). In each case, payment with respect to any Westar Restricted Share Units shall be made within five (5) Business Days after the Closing Date.

(ii) Westar Performance Units. Immediately prior to the Effective Time, each Westar Performance Unit that is outstanding and unvested immediately prior to the Effective Time shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Performance Unit as of the Effective Time, with the number of vested Westar Performance Units to be the greater of the target award or the number determined in accordance with the performance criteria provided in the applicable award agreement, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g). In each case, payment with respect to any Company Performance Units shall be made within five (5) Business Days after the Closing Date.

(iii) Westar Other Equity-Based Rights. Immediately prior to the Effective Time, each contractual right to receive a share of Westar Common Stock or the value of such a share other than Westar Restricted Share Units and Westar Performance Units (each, a “Westar Other Equity-Based Right”) pursuant to any Westar Benefit Plan that is outstanding immediately prior to the Effective Time, shall, without any action on the part of the holder thereof, vest in full, and all restrictions (including forfeiture restrictions or repurchase rights) otherwise applicable to such Westar Other Equity-Based Right shall lapse, and each Westar Other Equity-Based Right shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Other

Equity-Based Right as of the Effective Time, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g), such that as of the Effective Time, no Westar Other Equity-Based Rights shall be outstanding. In each case, payment with respect to any Westar Other Equity-Based Rights shall be made within five (5) Business Days after the Closing Date; provided, however, that in the case of any Westar Other Equity-Based Rights that constitute deferred compensation within the meaning of Section 409A of the Code, payment shall occur on the date that it would otherwise occur under the applicable Westar Benefit Plan or election form absent the application of this Section 2.03(a)(iii) to the extent necessary to avoid the imposition of any penalty or other taxes under Section 409A of the Code.

(b) At or prior to the Effective Time, GPE shall take such actions as are necessary (including obtaining any resolutions of the GPE Board or, if appropriate, any committee thereof administering the GPE Stock Plan and providing any required notices and obtaining any required consents) to effect the following and to ensure that the conversions pursuant to Section 2.01(b) of the GPE Common Stock held by any director or officer of GPE and the conversion pursuant to this Section 2.03(b) with respect to any director or officer of GPE will be eligible for exemption under Rule 16b-3(e) under the Exchange Act:

(i) GPE Deferred Share Units. At the Effective Time, each GPE Deferred Share Unit that is outstanding and unvested immediately prior to the Effective Time shall be, as of the Effective Time, converted into an award of a number of deferred share units of Holdco Common Stock equal to the number of GPE Deferred Share Units of GPE Common Stock multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such award of GPE Deferred Share Unit, including vesting.

(ii) GPE Performance Share Awards. At the Effective Time, each GPE Performance Share Award that is outstanding and unvested immediately prior to the Effective Time shall be, as of the Effective Time, converted into an award of a number of performance share awards of Holdco Common Stock equal to the number of GPE Performance Share Awards of GPE Common Stock multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such GPE Performance Share Awards, including vesting, and the performance measurement period for such performance shares shall remain open (such that no payments shall be made under the terms of such performance shares solely as a result of or in connection with the Mergers) and the compensation committee of the Holdco Board shall adjust the performance measures of such performance shares as soon as practicable after the Effective Time as it determines is appropriate and equitable to reflect the performance of GPE during the performance measurement period prior to the Effective Time, the transactions contemplated by this Agreement.

(iii) GPE Other Equity-Based Rights. At the Effective Time, each contractual right to receive a share of GPE Common Stock or the value of such a

share other than GPE Deferred Share Units and GPE Performance Share Awards (each, a “GPE Other Equity-Based Right”) granted pursuant to any GPE Benefit Plan that is outstanding immediately prior to the Effective Time, shall, without any action on the part of the holder thereof, be, as of the Effective Time, converted into an equity or equity-based award in respect of a number of shares of Holdco Common Stock equal to the number of shares of GPE Common Stock represented by such GPE Other Equity-Based Right multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such GPE Other Equity-Based Right, including vesting.

SECTION 2.04 Appraisal Rights.

(a) Notwithstanding anything to the contrary contained in this Agreement, any share of GPE Common Stock that, as of the Effective Time, is held by a holder who is entitled to, and who has properly preserved, appraisal rights under Section 351.455.1 of the GBCLM with respect to such share (a “Dissenting Share”) will not be converted into or represent the right to receive the Merger Consideration in accordance with Section 2.01 and Section 2.02, and the holder of such share will be entitled only to such rights as may be granted to such holder pursuant to Section 351.455.1 of the GBCLM with respect to such share; provided, however, that if such appraisal rights have not been perfected or the holder of such share has otherwise lost such holder’s appraisal rights with respect to such share, then, as of the later of the Effective Time or the time of the failure to perfect such rights or the loss of such rights, such share will automatically be converted into and will represent only the right to receive (upon the surrender of the Certificate representing such share or Book-Entry Share) the applicable Merger Consideration in accordance with Section 2.01 and Section 2.02.

(b) GPE will give Westar (i) prompt notice of any written demand for appraisal received by GPE prior to the Effective Time pursuant to Section 351.455.1 of the GBCLM and (ii) the opportunity to participate in all negotiations and proceedings with respect to any such demand.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF WESTAR

Except (a) as set forth in the Westar Reports publicly available and filed with or furnished to the SEC prior to the date of this Agreement (excluding any disclosures of factors or risks contained or references therein under the captions “Risk Factors” or “Forward-Looking Statements” and any other statements that are predictive, cautionary or forward-looking in nature) or (b) subject to Section 9.04(k), as set forth in the corresponding section of the amended and restated disclosure letter delivered by Westar to GPE concurrently with the execution and delivery by Westar of this Agreement, which amends and restates in its entirety the disclosure letter delivered by Westar to GPE concurrently with the execution and delivery of the Original Merger Agreement (the “A&R Westar Disclosure Letter”), Westar represents and warrants to GPE as follows:

SECTION 3.01 Organization, Standing and Power. Each of Westar and the Subsidiaries of Westar (the “Westar Subsidiaries”) is duly organized, validly existing and in active status or good standing, as applicable, under the laws of the jurisdiction in which it is organized (in the case of active status or good standing, to the extent such jurisdiction recognizes such concept), except, in the case of the Westar Subsidiaries, where the failure to be so organized, existing or in active status or good standing, as applicable, has not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Each of Westar and the Westar Subsidiaries has all requisite entity power and authority to enable it to own, operate, lease or otherwise hold its properties and assets and to conduct its businesses as presently conducted, except where the failure to have such power or authority would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Each of Westar and the Westar Subsidiaries is duly qualified or licensed to do business in each jurisdiction where the nature of its business or the ownership, operation or leasing of its properties make such qualification necessary, except in any such jurisdiction where the failure to be so qualified or licensed would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Westar has made available to GPE true and complete copies of the amended and restated articles of incorporation of Westar, as amended and in effect as of the date of this Agreement (the “Westar Articles”) and the bylaws of Westar, as amended and in effect as of the date of this Agreement (the “Westar Bylaws”).

Westar has all requisite corporate power and authority to execute and deliver this Agreement, to perform its covenants and agreements hereunder and to consummate the transactions contemplated hereby, including the Mergers, subject, in the case of the Westar Merger, to the receipt of the Westar Shareholder Approval. The Westar Board has adopted resolutions, at a meeting duly called at which a quorum of directors of Westar was present, (a) determining that it is in the best interests of Westar and its shareholders, and declaring it advisable, for Westar to enter into this Agreement, (b) adopting this Agreement and approving Westar’s execution, delivery and performance of this Agreement and the consummation of the transactions contemplated thereby and (c) resolving to recommend that Westar’s shareholders approve this Agreement (the “Westar Board Recommendation”) and directing that this Agreement be submitted to Westar’s shareholders for approval at a duly held meeting of such shareholders for such purpose (the “Westar Shareholders Meeting”). Such resolutions have not been amended or withdrawn as of the date of this Agreement.

Westar has duly executed and delivered this Agreement and, assuming the due authorization, execution and delivery by GPE, Holdco and Merger Sub, this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject in all respects to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other Laws relating to or affecting creditors’ rights generally and general equitable principles (whether considered in a proceeding in equity or at law) (the “Bankruptcy and Equity Exceptions”).

SECTION 3.05 No Conflicts; Consents.

(a) The execution and delivery by Westar of this Agreement does not, and the performance by Westar of its covenants and agreements hereunder and the consummation of the transactions contemplated hereby, including the Mergers, will not, (i) subject to obtaining the Westar Shareholder Approval, conflict with, or result in any violation of any provision of, the Westar Articles, the Westar Bylaws or the Organizational Documents of any Westar Subsidiary, (ii) subject to obtaining the Consents set forth in Section 3.05(a)(ii) of the A&R Westar Disclosure Letter (the “Westar Required Consents”), conflict with, result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any material obligation or to the loss of a material benefit under, or result in the creation of a Lien upon any of the respective properties or assets of Westar or any Westar Subsidiary pursuant to, any Contract to which Westar or any Westar Subsidiary is a party or by which any of their respective properties or assets are bound or any Permit applicable to the business of Westar and the Westar Subsidiaries or (iii) subject to obtaining the Westar Shareholder Approval and the Consents referred to in Section 3.05(b) and making the Filings referred to in Section 3.05(b), conflict with, or result in any violation of any provision of, any Judgment or Law, in each case, applicable to Westar or any Westar Subsidiary or their respective properties or assets, except for, in the case of the foregoing clauses (ii) and (iii), any matter that would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the transactions contemplated hereby, including the Mergers.

(b) No consent, waiver or Permit (“Consent”) of or from, or registration, declaration, notice, submission or filing (“Filing”) made to or with, any Governmental Entity is required to be obtained or made by Westar, any Westar Subsidiary or any other Affiliate of Westar in connection with Westar’s execution and delivery of this Agreement or its performance of its covenants and agreements hereunder or the consummation of the transactions contemplated hereby, including the Mergers, except for the following:

- (i) (1) the filing with the Securities and Exchange Commission (the “SEC”), in preliminary and definitive form, of the Proxy Statement/Prospectus and
- (2) the filing with the SEC of such reports under, and such other compliance with,

(ii) compliance with, Filings under and the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder (the “HSR Act”) and such other Consents or Filings as are required to be obtained or made under any other Antitrust Law;

(iii) the filing of the Westar Articles of Merger with the Secretary of State of the State of Kansas and appropriate documents with the relevant authorities of the other jurisdictions in which GPE and Westar are qualified to do business;

(iv) (1) Filing with, and the Consent of, the Federal Energy Regulatory Commission (the “FERC”) under Section 203 of the Federal Power Act (the “FPA”), (2) Filings with, and the Consent of, the U.S. Nuclear Regulatory Commission (the “NRC”), (3) Filings with, and the Consent of, the Kansas Corporation Commission (the “KCC”) and the Missouri Public Service Commission (the “MPSC”) and (4) Filings and Consents set forth in Section 3.05(b)(iv) of the A&R Westar Disclosure Letter (the Consents and Filings set forth in Section 3.05(b)(ii) and this Section 3.05(b)(iv), collectively, the “Westar Required Statutory Approvals”);

(v) the Westar Required Consents;

(vi) compliance with and filings required under (1) the rules and regulations of the NYSE and (2) applicable state securities, “blue sky” or takeover Laws and applicable foreign securities Laws;

(vii) Filings and Consents as are required to be made or obtained under state or federal property transfer Laws or Environmental Laws; and

(viii) such other Filings or Consents the failure of which to make or obtain would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the Westar Merger.

SECTION 3.06 Westar Reports; Financial Statements.

(a) Westar has furnished or filed all reports, schedules, forms, statements and other documents (including exhibits and other information incorporated therein) required to be furnished or filed by Westar with the SEC since January 1, 2015 (such documents, together with all exhibits, financial statements, including the Westar Financial Statements, and schedules thereto and all information incorporated therein by reference, but excluding the Proxy Statement/Prospectus, being collectively referred to as the “Westar Reports”). Each Westar Report (i) at the time furnished or filed, complied in all material respects with

the applicable requirements of the Exchange Act, the Securities Act or the Sarbanes-Oxley Act of 2002 (including the rules and regulations promulgated thereunder), as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such Westar Report and (ii) did not at the time it was filed (or if amended or superseded by a filing or amendment prior to the date of this Agreement, then at the time of such filing or amendment) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of the consolidated financial statements of Westar included in the Westar Reports (the “Westar Financial Statements”) complied at the time it was filed as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, was prepared in accordance with United States generally accepted accounting principles (“GAAP”) (except, in the case of unaudited quarterly financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods and as of the dates involved (except as may be indicated in the notes thereto) and fairly presents in all material respects, in accordance with GAAP, the consolidated financial position of Westar and the Westar’s consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited quarterly financial statements, to normal year-end audit adjustments).

(b) Neither Westar nor any Westar Subsidiary has any liability of any nature that is required by GAAP to be set forth on a consolidated balance sheet of Westar and the Westar Subsidiaries, except liabilities (i) reflected or reserved against in the most recent balance sheet (including the notes thereto) of Westar and the Westar Subsidiaries included in the Westar Reports filed prior to the date hereof, (ii) incurred in the ordinary course of business after March 31, 2017, (iii) incurred in connection with the Mergers or any other transaction or agreement contemplated by this Agreement or the Original Merger Agreement or (iv) that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect.

(c) Westar maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act). Such internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. Westar maintains “disclosure controls and procedures” required by Rule 13a-15 or 15d-15 under the Exchange Act that are effective in all material respects to ensure that information required to be disclosed by Westar in the reports it files or submits under the Exchange Act is recorded, processed, summarized and reported on a timely basis to the individuals responsible for the preparation of Westar’s filings with the SEC and other public disclosure documents. Westar has disclosed, based on its most recent evaluation prior to the date of this Agreement, to Westar’s outside auditors and the audit committee of the Westar Board (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that are reasonably likely to adversely affect Westar’s ability to record, process, summarize and report financial information and (2) any fraud, known to Westar, whether or not

material, that involves management or other employees who have a significant role in Westar's internal controls over financial reporting.

SECTION 3.07 Absence of Certain Changes or Events.

(a) From December 31, 2016 to the date of this Agreement, each of Westar and the Westar Subsidiaries has conducted its respective business in the ordinary course of business in all material respects, except for the conduct in connection with the Mergers or as otherwise contemplated or required by this Agreement or the Original Merger Agreement.

(b) From December 31, 2016 to the date of this Agreement, there has not occurred any fact, circumstance, effect, change, event or development that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect.

SECTION 3.08 Taxes.

(a) (1) Each of Westar and Westar Subsidiaries has timely filed, taking into account all valid extensions, all material Tax Returns required to have been filed and such Tax Returns are accurate and complete in all material respects and (2) all material Taxes have been timely paid in full (whether or not shown or required to be shown as due on any Tax Return);

(b) each of Westar and Westar Subsidiaries has withheld and timely remitted to the appropriate Governmental Entity all material Taxes required to be withheld from amounts owing to any employee, creditor or third party;

(c) (1) no audit, examination, investigation or other proceeding is pending with any Governmental Entity with respect to any material amount of unpaid Taxes asserted against Westar or any Westar Subsidiary; and neither Westar nor any Westar Subsidiary has received written notice of any threatened audit, examination, investigation or other proceeding from any Governmental Entity for any material amount of unpaid Taxes asserted against Westar or any Westar Subsidiary, which have not been fully paid or settled, and (2) neither Westar nor any Westar Subsidiary has granted any waiver of any statute of limitations with respect to, or any extension of a period for the assessment of, any material Tax which has not yet expired (excluding extensions of time to file Tax Returns obtained in the ordinary course);

(d) (1) neither Westar nor any Westar Subsidiary had any liabilities for material unpaid Taxes as of the date of the latest balance sheet included in the Westar Financial Statements that had not been accrued or reserved on such balance sheet in accordance with GAAP and (2) neither Westar nor any Westar Subsidiary has incurred any material liability for Taxes since the date of the latest balance sheet included in the Westar Financial Statements except in the ordinary course of business;

(e) neither Westar nor any Westar Subsidiary has any liability for material Taxes of any Person (except for Westar or any Westar Subsidiary) arising from the

application of Treasury Regulation Section 1.1502-6 or any analogous provision of state, local or foreign Law, as a transferee or successor or by contract;

(f) neither Westar nor any Westar Subsidiary is a party to or is otherwise bound by any Tax sharing, allocation or indemnification agreement or arrangement, except for such an agreement or arrangement (1) exclusively between or among Westar and Westar Subsidiaries, (2) with customers, vendors, lessors or other third parties entered into in the ordinary course of business and not primarily related to Taxes or (3) that as of the Closing Date will be terminated without any further payments being required to be made;

(g) within the past three (3) years, neither Westar nor any Westar Subsidiary has been a “distributing corporation” or a “controlled corporation” in a distribution intended to qualify for tax-free treatment under Section 355 of the Code;

(h) neither Westar nor any Westar Subsidiary has participated in any “listed transaction” as defined in Treasury Regulations Section 1.6011-4(b)(2) or Treasury Regulations Section 301.6111-2(b) in any Tax year for which the statute of limitations has not expired;

(i) there are no Liens on any of the assets of Westar or any of its Subsidiaries that arose in connection with any failure (or alleged failure) to pay any material Tax (excluding Taxes that are being contested in good faith for which adequate reserves have been provided in accordance with GAAP);

(j) neither Westar nor any Westar Subsidiary has any Tax rulings, requests for rulings, closing agreements or other similar agreements in effect or filed with any Governmental Entity; and

(k) after reasonable diligence, neither Westar nor any Westar Subsidiary is aware of the existence of any fact, or has taken or agreed to take any action, that would prevent the Westar Merger or GPE Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code (or, in the case of the Westar Merger, as an exchange described in Section 351 of the Code).

(l) Except to the extent Section 3.09 relates to Taxes, the representations and warranties contained in this Section 3.08 are the sole and exclusive representations and warranties of Westar relating to Taxes, and no other representation or warranty of Westar contained herein shall be construed to relate to Taxes.

SECTION 3.09 Employee Benefits.

(a) Section 3.09(a) of the A&R Westar Disclosure Letter sets forth a complete and accurate list, as of the date of this Agreement, of each material Westar Benefit Plan and each material Westar Benefit Agreement.

(b) With respect to each material Westar Benefit Plan and material Westar Benefit Agreement, Westar has made available to GPE, to the extent applicable, complete and accurate copies of (i) the plan document (or, if such arrangement is not in writing, a

written description of the material terms thereof), including any amendment thereto and any summary plan description thereof, (ii) each trust, insurance, annuity or other funding Contract related thereto, (iii) the two (2) most recent audited financial statement and actuarial or other valuation report prepared with respect thereto, (iv) the two (2) most recent annual report on Form 5500 required to be filed with the Internal Revenue Service (the “IRS”) with respect thereto and (v) the most recently received IRS determination letter or, if applicable, current IRS opinion or advisory letter (as to qualified plan status). No Westar Benefit Plan or Westar Benefit Agreement is maintained outside the jurisdiction of the United States, or covers any Westar Personnel residing or working outside of the United States.

(c) Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Westar Material Adverse Effect, (i) each Westar Benefit Plan and each Westar Benefit Agreement has been maintained in compliance with its terms and with the requirements prescribed by ERISA, the Code and all other applicable Laws, (ii) there are no pending or, to the Knowledge of Westar, threatened proceedings or claims against any Westar Benefit Plan or Westar Benefit Agreement or any fiduciary thereof, or Westar or any Westar Subsidiary with respect to any Westar Benefit Plan or Westar Benefit Agreement and (iii) all contributions, reimbursements, premium payments and other payments required to be made by Westar or any Westar Commonly Controlled Entity to any Westar Benefit Plan have been made on or before their applicable due dates. Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Westar Material Adverse Effect, neither Westar nor any Westar Commonly Controlled Entity has engaged in, and to the Knowledge of Westar, there has not been, any non-exempt transaction prohibited by ERISA or by Section 4975 of the Code with respect to any Westar Benefit Plan or Westar Benefit Agreement or their related trusts that would reasonably be expected to result in a liability of Westar or a Westar Commonly Controlled Entity. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, no Westar Benefit Plan or Westar Benefit Agreement is under audit or is the subject of an administrative proceeding by the IRS, the Department of Labor, or any other Governmental Entity, nor is any such audit or other administrative proceeding, to the Knowledge of Westar, threatened.

(d) Section 3.09(d) of the A&R Westar Disclosure Letter sets forth each Westar Benefit Plan and Westar Benefit Agreement that is subject to Section 302 or Title IV of ERISA or Section 412, 430 or 4971 of the Code. No Westar Benefit Plan or Westar Benefit Agreement is a multiemployer plan, as defined in Section 3(37) of ERISA, and neither Westar nor any Westar Commonly Controlled Entity has contributed to or been obligated to contribute to any such plan within the six years preceding this Agreement. Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, neither Westar nor any Westar Commonly Controlled Entity has incurred any Controlled Group Liability (as defined below) that has not been satisfied in full nor do any circumstances exist that could reasonably be expected to give rise to any Controlled Group Liability (except for the payment of premiums to the Pension Benefit Guaranty Corporation). For the purposes of this Agreement, “Controlled Group Liability” means any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412, 430 and 4971 of

the Code or (iv) as a result of the failure to comply with the continuation of coverage requirements of Section 601 *et seq.* of ERISA and Section 4980B of the Code.

(e) Each Westar Benefit Plan that is intended to be qualified under Section 401(a) of the Code is so qualified and such plan has received a currently effective favorable determination letter or, if applicable, current opinion or advisory letter to that effect from the IRS and, to the Knowledge of Westar, there is no reason why any such determination letter should be revoked.

(f) Except for any liabilities of Westar that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, neither Westar nor any Westar Subsidiary has any liability for providing health, medical or other welfare benefits after retirement or other termination of employment, except for coverage or benefits required to be provided under Section 4980(B)(f) of the Code or applicable Law.

(g) Except as set forth in Section 3.09(g) of the A&R Westar Disclosure Letter, none of the execution and delivery of this Agreement, the performance by either party of its covenants and agreements hereunder or the consummation of the Mergers (alone or in conjunction with any other event, including any termination of employment before, on or following the Effective Time) will (i) entitle any Westar Personnel to any material compensation or benefit, (ii) accelerate the time of payment or vesting, or trigger any payment or funding, of any material compensation or benefit or trigger any other material obligation under any Westar Benefit Plan or Westar Benefit Agreement or (iii) will result in any payment that could, individually or in combination with any other such payment, not be deductible under Section 280G of the Code.

(h) The representations and warranties contained in this Section 3.09 are the sole and exclusive representations and warranties of Westar relating to Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA, and no other representation or warranty of Westar contained herein shall be construed to relate to Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA.

SECTION 3.10 Labor and Employment Matters. Except for the Westar Union Contracts, neither Westar nor any Westar Subsidiary is party to any collective bargaining agreement or similar labor union Contract with respect to any of their respective employees. Except for employees covered by a Westar Union Contract, no employees of Westar or any Westar Subsidiary are represented by any other labor union with respect to their employment for Westar or any Westar Subsidiary. To the Knowledge of Westar, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, (a) there are no labor union representation or certification proceedings with respect to employees of Westar or any Westar Subsidiary pending or threatened in writing to be brought or filed with the National Labor Relations Board, and (b) there are no labor union organizing activities, with respect to employees of Westar or any Westar Subsidiary. From January 1, 2016 until the date of this Agreement, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, there have been no labor union

strikes, slowdowns, work stoppages or lockouts or other material labor disputes pending or threatened in writing against or affecting Westar or any Westar Subsidiary. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, since January 1, 2015, Westar and each Westar Subsidiary has complied and is in compliance with all applicable Laws pertaining to employment or labor matters and has not engaged in any action that will require any notifications under the Workers Adjustment and Retraining Notification Act and comparable local, state, and federal Laws (“WARN”). Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, there are no Claims or investigations pending or, to the Knowledge of Westar, threatened by or on behalf of any employee of Westar or any Westar Subsidiary alleging violations of Laws pertaining to employment or labor matters.

SECTION 3.11 Litigation. There is no Claim before any Governmental Entity pending or, to the Knowledge of Westar, threatened against Westar or any Westar Subsidiary that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. There is no Judgment outstanding against or, to the Knowledge of Westar, investigation by any Governmental Entity of Westar or any Westar Subsidiary or any of their respective properties or assets that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. This Section 3.11 does not relate to Taxes; Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA; Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Sections 3.08, 3.09, 3.14 and 3.17, respectively.

SECTION 3.12 Compliance with Applicable Laws; Permits. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, (a) Westar and the Westar Subsidiaries are in compliance with all applicable Laws (including Anti-Corruption Laws) and all material Permits applicable to the business and operations of Westar and the Westar Subsidiaries, and (b) Westar and each Westar Subsidiary hold, and are in compliance with, all Permits required by Law for the conduct of their respective businesses as they are now being conducted. None of Westar, the Westar Subsidiaries or, to the Knowledge of Westar, their respective directors, officers, employees, agents or representatives: (i) is a Designated Person, (ii) is a Person that is owned or controlled by a Designated Person; (iii) is located, organized or resident in a Sanctioned Country; or (iv) has or is now, in connection with the business of Westar or the Westar Subsidiaries, engaged in, any dealings or transactions (A) with any Designated Person, (B) in any Sanctioned Country, or (C) otherwise in material violation of Sanctions. This Section 3.12 does not relate to Taxes; Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA; Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Sections 3.08, 3.09, 3.14 and 3.17, respectively.

SECTION 3.13 Takeover Statutes. Assuming that the representations and warranties of GPE contained in Section 4.19 are true and correct, Westar has taken all necessary actions, if any, so that the transactions contemplated hereby, including the Mergers, are not subject to any “fair price,” “moratorium,” “control share acquisition,” “interested shareholder,” “affiliated

transaction,” “business combination” or any other antitakeover Law (each, a “Takeover Statute”) or any similar antitakeover provision in the Westar Articles or Westar Bylaws.

SECTION 3.14 Environmental Matters.

(a) Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect:

(i) Westar and the Westar Subsidiaries are in compliance with all Environmental Laws, and, except for matters that have been fully resolved, as of the date of this Agreement, neither Westar nor any Westar Subsidiary has received any written communication from a Governmental Entity or other Person that alleges that Westar or any Westar Subsidiary is in violation of any Environmental Law or any Permit issued pursuant to Environmental Law (an “Environmental Permit”);

(ii) with respect to all Environmental Permits necessary to conduct the respective operations of Westar or the Westar Subsidiaries as currently conducted, (1) Westar and each of the Westar Subsidiaries have obtained and are in compliance with, or have filed timely applications for, all such Environmental Permits, (2) all such Environmental Permits are valid and in good standing, (3) neither Westar nor any Westar Subsidiary has received notice from any Governmental Entity seeking to modify, revoke or terminate, any such Environmental Permits and (4) no such Environmental Permits will be subject to modification, termination or revocation as a result of the transactions contemplated by this Agreement;

(iii) there are no Environmental Claims pending or, to the Knowledge of Westar, threatened in writing against Westar or any Westar Subsidiary that have not been fully and finally resolved;

(iv) there are and have been no Releases of, or exposure to, any Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by Westar or any Westar Subsidiary, and there are no other facts, circumstances or conditions, that would reasonably be expected to form the basis of any Environmental Claim against Westar or any Westar Subsidiary; and

(v) Westar and the Westar Subsidiaries have not transported or arranged for the transportation of any Hazardous Materials generated by Westar or any Westar Subsidiary to any location which is listed on the National Priorities List under CERCLA, or on any similar state list, or which is the subject of federal, state or local enforcement actions or other investigations that would reasonably be expected to form the basis of any Environmental Claim against Westar or any Westar Subsidiary.

(b) The representations and warranties contained in this Section 3.14 are the sole and exclusive representations and warranties of Westar relating to Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters, and no other representation or warranty of Westar contained

herein shall be construed to relate to Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters.

SECTION 3.15 Contracts.

(a) Except for this Agreement, Westar Benefit Plans and Westar Benefit Agreements, as of the date of this Agreement, neither Westar nor any Westar Subsidiary is a party to any Contract required to be filed by Westar as a “material contract” pursuant to Item 601(b)(10) of Regulation S-K under the Securities Act (a “Filed Westar Contract”) that has not been so filed.

(b) Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, (i) each Filed Westar Contract is a valid, binding and legally enforceable obligation of Westar or one of the Westar Subsidiaries, as the case may be, and, to the Knowledge of Westar, of the other parties thereto, subject in all respects to the Bankruptcy and Equity Exceptions, (ii) each such Filed Westar Contract is in full force and effect and (iii) none of Westar or any Westar Subsidiary is (with or without notice or lapse of time, or both) in breach or default under any such Filed Westar Contract and, to the Knowledge of Westar, no other party to any such Filed Westar Contract is (with or without notice or lapse of time, or both) in breach or default thereunder.

SECTION 3.16 Real Property. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, each of Westar and the Westar Subsidiaries has either good fee title or valid leasehold, easement or other real property rights, to the land, buildings, wires, pipes, structures and other improvements thereon and fixtures thereto necessary to permit it to conduct its business as currently conducted. Except as would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect and except as may be limited by the Bankruptcy and Equity Exceptions, (a) all leases, easements or other agreements under which Westar or any Westar Subsidiary lease, access, use or occupy real property necessary to permit it to conduct its business as currently conducted are valid, binding and in full force and effect against Westar or the Westar Subsidiaries and, to the Knowledge of Westar, the counterparties thereto, in accordance with their respective terms, and (b) none of Westar, the Westar Subsidiaries or, to the Knowledge of Westar, the counterparties thereto are in default under any of such leases, easements or other agreements described in the foregoing clause (a). This Section 3.16 does not relate to Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Section 3.14 and Section 3.17, respectively.

SECTION 3.17 Intellectual Property.

(a) Except as would not have or would not be reasonably expected to have, individually or in the aggregate, a Westar Material Adverse Effect, to the Knowledge of Westar, (i) Westar and the Westar Subsidiaries have the right to use all material Intellectual Property used in their business as presently conducted and such conduct does not infringe or otherwise violate any Person’s Intellectual Property, (ii) there is no Claim of such infringement or other violation pending or, to the Knowledge of Westar, threatened in

writing against Westar, (iii) no Person is infringing or otherwise violating any Intellectual Property owned by Westar and the Westar Subsidiaries, and (iv) no Claims of such infringement or other violation are pending or, to the Knowledge of Westar, threatened in writing against any Person by Westar.

(b) The representations and warranties contained in this Section 3.17 are the sole and exclusive representations and warranties of Westar relating to Intellectual Property, and no other representation or warranty of Westar contained herein shall be construed to relate to Intellectual Property.

SECTION 3.18 Insurance. As of the date hereof, except as would not have or would not be reasonably likely to have, individually or in the aggregate, a Westar Material Adverse Effect, all material fire and casualty, general liability, director and officer, business interruption, product liability, and sprinkler and water damage insurance policies maintained by Westar or any Westar Subsidiary ("Westar Insurance Policies") are in full force and effect and all premiums due with respect to all Westar Insurance Policies have been paid.

SECTION 3.19 Ownership of GPE Common Stock; Interested Shareholder. Neither Westar, any Westar Subsidiary nor any other Affiliate of Westar "beneficially owns" (as such term is defined for purposes of Section 13(d) of the Exchange Act) any shares of GPE Common Stock or any other GPE Equity Securities. Neither Westar, any Westar Subsidiary nor any of their respective affiliates or associates (as each such term is defined in Section 351.459.1 of the GBCLM) is, prior to the date hereof, an "interested shareholder" (as such term is defined in Section 351.459.1 of the GBCLM) of GPE.

SECTION 3.20 Regulatory Status.

(a) Westar is a "holding company" under the Public Utility Holding Company Act of 2005 ("PUHCA 2005"). Except for the Utility Subsidiaries, none of Westar or the Westar Subsidiaries is regulated as a public utility under the FPA or as a public utility under applicable Law of the State of Kansas or is subject to such regulation by any other state.

(b) All Filings (except for immaterial Filings) required to be made by Westar any Westar Subsidiary since January 1, 2017, with the FERC and the KCC, as the case may be, have been made, including all forms, statements, reports, agreements and all documents, exhibits, amendments and supplements appertaining thereto, including all rates, tariffs and related documents, and all such Filings complied, as of their respective dates, with all applicable requirements of applicable statutes and the rules and regulations promulgated thereunder, except for Filings the failure of which to make or the failure of which to make in compliance with all applicable requirements of applicable statutes and the rules and regulations promulgated thereunder, would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect.

SECTION 3.21 Brokers' Fees and Expenses. Except for any Westar Financial Advisor, the fees and expenses of which will be paid by Westar, no broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other

similar fee or commission in connection with the transactions contemplated by this Agreement, including the Mergers, based upon arrangements made by or on behalf of Westar.

SECTION 3.22 Opinion of Financial Advisor. The Westar Board has received an opinion of the Westar Financial Advisor to the effect that, as of the date of such opinion, taking into account the GPE Exchange Ratio, and based upon and subject to the various matters, limitations, qualifications and assumptions set forth therein, the Westar Exchange Ratio is fair, from a financial point of view, to the holders of shares of Westar Common Stock (other than shares owned by Westar as treasury stock, shares that are owned by a wholly owned Subsidiary of Westar, or shares that are owned directly or indirectly by GPE, Holdco or Merger Sub).

SECTION 3.23 No Additional Representations. Except for the representations and warranties expressly set forth in this Article III (as modified by the A&R Westar Disclosure Letter) and in any certificate delivered by Westar to GPE in accordance with the terms hereof, Westar hereby expressly disclaims and negates (a) any other express or implied representation or warranty whatsoever (whether at law (including at common law or by statute) or in equity), including with respect to (i) Westar or the Westar Subsidiaries or any of Westar's or the Westar Subsidiaries' respective businesses, assets, employees, Permits, liabilities, operations, prospects or condition (financial or otherwise) or (ii) any opinion, projection, forecast, statement, budget, estimate, advice or other information with respect to the projections, budgets or estimates of future revenues, results of operations (or any component thereof), cash flows, financial condition (or any component thereof) or the future business and operations of Westar or the Westar Subsidiaries, as well as any other business plan and cost-related plan information of Westar or the Westar Subsidiaries, made, communicated or furnished (orally or in writing), or to be made, communicated or furnished (orally or in writing), to GPE, its Affiliates or its Representatives, in each case, whether made by Westar or any of its Affiliates, Representatives or shareholders or any other Person (this clause (ii), collectively, "Westar Projections") and (b) all liability and responsibility for any such other representation or warranty or any such Westar Projection.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF GPE, HOLDCO AND MERGER SUB

Except (a) as set forth in the GPE Reports publicly available and filed with or furnished to the SEC prior to the date of this Agreement (excluding any disclosures of factors or risks contained or references therein under the captions "Risk Factors" or "Forward-Looking Statements" and any other statements that are predictive, cautionary or forward-looking in nature) or (b) subject to Section 9.04(k), as set forth in the corresponding section of the amended and restated disclosure letter delivered by GPE to Westar concurrently with the execution and delivery by GPE of this Agreement, which amends and restates in its entirety the disclosure letter delivered by GPE to Westar concurrently with the execution and delivery of the Original Merger Agreement (the "A&R

Each of GPE, the GPE Subsidiaries, Holdco and Merger Sub has all requisite entity power and authority to enable it to own, operate, lease or otherwise hold its properties and assets and to conduct its businesses as presently conducted, except where the failure to have such power or authority would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect. Each of GPE, the GPE Subsidiaries, Holdco and Merger Sub is duly qualified or licensed to do business in each jurisdiction where the nature of its business or the ownership, operation or leasing of its properties make such qualification necessary, except in any such jurisdiction where the failure to be so qualified or licensed would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect. GPE has made available to Westar true and complete copies of the articles of incorporation of GPE, as amended and in effect as of the date of this Agreement (the “GPE Articles”) and the bylaws of GPE, as amended and in effect as of the date of this Agreement (the “GPE Bylaws”).

SECTION 4.02 GPE Subsidiaries. GPE Subsidiary, Holdco or Merger Sub or their respective properties or assets, except for, in the case of the foregoing clauses (ii) and (iii), any matter that would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the transactions contemplated hereby, including the Mergers.

(b) No Consent of or from, or Filing made to or with, any Governmental Entity, is required to be obtained or made by GPE, any GPE Subsidiary or any other Affiliate of GPE in connection with GPE's, Holdco's and Merger Sub's execution and delivery of this Agreement or their performance of their covenants and agreements hereunder or the consummation of the transactions contemplated hereby, including the Mergers, except for the following:

(iv) the GPE Required Consents;

(v) the filing of the GPE Articles of Merger with the Secretary of State of the State of Missouri and appropriate documents with the relevant authorities of the other jurisdictions in which GPE and Westar are qualified to do business;

(vi) compliance with and filings required under (1) the rules and regulations of the NYSE and (2) applicable state securities, "blue sky" or takeover Laws and applicable foreign securities Laws;

(vii) Filings and Consents as are required to be made or obtained under state or federal property transfer Laws or Environmental Laws; and

(viii) such other Filings and Consents the failure of which to make or obtain would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the GPE Merger.

(a) GPE has furnished or filed all reports, schedules, forms, statements and other documents (including exhibits and other information incorporated therein) required to be furnished or filed by GPE or GPE Utility Sub with the SEC since January 1, 2015 (such documents, together with all exhibits, financial statements, including the GPE Financial Statements, and schedules thereto and all information incorporated therein by reference, but excluding the Proxy Statement/Prospectus, being collectively referred to as the “GPE Reports”). Each GPE Report (i) at the time furnished or filed, complied in all material respects with the applicable requirements of the Exchange Act, the Securities Act or the Sarbanes-Oxley Act of 2002 (including the rules and regulations promulgated thereunder), as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such GPE Report and (ii) did not at the time it was filed (or if amended or superseded by a filing or amendment prior to the date of this Agreement, then at the time of such filing or amendment) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Each of the consolidated financial statements of GPE included in the GPE Reports (the “GPE Financial Statements”) complied at the time it was filed as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, was prepared in accordance with GAAP (except, in the case of unaudited quarterly financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods and as of the dates involved (except as may be indicated in the notes thereto) and fairly presents in all material respects, in accordance with GAAP, the consolidated financial position of GPE and GPE’s consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited quarterly financial statements, to normal year-end audit adjustments).

(b) None of GPE, any GPE Subsidiary, Holdco and Merger Sub has any liability of any nature that is required by GAAP to be set forth on a consolidated balance sheet of GPE, the GPE Subsidiaries, Holdco and Merger Sub, except liabilities (i) reflected or reserved against in the most recent balance sheet (including the notes thereto) of GPE, the GPE Subsidiaries, Holdco and Merger Sub included in the GPE Reports filed prior to the date hereof, (ii) incurred in the ordinary course of business after March 31, 2017, (iii) incurred in connection with the Mergers or any other transaction or agreement contemplated by this Agreement or the Original Merger Agreement or (iv) that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

(c) GPE maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act). Such internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. GPE maintains “disclosure controls and procedures” required by Rule 13a-15 or 15d-15 under the Exchange Act that are effective to ensure that information required to be disclosed by GPE in the reports it

files or submits under the Exchange Act is recorded, processed, summarized and reported on a timely basis to the individuals responsible for the preparation of GPE's filings with the SEC and other public disclosure documents. GPE has disclosed, based on its most recent evaluation prior to the date of this Agreement, to GPE's outside auditors and the audit committee of the GPE Board (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that are reasonably likely to adversely affect GPE's ability to record, process, summarize and report financial information and (2) any fraud, known to GPE, whether or not material, that involves management or other employees who have a significant role in GPE's internal controls over financial reporting.

SECTION 4.07 Absence of Certain Changes or Events.

(a) From December 31, 2016 to the date of this Agreement, each of GPE, the GPE Subsidiaries, Holdco and Merger Sub has conducted its respective business in the ordinary course of business in all material respects, except for the conduct in connection with the Mergers or as otherwise contemplated or required by this Agreement or the Original Merger Agreement.

(b) From December 31, 2016 to the date of this Agreement, there has not occurred any fact, circumstance, effect, change, event or development that has had or would reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

SECTION 4.08 Employee Benefits.

(a) Section 4.08(a) of the A&R GPE Disclosure Letter sets forth a complete and accurate list, as of the date of this Agreement, of each material GPE Benefit Plan and each material GPE Benefit Agreement.

(b) With respect to each material GPE Benefit Plan and material GPE Benefit Agreement, GPE has made available to Westar, to the extent applicable, complete and accurate copies of (i) the plan document (or, if such arrangement is not in writing, a written description of the material terms thereof), including any amendment thereto and any summary plan description thereof, (ii) each trust, insurance, annuity or other funding Contract related thereto, (iii) the two (2) most recent audited financial statement and actuarial or other valuation report prepared with respect thereto, (iv) the two (2) most recent annual report on Form 5500 required to be filed with the IRS with respect thereto and (v) the most recently received IRS determination letter or, if applicable, current IRS opinion or advisory letter (as to qualified plan status). No GPE Benefit Plan or GPE Benefit Agreement is maintained outside the jurisdiction of the United States, or covers any GPE Personnel residing or working outside of the United States.

(c) Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, (i) each GPE Benefit Plan and each GPE Benefit Agreement has been maintained in compliance with its terms and with the requirements prescribed by ERISA, the Code and all other applicable Laws, (ii)

there are no pending or, to the Knowledge of GPE, threatened proceedings or claims against any GPE Benefit Plan or GPE Benefit Agreement or any fiduciary thereof, or GPE or any GPE Subsidiary with respect to any GPE Benefit Plan or GPE Benefit Agreement and (iii) all contributions, reimbursements, premium payments and other payments required to be made by GPE or any GPE Commonly Controlled Entity to any GPE Benefit Plan have been made on or before their applicable due dates. Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, neither GPE nor any GPE Commonly Controlled Entity has engaged in, and to the Knowledge of GPE, there has not been, any non-exempt transaction prohibited by ERISA or by Section 4975 of the Code with respect to any GPE Benefit Plan or GPE Benefit Agreement or their related trusts that would reasonably be expected to result in a liability of GPE or a GPE Commonly Controlled Entity. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, no GPE Benefit Plan or GPE Benefit Agreement is under audit or is the subject of an administrative proceeding by the IRS, the Department of Labor, or any other Governmental Entity, nor is any such audit or other administrative proceeding, to the Knowledge of GPE, threatened.

(d) Section 4.08(d) of the A&R GPE Disclosure Letter sets forth each GPE Benefit Plan and GPE Benefit Agreement that is subject to Section 302 or Title IV of ERISA or Section 412, 430 or 4971 of the Code. No GPE Benefit Plan or GPE Benefit Agreement is a multiemployer plan, as defined in Section 3(37) of ERISA, and neither GPE nor any GPE Commonly Controlled Entity has contributed to or been obligated to contribute to any such plan within the six years preceding this Agreement. Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, neither GPE nor any GPE Commonly Controlled Entity has incurred any Controlled Group Liability (as defined below) that has not been satisfied in full nor do any circumstances exist that could reasonably be expected to give rise to any Controlled Group Liability (except for the payment of premiums to the Pension Benefit Guaranty Corporation).

(e) Each GPE Benefit Plan that is intended to be qualified under Section 401(a) of the Code is so qualified and such plan has received a currently effective favorable determination letter or, if applicable, current opinion or advisory letter to that effect from the IRS and, to the Knowledge of GPE, there is no reason why any such determination letter should be revoked.

(f) Except for any liabilities of GPE that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, none of GPE, any GPE Subsidiary, Holdco or Merger Sub has any liability for providing health, medical or other welfare benefits after retirement or other termination of employment, except for coverage or benefits required to be provided under Section 4980(B)(f) of the Code or applicable Law.

(g) Except as set forth in Section 4.08(g) of the A&R GPE Disclosure Letter, none of the execution and delivery of this Agreement, the performance by either party of its covenants and agreements hereunder or the consummation of the Mergers (alone or in

conjunction with any other event, including any termination of employment before, on or following the Effective Time) will (i) entitle any GPE Personnel to any material compensation or benefit, (ii) accelerate the time of payment or vesting, or trigger any payment or funding, of any material compensation or benefit or trigger any other material obligation under any GPE Benefit Plan or GPE Benefit Agreement or (iii) will result in any payment that could, individually or in combination with any other such payment, not be deductible under Section 280G of the Code.

(h) The representations and warranties contained in this Section 4.08 are the sole and exclusive representations and warranties of GPE relating to GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA, and no other representation or warranty of GPE contained herein shall be construed to relate to GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA.

Except for the GPE Union Contracts, none of GPE, any GPE Subsidiary, Holdco or Merger Sub is party to any collective bargaining agreement or similar labor union Contract with respect to any of their respective employees. Except for employees covered by a GPE Union Contract, no employees of GPE, any GPE Subsidiary, Holdco or Merger Sub are represented by any other labor union with respect to their employment for GPE, any GPE Subsidiary, Holdco or Merger Sub. To the Knowledge of GPE, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, (a) there are no labor union representation or certification proceedings with respect to employees of GPE, any GPE Subsidiary, Holdco or Merger Sub pending or threatened in writing to be brought or filed with the National Labor Relations Board, and (b) there are no labor union organizing activities, with respect to employees of GPE, any GPE Subsidiary, Holdco or Merger Sub. From January 1, 2016 until the date of this Agreement, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, there have been no labor union strikes, slowdowns, work stoppages or lockouts or other material labor disputes pending or threatened in writing against or affecting GPE, any GPE Subsidiary, Holdco or Merger Sub. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, since January 1, 2015, GPE, each GPE Subsidiary, Holdco and Merger Sub has complied and is in compliance with all applicable Laws pertaining to employment or labor matters and has not engaged in any action that will require any notifications under the WARN. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, there are no Claims or investigations pending or, to the Knowledge of GPE, threatened by or on behalf of any employee of GPE, any GPE Subsidiary, Holdco or Merger Sub alleging violations of Laws pertaining to employment or labor matters.

SECTION 4.10 Litigation. Except as set forth in Section 4.10 of the A&R GPE Disclosure Letter, there is no Claim before any Governmental Entity pending or, to the Knowledge of GPE, threatened against GPE, any GPE Subsidiary, Holdco or Merger Sub that has had or would reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect. There is no Judgment outstanding against or, to the Knowledge of GPE, investigation by any Governmental Entity of GPE, any GPE Subsidiary, Holdco or Merger Sub or any of their

respective properties or assets that has had or would reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

SECTION 4.11 Compliance with Applicable Laws. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, (a) GPE, GPE Subsidiaries, Holdco and Merger Sub are in compliance with all applicable Laws (including Anti-Corruption Laws) and all material Permits applicable to the business and operations of GPE, GPE Subsidiaries, Holdco and Merger Sub and (b) GPE, each GPE Subsidiary, Holdco and Merger Sub hold, and are in compliance with, all Permits required by Law for the conduct of their respective businesses as they are now being conducted. None of GPE, GPE Subsidiaries, Holdco or Merger Sub or, to the Knowledge of GPE, their respective directors, officers, employees, agents or representatives: (i) is a Designated Person, (ii) is a Person that is owned or controlled by a Designated Person; (iii) is located, organized or resident in a Sanctioned Country; or (iv) has or is now, in connection with the business of GPE, the GPE Subsidiaries, Holdco or Merger Sub, engaged in, any dealings or transactions (A) with any Designated Person, (B) in any Sanctioned Country, or (C) otherwise in material violation of Sanctions. This Section 4.11 does not relate to Taxes; GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA; Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Section 4.21, Section 4.08, Section 4.13 or Section 4.16, respectively.

SECTION 4.12 Takeover Statutes. Assuming that the representations and warranties of Westar contained in Section 3.19 are true and correct, GPE has taken all necessary actions, if any, so that the transactions contemplated hereby, including the Mergers, are not subject to any Takeover Statute or any similar antitakeover provision in the GPE Articles or GPE Bylaws.

SECTION 4.13 Environmental Matters.

(a) Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect:

(i) GPE, the GPE Subsidiaries, Holdco and Merger Sub are in compliance with all Environmental Laws, and, except for matters that have been fully resolved, as of the date of this Agreement, none of GPE, any GPE Subsidiary, Holdco or Merger Sub has received any written communication from a Governmental Entity or other Person that alleges that GPE, any GPE Subsidiary, Holdco or Merger Sub is in violation of any Environmental Law or any Environmental Permit;

(ii) with respect to all Environmental Permits necessary to conduct the respective operations of GPE, the GPE Subsidiaries, Holdco or Merger Sub as currently conducted, (1) GPE, each of the GPE Subsidiaries, Holdco and Merger Sub have obtained and are in compliance with, or have filed timely applications for, all such Environmental Permits, (2) all such Environmental Permits are valid and in good standing, (3) none of GPE, any GPE Subsidiary, Holdco or Merger Sub has received notice from any Governmental Entity seeking to modify, revoke or

terminate, any such Environmental Permits and (4) no such Environmental Permits will be subject to modification, termination or revocation as a result of the transactions contemplated by this Agreement;

(l) Except to the extent Section 4.08 relates to Taxes, the representations and warranties contained in this Section 4.21 are the sole and exclusive representations and warranties of GPE relating to Taxes, and no other representation or warranty of GPE contained herein shall be construed to relate to Taxes.

Notwithstanding the foregoing, without the prior written consent of GPE (such consent not to be unreasonably withheld, delayed or conditioned), Westar and the Westar Subsidiaries will not enter into any settlement or stipulation in respect of any Westar Proceeding initiated prior to the date of this Agreement if such settlement or stipulation would affect the authorized capital structure or authorized return on equity of Westar or any Westar Subsidiaries or materially affect the return on equity of Westar or any Westar Subsidiary in an adverse manner.

(b) GPE Proceedings. Between the date of this Agreement and the Closing, GPE and the GPE Subsidiaries may (i) initiate and continue to pursue the rate cases and other proceedings set forth in Section 5.03 of the A&R GPE Disclosure Letter, (ii) with the prior written consent of Westar (such consent not to be unreasonably withheld, delayed or conditioned), initiate new rate cases or any other proceeding that would reasonably be expected to affect the authorized capital structure or authorized return on equity of GPE or any GPE Subsidiary or materially affect the return on equity of GPE or any GPE Subsidiary in an adverse manner, with Governmental Entities and (iii) initiate any other proceeding with Governmental Entities in the ordinary course of business (the foregoing clauses (i),

Notwithstanding the foregoing, without the prior written consent of Westar (such consent not to be unreasonably withheld, delayed or conditioned), GPE and the GPE Subsidiaries will not enter into any settlement or stipulation in respect of any GPE Proceeding initiated prior to the date of this Agreement if such settlement or stipulation would affect the authorized capital structure or authorized return on equity of GPE or any GPE Subsidiaries or materially affect the return on equity of GPE or any GPE Subsidiary in an adverse manner.

SECTION 5.04 No Solicitation by Westar; Westar Board Recommendation.

(a) Westar shall not, and shall not authorize any of its Affiliates or any of its and their respective officers, directors, principals, partners, managers, members, attorneys, accountants, agents, employees, consultants, financial advisors or other authorized representatives (collectively, “Representatives”) to, (i) directly or indirectly solicit, initiate or knowingly encourage, induce or facilitate any Westar Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a Westar Takeover Proposal, in each case, except for this Agreement and the transactions contemplated hereby, or (ii) directly or indirectly participate in any discussions or negotiations with any Person (except for Westar’s Affiliates and its and their respective Representatives or GPE and GPE’s Affiliates and its and their respective Representatives) regarding, or furnish to any such Person, any nonpublic information with respect to, or cooperate in any way with any such Person with respect to, any Westar Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a Westar Takeover Proposal. Westar shall, and shall cause its Affiliates and its and their respective Representatives to, immediately cease and cause to be terminated all existing discussions or negotiations with any Person (except for Westar’s Affiliates and its and their respective Representatives or GPE and GPE’s Affiliates and its and their respective Representatives) conducted heretofore with respect to any Westar Takeover Proposal, request the prompt return or destruction of all confidential information previously furnished and immediately terminate all physical and electronic data room access previously granted to any such Person or its Representatives. Notwithstanding anything to the contrary herein, at any time prior to obtaining the Westar Shareholder Approval, in response to the receipt of a bona fide written Westar Takeover Proposal made after the date of this Agreement that does not result from a breach (other than an immaterial breach) of this Section 5.04(a) by Westar and that the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) constitutes or could reasonably be expected to lead to a Superior Westar Proposal, Westar and its Representatives may (1) furnish information with respect to Westar and the Westar Subsidiaries to the Person making such Westar Takeover Proposal (and its Representatives) (provided that all such information has previously been provided to GPE or is provided to GPE prior to or concurrently with the provision of such information to such Person) pursuant to a customary confidentiality agreement and (2) participate in discussions regarding the terms of such Westar Takeover Proposal, including terms of a Westar Acquisition Agreement with respect thereto, and the negotiation of such terms with

the Person making such Westar Takeover Proposal (and such Person's Representatives). Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in this Section 5.04(a) by any Representative of Westar or any of its Affiliates, in each case, at Westar's direction, shall constitute a breach of this Section 5.04(a) by Westar. Notwithstanding anything to the contrary herein, Westar may grant a waiver, amendment or release under any confidentiality or standstill agreement to the extent necessary to allow a confidential Westar Takeover Proposal to be made to Westar or the Westar Board so long as the Westar Board promptly (and in any event, within one Business Day) notifies GPE thereof after granting any such waiver, amendment or release.

(b) Except as set forth in Section 5.04(a), Section 5.04(c) and Section 5.04(e), and except for the public disclosure of a Westar Recommendation Change Notice, neither the Westar Board nor any committee thereof shall (i) withdraw, change, qualify, withhold or modify in any manner adverse to GPE, or propose publicly to withdraw, change, qualify, withhold or modify in any manner adverse to GPE, the Westar Board Recommendation, (ii) adopt, approve or recommend, or propose publicly to adopt, approve or recommend, any Westar Takeover Proposal, (iii) fail to include in the Proxy Statement/Prospectus the Westar Board Recommendation or (iv) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer (except for a recommendation against such offer or a customary "stop, look and listen" communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) (any action in the foregoing clauses (i)–(iv) being referred to as a "Westar Adverse Recommendation Change"). Except as set forth in Section 5.04(a), Section 5.04(c) and Section 5.04(e), neither the Westar Board nor any committee thereof shall authorize, permit, approve or recommend, or propose publicly to authorize, permit, approve or recommend, or allow Westar or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, agreement or commitment constituting, or that would reasonably be expected to lead to, any Westar Takeover Proposal, or requiring, or that would reasonably be expected to cause, Westar to abandon or terminate this Agreement (a "Westar Acquisition Agreement").

(c) Notwithstanding anything to the contrary herein, at any time prior to obtaining the Westar Shareholder Approval, the Westar Board may make a Westar Adverse Recommendation Change (and, solely with respect to a Superior Westar Proposal, terminate this Agreement pursuant to Section 8.01(c)(i)) if (i) a Westar Intervening Event has occurred or (ii) Westar has received a Superior Westar Proposal that does not result from a breach (other than an immaterial breach) of Section 5.04 by Westar and, in each case, if the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to effect a Westar Adverse Recommendation Change as a result of the occurrence of such Westar Intervening Event or in response to the receipt of such Superior Westar Proposal, as the case may be, would reasonably likely be inconsistent with the Westar Board's fiduciary duties under applicable Law; provided, however, that the Westar Board may not make such Westar Adverse Recommendation Change unless (1) the Westar Board has provided prior written notice to GPE (a "Westar Recommendation Change Notice") that it is prepared to effect a Westar Adverse Recommendation Change at least three (3) Business Days prior to taking such action, which notice shall specify the basis for such Westar Adverse Recommendation

Change and, in the case of a Superior Proposal, attaching the most current draft of any Westar Acquisition Agreement with respect to such Superior Westar Proposal or, if no draft exists, a summary of the material terms and conditions of such Superior Westar Proposal (it being understood that such Westar Recommendation Change Notice shall not in itself be deemed a Westar Adverse Recommendation Change and that if GPE has committed in writing to any changes to the terms of this Agreement and there has been any subsequent material revision or amendment to the terms of a Superior Westar Proposal, a new notice to which the provisions of clauses (2), (3) and (4) of this Section 5.04(c) shall apply *mutatis mutandis* except that, in the case of such a new notice, all references to three (3) Business Days in this Section 5.04(c) shall be deemed to be two (2) Business Days), (2) during the three (3) Business Day period after delivery of the Westar Recommendation Change Notice, Westar and its Representatives negotiate in good faith with GPE and its Representatives regarding any revisions to this Agreement that GPE proposes to make and (3) at the end of such three (3) Business Day period and taking into account any changes to the terms of this Agreement committed to in writing by GPE, the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to make such a Westar Adverse Recommendation Change would be inconsistent with its fiduciary duties under applicable Law, and that, in the case of a Westar Adverse Recommendation Change with respect to a Westar Takeover Proposal, such Westar Takeover Proposal still constitutes a Superior Westar Proposal.

(d) Westar shall promptly (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) advise GPE orally and in writing of any Westar Takeover Proposal, the material terms and conditions of any such Westar Takeover Proposal and the identity of the Person making any such Westar Takeover Proposal. Westar shall keep GPE reasonably informed in all material respects on a reasonably current basis (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) of the material terms and status (including any change to the terms thereof) of any Westar Takeover Proposal.

(e) Nothing contained in this Section 5.04 shall prohibit Westar from (i) complying with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act or (ii) making any disclosure to the shareholders of Westar if, in the good-faith judgment of the Westar Board (after consultation with outside legal counsel) failure to so disclose would be inconsistent with its obligations under applicable Law.

(f) For purposes of this Agreement:

(i) “Westar Takeover Proposal” means any proposal or offer (whether or not in writing), with respect to any (1) merger, consolidation, share exchange, other business combination, recapitalization, liquidation, dissolution or similar transaction involving Westar, (2) sale, lease, contribution or other disposition, directly or indirectly (including by way of merger, consolidation, share exchange, other business combination, partnership, joint venture, sale of capital stock of or other equity interests in a Westar Subsidiary or otherwise) of any business or assets of Westar or the Westar Subsidiaries representing 20% or more of the consolidated

revenues, net income or assets of Westar and the Westar Subsidiaries, taken as a whole, (3) issuance, sale or other disposition, directly or indirectly, to any Person (or the shareholders of any Person) or group of securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing 20% or more of the voting power of Westar, (4) transaction (including any tender offer or exchange offer) in which any Person (or the shareholders of any Person) would acquire (in the case of a tender offer or exchange offer, if consummated), directly or indirectly, beneficial ownership, or the right to acquire beneficial ownership, or formation of any group which beneficially owns or has the right to acquire beneficial ownership of, 20% or more of any class of capital stock of Westar or (5) any combination of the foregoing.

(ii) “Superior Westar Proposal” means a *bona fide* written Westar Takeover Proposal (provided that for purposes of this definition, the applicable percentage in the definition of Westar Takeover Proposal shall be “50.1%” rather than “20% or more”), which the Westar Board determines in good faith, after consultation with outside legal counsel and a financial advisor, and taking into account the legal, financial, regulatory, timing and other aspects of such Westar Takeover Proposal, the identity of the Person making the proposal and any financing required for such proposal, the ability of the Person making such proposal to obtain such required financing and the level of certainty with respect to such required financing, and such other factors that are deemed relevant by the Westar Board, is more favorable to the holders of Westar Common Stock than the transactions contemplated by this Agreement (after taking into account any revisions to the terms of this Agreement that are committed to in writing by GPE (including pursuant to Section 5.04(c))).

(iii) “Westar Intervening Event” means any fact, circumstance, effect, change, event or development relating to Westar or the Westar Subsidiaries that (1) is unknown to or by the Westar Board as of the date hereof (or if known, the magnitude or material consequences of which were not known or understood by the Westar Board as of the date of this Agreement), (2) becomes known to or by the Westar Board prior to obtaining the Westar Shareholder Approval and (3) has or would reasonably be expected to have a material beneficial effect on Westar and the Westar Subsidiaries, taken as a whole.

SECTION 5.05 No Solicitation by GPE; GPE Board Recommendation.

(a) GPE shall not, and shall not authorize any of its Affiliates or any of its and their respective Representatives to, (i) directly or indirectly solicit, initiate or knowingly encourage, induce or facilitate any GPE Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a GPE Takeover Proposal, or (ii) directly or indirectly participate in any discussions or negotiations with any Person (except for GPE’s Affiliates and its and their respective Representatives or Westar and Westar’s Affiliates and its and their respective Representatives) regarding, or furnish to any such Person, any nonpublic information with respect to, or cooperate in any way with any such Person with respect to, any GPE Takeover Proposal or any inquiry or proposal that would reasonably

be expected to lead to a GPE Takeover Proposal. GPE shall, and shall cause its Affiliates and its and their respective Representatives to, immediately cease and cause to be terminated all existing discussions or negotiations with any Person (except for GPE's Affiliates and its and their respective Representatives or Westar and Westar's Affiliates and its and their respective Representatives) conducted heretofore with respect to any GPE Takeover Proposal, request the prompt return or destruction of all confidential information previously furnished and immediately terminate all physical and electronic data room access previously granted to any such Person or its Representatives. Notwithstanding anything to the contrary herein, at any time prior to obtaining the GPE Shareholder Approval, in response to the receipt of a bona fide written GPE Takeover Proposal made after the date of this Agreement that does not result from a breach (other than an immaterial breach) of this Section 5.05(a) by GPE and that the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) constitutes or could reasonably be expected to lead to a Superior GPE Proposal, GPE and its Representatives may (1) furnish information with respect to GPE and GPE Subsidiaries to the Person making such GPE Takeover Proposal (and its Representatives) (provided that all such information has previously been provided to Westar or is provided to Westar prior to or concurrently with the provision of such information to such Person) pursuant to a customary confidentiality agreement and (2) participate in discussions regarding the terms of such GPE Takeover Proposal, including terms of a GPE Acquisition Agreement with respect thereto, and the negotiation of such terms with the Person making such GPE Takeover Proposal (and such Person's Representatives). Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in this Section 5.05(a) by any Representative of GPE or any of its Affiliates, in each case, at GPE's direction, shall constitute a breach of this Section 5.05(a) by GPE. Notwithstanding anything to the contrary herein, GPE may grant a waiver, amendment or release under any confidentiality or standstill agreement to the extent necessary to allow a confidential GPE Takeover Proposal to be made to GPE or the GPE Board so long as the GPE Board promptly (and in any event, within one Business Day) notifies Westar thereof after granting any such waiver, amendment or release.

(b) Except as set forth in Section 5.05(a), Section 5.05(c) and Section 5.05(e), and except for the public disclosure of a GPE Recommendation Change Notice, neither the GPE Board nor any committee thereof shall (i) withdraw, change, qualify, withhold or modify in any manner adverse to Westar, or propose publicly to withdraw, change, qualify, withhold or modify in any manner adverse to Westar, the GPE Board Recommendation, (ii) adopt, approve or recommend, or propose publicly to adopt, approve or recommend, any GPE Takeover Proposal, (iii) fail to include in the Proxy Statement/Prospectus the GPE Board Recommendation or (iv) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer (except for a recommendation against such offer or a customary "stop, look and listen" communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) (any action in the foregoing clauses (i)–(iv) being referred to as a "GPE Adverse Recommendation Change"). Except as set forth in Section 5.05(a), Section 5.05(c) and Section 5.05(e), neither the GPE Board nor any committee thereof shall authorize, permit, approve or recommend, or propose publicly to authorize, permit, approve or recommend, or allow GPE or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding,

agreement in principle, agreement or commitment constituting, or that would reasonably be expected to lead to, any GPE Takeover Proposal, or requiring, or that would reasonably be expected to cause, GPE to abandon or terminate this Agreement (a “GPE Acquisition Agreement”).

(c) Notwithstanding anything to the contrary herein, at any time prior to obtaining the GPE Shareholder Approval, the GPE Board may make a GPE Adverse Recommendation Change (and solely with respect to a Superior GPE Proposal, terminate this Agreement pursuant to Section 8.01(d)(iii)) if (i) a GPE Intervening Event has occurred or (ii) GPE has received a Superior GPE Proposal that does not result from a breach (other than an immaterial breach) of Section 5.05 by GPE and, in each case, if the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to effect a GPE Adverse Recommendation Change as a result of the occurrence of such GPE Intervening Event or in response to the receipt of such Superior GPE Proposal, as the case may be, would reasonably likely be inconsistent with the GPE Board’s fiduciary duties under applicable Law; provided, however, that the GPE Board may not make such GPE Adverse Recommendation Change unless (1) the GPE Board has provided prior written notice to Westar (a “GPE Recommendation Change Notice”) that it is prepared to effect a GPE Adverse Recommendation Change at least three (3) Business Days prior to taking such action, which notice shall specify the basis for such GPE Adverse Recommendation Change and, in the case of a Superior Proposal, attaching the most current draft of any GPE Acquisition Agreement with respect to such Superior GPE Proposal or, if no draft exists, a summary of the material terms and conditions of such Superior GPE Proposal (it being understood that such GPE Recommendation Change Notice shall not in itself be deemed a GPE Adverse Recommendation Change and that if Westar has committed in writing to any changes to the terms of this Agreement and there has been any subsequent material revision or amendment to the terms of a Superior GPE Proposal, a new notice to which the provisions of clauses (2), (3) and (4) of this Section 5.05(c) shall apply *mutatis mutandis* except that, in the case of such a new notice, all references to three (3) Business Days in this Section 5.05(c) shall be deemed to be two (2) Business Days), (2) during the three (3) Business Day period after delivery of the GPE Recommendation Change Notice, GPE and its Representatives negotiate in good faith with Westar and its Representatives regarding any revisions to this Agreement that Westar proposes to make and (3) at the end of such three (3) Business Day period and taking into account any changes to the terms of this Agreement committed to in writing by Westar, the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to make such a GPE Adverse Recommendation Change would be inconsistent with its fiduciary duties under applicable Law, and that, in the case of a GPE Adverse Recommendation Change with respect to a GPE Takeover Proposal, such GPE Takeover Proposal still constitutes a Superior GPE Proposal.

(d) GPE shall promptly (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) advise Westar orally and in writing of any GPE Takeover Proposal, the material terms and conditions of any such GPE Takeover Proposal and the identity of the Person making any such GPE Takeover Proposal. GPE shall keep Westar reasonably informed in all material respects on a reasonably current basis (and in any event no later than the later of (i) twenty-four (24)

hours or (ii) 5 p.m. New York City time on the next Business Day) of the material terms and status (including any change to the terms thereof) of any GPE Takeover Proposal.

(e) Nothing contained in this Section 5.05 shall prohibit GPE from (i) complying with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act or (ii) making any disclosure to the shareholders of GPE if, in the good-faith judgment of the GPE Board (after consultation with outside legal counsel) failure to so disclose would be inconsistent with its obligations under applicable Law.

(f) For purposes of this Agreement:

(i) “GPE Takeover Proposal” means any proposal or offer (whether or not in writing), with respect to any (1) merger, consolidation, share exchange, other business combination, recapitalization, liquidation, dissolution or similar transaction involving GPE, (2) sale, lease, contribution or other disposition, directly or indirectly (including by way of merger, consolidation, share exchange, other business combination, partnership, joint venture, sale of capital stock of or other equity interests in a GPE Subsidiary or otherwise) of any business or assets of GPE or the GPE Subsidiaries representing 20% or more of the consolidated revenues, net income or assets of GPE and the GPE Subsidiaries, taken as a whole, (3) issuance, sale or other disposition, directly or indirectly, to any Person (or the shareholders of any Person) or group of securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing 20% or more of the voting power of GPE, (4) transaction (including any tender offer or exchange offer) in which any Person (or the shareholders of any Person) would acquire (in the case of a tender offer or exchange offer, if consummated), directly or indirectly, beneficial ownership, or the right to acquire beneficial ownership, or formation of any group which beneficially owns or has the right to acquire beneficial ownership of, 20% or more of any class of capital stock of GPE or (5) any combination of the foregoing.

(ii) “Superior GPE Proposal” means a *bona fide* written GPE Takeover Proposal (provided that for purposes of this definition, the applicable percentage in the definition of GPE Takeover Proposal shall be “50.1%” rather than “20% or more”), which the GPE Board determines in good faith, after consultation with outside legal counsel and a financial advisor, and taking into account the legal, financial, regulatory, timing and other aspects of such GPE Takeover Proposal, the identity of the Person making the proposal and any financing required for such proposal, the ability of the Person making such proposal to obtain such required financing and the level of certainty with respect to such required financing, and such other factors that are deemed relevant by the GPE Board, is more favorable to the holders of GPE Common Stock than the transactions contemplated by this Agreement (after taking into account any revisions to the terms of this Agreement that are committed to in writing by Westar (including pursuant to Section 5.05(c)).

(iii) “GPE Intervening Event” means any fact, circumstance, effect, change, event or development relating to GPE or the GPE Subsidiaries that (1) is

unknown to or by the GPE Board as of the date hereof (or if known, the magnitude or material consequences of which were not known or understood by the GPE Board as of the date of this Agreement), (2) becomes known to or by the GPE Board prior to obtaining the GPE Shareholder Approval and (3) has or would reasonably be expected to have a material beneficial effect on GPE and the GPE Subsidiaries, taken as a whole.

SECTION 5.06 Dividends. Each of GPE and Westar shall coordinate with the other regarding the declaration and payment of dividends in respect of GPE Common Stock and Westar Common Stock and the record dates and payment dates relating thereto, it being the intention of GPE and Westar that no holder of GPE Common Stock or Westar Common Stock shall receive two dividends, or fail to receive one dividend, for any single calendar quarter (or portion thereof) with respect to its shares of GPE Common Stock or Westar Common Stock, as the case may be, and/or any shares of Holdco Common Stock any such holder receives pursuant to the Mergers. For the avoidance of doubt, it is the Parties' intent that (a) the first quarterly dividend paid to the holders of Holdco Common Stock (including former holders of Westar Common Stock) following the Effective Time shall be paid in accordance with GPE's dividend policy, to be adopted by Holdco immediately after the Effective Time, and in no event later than the first record date for the payment of dividends after the Closing Date, and (b) the Parties accordingly shall coordinate their declaration and payment of dividends prior to the Effective Time and GPE shall coordinate the declaration and payment of its dividends after the Effective Time.

SECTION 5.07 Tax Status. None of Holdco, GPE or Westar shall, or shall permit any of its respective Subsidiaries to, take any actions that would be reasonably likely to adversely affect the status of (i) the GPE Merger as a reorganization under Section 368(a) of the Code, (ii) the Westar Merger as a reorganization under Section 368(a) of the Code, and (iii) the Mergers, taken together, as a contribution under Section 351 of the Code.

ARTICLE VI

ADDITIONAL AGREEMENTS

SECTION 6.01 Preparation of the Form S-4 and the Proxy Statement/Prospectus; Shareholders Meetings.

(a) As promptly as reasonably practicable following the date of this Agreement, unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, (i) Westar and GPE shall jointly prepare and cause to be filed with the SEC a joint proxy statement to be mailed to the shareholders of each of Westar and GPE relating to the Westar Shareholders Meeting and the GPE Shareholders Meeting (together with any amendments or supplements thereto, and the Form S-4 of which it forms a part, the "Proxy Statement/Prospectus") in preliminary form and (ii) Westar, GPE and Holdco, shall jointly prepare and cause to be filed with the SEC a registration statement on Form S-4 which shall include the Proxy Statement/Prospectus as a prospectus relating to the registration of shares of Holdco Common Stock to be issued in connection with the Mergers (the "Form S-4"). Each of GPE, Westar and Holdco shall use their respective

reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as reasonably practicable after such filing and to keep the Form S-4 effective as long as necessary to consummate the Mergers. Each of GPE, Westar and Holdco shall furnish all information concerning itself and its Affiliates to the other Party, and provide such other assistance, as may be reasonably requested by the other Party or its outside legal counsel in connection with the preparation, filing and distribution of the Proxy Statement/Prospectus.

(b) Westar agrees that (i) none of the information supplied or to be supplied by Westar for inclusion or incorporation by reference in the Proxy Statement/Prospectus will, at the date it is first mailed to Westar's and GPE's shareholders or at the time of the Westar Shareholders Meeting and the GPE Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading and (ii) except with respect to any information supplied by GPE for inclusion or incorporation by reference in the Proxy Statement/Prospectus, the Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder. GPE agrees that (x) none of the information supplied or to be supplied by GPE for inclusion or incorporation by reference in the Proxy Statement/Prospectus will, at the date it is first mailed to Westar's shareholders and GPE's shareholders or at the time of the Westar Shareholders Meeting and the GPE Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading and (y) except with respect to any information supplied by Westar for inclusion or incorporation by reference in the Proxy Statement/Prospectus, the Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder.

(c) Each of Holdco, Westar and GPE shall promptly notify the others after the receipt of any comments from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus and shall provide the other with copies of all correspondence between it and its Affiliates and Representatives, on the one hand, and the SEC, on the other hand. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change:

(i) each of Westar and GPE shall use its reasonable best efforts (1) to respond as promptly as reasonably practicable to any comment from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus and (2) to have the SEC advise Westar and GPE as promptly as reasonably practicable that the SEC has no further comments on the Proxy Statement/Prospectus;

(ii) each of Westar and GPE shall file the Proxy Statement/Prospectus in definitive form with the SEC and cause such definitive Proxy Statement/Prospectus to be mailed to the shareholders of Westar and GPE as

promptly as reasonably practicable after the SEC advises Westar and GPE that the SEC has no further comments on the Proxy Statement/Prospectus; and

(iii) each of Westar and GPE shall include the Westar Board Recommendation and the GPE Board Recommendation in the preliminary and definitive Proxy Statements/Prospectus.

Notwithstanding anything to the contrary herein, unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, prior to filing the Proxy Statement/Prospectus in preliminary form with the SEC, responding to any comment from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus or mailing the Proxy Statement/Prospectus in definitive form to the shareholders of Westar or GPE, each of Holdco, Westar and GPE shall provide the others with a reasonable opportunity to review and comment on such document or response and consider in good faith any of the other Parties' comments thereon. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each Party shall use its reasonable best efforts to have the SEC advise Holdco, Westar and GPE, as promptly as reasonably practicable after the filing of the preliminary Proxy Statement/Prospectus, that the SEC has no further comments on the Proxy Statement/Prospectus. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each of Holdco, Westar and GPE shall also take any other action (except for qualifying to do business in any jurisdiction in which it is not now so qualified) required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Laws and the rules and regulations thereunder in connection with the Mergers.

(d) If, prior to the Effective Time, any event occurs with respect to GPE or any GPE Subsidiary, or any change occurs with respect to other information supplied by GPE for inclusion in the Proxy Statement/Prospectus, that is required to be described in an amendment of, or a supplement to, the Proxy Statement/Prospectus, GPE shall promptly notify Westar of such event, and Holdco, GPE and Westar shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Proxy Statement/Prospectus so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading, and, as required by Law, in disseminating the information contained in such amendment or supplement to Westar's shareholders and GPE's shareholders. Nothing in this Section 6.01(d) shall limit the obligations of any Party under Section 6.01(a).

(e) If prior to the Effective Time, any event occurs with respect to Westar or any Westar Subsidiary, or any change occurs with respect to other information supplied by Westar for inclusion in the Proxy Statement/Prospectus, that is required to be described in an amendment of, or a supplement to, the Proxy Statement/Prospectus, Westar shall

promptly notify GPE of such event, and Holdco, Westar and GPE shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Proxy Statement/Prospectus so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading and, as required by Law, in disseminating the information contained in such amendment or supplement to Westar's shareholders and GPE's shareholders. Nothing in this Section 6.01(e) shall limit the obligations of any Party under Section 6.01(a).

(f) Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change, Westar shall, as soon as practicable after the mailing of the definitive Proxy Statement/Prospectus to the shareholders of Westar, duly call, give notice of, convene and hold the Westar Shareholders Meeting and, subject to Section 5.04(c), solicit the Westar Shareholder Approval.

(g) Unless, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, GPE shall, as soon as practicable after the mailing of the definitive Proxy Statement/Prospectus to the shareholders of GPE, duly call, give notice of, convene and hold the GPE Shareholders Meeting and, subject to Section 5.05(c), solicit the GPE Shareholder Approval.

(h) Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each of GPE and Westar shall use reasonable best efforts to hold the GPE Shareholders Meeting and the Westar Shareholders Meeting, respectively, at the same time and on the same date as the other Party.

SECTION 6.02 Access to Information; Confidentiality.

(a) Subject to applicable Law and the Confidentiality Agreement, Westar and GPE shall, and shall cause each of their respective Subsidiaries to, afford to the other Party and its Representatives reasonable access (at such Party's sole cost and expense), during normal business hours and upon reasonable advance notice, during the period from the date of this Agreement until the earlier of the Effective Time or termination of this Agreement pursuant to Section 8.01, to the material properties, books, contracts, commitments, personnel and records of such Party, and during such period, Westar and GPE shall, and shall cause their respective Subsidiaries to, make available promptly to then other Party (i) to the extent not publicly available, a copy of each material Filing made by it during such period pursuant to the requirements of securities Laws or filed with or sent to the SEC, the KCC, the MPSC or any other Governmental Entity and (ii) all other information concerning its business, properties and personnel as such other Party may reasonably request; provided, however, that Westar and GPE may withhold from the other Party or its Representatives any document or information that the disclosing Party believes is subject to the terms of a confidentiality agreement with a third party (provided that Westar and GPE, as applicable, shall use its reasonable best efforts to obtain the required consent of such third party to disclose such document or information) or subject to any attorney-client

privilege (provided that Westar and GPE, as applicable, shall use its reasonable best efforts to allow the disclosure of such document or information (or as much of it as possible) in a manner that does not result in a loss of attorney–client privilege) or is commercially sensitive (as determined in Westar’s and GPE’s, as applicable, reasonable discretion); provided, further, that neither Westar nor GPE or their respective Representatives shall have the right to collect any air, soil, surface water or ground water samples or perform any invasive or destructive air sampling on, under, at or from any of the properties owned, leased or operated by the other Party or its Subsidiaries. Except for incidents caused by Westar’s or GPE’s or their respective Affiliate’s intentional misconduct, each of Westar and GPE shall indemnify the other Party and its Affiliates and Representatives from, and hold the other Party and its Affiliates and Representatives harmless against, any and all Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs, expenses, including attorneys’ fees and disbursements, and the cost of enforcing this indemnity arising out of or resulting from any access provided pursuant to this Section 6.02(a).

(b) All documents and information exchanged pursuant to this Section 6.02 shall be subject to the letter agreement, dated as of March 3, 2016, between Westar and GPE, as amended (the “Confidentiality Agreement”). The Confidentiality Agreement is hereby further amended to extend the term thereof until November 30, 2018, subject to the exception and proviso in paragraph 17 of the Confidentiality Agreement. If this Agreement is terminated pursuant to Section 8.01, the Confidentiality Agreement, as amended, shall remain in effect in accordance with its terms.

SECTION 6.03 Further Actions; Regulatory Approvals; Required Actions.

(a) Subject to the terms and conditions of this Agreement, each of the Parties shall use its respective reasonable best efforts to take, or cause to be taken, all actions, and do, or cause to be done, and assist and cooperate with the other Parties in doing, all things necessary to cause the conditions to the Closing set forth in Article VII to be satisfied as promptly as reasonably practicable or to effect the Closing as promptly as reasonably practicable, including (i) making all necessary Filings with Governmental Entities or third parties, (ii) obtaining the Required Consents and all other third-party Consents that are necessary, proper or advisable to consummate the Mergers, (iii) obtaining the Required Statutory Approvals and all other Consents of Governmental Entities that are necessary, proper or advisable to consummate the Mergers and the other transactions contemplated hereby and (iv) executing and delivering any additional instruments that are necessary, proper or advisable to consummate the Mergers and the other transactions contemplated hereby. For the avoidance of doubt, any Filings made, or Consents or Required Statutory Approvals sought, obtained or denied based on the transactions contemplated by the Original Merger Agreement shall not be considered for any purposes of this Agreement, including Sections 6.03, 7.01(b), 7.01(c), 7.02(e) and 7.03(e), other than the Filings, Consents or Required Statutory Approvals set forth on Section 6.03 of the A&R GPE Disclosure Letter or that the Parties otherwise expressly agree are unaffected by the amendment and restatement of the Original Merger Agreement.

(b) In connection with and without limiting the generality of Section 6.03(a), each of GPE and Westar shall:

(i) make or cause to be made, in consultation and cooperation with the other, at a mutually agreeable time after the date of this Agreement, (1) an appropriate filing of a Notification and Report Form pursuant to the HSR Act relating to the Mergers, and (2) all other necessary Filings relating to the Mergers with other Governmental Entities under any other Antitrust Law;

(ii) make or cause to be made, as promptly as reasonably practicable after the date of this Agreement and in any event within sixty (60) days after the date of this Agreement, which may be extended by mutual agreement of the Parties, all necessary Filings with other Governmental Entities relating to the Mergers, including any such Filings necessary to obtain any Required Statutory Approval;

(iii) furnish to the other all assistance, cooperation and information reasonably required for any such Filing and in order to achieve the effects set forth in this Section 6.03;

(iv) unless prohibited by applicable Law or by a Governmental Entity, give the other reasonable prior notice of any such Filing and, to the extent reasonably practicable, of any communication with any Governmental Entity relating to the Mergers (including with respect to any of the actions referred to in this Section 6.03(b)) and, to the extent reasonably practicable, permit the other to review and discuss in advance, and consider in good faith the views of, and secure the participation of, the other in connection with any such Filing or communication;

(v) respond as promptly as reasonably practicable under the circumstances to any inquiries received from any Governmental Entity or any other authority enforcing applicable Antitrust Laws for additional information or documentation in connection with antitrust, competition or similar matters (including a “second request” under the HSR Act) and not extend any waiting period under the HSR Act or enter into any agreement with any such Governmental Entity or other authorities not to consummate the Mergers, except with the prior written consent of the other Party;

(vi) provide any information requested by any Governmental Entity in connection with any review or investigation of the transactions contemplated by this Agreement; and

(vii) unless prohibited by applicable Law or a Governmental Entity, to the extent reasonably practicable, (1) not participate in or attend any meeting or engage in any substantive conversation with any Governmental Entity in respect of the Mergers without the other Party, (2) to the extent reasonably practicable, give the other reasonable prior notice of any such meeting or conversation and, in the event one Party is prohibited by applicable Law or by the applicable Governmental Entity from participating in or attending any such meeting or engaging in any such

conversation, keep such Party apprised with respect thereto, (3) cooperate in the filing of any substantive memoranda, white papers, filings, correspondence or other written communications explaining or defending this Agreement or the Mergers, articulating any regulatory or competitive argument or responding to requests or objections made by any Governmental Entity and (4) furnish the other Party with copies of all substantive correspondence, Filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and any Governmental Entity or members of any Governmental Entity's staff, on the other hand, with respect to this Agreement or the Mergers; provided that the Parties shall be permitted to redact any correspondence, Filing or communication to the extent such correspondence, Filing or communication contains commercially sensitive information.

(c) Neither GPE nor Westar shall, and each shall cause its Affiliates not to, take any action, including acquiring any asset, property, business or Person (by way of merger, consolidation, share exchange, investment, other business combination, asset, stock or equity purchase, or otherwise), that could reasonably be expected to materially increase the risk of not obtaining or making any Consent or Filing contemplated by this Section 6.03 or the timely receipt thereof. In furtherance of and without limiting any of GPE's or Westar's covenants and agreements under this Section 6.03, each of GPE and Westar shall use its reasonable best efforts to avoid or eliminate each and every impediment that may be asserted by a Governmental Entity pursuant to any Antitrust Law with respect to the Mergers or in connection with granting any Required Statutory Approval so as to enable the Closing to occur as soon as reasonably possible, which such reasonable best efforts shall include the following:

(i) defending through litigation on the merits, including appeals, any Claim asserted in any court or other proceeding by any Person, including any Governmental Entity, that seeks to or could prevent or prohibit or impede, interfere with or delay the consummation of the Closing;

(ii) proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, licensing or disposition of any assets or businesses of GPE or its Affiliates or Westar or the Westar Subsidiaries, including entering into customary ancillary agreements on commercially reasonable terms relating to any such sale, divestiture, licensing or disposition;

(iii) agreeing to any limitation on the conduct of GPE, Westar or their respective Affiliates (including, after the Closing, Holdco and its Affiliates); and

(iv) agreeing to take any other action as may be required by a Governmental Entity in order to effect each of the following: (1) obtaining all Required Statutory Approvals as soon as reasonably possible and in any event before the End Date, (2) avoiding the entry of, or having vacated, lifted, dissolved, reversed or overturned any Judgment, whether temporary, preliminary or permanent, that is in effect that prohibits, prevents or restricts consummation of, or

impedes, interferes with or delays, the Closing and (3) effecting the expiration or termination of any waiting period, which would otherwise have the effect of preventing, prohibiting or restricting consummation of the Closing or impeding, interfering with or delaying the Closing;

provided that, notwithstanding anything else contained in this Agreement, the provisions of this Section 6.03 shall not be construed to (i) require GPE, Westar, Holdco, Merger Sub, any GPE Subsidiary or any Westar Subsidiary or (ii) permit GPE, any GPE Subsidiary, Westar or any Westar Subsidiary without the prior written consent of the other Party, to undertake any efforts or take any action (including accepting any terms, conditions, liabilities, obligations, commitments, sanctions or other measures and proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, licensing or disposition of assets or businesses of GPE or Westar or their respective Subsidiaries) if the taking of such efforts or action, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

SECTION 6.04 Transaction Litigation. Each of Westar and GPE shall promptly notify the other Party of any shareholder litigation arising from this Agreement or the Mergers that is brought against Westar or GPE or members of the Westar Board or the GPE Board (“Transaction Litigation”). Each of Westar and GPE shall reasonably consult with the other Party with respect to the defense or settlement of any Transaction Litigation and shall not settle any Transaction Litigation without the other Party’s consent (not to be unreasonably withheld, conditioned or delayed).

SECTION 6.05 Section 16 Matters. Prior to the Effective Time, each of Westar and GPE shall take all such steps as may be required to cause any dispositions of Westar Common Stock and GPE Common Stock (including derivative securities with respect to Westar Common Stock and GPE Common Stock) directly resulting from the Mergers by each individual who will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Westar and GPE immediately prior to the Effective Time to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 6.06 Post-Merger Governance.

(a) Board Matters. GPE, Westar and Holdco shall take all necessary corporate action to cause the following to occur as of the Effective Time:

(i) the number of directors constituting the Holdco Board as of the Effective Time to be mutually determined by GPE and Westar prior to the Effective Time;

(ii) the Holdco Board as of the Effective Time to be composed of an equal number of directors designated by each of GPE and Westar prior to the Effective Time (such individuals, the “GPE Designees” and the “Westar Designees”, as applicable), subject to such individuals’ ability and willingness to serve; and

(iii) the committees of the Holdco Board shall be as set forth in Exhibit B hereto, and the chairpersons of each such committee shall be designated in accordance with the provisions of Exhibit B hereto, subject to such individuals' ability and willingness to serve.

In the event that, before the Effective Time, any GPE Designee or any Westar Designee becomes unable or unwilling to serve as a director on the Holdco Board, or as a chairperson of a committee or as lead independent director, a replacement for such designee shall be determined in accordance with the provisions of Exhibit B hereto.

(b) Chairman of the Board; President and Chief Executive Officer; Executive Officers. Subject to such individuals' ability and willingness to so serve, Holdco shall take all necessary corporate action so that the individual identified on Exhibit B and designated as Holdco Chairman of the Board, and the individuals identified on Exhibit C and designated as President and Chief Executive Officer and other senior executive officer positions specified on such Exhibit C shall hold such designated positions as of the Effective Time as specified thereon. If, before the Effective Time, any such Person is unable or unwilling to serve as an officer of Holdco in the capacity set forth on Exhibit C, a replacement for such Person shall be determined in accordance with the provisions of Exhibit C hereto.

(c) Headquarters. From and after the Effective Time, (i) Holdco will have its corporate headquarters in Kansas City, Missouri and (ii) Holdco shall cause its utility operating headquarters to be located in Topeka, Kansas and Kansas City, Missouri.

(d) Holdco Organizational Documents. GPE and Holdco shall take all actions necessary so that (i) at or prior to the Effective Time, the articles of incorporation of Holdco shall be amended and restated so that, at the Effective Time, such articles of incorporation shall read in their entirety substantially in the form attached hereto as Exhibit D (the "Holdco Restated Articles") and (ii) at or prior to the Effective Time, the bylaws of Holdco shall be amended and restated so that, at the Effective Time, such bylaws shall read in their entirety substantially in the form attached hereto as Exhibit E (the "Holdco Restated Bylaws").

(e) Name. GPE and Westar agree to use their commercially reasonable efforts acting in good faith to agree on a new name and ticker symbol for Holdco prior to the Closing.

(f) Community Support. The Parties agree that provision of charitable contributions and community support in their respective service areas serves a number of their important corporate goals. From and after the Effective Time, Holdco and its subsidiaries taken as a whole intend to continue to provide charitable contributions and community support within the service areas of the Parties and each of their respective subsidiaries in each service area at levels substantially comparable to the levels of charitable contributions and community support provided, directly or indirectly, by GPE and Westar within their respective service areas prior to the Effective Time.

(g) KCC and MPSC Applications. Westar, GPE, Holdco and Merger Sub agree (i) that the applications submitted to the KCC and the MPSC with respect to the Mergers shall include the information concerning the Mergers, Westar, GPE, Holdco and Merger Sub required by the laws of the State of Kansas and the State of Missouri, (ii) to include specific commitments and agreements in such application to implement the principles set forth in Exhibit F hereto, and (iii) that the initial applications submitted to the KCC and the MPSC with respect to the Mergers and any amendment thereto shall only include such other agreements or commitments as agreed to by Westar, GPE, Holdco and Merger Sub, in each case, whose consent to any such agreements or commitments shall not be unreasonably withheld, conditioned or delayed. Westar agrees that it will not agree to, or accept, any additional or different agreements, commitments or conditions in connection with the Mergers pursuant to any settlement or otherwise with the staff of the KCC or any other Person without the prior written consent of GPE, which consent shall not be unreasonably withheld, conditioned or delayed. GPE agrees that it will not agree to, or accept, any additional or different agreements, commitments or conditions in connection with the Mergers pursuant to any settlement or otherwise with the staff of the MPSC or any other Person without the prior written consent of Westar, which consent shall not be unreasonably withheld, conditioned or delayed.

SECTION 6.07 Public Announcements. Except with respect to (a) a Westar Adverse Recommendation Change, a Westar Recommendation Change Notice, a Westar Takeover Proposal, a Superior Westar Proposal or any matter related to any of the foregoing, (b) a GPE Adverse Recommendation Change, a GPE Recommendation Change Notice, a GPE Takeover Proposal, a Superior GPE Proposal or any matter related to any of the foregoing, (c) any dispute between or among the Parties regarding this Agreement or the transactions contemplated hereby, and (d) a press release or other public statement that is consistent in all material respects with previous press releases, public disclosures or public statements made by a Party in accordance with this Agreement, including in investor conference calls, SEC Filings, Q&As or other publicly disclosed documents, in each case under this clause (d), to the extent such disclosure is still accurate, GPE and Westar shall consult with each other before issuing, and give each other the reasonable opportunity to review and comment upon, any press release or other written public statement with respect to this Agreement or the transactions contemplated hereby, including the Mergers, and shall not issue any such press release or make any such written public statement prior to such consultation, except as such Party reasonably concludes (based upon advice of its outside legal counsel) may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system. Westar and GPE agree that the initial press release to be issued with respect to this Agreement or Mergers shall be in a form agreed to by the Parties. Nothing in this **Section 6.07** shall limit the ability of any Party to make internal announcements to its respective employees that are consistent in all material respects with the prior public disclosures regarding the transactions contemplated by this Agreement.

SECTION 6.08 Fees, Costs and Expenses. Except as provided otherwise in this Agreement, including **Section 8.02(b)**, all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such fees, costs or expenses, whether or not the Closing occurs.

SECTION 6.09 Indemnification, Exculpation and Insurance.

(a) Holdco agrees that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of the current or former directors, officers or employees of Westar, the Westar Subsidiaries, GPE and the GPE Subsidiaries as provided in their respective Organization Documents and any indemnification or other similar Contracts of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary, in each case, as in effect on the date of this Agreement, shall continue in full force and effect in accordance with their terms (it being agreed that after the Closing such rights shall be mandatory rather than permissive, if applicable), and Holdco shall cause the Westar Surviving Corporation and the Westar Subsidiaries to perform their respective obligations thereunder. Without limiting the foregoing, from and after the Effective Time, Holdco agrees that it will indemnify and hold harmless each individual who is as of the date of this Agreement, or who becomes prior to the Effective Time, a director, officer or employee of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary or who is as of the date of this Agreement, or who thereafter commences prior to the Effective Time, serving at the request of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary as a director, officer or employee of another Person (the “Indemnified Parties”), against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys’ fees and disbursements, incurred in connection with any Claim, whether civil, criminal, administrative or investigative (including with respect to matters existing or occurring at or prior to the Effective Time (including this Agreement and the transactions and actions contemplated hereby)), arising out of or pertaining to the fact that the Indemnified Party is or was a director, officer or employee of Westar, any Westar Subsidiary, GPE, any GPE Subsidiary or is or was serving at the request of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary as a director, officer or employee of another Person, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent permitted under applicable Law. In the event of any Claim covered under this Section 6.09, (i) each Indemnified Party will be entitled to advancement of expenses incurred in the defense of any such Claim from Holdco; provided that any Person to whom expenses are advanced provides an undertaking, if and only to the extent required by applicable Law or Holdco’s Organizational Documents, to repay such advances if it is ultimately determined by final adjudication that such person is not entitled to indemnification and (ii) Holdco shall cooperate in good faith in the defense of any such matter.

(b) In the event that Holdco or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, Holdco shall cause proper provision to be made so that the successors and assigns of Holdco assume the covenants and agreements set forth in this Section 6.09.

(c) For a period of six (6) years from and after the Effective Time, Holdco shall either cause to be maintained in effect the current policies of directors’ and officers’ liability insurance and fiduciary liability insurance maintained by Westar, the Westar Subsidiaries, GPE or the GPE Subsidiaries or provide substitute policies for Westar, GPE

and their respective current and former directors and officers who are currently covered by the directors' and officers' and fiduciary liability insurance coverage currently maintained by Westar and GPE, in either case, of not less than the existing coverage and having other terms not materially less favorable to the insured persons than the directors' and officers' liability insurance and fiduciary liability insurance coverage currently maintained by Westar and GPE with respect to claims arising from facts or events that occurred on or before the Effective Time (with insurance carriers having at least an "A" rating by A.M. Best with respect to directors' and officers' liability insurance and fiduciary liability insurance), except that in no event shall Holdco be required to pay with respect to such insurance policies in respect of any one policy year more than 300% of the aggregate annual premium most recently paid by Westar or GPE prior to the date of this Agreement (the "Maximum Amount"), and if Holdco is unable to obtain the insurance required by this Section 6.09(c) it shall obtain as much comparable insurance as possible for the years within such six (6) year period for an annual premium equal to the Maximum Amount, in respect of each policy year within such period. In lieu of such insurance, prior to the Closing Date Westar may, at its option, purchase a "tail" directors' and officers' liability insurance policy and fiduciary liability insurance policy for Westar, GPE and their respective current and former directors, officers and employees who are currently covered by the directors' and officers' and fiduciary liability insurance coverage currently maintained by Westar and GPE, such tail to provide coverage in an amount not less than the existing coverage and to have other terms not materially less favorable to the insured persons than the directors' and officers' liability insurance and fiduciary liability insurance coverage currently maintained by Westar and GPE with respect to claims arising from facts or events that occurred on or before the Effective Time for a period of not less than six (6) years; provided that in no event shall the cost of any such tail policy in respect of any one policy year exceed the Maximum Amount. Holdco shall maintain such policies in full force and effect, and continue to honor the obligations thereunder.

(d) The provisions of this Section 6.09 (i) shall survive consummation of the Mergers, (ii) are intended to be for the benefit of, and will be enforceable by, each indemnified or insured party (including the Indemnified Parties), his or her heirs and his or her representatives and (iii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise.

SECTION 6.10 Employee Matters.

(a) During the period commencing at the Effective Time and ending on the two (2) year anniversary of the Effective Time (the "Continuation Period"), Holdco shall, and shall cause the Westar Surviving Corporation to, provide each individual who is employed by Westar or a Westar Subsidiary immediately prior to the Effective Time and who remains employed thereafter by the Westar Surviving Corporation, Holdco or any of their Subsidiaries (each, a "Westar Employee") who is not a Westar Represented Employee (as defined in Section 6.10(b)) with (i) a base salary or wage rate that is no less favorable than that provided to the Westar Employee immediately prior to the Effective Time, (ii) aggregate incentive compensation opportunities that are substantially comparable, in the aggregate, to those provided to the Westar Employee immediately prior to the Effective Time and (iii) employee benefits that are substantially comparable, in the aggregate, to

those provided to the Westar Employee immediately prior to the Effective Time. During the Continuation Period, Holdco shall, and shall cause the Westar Surviving Corporation to, provide each Westar Employee who experiences a termination of employment with the Westar Surviving Corporation, Holdco or any of their Subsidiaries severance benefits that are no less favorable than those set forth in Section 6.10(a)(1) of the A&R Westar Disclosure Letter. During the two (2) year period following the Closing Date, subject to Section 6.10(e)(ii), Holdco shall, or shall cause the Westar Surviving Corporation to, treat retirees of Westar and its Subsidiaries with respect to the provision of post-retirement welfare benefits no less favorably than similarly situated retirees of Holdco and its Subsidiaries. Except as provided on Section 6.10(a)(2) of the A&R Westar Disclosure Letter, as soon as practicable following the end of the fiscal year in which the Effective Time occurs, Holdco shall, or shall cause the Westar Surviving Corporation to, pay each Westar Employee who remains employed with the Westar Surviving Corporation, Holdco or any of their Subsidiaries through the applicable payment date an annual cash bonus for such fiscal year in an amount determined based on the level of attainment of the applicable performance criteria under the bonus plan in which such Westar Employee participated as of immediately prior to the Effective Time.

(b) With respect to each Westar Employee who is covered by a Westar Union Contract (each, a “Westar Represented Employee”), Holdco shall, and shall cause the Westar Surviving Corporation to, continue to honor the Westar Union Contracts, in each case as in effect at the Effective Time, in accordance with their terms (it being understood that this sentence shall not be construed to limit the ability of Holdco or the Westar Surviving Corporation to amend or terminate any such Westar Union Contract, to the extent permitted by the terms of the applicable Westar Union Contract and applicable Law). The provisions of this Section 6.10 shall be subject to any applicable provisions of the Westar Union Contracts and applicable Law in respect of such Westar Represented Employee, to the extent the provisions of this Section 6.10 are inconsistent with or otherwise in conflict with the provisions of any such Westar Union Contract or applicable Law. Prior to the Closing Date, Westar shall provide, to the extent required by applicable Law, sufficient advance notice of the transactions contemplated hereby to any unions that are party to a Westar Union Contract, and, in response to a request from any such union to engage in bargaining over the effect of the transactions contemplated hereby, shall engage in meaningful, good-faith bargaining, to the extent required by applicable Law.

(c) At the Effective Time, Holdco shall, or shall cause the Westar Surviving Corporation to, assume and honor in accordance with their terms all of Westar’s and all of the Westar Subsidiaries’ employment, severance, retention, termination and change-in-control plans, policies, programs, agreements and arrangements (including any change-in-control severance agreement or other arrangement between Westar and any Westar Employee) maintained by Westar or any Westar Subsidiary, in each case, as in effect at the Effective Time, including with respect to any payments, benefits or rights arising as a result of the Mergers (either alone or in combination with any other event), it being understood that this sentence shall not be construed to limit the ability of Holdco or the Westar Surviving Corporation to amend or terminate any such plans, policies, programs, agreements, or arrangements, to the extent permitted by the terms of the applicable plan, policy, program, agreement or arrangement and applicable Law. For purposes of any

Westar Benefit Plan or Westar Benefit Agreement containing a definition of “change in control,” “change of control” or similar term that relates to a transaction at the level of Westar, the Closing shall be deemed to constitute a “change in control,” “change of control” or such similar term.

(d) At the Effective Time, Holdco shall, or shall cause a GPE Subsidiary to, assume and honor in accordance with their terms all of GPE’s and all of the GPE Subsidiaries’ employment, severance, retention, termination and change-in-control plans, policies, programs, agreements and arrangements (including any change-in-control severance agreement or other arrangement between GPE and any individual who is employed by GPE or a GPE Subsidiary immediately prior to the Effective Time and who remains employed thereafter by Holdco or any of its Subsidiaries) maintained by GPE or any GPE Subsidiary, in each case, as in effect at the Effective Time, including with respect to any payments, benefits or rights arising as a result of the Mergers (either alone or in combination with any other event), it being understood that this sentence shall not be construed to limit the ability of Holdco or any GPE Subsidiary to amend or terminate any such plans, policies, programs, agreements, or arrangements, to the extent permitted by the terms of the applicable plan, policy, program, agreement or arrangement and applicable Law. For purposes of any GPE Benefit Plan or GPE Benefit Agreement containing a definition of “change in control,” “change of control” or similar term that relates to a transaction at the level of GPE, the Closing shall be deemed to constitute a “change in control,” “change of control” or such similar term.

(e) With respect to all employee benefit plans of Holdco, the Westar Surviving Corporation or any of their Subsidiaries, including any “employee benefit plan” (as defined in Section 3(3) of ERISA) (including any vacation, paid time-off and severance plans), each Westar Employee’s service with Westar or any Westar Subsidiary (as well as service with any predecessor employer of Westar or any such Westar Subsidiary, to the extent service with the predecessor employer was recognized by Westar or such Westar Subsidiary and is accurately reflected within a Westar Employee’s records) shall be treated as service with Holdco, the Westar Surviving Corporation or any of their Subsidiaries for all purposes, including determining eligibility to participate, level of benefits, vesting and benefit accruals, except (i) to the extent that such service was not recognized under the corresponding Westar Benefit Plan immediately prior to the Effective Time, (ii) for purposes of any defined benefit retirement plan, any retiree welfare benefit plan, any grandfathered or frozen plan or any plan under which similarly situated employees of Holdco and its Subsidiaries do not receive credit for prior service or (iii) to the extent that such recognition would result in any duplication of benefits for the same period of service.

(f) Holdco shall, and shall cause the Westar Surviving Corporation to, use commercially reasonable efforts to waive, or cause to be waived, any pre-existing condition limitations, exclusions, actively at work requirements and waiting periods under any welfare benefit plan maintained by Holdco, the Westar Surviving Corporation or any of their Subsidiaries in which Westar Employees (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods would not have been satisfied or waived under the corresponding Westar Benefit

Plan immediately prior to the Effective Time. Holdco shall, or shall cause the Westar Surviving Corporation to, use commercially reasonable efforts to recognize the dollar amount of all co-payments, deductibles and similar expenses incurred by each Westar Employee (and his or her eligible dependents) during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time.

(g) Notwithstanding anything to the contrary herein, the provisions of this Section 6.10 are solely for the benefit of the parties to this Agreement, and no provision of this Section 6.10 is intended to, or shall, constitute the establishment or adoption of or an amendment to any employee benefit plan for purposes of ERISA or otherwise and no Westar Personnel or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Agreement or have the right to enforce the provisions hereof including in respect of continued employment (or resumed employment). Nothing contained herein shall alter the at-will employment relationship of any Westar Employee.

SECTION 6.11 Holdco; Merger Sub.

(a) Prior to the Effective Time, neither Holdco nor Merger Sub shall engage in any activity of any nature except for activities related to or in furtherance of the Mergers.

(b) GPE hereby (i) guarantees the due, prompt and faithful payment performance and discharge by Holdco and Merger Sub of, and compliance by Holdco and Merger Sub with, all of the covenants and agreements of Holdco and Merger Sub under this Agreement and (ii) agrees to take all actions necessary, proper or advisable to ensure such payment, performance and discharge by Holdco and Merger Sub hereunder.

SECTION 6.12 Takeover Statutes. If any Takeover Statute or similar statute or regulation becomes applicable to this Agreement or the Mergers, Westar and the Westar Board and GPE and the GPE Board shall use reasonable best efforts to grant such approvals and take such actions to ensure that the Mergers may be consummated as promptly as practicable on the terms contemplated by this Agreement.

SECTION 6.13 Stock Exchange Listing. Holdco shall use reasonable best efforts to cause the shares of Holdco Common Stock to be issued in the Mergers to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Closing. Each of Westar and GPE shall use its reasonable best efforts to cooperate with Holdco in connection with the foregoing, including by providing information reasonably requested by Holdco in connection therewith.

SECTION 6.14 Redemption of GPE Preference Stock. Prior to the Closing, GPE shall redeem all of the issued and outstanding shares of GPE Preference Stock pursuant to Section 13 of the Certificate of Designations for the GPE Preference Stock.

SECTION 6.15 Further Assurances. It may be preferable to effectuate a business combination between GPE and Westar by means of an alternative structure in light of the conditions set forth in Section 7.01(b), Section 7.02(e) and Section 7.03(e). Accordingly, if the

only conditions to the parties' obligations to consummate the Mergers that are not satisfied or waived are receipt of any one or more of the Westar Required Consents, GPE Required Consents, and the Required Statutory Approvals, and the adoption of an alternative structure (that otherwise substantially preserves for GPE and Westar the economic benefits of the Mergers without adversely affecting either GPE or Westar in any material respect) would result in such conditions being satisfied or waived, then the Parties shall use their respective commercially reasonable efforts to effect a business combination among themselves by means of a mutually agreed upon structure other than the Mergers that so preserves such benefits without adversely affecting either GPE or Westar in any material respect; provided that prior to closing any such restructured transaction, all third party and Governmental Authority declarations, filings, registrations, notices, authorizations, consents or approvals necessary for the effectuation of such alternative business combination shall have been obtained and all other conditions to the Parties' obligations to consummate the Mergers, as applied to such alternative business combination, shall have been satisfied or waived.

ARTICLE VII

(i) The representations and warranties of GPE, Holdco and Merger Sub contained herein (except for the representations and warranties contained in Section 4.03, Section 4.04 and Section 4.07(b)) shall be true and correct (without giving effect to any limitation as to “materiality” or “GPE Material Adverse Effect” set forth therein) at and as of the Effective Time as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct (without giving effect to any limitation as to “materiality” or “GPE Material Adverse Effect” set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, (ii) the representations and warranties of GPE, Holdco and Merger Sub contained in Section 4.03 and Section 4.04 shall be true and correct at and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct would be de minimis, and (iii) the representations and warranties of GPE contained in Section 4.07(b) shall be true and correct in all respects at and as of the Closing as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Performance of Covenants and Agreements of GPE, Holdco and Merger Sub. GPE, Holdco and Merger Sub shall have performed in all material respects all covenants and agreements required to be performed by them under this Agreement at or prior to the Closing.

(e) Regulatory Approvals. The Final Orders referred to in Section 7.01(b) shall not include or impose any undertaking, term, condition, liability, obligation, commitment, sanction or other measure that, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

(f) Tax Opinion. Westar shall have received an opinion of Baker Botts L.L.P., in form and substance satisfactory to Westar, dated the Closing Date, which opinion may be based on appropriate representations of GPE, Westar and Holdco that are in form and substance reasonably satisfactory to such counsel, to the effect that (i) the Westar Merger, taken together with the GPE Merger, will be treated as a nontaxable exchange described in Code Section 351 and/or (ii) the Westar Merger will be treated as a nontaxable reorganization described in Code Section 368.

(g) GPE Preference Stock. As of the Effective Time, there shall be no shares of GPE Preference Stock outstanding.

(h) Cash or Cash Equivalents. As of the Effective Time, GPE shall have not less than \$1.25 billion in cash or cash equivalents on its balance sheet, excluding the proceeds of any Indebtedness issued outside of the ordinary course of business.

(b) Performance of Covenants and Agreements of Westar. Westar shall have performed in all material respects all covenants and agreements required to be performed by it under this Agreement at or prior to the Closing.

(c) Absence of Westar Material Adverse Effect. (d) Officer's Certificate. GPE shall have received a certificate signed on behalf of Westar by an executive officer of Westar certifying the satisfaction by Westar of the conditions set forth in Section 7.03(a), Section 7.03(b) and Section 7.03(c).

The Final Orders referred to in Section 7.01(b) shall not include or impose any undertaking, term, condition, liability, obligation, commitment, sanction or other measure that, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

(f) Tax Opinion. GPE shall have received an opinion of Bracewell LLP, in form and substance satisfactory to GPE, dated the Closing Date, which opinion may be based on appropriate representations of GPE, Westar and Holdco that are in form and substance reasonably satisfactory to such counsel, to the effect that the GPE Merger will be treated as a reorganization described in Code Section 368(a).

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01 Termination Rights.

(a) Termination by Mutual Consent. Westar and GPE shall have the right to terminate this Agreement at any time prior to the Effective Time, whether before or after receipt of the Westar Shareholder Approval or GPE Shareholder Approval, by mutual written consent.

(b) Termination by Either Westar or GPE. Each of Westar and GPE shall have the right to terminate this Agreement, at any time prior to the Effective Time, whether before or after the receipt of the Westar Shareholder Approval or GPE Shareholder Approval, if:

(i) the Closing shall not have occurred by 5:00 p.m. New York City time on the date that is twelve (12) months from the date hereof (the "End Date"); provided that if, prior to the End Date, all of the conditions to the Closing set forth in Article VII have been satisfied or waived, as applicable, or shall then be capable of being satisfied (except for any conditions set forth in Section 7.01(b), Section 7.01(c), Section 7.02(e), Section 7.03(e) and those conditions that by their nature are to be satisfied at the Closing), either Westar or GPE may, prior to 5:00 p.m. New York City time on the End Date, extend the End Date to a date that is six (6) months after the End Date (and if so extended, such later date being the End Date); provided, further, that neither Westar nor GPE may terminate this Agreement or extend the End Date pursuant to this Section 8.01(b)(i) if it is in breach of any of its covenants or agreements and such breach has caused or resulted in either (1) the failure to satisfy the conditions to its obligations to consummate the Mergers set forth in Article VII prior to the End Date or (2) the failure of the Closing to have occurred prior to the End Date;

(ii) the condition set forth in Section 7.01(c) is not satisfied and the Legal Restraint giving rise to such nonsatisfaction has become final and nonappealable; provided, however, that the right to terminate this Agreement under this Section 8.01(b)(ii) shall not be available to any Party if such failure to satisfy the condition set forth in Section 7.01(c) is the result of a failure of such Party to comply with its obligations pursuant to Section 6.03;

(iii) the Westar Shareholder Approval is not obtained at the Westar Shareholders Meeting duly convened (unless such Westar Shareholders Meeting has been adjourned, in which case at the final adjournment thereof); or

(iv) the GPE Shareholder Approval is not obtained at the GPE Shareholders Meeting duly convened (unless such GPE Shareholders Meeting has been adjourned, in which case at the final adjournment thereof).

(c) Termination by Westar. Westar shall have the right to terminate this Agreement:

(i) in the event that the Westar Board has made a Westar Adverse Recommendation Change with respect to a Superior Westar Proposal and shall have approved, and concurrently with the termination hereunder, Westar shall have entered into, a Westar Acquisition Agreement providing for the implementation of such Superior Westar Proposal, so long as (1) Westar has complied in all material respects with its obligations under Section 5.04(c) and (2) Westar prior to or concurrently with such termination pays to GPE the Westar Termination Fee in accordance with Section 8.02(b)(i) and the termination pursuant to this Section 8.01(c)(i) shall not be effective and Westar shall not enter into any such Westar Acquisition Agreement until GPE is in receipt of the Westar Termination Fee; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(i) after the Westar Shareholder Approval is obtained at the Westar Shareholders Meeting;

(ii) if GPE, Holdco or Merger Sub breaches or fails to perform any of its covenants or agreements contained herein, or if any of the representations or warranties of GPE, Holdco or Merger Sub contained herein fails to be true and correct, which breach or failure to perform (1) would give rise to the failure of a condition set forth in Section 7.02(a) or Section 7.02(b), as applicable, and (2) is not reasonably capable of being cured by GPE by the End Date (as it may be extended pursuant to Section 8.01(b)(i)) or is not cured by GPE within thirty (30) days after receiving written notice from Westar of such breach or failure; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(ii) if Westar is then in breach of any covenant or agreement contained herein or any representation or warranty of Westar contained herein then fails to be true and correct such that the conditions set forth in Section 7.03(a) or Section 7.03(b), as applicable, could not then be satisfied;

(iii) if (1) all of the conditions set forth in Section 7.01, Section 7.02 and Section 7.03 have been satisfied or waived in accordance with this Agreement as of the date that the Closing should have been consummated pursuant to Section 1.03 (except for those conditions that by their terms are to be satisfied at the Closing), (2) GPE does not comply with its obligations under this Agreement to complete the Closing on the day that the Closing should have been consummated pursuant to Section 1.03, and (3) GPE fails to comply with its obligations under this Agreement to consummate the Closing within five (5) Business Days following its receipt of written notice from Westar requesting such consummation; or

(iv) in the event that the GPE Board or a committee thereof has made a GPE Adverse Recommendation Change; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(iv) after the GPE Shareholder Approval is obtained at the GPE Shareholders Meeting.

(d) Termination by GPE. GPE shall have the right to terminate this Agreement:

(i) in the event that the Westar Board or a committee thereof has made a Westar Adverse Recommendation Change; provided, however, that GPE shall not have the right to terminate this Agreement under this Section 8.01(d)(i) after the Westar Shareholder Approval is obtained at the Westar Shareholders Meeting;

(ii) if Westar breaches or fails to perform any of its covenants or agreements contained herein, or if any of the representations or warranties of Westar contained herein fails to be true and correct, which breach or failure to perform (1) would give rise to the failure of a condition set forth in Section 7.03(a) or Section 7.03(b), as applicable, and (2) is not reasonably capable of being cured by Westar by the End Date (as it may be extended pursuant to Section 8.01(b)(i)) or is not cured by Westar within thirty (30) days after receiving written notice from GPE of such breach or failure; provided, however, that GPE shall not have the right to terminate this Agreement under this Section 8.01(d)(ii) if GPE is then in breach of any covenant or agreement contained herein or any representation or warranty of GPE contained herein then fails to be true and correct such that the conditions set forth in Section 7.02(a) or Section 7.02(b), as applicable, could not then be satisfied;

(iii) in the event that the GPE Board has made a GPE Adverse Recommendation Change with respect to a Superior GPE Proposal and shall have approved, and concurrently with the termination hereunder, GPE shall have entered into, a GPE Acquisition Agreement providing for the implementation of such Superior GPE Proposal, so long as (1) GPE has complied in all material respects with its obligations under Section 5.05(c) and (2) GPE prior to or concurrently with such termination pays to Westar the GPE Fiduciary Out Termination Fee in accordance with Section 8.02(b)(iii) and the termination pursuant to this Section 8.01(d)(iii) shall not be effective and GPE shall not enter into any such GPE Acquisition Agreement until Westar is in receipt of the GPE Fiduciary Out Termination Fee; provided, however, that GPE shall not have the right to terminate

this Agreement under this Section 8.01(d)(iii) after the GPE Shareholder Approval is obtained at the GPE Shareholders Meeting; or

(iv) if (1) all of the conditions set forth in Section 7.01, Section 7.02 and Section 7.03 have been satisfied or waived in accordance with this Agreement as of the date that the Closing should have been consummated pursuant to Section 1.03 (except for those conditions that by their terms are to be satisfied at the Closing), (2) Westar does not comply with its obligations under this Agreement to complete the Closing on the day that the Closing should have been consummated pursuant to Section 1.03, and (3) Westar fails to comply with its obligations under this Agreement to consummate the Closing within five (5) Business Days following its receipt of written notice from GPE requesting such consummation.

SECTION 8.02 Effect of Termination; Termination Fees.

(a) In the event of termination of this Agreement by either GPE or Westar as provided in Section 8.01, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Westar or GPE (or any shareholder, Affiliate or Representative thereof), whether arising before or after such termination, based on, arising out of or relating to this Agreement or the negotiation, execution, performance or subject matter hereof (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity), except for (i) the last sentence of Section 6.02(a), the last sentence of Section 6.02(b), Section 6.08, this Section 8.02 and Article IX, which provisions shall survive such termination and (ii) subject to Section 8.02(d), liability of any Party (whether or not the terminating Party) for any Willful Breach of this Agreement prior to such termination but solely to the extent such liability arises out of a Willful Breach by such Party of any covenant or agreement set forth herein that gave rise to the failure of a condition set forth in Article VII. The liabilities described in the preceding sentence shall survive the termination of this Agreement.

(b) Termination Fees.

(i) If (1) (A) either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) and, at the time of such termination, any of the conditions set forth in Section 7.01(b), Section 7.02(e) or Section 7.03(e) or, in connection with the Required Statutory Approvals, Section 7.01(c) shall have not been satisfied, (B) either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(ii) (if, and only if, the applicable Legal Restraint giving rise to such termination arises in connection with the Required Statutory Approvals) or (C) Westar terminates this Agreement pursuant to Section 8.01(c)(ii) based on a failure by GPE to perform its covenants or agreements under Section 6.03, and in each case of the foregoing clauses (A), (B) and (C), at the time of such termination, all other conditions to the Closing set forth in Section 7.01(a), Section 7.03(a), Section 7.03(b) and Section 7.03(c) shall have been satisfied or waived (except for (I) those conditions that by their nature are to be satisfied at the Closing but which conditions would be satisfied or would be capable of being satisfied if the Closing Date were the date of such termination or (II) those conditions that have not been satisfied as a result of a

breach of this Agreement by GPE, Holdco or Merger Sub), or (2) Westar terminates this Agreement pursuant to Section 8.01(c)(iii), then GPE shall pay to Westar a fee of \$190,000,000 in cash (the “GPE Termination Fee”). GPE shall pay the GPE Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE or no later than three (3) Business Days after the date of the applicable termination by Westar.

(ii) If Westar terminates this Agreement pursuant to Section 8.01(c)(i) or GPE terminates this Agreement pursuant to Section 8.01(d)(i), Westar shall pay to GPE a fee of \$190,000,000 in cash (the “Westar Termination Fee”). Westar shall pay the Westar Termination Fee to GPE (to an account designated in writing by GPE) prior to or concurrently with such termination of this Agreement by Westar pursuant to Section 8.01(c)(i) or no later than three (3) Business Days after the date of such termination of this Agreement by GPE pursuant to Section 8.01(d)(i).

(iii) If GPE terminates this Agreement pursuant to Section 8.01(d)(iii) or Westar terminates this Agreement pursuant to Section 8.01(c)(iv), GPE shall pay to Westar a fee of \$190,000,000 in cash (the “GPE Fiduciary Out Termination Fee”). GPE shall pay the GPE Fiduciary Out Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE pursuant to Section 8.01(d)(iii) or no later than three (3) Business Days after the date of such termination of this Agreement by Westar pursuant to Section 8.01(c)(iv).

(iv) If (1) either (A) GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) or Section 8.01(b)(iii) or (B) GPE terminates this Agreement pursuant to Section 8.01(d)(ii), (2) a Westar Takeover Proposal shall have been publicly disclosed or made to Westar after the date hereof (x) in the case of a termination pursuant to Section 8.01(b)(i) or Section 8.01(d)(ii), prior to the date of such termination, or (y) in the case of a termination pursuant to Section 8.01(b)(iii), prior to the date of the Westar Shareholders Meeting, and (3) within twelve (12) months after the termination of this Agreement, Westar shall have entered into a Westar Acquisition Agreement which is subsequently consummated, or consummated a Westar Takeover Proposal, then Westar shall pay the Westar Termination Fee to GPE (to an account designated in writing by GPE) within three (3) Business Days after the earlier of the date Westar enters into such Westar Acquisition Agreement or consummates such Westar Takeover Proposal. For purposes of clause (3) of this Section 8.02(b)(iv), the term “Westar Takeover Proposal” shall have the meaning assigned to such term in Section 5.04, except that the applicable percentage in the definition of “Westar Takeover Proposal” shall be “50.1%” rather than “20% or more”.

(v) If (1) either (A) GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) or Section 8.01(b)(iv) or (B) Westar terminates this Agreement pursuant to Section 8.01(c)(ii), (2) a GPE Takeover Proposal shall have been publicly disclosed or made to GPE after the date hereof (x) in the case of a termination pursuant to Section 8.01(b)(i) or Section 8.01(c)(ii), prior to the date of

such termination, or (y) in the case of a termination pursuant to Section 8.01(b)(iv), prior to the date of the GPE Shareholders Meeting, and (3) within twelve (12) months after the termination of this Agreement, GPE shall have entered into a GPE Acquisition Agreement which is subsequently consummated, or consummated a GPE Takeover Proposal, then GPE shall pay the GPE Fiduciary Out Termination Fee to Westar (to an account designated in writing by Westar) within three (3) Business Days after the earlier of the date GPE enters into such GPE Acquisition Agreement or consummates such GPE Takeover Proposal. For purposes of clause (3) of this Section 8.02(b)(v), the term “GPE Takeover Proposal” shall have the meaning assigned to such term in Section 5.05, except that the applicable percentage in the definition of “GPE Takeover Proposal” shall be “50.1%” rather than “20% or more”.

(vi) If either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(iv) and no fee is then payable pursuant to Section 8.02(b)(i), Section 8.02(b)(iii) or Section 8.02(b)(v), then GPE shall pay to Westar a fee of \$80,000,000 in cash (the “GPE No Vote Termination Fee”). GPE shall pay the GPE No Vote Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE pursuant to Section 8.01(b)(iv) or no later than three (3) Business Days after the date of such termination of this Agreement by Westar pursuant to Section 8.01(b)(iv).

(c) The Parties acknowledge that the agreements contained in Section 8.02(b) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement. If GPE fails to promptly pay an amount due pursuant to Section 8.02(b)(i), Section 8.02(b)(iii), Section 8.02(b)(v) or Section 8.02(b)(vi) or Westar fails to promptly pay an amount due pursuant to Section 8.02(b)(ii) or Section 8.02(b)(iv), and, in order to obtain such payment, GPE, on the one hand, or Westar, on the other hand, commences a Claim that results in a Judgment against Westar for the amount set forth in Section 8.02(b)(ii) or Section 8.02(b)(iv) or any portion thereof, or a Judgment against GPE for the amount set forth in Section 8.02(b)(i), Section 8.02(b)(iii), Section 8.02(b)(v), or Section 8.02(b)(vi) or any portion thereof, Westar shall pay to GPE, on the one hand, or GPE shall pay to Westar, on the other hand, its costs and expenses (including reasonable attorneys’ fees and the fees and expenses of any expert or consultant engaged by Westar) in connection with such Claim, together with interest on the amount of such payment from the date such payment was required to be made until the date of payment at the U.S. prime rate as quoted by The Wall Street Journal in effect on the date such payment was required to be made. Any amount payable pursuant to Section 8.02(b) shall be paid by the applicable Party by wire transfer of same-day funds prior to or on the date such payment is required to be made under Section 8.02(b).

(d) Without limiting the rights of Westar under Section 9.10 prior to the termination of this Agreement pursuant to Section 8.01, if this Agreement is terminated under circumstances in which GPE is obligated to pay the GPE Termination Fee under Section 8.02(b)(i) or the GPE Fiduciary Out Termination Fee under Section 8.02(b)(iii) or Section 8.02(b)(v) or the GPE No Vote Termination Fee under Section 8.02(b)(vi), except as otherwise contemplated by the last sentence of this Section 8.02(d), upon payment of

the GPE Termination Fee, the GPE Fiduciary Termination Fee or the GPE No Vote Termination Fee, as the case may be, and, if applicable, the costs and expenses of Westar pursuant to Section 8.02(c) in accordance herewith, GPE, GPE Subsidiaries and their respective Affiliates and Representatives shall have no further liability with respect to this Agreement or the transactions contemplated hereby to Westar, the holders of the Westar Common Stock, Holdco, Merger Sub or any of their respective Affiliates or Representatives, and payment of the applicable fee and such costs and expenses by GPE shall be the Westar's sole and exclusive remedy for any Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, suffered or incurred by Westar, the Westar Subsidiaries or any other Person in connection with this Agreement, the transactions contemplated hereby (and the termination thereof) or any matter forming the basis for such termination, and Westar shall not have, and expressly waives and relinquishes, any other right, remedy or recourse (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity); provided that, regardless of whether GPE pays or is obligated to pay the GPE Termination Fee, the GPE Fiduciary Out Termination Fee or the GPE No Vote Termination Fee, nothing in this Section 8.02(d) shall release GPE from liability for a Willful Breach of this Agreement. If this Agreement is terminated under circumstances in which Westar is obligated to pay the Westar Termination Fee under Section 8.02(b)(ii) or Section 8.02(b)(iv), upon payment of the Westar Termination Fee and, if applicable, the costs and expenses of GPE pursuant to Section 8.02(c) in accordance herewith, Westar shall have no further liability with respect to this Agreement or the transactions contemplated hereby to GPE, the holders of the GPE Common Stock, Holdco, Merger Sub or any of their respective Affiliates or Representatives, and payment of the Westar Termination Fee and such costs and expenses by Westar shall be GPE's sole and exclusive remedy for any Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, suffered or incurred by GPE, GPE Subsidiaries and any other Person in connection with this Agreement, the transactions contemplated hereby (and the termination thereof) or any matter forming the basis for such termination, and GPE, Holdco and Merger Sub shall not have, and each expressly waives and relinquishes, any other right, remedy or recourse (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity); provided that, regardless of whether Westar pays or is obligated to pay the Westar Termination Fee, nothing in this Section 8.02(d) shall release Westar from liability for a Willful Breach of this Agreement. The Parties acknowledge and agree that (i) in no event shall Westar or GPE, as applicable, be required to pay the Westar Termination Fee, the GPE Termination Fee, the GPE Fiduciary Out Termination Fee or the GPE No Vote Termination Fee, as applicable, on more than one occasion, (ii) the GPE Fiduciary Out Termination Fee may become due and payable pursuant to Section 8.02(b)(v) after the prior payment of the GPE No Vote Termination Fee pursuant to Section 8.02(b)(vi), in which case GPE shall be obligated to pay an amount equal to the GPE Fiduciary Out Termination Fee less the amount of the GPE No Vote Fee previously paid and (iii) if a termination event occurs requiring GPE to pay a termination fee hereunder and at such time more than one right to terminate this Agreement is exercisable by the Parties, GPE shall be obligated to pay the largest termination fee that would be applicable without regard to which termination right was actually exercised (e.g., if termination

pursuant to Section 8.01(b)(iv) and Section 8.01(c)(iv) is permitted, GPE shall be obligated to pay the GPE Fiduciary Out Termination Fee even if GPE terminates this Agreement pursuant to Section 8.01(b)(iv)).

(e) For purposes of this Agreement, “Willful Breach” means a breach that is a consequence of a deliberate act or deliberate failure to act undertaken by the breaching Party with the Knowledge that the taking of, or failure to take, such act would, or would reasonably be expected to, cause or constitute a material breach of any covenants or agreements contained in this Agreement; provided that, without limiting the meaning of Willful Breach, the Parties acknowledge and agree that any failure by any Party to consummate the Mergers and the other transactions contemplated hereby after the applicable conditions to the Closing set forth in Article VII have been satisfied or waived (except for those conditions that by their nature are to be satisfied at the Closing, which conditions would be capable of being satisfied at the time of such failure to consummate the Mergers) shall constitute a Willful Breach of this Agreement.

SECTION 8.03 Amendment. This Agreement may be amended by the parties at any time before or after receipt of the Westar Shareholder Approval; provided, however, that (a) after receipt of the Westar Shareholder Approval, there shall be made no amendment that by Law requires further approval by the shareholders of Westar without the further approval of such shareholders, (b) no amendment shall be made to this Agreement after the Effective Time and (c) except as provided above, no amendment of this Agreement shall require the approval of the shareholders of GPE or the shareholders of Westar. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

SECTION 8.04 Extension; Waiver. At any time prior to the Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant to this Agreement, (c) subject to Section 8.03(a), waive compliance with any covenants and agreements contained herein or (d) waive the satisfaction of any of the conditions contained herein. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

SECTION 8.05 Procedure for Termination, Amendment, Extension or Waiver. A termination of this Agreement pursuant to Section 8.01, an amendment of this Agreement pursuant to Section 8.03 or an extension or waiver pursuant to Section 8.04 shall, in order to be effective, require, in the case of Westar, GPE, Holdco or Merger Sub, action by its respective board of directors or the duly authorized designee of its board of directors. Termination of this Agreement prior to the Effective Time shall not require the approval of the shareholders of any Party. The Party desiring to terminate this Agreement pursuant to Section 8.01 shall give written notice of such termination to the other Parties in accordance with Section 9.02, specifying the provision of this Agreement pursuant to which such termination is effected.

ARTICLE IX

GENERAL PROVISIONS

SECTION 9.01 Nonsurvival of Representations, Warranties, Covenants and Agreements; Contractual Nature of Representations and Warranties. SECTION 9.03 Definitions. For purposes of this Agreement, each capitalized term has the meaning given to it, or specified, in Exhibit A.

SECTION 9.04 Interpretation.

(a) Time Periods. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, (i) the date that is the reference date in calculating such period shall be excluded and (ii) if the last day of such period is a not a Business Day, the period in question shall end on the next succeeding Business Day.

(b) Dollars. Unless otherwise specifically indicated, any reference herein to \$ means U.S. dollars.

(c) Gender and Number. Any reference herein to gender shall include all genders, and words imparting the singular number only shall include the plural and vice versa.

(d) Articles, Sections and Headings. When a reference is made herein to an Article or a Section, such reference shall be to an Article or a Section of this Agreement unless otherwise indicated. The table of contents and headings contained herein are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(e) Include. Whenever the words “include”, “includes” or “including” are used herein, they shall be deemed to be followed by the words “without limitation.”

(f) Hereof. The words “hereof,” “hereto,” “hereby,” “herein” and “hereunder” and words of similar import when used herein shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(g) Extent. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

(h) Contracts; Laws. Any Contract or Law defined or referred to herein means such Contract or Law as from time to time amended, modified or supplemented, unless otherwise specifically indicated.

(i) Persons. References to a person are also to its permitted successors and assigns.

(j) Or. Unless otherwise specifically provided herein, the term “or” shall not be deemed to be exclusive.

(k) Exhibits and Disclosure Letters. The Exhibits to this Agreement and the Disclosure Letters are hereby incorporated and made a part hereof and are an integral part of this Agreement. Each of Westar and GPE may, at its option, include in the A&R Westar Disclosure Letter or the A&R GPE Disclosure Letter, respectively, items that are not material in order to avoid any misunderstanding, and such inclusion, or any references to dollar amounts herein or in the Disclosure Letters, shall not be deemed to be an acknowledgement or representation that such items are material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement or otherwise. Any matter set forth in any section of the Disclosure Letters shall be deemed to be referred to and incorporated in any section to which it is specifically referenced or cross-referenced and also in all other sections of the such Disclosure Letter to which such matter’s application or relevance is reasonably apparent on the face of such matter. Any capitalized term used in any Exhibit or any Disclosure Letter but not otherwise defined therein shall have the meaning given to such term herein.

(l) Reflected On or Set Forth In. An item arising with respect to a specific representation, warranty, covenant or agreement shall be deemed to be “reflected on” or

“set forth in” the Westar Financial Statements included in the Westar Reports, to the extent any such phrase appears in such representation, warranty, covenant or agreement if (i) there is a reserve, accrual or other similar item underlying a number on such balance sheet or financial statement reasonably related to the subject matter of such representation or (ii) such item and the amount thereof is otherwise reasonably identified on such balance sheet or financial statement (or the notes thereto).

SECTION 9.05 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party or such Party waives its rights under this Section 9.05 with respect thereto. Upon any determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that transactions contemplated by this Agreement are fulfilled to the extent possible.

SECTION 9.06 Counterparts. This Agreement may be executed in one or more counterparts (including by means of facsimile or email in .pdf format), all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

SECTION 9.07 Entire Agreement; No Third-Party Beneficiaries. This Agreement, taken together with the A&R Westar Disclosure Letter, the A&R GPE Disclosure Letter and the exhibits hereto and other instruments referred to herein, and the Confidentiality Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between or among the Parties with respect to the Mergers, including the Original Merger Agreement. Except (a) after the Effective Time, the rights of GPE’s and Westar’s respective shareholders to receive the Merger Consideration and payments pursuant to Article II, and (b) after the Effective Time, for Section 6.09, each Party agrees that (i) their respective representations, warranties, covenants and agreements set forth herein are solely for the benefit of the other Parties, in accordance with and subject to the terms of this Agreement and (ii) this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein.

SECTION 9.08 Governing Law. This Agreement, and all Claims or causes of action of the Parties (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity) that may be based on, arise out of or relate to this Agreement or the negotiation, execution, performance or subject matter hereof, shall be governed by and construed in accordance with the laws of the State of Kansas, without regard to principles of conflict of laws, except to the extent any mandatory provisions of the General Business and Corporation Law of the State of Missouri govern.

SECTION 9.09 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise, by any of the Parties without the prior written consent of the other Parties. Any

purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

SECTION 9.10 Specific Enforcement. The Parties acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that, at any time prior to the termination of this Agreement pursuant to Article VIII, the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the performance of terms and provisions of this Agreement, including the right of a Party to cause each other Party to consummate the Mergers and the other transactions contemplated by this Agreement, in any court referred to in Section 9.11, without proof of actual damages (and each Party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity. The Parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach. If any Party brings any Claim to enforce specifically the performance of the terms and provisions of this Agreement when expressly available to such Party pursuant to the terms of this Agreement, then, notwithstanding anything to the contrary herein, the End Date shall automatically be extended by the period of time between the commencement of such Claim and the date on which such Claim is fully and finally resolved.

SECTION 9.11 Jurisdiction; Venue. All Claims arising from, under or in connection with this Agreement shall be raised to and exclusively determined by the courts of the State of Kansas located in Shawnee County or, if such court disclaims jurisdiction, the U.S. District Court for the District of Kansas, to whose jurisdiction and venue the Parties unconditionally consent and submit. Each Party hereby irrevocably and unconditionally waives any objection to the laying of venue of Claim arising out of this Agreement in such court and hereby further irrevocably and unconditionally waives and agree not to plead or claim in any such court that any such Claim brought in any such court has been brought in an inconvenient forum. Each Party further agree that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 9.02 hereof shall be effective service of process for any Claim brought against such Party in any such court.

SECTION 9.12 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE MERGERS. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 9.12.

SECTION 9.13 Construction. Each of the Parties has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if it is drafted by all the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of authorship of any of the provisions of this Agreement.

SECTION 9.14 Withdrawal of Original Merger Sub. By executing this Agreement, Original Merger Sub hereby withdraws from the Original Merger Agreement as a party thereto, and from and after the date hereof, Original Merger Sub shall have no further rights to or interests in, or liabilities or obligations relating to or arising out of, the Original Merger Agreement or the transactions contemplated thereby. The Parties acknowledge that Original Merger Sub is executing this Agreement solely for the purpose of withdrawing from the Original Merger Agreement and the transactions contemplated thereby as described above.

- (g) The voting rights, if any, full or limited, to be given the shares of such series, including without limiting the generality of the foregoing, the right, if any, as a series or in

conjunction with other series or classes, to elect one or more members of the Board of Directors either generally or at certain specified times or under certain circumstances, and restrictions, if any, on particular corporate acts without a specified vote or consent of holders of such shares (such as, among others, restrictions on modifying the terms of such series of Preference Stock, authorizing or issuing additional shares of Preference Stock or creating any additional shares of Preference Stock or creating any class of stock ranking prior to or on a parity with the Preference Stock as to dividends or assets); and

(h) Any other preferences, and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof.

(ii) Authority for Issuance Granted to Board of Directors. Authority is hereby expressly granted to and vested in the Board of Directors at any time or from time to time to issue the Preference Stock as Preference Stock of any series, and in connection with the creation of each such series, so far as not inconsistent with the provisions of this ARTICLE THREE applicable to all series of Preference Stock, to fix, prior to the issuance thereof, by resolution or resolutions providing for the issue of shares thereof, the authorized number of shares of such series, which number may be increased, unless otherwise provided by the Board of Directors in creating such series, or decreased, but not below the number of shares thereof then outstanding, from time to time by like action of the Board of Directors, the voting powers of such series and the designations, rights, preferences, and relative, participating, optional or other special rights, if any, and the qualifications, limitations or restrictions thereof, if any, of such series.

B. COMMON STOCK

(i) Dividends. Subject to the limitations in this ARTICLE THREE set forth, dividends may be paid on the Common Stock out of any funds legally available for the purpose, when and as declared by the Board of Directors.

(ii) Liquidation Rights. In the event of any liquidation or dissolution of the Company, after there shall have been paid to or set aside for the holders of outstanding shares having superior liquidation preferences to Common Stock the full preferential amounts to which they are respectively entitled, the holders of outstanding shares of Common Stock shall be entitled to receive pro rata, according to the number of shares held by each, the remaining assets of the Company available for distribution.

(iii) Voting Rights. Except as set forth in this ARTICLE THREE or as by statute otherwise mandatorily provided, the holders of the Common Stock shall exclusively possess full voting powers for the election of Directors and for all other purposes.

C. GENERAL

(i) Consideration for Shares. Subject to applicable law, the shares of the Company, now or hereafter authorized, may be issued for such consideration as may be fixed from time to time by the Board of Directors. Subject to applicable law and to the provisions of this ARTICLE THREE, shares of the Company issued and thereafter acquired by the Company may be disposed of by the Company for such consideration as may be fixed from time to time by the Board of Directors.

(ii) Crediting Consideration to Capital. The entire consideration hereafter received upon the issuance of shares of Common Stock without par value shall be credited to capital, and this requirement may not be eliminated or amended without the affirmative vote or consent of the holders of two-thirds of the outstanding Common Stock.

D. CERTAIN DEFINITIONS

In this ARTICLE THREE, and in any resolution of the Board of Directors adopted pursuant to this ARTICLE THREE establishing a series of Preference Stock, and fixing the designation, description and terms thereof, the meanings below assigned shall control:

ARTICLE FIVE

The number of Directors to constitute the first Board of Directors shall be [___].² Thereafter the number of directors shall be fixed by, or in the manner provided by the By-laws. Any changes in the number will be reported to the Secretary of State within thirty calendar days of such change.

The duration of the Company is perpetual.

ARTICLE SEVEN

The Company is formed for the following purposes:

ARTICLE EIGHT

The Board of Directors may make, alter, amend or repeal By-laws of the Company by a majority vote of the whole Board of Directors at any regular meeting of the Board or at any special meeting of the Board if notice thereof has been given in the notice of such special meeting. Nothing in this ARTICLE EIGHT shall be construed to limit the power of the shareholders to make, alter, amend or repeal By-laws of the Company at any annual or special meeting of shareholders by a majority vote of the shareholders present and entitled to vote at such meeting, provided a quorum is present.

ARTICLE NINE

At any meeting of shareholders, a majority of the outstanding shares entitled to vote represented in person or by proxy shall constitute a quorum; provided, that less than such quorum shall have the right successively to adjourn the meeting to a specified date not longer than 90 days after such adjournment, and no notice need be given of such adjournment to shareholders not present at the meeting.

ARTICLE TEN

These Articles of Incorporation may be amended in accordance with and upon the vote prescribed by the laws of the State of Missouri; provided, that in no event shall any such amendment be adopted after the date of the adoption of this ARTICLE TEN without receiving the affirmative vote of at least a majority of the outstanding shares of the Company entitled to vote.

ARTICLE ELEVEN

In addition to any affirmative vote required by these Articles of Incorporation or By-laws, the affirmative vote of the holders of at least 80% of the outstanding shares of Common Stock of the Company entitled to vote shall be required for the approval or authorization of any Business Combination with an Interested Shareholder; provided, however, that such 80% voting requirement shall not be applicable if:

- (a) the Business Combination shall have been approved by a majority of the Continuing Directors; or
- (b) the cash or the Fair Market Value of the property, securities or other consideration to be received per share by holders of the Common Stock in such Business Combination is not less than the highest per share price paid by or on behalf of the Interested Shareholder for any shares of Common Stock during the five-year period preceding the announcement of such Business Combination.

The following definitions shall apply for purposes of this ARTICLE ELEVEN:

(a) The term “Business Combination” shall mean: (i) any merger or consolidation involving the Company or a subsidiary of the Company with or into an Interested Shareholder; (ii) any sale, lease, exchange, transfer or other disposition (in one transaction or a series) of any Substantial Part of the assets of the Company or a subsidiary of the Company to or with an Interested Shareholder; (iii) the issuance of any securities of the Company or a subsidiary of the Company to an Interested Shareholder other than the issuance on a pro rata basis to all holders of shares of the same class pursuant to a stock split or stock dividend; (iv) any recapitalization or reclassification or other transaction that would have the effect of increasing the proportionate voting power of an Interested Shareholder; (v) any liquidation, spinoff, splitup or dissolution of the Company proposed by or on behalf of an Interested Shareholder; or (vi) any agreement, contract, arrangement or understanding providing for any of the transactions described in this definition of Business Combination;

(b) The term “Interested Shareholder” shall mean and include (i) any individual, corporation, partnership or other person or entity which, together with its “Affiliates” or “Associates” (as defined on March 1, 1986, in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended) “beneficially owns” (as defined on March 1, 1986, in Rule 13d-3 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended) in the aggregate 5% or more of the outstanding shares of the Common Stock of the Company, and (ii) any Affiliate or Associate of any such Interested Shareholder;

(c) The term “Continuing Director” shall mean any member of the Board of Directors of the Company who is unaffiliated with the Interested Shareholder and was a member of the Board of Directors prior to the time that the Interested Shareholder became an Interested Shareholder, and any successor of a Continuing Director if the successor is unaffiliated with the Interested Shareholder and is recommended or elected to succeed the Continuing Director by a majority of Continuing Directors;

(d) The term “Fair Market Value” shall mean: (i) in the case of stock, the highest closing sale price during the 30-day period immediately preceding the date in question of a share of such stock on the Composite Tape for New York Stock Exchange-Listed Stocks, or, if such stock is not quoted on the Composite Tape, on the New York Stock Exchange, or, if such stock is not listed on such Exchange, on the principal United States securities exchange registered under the Securities Exchange Act of 1934, as amended, on which such stock is listed, or, if such stock is not listed on any such exchange, the highest closing bid quotation with respect to a share of such stock during the 30-day period preceding the date in question on the National Association of Securities Dealers, Inc. Automated Quotations System or any similar system then in use, or, if no such quotations are available, the Fair Market Value on the date in question of a share of such stock as determined by a majority of the Continuing Directors; and (ii) in the case of property other than cash or stock, the Fair Market Value of such property on the date in question as determined by a majority of the Continuing Directors; and

(e) The term “Substantial Part” shall mean 10% or more of the Fair Market Value of the total assets as reflected on the most recent balance sheet existing at the time the shareholders of the Company would be required to approve or authorize the Business Combination involving the assets constituting any such Substantial Part.

Notwithstanding ARTICLE TEN or any other provisions of these Articles of Incorporation or the By-laws of the Company (and notwithstanding the fact that a lesser percentage may be specified by law), this ARTICLE ELEVEN may not be altered, amended or repealed except by the affirmative vote of the holders of at least 80% or more of the outstanding shares of Common Stock of the Company entitled to vote.

ARTICLE TWELVE

(a) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a Director or officer of the Company or is or was serving at the request of the Company as a Director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, shall be indemnified and held harmless by the Company to the fullest extent authorized by the Missouri General and Business Corporation Law, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorneys’ fees, judgments, fines, ERISA excise taxes or penalties and amounts paid to or to be paid in settlement) actually and reasonably incurred by such person in connection therewith; provided, however, that, except as provided in paragraph (b) hereof, the Company shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Company. The right to indemnification conferred in this ARTICLE TWELVE shall be a contract right and shall include the right to be paid by the Company the expenses incurred in defending any such proceeding in advance of its final disposition: provided, however, that, if the Missouri General and Business Corporation Law requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Company of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this ARTICLE TWELVE or otherwise. The Company may, by action of its Board of Directors, provide indemnification to employees and agents of the Company with the same scope and effect as the foregoing indemnification of directors and officers. Such indemnification shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators.

(b) Right of Claimant to Bring Suit. If a claim under paragraph (a) of this ARTICLE TWELVE is not paid in full by the Company within thirty days after a written claim has been received by the Company, the claimant may at any time thereafter bring

suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Company) that the claimant has not met the standards of conduct which make it permissible under the Missouri General and Business Corporation Law for the Company to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Company. Neither the failure of the Company (including its Board of Directors, independent legal counsel, or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Missouri General and Business Corporation Law, nor an actual determination by the Company (including its Board of Directors, independent, legal counsel, or its shareholders) that the claimant has not met such applicable standard or conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(c) Rights Not Exclusive. The indemnification and other rights provided by this ARTICLE TWELVE shall not be deemed exclusive of any other rights to which a person may be entitled under any applicable law, By-laws of the Company, agreement, vote of shareholders or disinterested Directors or otherwise, both as to action in such person's official capacity and as to action in any other capacity while holding the office of Director or officer, and the Company is hereby expressly authorized by the shareholders of the Company to enter into agreements with its Directors and officers which provide greater indemnification rights than that generally provided by the Missouri General and Business Corporation Law; provided, however, that no such further indemnity shall indemnify any person from or on account of such Director's or officer's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. Any such agreement providing for further indemnity entered into pursuant to this ARTICLE TWELVE after the date of approval of this ARTICLE TWELVE by the Company's shareholders need not be further approved by the shareholders of the Company in order to be fully effective and enforceable.

(d) Insurance. The Company may purchase and maintain insurance on behalf of any person who was or is a Director, officer, employee or agent of the Company, or was or is serving at the request of the Company as a Director, officer, employee or agent of another Company, partnership, joint venture, trust or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Company would have the power to indemnify such person against such liability under the provisions of this ARTICLE TWELVE.

(e) Amendment. This ARTICLE TWELVE may be hereafter amended or repealed; however, no amendment or repeal shall reduce, terminate or otherwise adversely affect the right of a person entitled to obtain indemnification or an advance of expenses with respect to an action, suit or proceeding that pertains to or arises out of actions or omissions that occur prior to the later of (i) the effective date of such amendment or repeal;

(ii) the expiration date of such person's then current term of office with, or service for, the Company (provided such person has a stated term of office or service and completes such term); or (iii) the effective date such person resigns his or her office or terminates his or her service (provided such person has a stated term of office or service but resigns prior to the expiration of such term).

ARTICLE THIRTEEN

The liability of the Company's directors to the Company or any of its shareholders for monetary damages for breaches of fiduciary duties as a director shall be eliminated to the fullest extent permitted under the Missouri General and Business Corporation Law, as the same exists or may hereafter be amended. Neither any repeal or modification of this ARTICLE THIRTEEN by the shareholders of the Company nor the amendment or adoption of any other provision of the Articles of Incorporation inconsistent with this ARTICLE THIRTEEN shall adversely affect any right or protection of a director of the Company existing hereunder at the time of such repeal, modification or amendment with respect to acts or omissions occurring prior to such repeal, modification or amendment.

The location of the registered office and the name of the registered agent of the Company in the State of Missouri shall be as stated in the Articles of Incorporation or as determined from time to time by the Board of Directors and on file in the appropriate public offices of the State of Missouri pursuant to applicable provisions of law.

Section 2. The Company also may have offices at such other places either within or without the State of Missouri as the Board of Directors may from time to time determine or the business of the Company may require.

ARTICLE II

Shareholders

Section 1.

(a) All meetings of the shareholders shall be held at such place within or without the State of Missouri as may be selected by the Board of Directors or Executive Committee, but if the Board of Directors or Executive Committee shall fail to designate a place for said meeting to be held, then the same shall be held at the principal place of business of the Company.

(b) If authorized by the Board of Directors in its sole discretion, and subject to such guidelines and procedures as the Board of Directors may adopt, shareholders and proxyholders not physically present at a meeting of shareholders may, by means of remote communication:

(i) Participate in a meeting of shareholders; and

(ii) Be deemed present in person and vote at a meeting of shareholders, whether such meeting is to be held at a designated place or solely by means of remote communication, provided that:

a. The Company shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a shareholder or proxyholder;

b. The Company shall implement reasonable measures to provide such shareholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting substantially

concurrently with such proceedings; and

c. If any shareholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Company.

(c) The Board of Directors may, to the extent not prohibited by law, adopt by resolution such rules and regulations for the conduct of the meetings or any meeting of shareholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations, the Chairman of the Board may prescribe such rules, regulations and procedures and do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the Chairman of the Board, may, to the extent not prohibited by law, include, without limitation, the following: (i) the establishment of an agenda for the meeting; (ii) the maintenance of order at the meeting; (iii) limitations on attendance at or participation in the meeting to shareholders of record of the Company, their duly authorized proxies and such other persons as shall be determined; (iv) restrictions on entry to the meeting after a specified time; and (v) limitations on the time allotted to questions or comments by participants. Unless otherwise determined by the Board or the Chairman of the Board, meetings of shareholders shall not be required to be held in accordance with any rules of parliamentary procedure.

Section 2. An annual meeting of the shareholders shall be held on the first Tuesday of May in each year, if not a legal holiday, and if a legal holiday, then on the first succeeding day which is not a legal holiday, at 10 a.m.; provided, however, the day fixed for such meeting in any year may be changed, by resolution of the Board of Directors, to such other day and time as the Board of Directors may deem to be desirable or appropriate, subject to any applicable limitations of law. The purpose of the annual meeting shall be to elect directors of the Company and transact such other business as may properly be brought before the meeting.

Section 3. Unless otherwise expressly provided in the Articles of Incorporation of the Company with respect to Preference Stock, special meetings of the shareholders may only be called by the Chairman of the Board, by the Chief Executive Officer, by the President or at the request in writing (which shall include a request received by electronic transmission) of a majority of the Board of Directors. Special meetings of shareholders of the Company may not be called by any other person or persons.

Section 4. Written or printed notice of each meeting of the shareholders, annual or special, shall be given in the manner provided in the corporation laws of the State of Missouri. Written notice shall include, but not be limited to, notice by electronic transmission which means any process of communication not directly involving the physical transfer of paper that is suitable for the retention, retrieval, and reproduction of information by the recipient. In case of a call for any special meeting, the notice shall state the time, place and purpose of such meeting.

Any notice of a shareholders' meeting sent by mail shall be deemed to be delivered when deposited in the United States mail with postage thereon prepaid addressed to the shareholder at his or her address as it appears on the records of the Company.

Section 5. Attendance of a shareholder at any meeting, whether in person or by means of remote communication, shall constitute a waiver of notice of such meeting except where a shareholder attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 6. At least ten (10) days before each meeting of the shareholders, a complete list of the shareholders entitled to vote at such meeting, arranged in alphabetical order with the address of and the number of shares held by each, shall be prepared by the officer having charge of the transfer book for shares of the Company. Such list, for a period of ten days prior to such meeting, shall be kept on file at the registered office of the Company and shall be subject to inspection by any shareholder at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder during the whole time of the meeting. The original share ledger or transfer book, or a duplicate thereof kept in the State of Missouri, shall be prima facie evidence as to who are the shareholders entitled to examine such list or share ledger or transfer book or to vote at any meeting of shareholders. Failure to comply with the requirements of this Section shall not affect the validity of any action taken at any such meeting.

Section 7. Each outstanding share entitled to vote under the provisions of the Articles of Incorporation of the Company shall be entitled to one vote on each matter submitted at a meeting of the shareholders. A shareholder may vote either in person or by proxy in the manner provided in the corporation laws of the State of Missouri, including by means of electronic transmission or by telephone. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

At any election of directors of the Company, each holder of outstanding shares of any class entitled to vote thereat shall have the right to cast as many votes in the aggregate as shall equal the number of shares of such class held, multiplied by the number of directors to be elected by holders of shares of such class, and may cast the whole number of votes, either in person or by proxy, for one candidate, or distribute them among two or more candidates as such holder shall elect.

Section 8. At any meeting of shareholders, a majority of the outstanding shares entitled to vote represented in person, by means of remote connection or by proxy shall constitute a quorum for the transaction of business, except as otherwise provided by statute or by the Articles of Incorporation or by these By-laws. The Board of Directors, the chairman of the meeting or the holders of a majority of the shares represented in person or by proxy and entitled to vote at any meeting of the shareholders shall have the right successively to adjourn the meeting to a specified date not longer than ninety days after any such adjournment, whether or not a quorum be present. The time and place to which any such adjournment is taken shall be publicly announced at the meeting, and no notice need be given of any such adjournment to shareholders not present at the meeting. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally called.

Section 9. The vote for directors and the vote on any other question that has been properly brought before the meeting in accordance with these By-laws shall be by ballot. Each ballot cast by a shareholder must state the name of the shareholder voting and the number of shares voted by him and if such ballot be cast by a proxy, it must also state the name of such proxy. All

elections and all other questions shall be decided by plurality vote, unless the question is one on which by express provision of the statutes or of the Articles of Incorporation or of these By-laws a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 10. The Chairman of the Board, or in his or her absence the Chief Executive Officer, the President or any Vice President of the Company, shall convene all meetings of the shareholders and the Chairman of the Board shall act as chairman thereof. The Board of Directors may appoint any shareholder to act as chairman of any meeting of the shareholders in the absence of the Chairman of the Board, and in the case of the failure of the Board so to appoint a chairman, the shareholders present at the meeting shall elect a chairman who shall be either a shareholder or a proxy of a shareholder.

The Secretary of the Company shall act as secretary of all meetings of shareholders. In the absence of the Secretary at any meeting of shareholders, the President or acting chairman may appoint any person to act as secretary of the meeting.

Section 11. At any meeting of shareholders where a vote by ballot is taken for the election of directors or on any proposition, the person presiding at such meeting shall appoint not less than two persons, who are not directors, as inspectors to receive and canvass the votes given at such meeting and certify the result to him. Subject to any statutory requirements which may be applicable, all questions touching upon the qualification of voters, the validity of proxies, and the acceptance or rejection of votes shall be decided by the inspectors. In case of a tie vote by the inspectors on any question, the presiding officer shall decide the issue.

Section 12. Unless otherwise provided by statute or by the Articles of Incorporation, any action required to be taken by shareholders may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof.

Section 13. Notice of Shareholder Business and Nominations.

(a) Business Brought Before an Annual Meeting.

(1) At an annual meeting of shareholders, only such business shall be conducted that is properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the Company's notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any duly authorized committee thereof), (ii) brought before the meeting by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (iii) otherwise properly brought before the meeting by a shareholder who: (A) was a shareholder of record at the time of giving the notice provided for in this Section 13(a) and on the record date for the determination of shareholders entitled to vote at the annual meeting, (B) is entitled to vote at the meeting, and (C) complied with all of the notice procedures set forth in this Section 13(a) as to such business (except for proposals made in accordance with Rule 14a-8 under the Exchange Act (as defined in Section 13(d), which are addressed in Section 13(a)(5)). The foregoing clause (iii) shall be the exclusive means for a shareholder to propose business to be brought before an annual meeting of the shareholders.

Shareholders seeking to nominate persons for election to the Board of Directors must comply with the notice procedures set forth in Section 13(b) of these By-laws, and this Section 13(a) shall not be applicable to nominations except as expressly provided therein.

(2) Without qualification, for business to be properly brought before an annual meeting by a shareholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the shareholder must have given Timely Notice (as defined in Section 13(d)) thereof in writing to the Secretary of the Company and any such proposed business must constitute a proper matter for shareholder action. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

(3) Such shareholder's notice for the annual meeting shall set forth:

(i) (A) the name and address of the shareholder providing the notice, as they appear on the Company's books, and of the other Proposing Persons (as defined in Section 13(d)), (B) the class or series and number of shares of the Company that are, directly or indirectly, owned of record, and the class and number of shares beneficially owned (as defined in Rule 13d-3 under the Exchange Act) by each Proposing Person, except that any such Proposing Person shall be deemed to beneficially own any shares of any class or series of the Company as to which such Proposing Person has a right to acquire beneficial ownership at any time in the future, and (C) a representation that each Proposing Person will notify the Company in writing of the class and number of shares owned of record, and of the class and number of shares owned beneficially, in each case, as of the record date for the meeting;

(ii) as to each Proposing Person: (A) any Derivative Instruments (as defined in Section 13(d)) that are, directly or indirectly, owned or held by such Proposing Person; (B) any proxy (other than a revocable proxy given in response to a public proxy solicitation made pursuant to, and in accordance with, the Exchange Act), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person, directly or indirectly, has or shares a right to vote any shares of any class or series of the Company; (C) any Short Interests (as defined in Section 13(d)), that are held directly or indirectly by such Proposing Person; (D) any rights to dividends on the shares of any class or series of the Company owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Company; (E) any performance-related fees (other than an asset based fee) that such Proposing Person is entitled to receive based on any increase or decrease in the price or value of shares of any class or series of the Company, Derivative Instruments or Short Interests, if any, including, without limitation, any such interests held by persons sharing the same household as such Proposing Person; and (F) any plans or proposals that the Proposing Person may have that relate to or may result in the acquisition or disposition of securities of the Company, an extraordinary corporate transaction (such as the sale of a material amount of assets of the Company or any of its subsidiaries, a merger, reorganization or liquidation) involving the Company or any of its subsidiaries, any change in the

Board of Directors or management of the Company (including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board of Directors), any material change in the present capitalization or dividend policy of the Company, any change in the Company's Articles of Incorporation or By-laws, causing a class of securities of the Company to be delisted from a national securities exchange or any other material change in the Company's business or corporate structure or any action similar to those listed above;

(iii) as to each matter proposed to be brought by any Proposing Person before the annual meeting: (A) a brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the meeting, and any material interest of such Proposing Person in such business and (B) a reasonably detailed description of all agreements, arrangements, understandings or relationships between or among any of the Proposing Persons and/or any other persons or entities (including their names) in connection with the proposal of such business by such Proposing Person; and

(iv) any other information relating to any Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for the proposal pursuant to Section 14 of the Exchange Act.

(4) A shareholder providing notice of business proposed to be brought before an annual meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 13(a) shall be true and correct as of the record date for the meeting and as of the date of the meeting or any adjournment or postponement thereof, as the case may be, and such update and supplement shall be delivered to or mailed and received by the Secretary at the principal executive offices of the Company not later than five (5) business days after the later of the record date for the meeting or the date notice of such record date is first Publicly Disclosed (in the case of the update and supplement required to be made as of the record date), and as promptly as practicable (in the case of any update or supplement required to be made after the record date).

(5) This Section 13(a) is expressly intended to apply to any business proposed to be brought before an annual meeting, regardless of whether or not such proposal is made by means of an independently financed proxy solicitation. In addition to the foregoing provisions of this Section 13(a), each Proposing Person shall also comply with all applicable requirements of the Exchange Act with respect to the matters set forth in this Section 13(a). This Section 13 shall not be deemed to affect (i) the rights of shareholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act and, if required by such rule to be included in the Company's proxy statement, to include a description of such proposal in the notice of meeting and to be submitted for a shareholder vote at the applicable meeting, or (ii) the rights of the holders of any series of Preferred Stock if and to the extent provided under law, the Articles of Incorporation or these By-laws.

EXHIBIT F

REGULATORY COMMITMENTS

GPE and Westar agree that the initial applications submitted to the Kansas Corporation Commission (“KCC”) and the Missouri Public Service Commission (“MPSC”) with respect to the Merger will include specific commitments and agreements consistent with the items set forth below.

1. Customer Rates

- a. *Goodwill* – GPE and Westar agree not to seek rate recovery of any goodwill recorded in connection with the Merger.
- b. *Transaction Costs* – GPE and Westar will agree not to seek rate recovery of any transaction costs (including advisory fees and change of control severance costs) incurred in connection with the Merger.
- c. *Transition Costs* – GPE and Westar will agree that their utility operations shall be required to attest in all future rate proceedings before the KCC and MPSC that no transition costs in excess of their corresponding benefits are included in cost of service and rates. This commitment shall be required until all transition costs are fully amortized. Transition costs are those costs incurred to integrate GPE and Westar under common ownership and include integration planning and execution and costs to achieve merger savings. Transition costs can be ongoing costs or one-time costs. Utility operations’ transition costs, which shall include but not be limited to severance payments made to employees other than those required to be made under change of control agreements, can be deferred and considered for recovery in future rate cases. If subsequent rate recovery is sought, each of GPE and Westar agree that the utility will have the burden of proof to demonstrate that recovery of such transition costs is just and reasonable as their incurrence facilitated the ability to provide benefits to its customers.
- d. *Rate Case Filing Plans* – GPE and Westar plan, consistent with their current respective business plans, to file general rate proceedings in 2018 for each of their electric operations.
- e. *Allocation of Costs Among Affiliates* – GPE and Westar agree that each of their utility operations will provide an updated cost allocation manual to the KCC and MPSC within six (6) months of the closing of the Merger explaining the basis of allocation factors used to assign costs to each utility, and will further agree that the KCC and MPSC may examine accounting records of its affiliates to determine the reasonableness of such allocation factors and cost assignments.

2. Financial integrity

- a. *Protection from Adverse Capital Cost Impacts* – GPE and Westar will agree that capital costs used to set rates shall not increase as a result of the Merger.
- b. *Transaction Financing* – No new debt will be issued to close the Merger. Regardless, GPE and Westar will agree that their electric utility operations' customers shall not bear any financing costs associated with the Merger.
- c. *Capital Structures* – Post-Merger, the new holding company and its utility subsidiaries will maintain separate capital structures to finance the activities and operations of each entity unless otherwise approved by the KCC or MPSC, as applicable. The new holding company and its utility subsidiaries will maintain separate debt, which is separately rated by national credit rating agencies, so that none will be responsible for the debts of affiliated companies and separate preferred stock, if any, unless otherwise authorized by the KCC or MPSC, as applicable. The new holding company and its utility subsidiaries will maintain investment grade credit ratings.
- d. *Other Financing-Related Matters* – GPE and Westar will agree that, except for guarantees between Westar and its subsidiaries, the new holding company and its utility subsidiaries shall not guarantee notes (or enter into make-well agreements, etc.) of one another, or the new holding company or any of the new holding company's other affiliates, absent prior approval of the KCC or MPSC, as applicable; that no utility stock or assets shall be pledged as collateral for obligations of any entity other than the utility absent prior approval of the KCC or MPSC, as applicable; and that each utility subsidiary shall be held harmless from any business and financial risk exposures associated with another utility subsidiary, the new holding company or its other affiliates.

3. Cost Savings – GPE and Westar expect to realize approximately \$40 million of net cost savings in 2018, growing to approximately \$160 million in 2022 and beyond. These cost savings are comprised of non-fuel operations and maintenance, fuel, and inventory carrying costs.

4. Employees – GPE and Westar will agree that no involuntary severance of employees shall occur as a result of the Merger. GPE and Westar will also agree that no involuntary severance of employees shall occur as a result of closing the following generating facilities: Sibley (units 1, 2 and 3), Montrose (units 1, 2 and 3), Lake Road (unit 4/6), Tecumseh, Gordon Evans and Murray Gill.

5. Capital Requirements – GPE and Westar acknowledge that their utility operations need significant amounts of capital to invest in energy supply and delivery infrastructure (including, but not limited to, renewable energy resources and other environmental sustainability initiatives such as energy efficiency and demand response programs) and acknowledge that meeting these capital requirements will be considered a high priority

by the new holding company's board of directors and executive management and that the new holding company's access to capital post-Merger will permit it and its utility subsidiaries to satisfy all of such capital requirements.

6. Service Quality and Reliability – GPE and Westar will agree to reasonable conditions, including compliance with KCC standards issued in Docket No. 02-GIME-365-GIE, regarding customer service quality and reliability reporting.

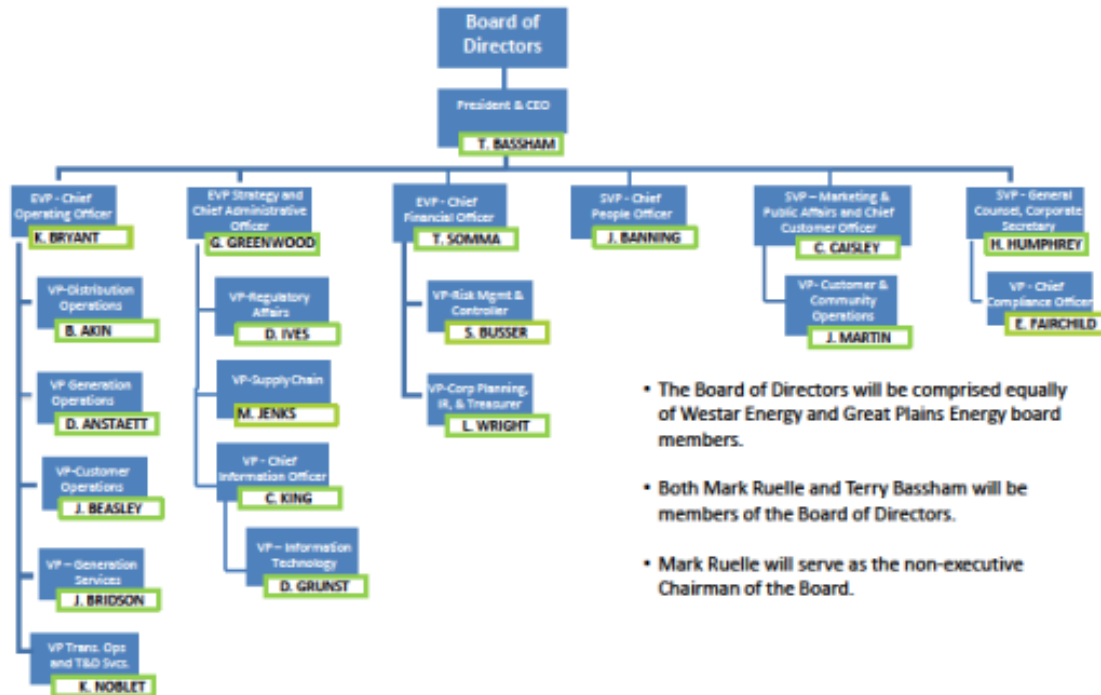

7. Books, Records and Information – GPE and Westar agree that the new holding company and its utility subsidiaries and other affiliates will maintain separate books and records and will agree to reasonable conditions regarding access by regulators to information, books and records.

8. Collective Bargaining – GPE and Westar will honor all existing collective bargaining agreements.

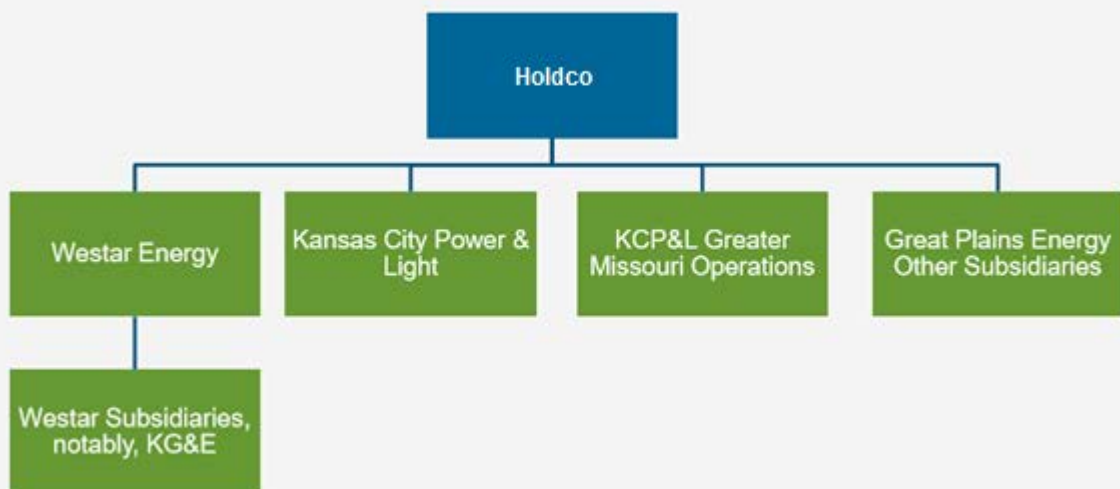

9. Low-Income Assistance – GPE and Westar will agree that each of their utility operations will maintain and promote low-income assistance programs consistent with those in place prior to the Merger.

10. Charitable and Community Involvement – GPE and Westar will maintain aggregate Kansas and Missouri charitable contributions and community support at 2015 levels for at least five years after closing of the Merger.

SECTION 1.03 The Closing. Unless this Agreement has been terminated in accordance with Section 8.01, the consummation of the Merger (the “Closing”) shall take place at the offices of Baker Botts L.L.P., 30 Rockefeller Plaza, New York, New York 10112 at 10:00 a.m. New York City time on a date to be mutually agreed to by the Parties, which date shall be no later than the third Business Day after the satisfaction or waiver of the conditions to the Closing set forth in Article VII (except for those conditions to the Closing that by their terms are to be satisfied at the Closing but subject to the satisfaction or waiver of such conditions), unless another time, date or place is mutually agreed to in writing by the Parties. The date on which the Closing occurs is referred to herein as the “Closing Date.”

The GPE Merger and the Westar Merger shall have the effects specified herein and in the applicable provisions of the GBCLM, including Sections 410-459 thereof, and the KGCC, including Article 67 thereof, respectively. Without limiting the foregoing, from and after the Effective Time, (a) the Holdco Surviving Corporation shall possess all of the properties, rights, privileges, powers and franchises of GPE and Holdco, and all of the claims, obligations, liabilities, debts and duties of GPE and Holdco shall become the claims, obligations, liabilities, debts and duties of Holdco, and (b) the Westar Surviving Corporation shall possess all of the properties, rights, privileges, powers and franchises of Westar and Merger Sub, and all of the claims, obligations, liabilities, debts and duties of Westar and Merger Sub shall become the claims, obligations, liabilities, debts and duties of Westar.

As of the Effective Time, the bylaws of Holdco, as in effect immediately prior to the Effective Time (which shall be amended and restated pursuant to Section 6.06), shall be the bylaws of the surviving corporation in the GPE Merger until thereafter amended as provided therein and in accordance with applicable Law.

(b) As of the Effective Time, the articles of incorporation of the Westar Surviving Corporation shall be amended and restated to be the same as the articles of incorporation of Merger Sub, as in effect immediately prior to the Effective Time, until thereafter amended as provided therein and in accordance with applicable Law, except that

SECTION 1.09 Post-Closing Holdco Dividend Policy. Subject to the discretion of the Holdco Board, Holdco shall adopt a dividend policy, effective as of the Effective Time, which shall be on terms consistent in all material respects with the dividend policy of GPE in effect immediately prior to the Closing.

ARTICLE II

SECTION 2.01 Effect of Mergers on Capital Stock.

(a) Cancellation of Treasury Stock, Holdco Stock and GPE and Westar-Owned Stock. At the Effective Time, by virtue of the Mergers and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub:

(i) each share of common stock, no par value, of GPE (“GPE Common Stock”) that is owned by GPE as treasury stock, if any, each share of GPE Common Stock that is owned by a wholly owned Subsidiary of GPE, if any, and each share of GPE Common Stock that is owned directly or indirectly by Westar, Holdco or Merger Sub, if any, immediately prior to the Effective Time shall no longer be

outstanding and shall automatically be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor;

(ii) each share of common stock, \$5.00 par value, of Westar (“Westar Common Stock”) that is owned by Westar as treasury stock, if any, each share of Westar Common Stock that is owned by a wholly owned Subsidiary of Westar, if any, and each share of Westar Common Stock that is owned directly or indirectly by GPE, Holdco or Merger Sub, if any, immediately prior to the Effective Time shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor; and

(iii) each share of common stock of Holdco, no par value, if any that is owned by GPE, Westar or any wholly owned subsidiary of GPE or Westar, shall be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(b) Conversion of GPE Common Stock and Westar Common Stock; Conversion of Merger Sub Common Stock. At the Effective Time:

(i) by virtue of the GPE Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, subject to Section 2.01(c), each share of GPE Common Stock issued and outstanding immediately prior to the Effective Time (except for shares to be canceled and retired or converted in accordance with Section 2.01(a)(i) and the Dissenting Shares) shall be converted automatically into the right to receive 0.5981 (the “GPE Exchange Ratio”) validly issued, fully paid and nonassessable shares of common stock, no par value, of Holdco (“Holdco Common Stock”) (such amount, the “GPE Merger Consideration”), payable as provided in Section 2.02, and, when so converted, shall automatically be canceled and retired and shall cease to exist;

(ii) by virtue of the Westar Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, each share of Westar Common Stock issued and outstanding immediately prior to the Effective Time (except for shares to be canceled and retired or converted in accordance with Section 2.01(a)(ii)) shall be converted automatically into the right to receive one (1) (the “Westar Exchange Ratio”) validly issued, fully paid and nonassessable share of Holdco Common Stock (such amount, the “Westar Merger Consideration” and, collectively with the GPE Merger Consideration, the “Merger Consideration”), payable as provided in Section 2.02, and, when so converted, shall automatically be canceled and retired and shall cease to exist; and

(iii) by virtue of the Westar Merger and without any action on the part of Westar, GPE, Holdco, Merger Sub or any holder of shares of any capital stock of Westar, GPE, Holdco or Merger Sub, each share of common stock of Merger

Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Westar Surviving Corporation and shall constitute the only outstanding shares of capital stock of the Westar Surviving Corporation.

(c) Adjustments to Merger Consideration. If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of Westar or GPE (or any other securities convertible therefor or exchangeable thereto) shall occur as a result of any reclassification, stock split (including a reverse stock split), combination, exchange or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, or any similar event, in each case, other than pursuant to the transactions contemplated by this Agreement, the Merger Consideration and any other similarly dependent items shall be equitably adjusted to provide to the holders of GPE Common Stock and Westar Common Stock the same economic effect as contemplated by this Agreement prior to such action.

SECTION 2.02 Payment for Shares.

(a) Exchange Agent. Prior to the Closing Date, GPE and Westar shall appoint a bank or trust company to act as paying and exchange agent reasonably acceptable to each of them (the “Exchange Agent”) for the purpose of exchanging shares of GPE Common Stock and Westar Common Stock for the Merger Consideration in accordance with Section 2.01(b). At or prior to the Effective Time, Holdco shall deposit or cause to be deposited with the Exchange Agent, in trust for the benefit of the holders of GPE Common Stock and Westar Common Stock contemplated by Section 2.01(b), an aggregate amount of Holdco Common Stock sufficient to deliver the Merger Consideration pursuant to Section 2.01(b). In addition, Holdco shall deposit, or cause to be deposited, with the Exchange Agent, as necessary from time to time after the Effective Time, any dividends or other distributions payable pursuant to Section 2.02(j). All shares of Holdco Common Stock, together with the amount of any such cash dividends and distributions deposited with the Exchange Agent pursuant to this Section 2.02(a), shall hereinafter be referred to as the “Exchange Fund.”

(b) Payment Procedures.

(i) Promptly after the Effective Time (but no later than four (4) Business Days after the Effective Time), the Exchange Agent will mail to each holder of record of a certificate representing outstanding shares of GPE Common Stock and Westar Common Stock immediately prior to the Effective Time (a “Certificate”) and to each holder of uncertificated shares of GPE Common Stock and Westar Common Stock represented by book entry immediately prior to the Effective Time (“Book-Entry Shares”), in each case, whose shares were converted into the right to receive the Merger Consideration pursuant to Section 2.01(b):

(1) a letter of transmittal, which shall specify that delivery shall be effected, and that risk of loss and title to Certificates or Book-Entry Shares held by such holder will pass, only upon delivery of such Certificates

or Book-Entry Shares to the Exchange Agent and which shall be in form and substance reasonably satisfactory to GPE and Westar, and

(2) instructions for use in effecting the surrender of such Certificates or Book-Entry Shares in exchange for the Merger Consideration with respect to such shares.

(ii) Upon surrender to, and acceptance in accordance with Section 2.02(b)(iii) by, the Exchange Agent of a Certificate or Book-Entry Share, the holder thereof will be entitled to the Merger Consideration payable in respect of the number of shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificate or Book-Entry Share surrendered under this Agreement. Until such time as the Merger Consideration is issued to or at the direction of the holder of a surrendered Certificate or Book-Entry Shares, Holdco Common Stock that constitutes the Merger Consideration shall not be voted on any matter.

(iii) The Exchange Agent will accept Certificates or Book-Entry Shares upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange of the Certificates and Book-Entry Shares in accordance with customary exchange practices.

(iv) From and after the Effective Time, no further transfers may be made on the records of GPE or Westar or its respective transfer agent of Certificates or Book-Entry Shares, and if any Certificate or Book-Entry Share is presented to GPE or Westar for transfer, such Certificate or Book-Entry Share shall be canceled against delivery of the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by such Certificate or Book-Entry Share.

(v) If any Merger Consideration is to be remitted to a name other than that in which a Certificate or Book-Entry Share is registered, no Merger Consideration may be paid in exchange for such surrendered Certificate or Book-Entry Share unless:

(1) either (A) the Certificate so surrendered is properly endorsed, with signature guaranteed, or otherwise in proper form for transfer or (B) the Book-Entry Share is properly transferred; and

(2) the Person requesting such payment shall (A) pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of the Certificate or Book-Entry Share or (B) establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(vi) At any time after the Effective Time until surrendered as contemplated by this Section 2.02, each Certificate or Book-Entry Share shall be deemed to represent only the right to receive upon such surrender the Merger

Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by such Certificate or Book-Entry Share as contemplated by Section 2.01(b). No interest will be paid or accrued for the benefit of holders of Certificates or Book-Entry Shares on the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock represented by Certificates or Book-Entry Shares.

(c) No Further Ownership Rights in GPE Common Stock and Westar Common Stock.

(i) At the Effective Time, each holder of a Certificate, and each holder of Book-Entry Shares, will cease to have any rights with respect to such shares of GPE Common Stock or Westar Common Stock, except, to the extent provided by Section 2.01, for the right to receive the Merger Consideration payable in respect of the shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificate or Book-Entry Shares upon surrender of such Certificate or Book-Entry Share in accordance with Section 2.02(b);

(ii) The Merger Consideration paid upon the surrender or exchange of Certificates or Book-Entry Shares in accordance with this Section 2.02 will be deemed to have been paid in full satisfaction of all rights pertaining to the shares of GPE Common Stock or Westar Common Stock formerly represented by such Certificates or Book-Entry Shares (other than the right to receive dividends or other distributions, if any, in accordance with Section 2.02(j)).

(d) Termination of Exchange Fund. The Exchange Agent will deliver to Holdco, upon Holdco's demand, any portion of the Exchange Fund (including any interest and other income received by the Exchange Agent in respect of all such funds) which remains undistributed to the former holders of Certificates or Book-Entry Shares upon expiration of the period ending one (1) year after the Effective Time. Thereafter, any former holder of Certificates or Book-Entry Shares prior to the Mergers who has not complied with this Section 2.02 prior to such time, may look only to Holdco for payment of his, her or its claim for Merger Consideration to which such holder may be entitled.

(e) Investment of Exchange Fund. The Exchange Agent shall invest any cash in the Exchange Fund if and as directed by Holdco; provided that such investment shall be in obligations of, or guaranteed by, the United States of America, in commercial paper obligations of issuers organized under the Law of a state of the United States of America, rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Ratings Service, respectively, or in certificates of deposit, bank repurchase agreements or bankers' acceptances of commercial banks with capital exceeding \$10,000,000,000, or in mutual funds investing in such assets. Any interest and other income resulting from such investments shall be paid to, and be the property of, Holdco.

(f) No Liability. None of Westar, GPE, Holdco, Merger Sub, the Exchange Agent or any other Person shall be liable to any Person in respect of any portion of the

Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(g) Withholding Taxes. Each of Holdco, GPE, Westar and the Exchange Agent shall be entitled to deduct and withhold from any cash and consideration otherwise payable pursuant to this Agreement to any holder of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights such amounts for Taxes as may be required to be deducted and withheld with respect to the making of such payment under applicable Tax Law. Amounts so deducted and withheld (or the cash equivalent thereof) shall be promptly paid over to the appropriate taxing authority, and shall be treated for all purposes under this Agreement as having been paid to the holder of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights, as applicable, in respect of which such deduction or withholding was made. Holdco or the Exchange Agent, as relevant, shall provide advance notice of any requirement to withhold and deduct Taxes, and shall obtain from holders of Certificates, Book-Entry Shares, Westar Restricted Share Units, Westar Performance Units, Westar Other Equity-Based Rights, GPE Deferred Share Units, GPE Performance Share Awards or GPE Other Equity-Based Rights such certificates or other documents required to avoid or reduce any such Taxes.

(h) Lost, Stolen or Destroyed Certificates. If any Certificate formerly representing shares of GPE Common Stock or Westar Common Stock has been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Holdco, the posting by such Person of a bond, in such reasonable and customary amount as Holdco may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall deliver and pay, in exchange for such lost, stolen or destroyed certificate, the Merger Consideration payable in respect thereof pursuant to this Agreement.

(i) Fractional Shares. No certificates or scrip representing fractional shares of Holdco Common Stock shall be issued upon the conversion of GPE Common Stock or Westar Common Stock pursuant to Section 2.01, and such fractional share interests shall not entitle the owner thereof to vote or to any rights of a holder of Holdco Common Stock. For purposes of this Section 2.02(i), all fractional shares to which a single record holder would be entitled shall be aggregated and calculations shall be rounded to three decimal places. As promptly as practicable following the Effective Time, the Exchange Agent shall determine the excess of (i) the number of whole shares of Holdco Common Stock delivered to the Exchange Agent by Holdco pursuant to Section 2.02(a) representing the Merger Consideration over (ii) the aggregate number of whole shares of Holdco Common Stock to be distributed to former holders of GPE Common Stock and Westar Common Stock pursuant to Section 2.02(b) (such excess being herein called the “Excess Shares”). Following the Effective Time, the Exchange Agent shall, on behalf of former shareholders of GPE and Westar, sell the Excess Shares at then-prevailing prices on the NYSE, all in the manner provided in this Section 2.02(i). The Parties acknowledge that payment of the cash consideration received from the sale of the Excess Shares in lieu of issuing fractional

shares of Holdco Common Stock was not separately bargained for consideration but merely represents a mechanical rounding off for purposes of avoiding the expense and inconvenience to Holdco that would otherwise be caused by the issuance of fractional shares of Holdco Common Stock. The sale of the Excess Shares by the Exchange Agent shall be executed on the NYSE through one or more member firms of the NYSE and shall be executed in round lots to the extent practicable. The Exchange Agent shall use reasonable efforts to complete the sale of the Excess Shares as promptly following the Effective Time as, in the Exchange Agent's sole judgment, is practicable consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to the holders of Certificates and Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock, the Exchange Agent shall hold such proceeds in trust for holders of GPE Common Stock and Westar Common Stock (the "Common Shares Trust"). The Holdco Surviving Corporation shall pay all commissions, transfer taxes and other out-of-pocket transaction costs, including the expenses and compensation of the Exchange Agent incurred in connection with such sale of the Excess Shares. The Exchange Agent shall determine the portion of the Common Shares Trust to which each former holder of GPE Common Stock or Westar Common Stock is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Common Shares Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former holder of GPE Common Stock or Westar Common Stock would otherwise be entitled (after taking into account all shares of GPE Common Stock or Westar Common Stock, as applicable, held at the Effective Time by such holder) and the denominator of which is the aggregate amount of fractional share interests to which all former holders of GPE Common Stock or Westar Common Stock would otherwise be entitled. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Certificates or Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock with respect to any fractional share interests, the Exchange Agent shall make available such amounts to such holders of Certificates or Book-Entry Shares formerly representing GPE Common Stock or Westar Common Stock, without interest, subject to and in accordance with the terms of Section 2.02(b).

(j) Dividends with Respect to Holdco Common Stock. No dividends or other distributions with respect to Holdco Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Shares with respect to the shares of Holdco Common Stock issuable hereunder, and all such dividends and other distributions shall be paid by Holdco to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Certificate (or affidavit of loss in lieu thereof) or Book-Entry Shares in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Certificate (or affidavit of loss in lieu thereof) or Book-Entry Shares there shall be paid to the holder thereof, without interest and subject to any required Tax withholding, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Holdco Common Stock to which such holder is entitled pursuant to this Agreement and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and

with a payment date subsequent to such surrender payable with respect to such shares of Holdco Common Stock.

SECTION 2.03 Equity Awards.

(a) At or prior to the Effective Time, Westar shall take such actions as are necessary (including obtaining any resolutions of the Westar Board or, if appropriate, any committee thereof administering the Westar Stock Plan and providing any required notices and obtaining any required consents) to effect the following and to ensure that the conversions pursuant to Section 2.01(b) of the Westar Common Stock held by any director or officer of Westar and the conversion pursuant to this Section 2.03(a) with respect to any director or officer of Westar will be eligible for exemption under Rule 16b-3(e) under the Exchange Act:

(i) Westar Restricted Share Units. Immediately prior to the Effective Time, each Westar Restricted Share Unit that is outstanding and unvested immediately prior to the Effective Time shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Restricted Share Unit as of the Effective Time, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g). In each case, payment with respect to any Westar Restricted Share Units shall be made within five (5) Business Days after the Closing Date.

(ii) Westar Performance Units. Immediately prior to the Effective Time, each Westar Performance Unit that is outstanding and unvested immediately prior to the Effective Time shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Performance Unit as of the Effective Time, with the number of vested Westar Performance Units to be the greater of the target award or the number determined in accordance with the performance criteria provided in the applicable award agreement, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g). In each case, payment with respect to any Company Performance Units shall be made within five (5) Business Days after the Closing Date.

(iii) Westar Other Equity-Based Rights. Immediately prior to the Effective Time, each contractual right to receive a share of Westar Common Stock or the value of such a share other than Westar Restricted Share Units and Westar Performance Units (each, a “Westar Other Equity-Based Right”) pursuant to any Westar Benefit Plan that is outstanding immediately prior to the Effective Time, shall, without any action on the part of the holder thereof, vest in full, and all restrictions (including forfeiture restrictions or repurchase rights) otherwise applicable to such Westar Other Equity-Based Right shall lapse, and each Westar Other Equity-Based Right shall be cancelled as of the Effective Time and converted into a vested right to receive (i) the Westar Merger Consideration plus (ii) cash in an amount equal to any dividend equivalents associated with such Westar Other

Equity-Based Right as of the Effective Time, subject to any withholding Taxes required by Law to be withheld in accordance with Section 2.02(g), such that as of the Effective Time, no Westar Other Equity-Based Rights shall be outstanding. In each case, payment with respect to any Westar Other Equity-Based Rights shall be made within five (5) Business Days after the Closing Date; provided, however, that in the case of any Westar Other Equity-Based Rights that constitute deferred compensation within the meaning of Section 409A of the Code, payment shall occur on the date that it would otherwise occur under the applicable Westar Benefit Plan or election form absent the application of this Section 2.03(a)(iii) to the extent necessary to avoid the imposition of any penalty or other taxes under Section 409A of the Code.

(b) At or prior to the Effective Time, GPE shall take such actions as are necessary (including obtaining any resolutions of the GPE Board or, if appropriate, any committee thereof administering the GPE Stock Plan and providing any required notices and obtaining any required consents) to effect the following and to ensure that the conversions pursuant to Section 2.01(b) of the GPE Common Stock held by any director or officer of GPE and the conversion pursuant to this Section 2.03(b) with respect to any director or officer of GPE will be eligible for exemption under Rule 16b-3(e) under the Exchange Act:

(i) GPE Deferred Share Units. At the Effective Time, each GPE Deferred Share Unit that is outstanding and unvested immediately prior to the Effective Time shall be, as of the Effective Time, converted into an award of a number of deferred share units of Holdco Common Stock equal to the number of GPE Deferred Share Units of GPE Common Stock multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such award of GPE Deferred Share Unit, including vesting.

(ii) GPE Performance Share Awards. At the Effective Time, each GPE Performance Share Award that is outstanding and unvested immediately prior to the Effective Time shall be, as of the Effective Time, converted into an award of a number of performance share awards of Holdco Common Stock equal to the number of GPE Performance Share Awards of GPE Common Stock multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such GPE Performance Share Awards, including vesting, and the performance measurement period for such performance shares shall remain open (such that no payments shall be made under the terms of such performance shares solely as a result of or in connection with the Mergers) and the compensation committee of the Holdco Board shall adjust the performance measures of such performance shares as soon as practicable after the Effective Time as it determines is appropriate and equitable to reflect the performance of GPE during the performance measurement period prior to the Effective Time, the transactions contemplated by this Agreement.

(iii) GPE Other Equity-Based Rights. At the Effective Time, each contractual right to receive a share of GPE Common Stock or the value of such a

share other than GPE Deferred Share Units and GPE Performance Share Awards (each, a “GPE Other Equity-Based Right”) granted pursuant to any GPE Benefit Plan that is outstanding immediately prior to the Effective Time, shall, without any action on the part of the holder thereof, be, as of the Effective Time, converted into an equity or equity-based award in respect of a number of shares of Holdco Common Stock equal to the number of shares of GPE Common Stock represented by such GPE Other Equity-Based Right multiplied by the GPE Exchange Ratio, under the same terms and conditions as were applicable to such GPE Other Equity-Based Right, including vesting.

SECTION 2.04 Appraisal Rights.

(b) GPE will give Westar (i) prompt notice of any written demand for appraisal received by GPE prior to the Effective Time pursuant to Section 351.455.1 of the GBCLM and (ii) the opportunity to participate in all negotiations and proceedings with respect to any such demand.

REPRESENTATIONS AND WARRANTIES OF WESTAR

Except (a) as set forth in the Westar Reports publicly available and filed with or furnished to the SEC prior to the date of this Agreement (excluding any disclosures of factors or risks contained or references therein under the captions “Risk Factors” or “Forward-Looking Statements” and any other statements that are predictive, cautionary or forward-looking in nature) or (b) subject to Section 9.04(k), as set forth in the corresponding section of the amended and restated disclosure letter delivered by Westar to GPE concurrently with the execution and delivery by Westar of this Agreement, which amends and restates in its entirety the disclosure letter delivered by Westar to GPE concurrently with the execution and delivery of the Original Merger Agreement (the “A&R Westar Disclosure Letter”), Westar represents and warrants to GPE as follows:

SECTION 3.01 Organization, Standing and Power. Each of Westar and the Subsidiaries of Westar (the “Westar Subsidiaries”) is duly organized, validly existing and in active status or good standing, as applicable, under the laws of the jurisdiction in which it is organized (in the case of active status or good standing, to the extent such jurisdiction recognizes such concept), except, in the case of the Westar Subsidiaries, where the failure to be so organized, existing or in active status or good standing, as applicable, has not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Each of Westar and the Westar Subsidiaries has all requisite entity power and authority to enable it to own, operate, lease or otherwise hold its properties and assets and to conduct its businesses as presently conducted, except where the failure to have such power or authority would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Each of Westar and the Westar Subsidiaries is duly qualified or licensed to do business in each jurisdiction where the nature of its business or the ownership, operation or leasing of its properties make such qualification necessary, except in any such jurisdiction where the failure to be so qualified or licensed would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. Westar has made available to GPE true and complete copies of the amended and restated articles of incorporation of Westar, as amended and in effect as of the date of this Agreement (the “Westar Articles”) and the bylaws of Westar, as amended and in effect as of the date of this Agreement (the “Westar Bylaws”).

SECTION 3.02 Westar Subsidiaries. All the outstanding shares of capital stock, voting securities of, and other equity interests in, each Westar Subsidiary have been validly issued and are fully paid and nonassessable and are owned by Westar, by another Westar Subsidiary or by Westar and another Westar Subsidiary, free and clear of (a) all pledges, liens, charges, mortgages, encumbrances and security interests of any kind or nature whatsoever (collectively, “Liens”) and (b) any other restriction (including any restriction on the right to vote, sell or otherwise dispose of such capital stock, voting securities or other equity interests), except, in the case of the foregoing clauses (a) and (b), as imposed by this Agreement, the Organizational Documents of the Westar Subsidiaries or applicable securities Laws. Section 3.02 of the A&R Westar Disclosure Letter sets forth, as of the date of this Agreement, a true and complete list of the Westar Subsidiaries. Westar has made available to GPE true and complete copies of the articles of incorporation and bylaws (or equivalent Organizational Documents) of each Westar Subsidiary in effect as of the date of this Agreement. Neither Westar nor any Westar Subsidiary owns any shares of capital stock or voting securities of, or other equity interests in, any Person other than the Westar Subsidiaries.

SECTION 3.03 Capital Structure.

Except pursuant to the Westar Stock Plan, there are not any outstanding obligations of Westar or any Westar Subsidiary to repurchase, redeem or otherwise acquire any Westar Equity Securities. There is no outstanding Indebtedness of Westar having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which shareholders of Westar may vote (“Westar Voting Debt”). The Westar Board has adopted resolutions, at a meeting duly called at which a quorum of directors of Westar was present, (a) determining that it is in the best interests of Westar and its shareholders, and declaring it advisable, for Westar to enter into this Agreement, (b) adopting this Agreement and approving Westar’s execution, delivery and performance of this Agreement and the consummation of the transactions contemplated thereby and (c) resolving to recommend that Westar’s shareholders approve this Agreement (the “Westar Board Recommendation”) and directing that this Agreement be submitted to Westar’s shareholders for approval at a duly held meeting of such shareholders for such purpose (the “Westar Shareholders Meeting”). Such resolutions have not been amended or withdrawn as of the date of this Agreement.

Except for (i) the approval of this Agreement by the affirmative vote of the holders of a majority of all of the outstanding shares of Westar Common Stock entitled to vote at the Westar Shareholders Meeting (the “Westar Shareholder Approval”) and (ii) the filing of the Westar Articles of Merger as required by the KGCC, no other vote or corporate proceedings on the part of Westar or its shareholders are necessary to authorize, adopt or approve this Agreement or to consummate the transactions contemplated hereby, including the Mergers. Westar has duly executed and delivered this Agreement and, assuming the due authorization, execution and delivery by GPE, Holdco and Merger Sub, this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject in all respects to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other Laws relating to or affecting creditors’ rights generally and general equitable principles (whether considered in a proceeding in equity or at law) (the “Bankruptcy and Equity Exceptions”).

SECTION 3.05 No Conflicts; Consents.

(a) The execution and delivery by Westar of this Agreement does not, and the performance by Westar of its covenants and agreements hereunder and the consummation of the transactions contemplated hereby, including the Mergers, will not, (i) subject to obtaining the Westar Shareholder Approval, conflict with, or result in any violation of any provision of, the Westar Articles, the Westar Bylaws or the Organizational Documents of any Westar Subsidiary, (ii) subject to obtaining the Consents set forth in Section 3.05(a)(ii) of the A&R Westar Disclosure Letter (the “Westar Required Consents”), conflict with, result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any material obligation or to the loss of a material benefit under, or result in the creation of a Lien upon any of the respective properties or assets of Westar or any Westar Subsidiary pursuant to, any Contract to which Westar or any Westar Subsidiary is a party or by which any of their respective properties or assets are bound or any Permit applicable to the business of Westar and the Westar Subsidiaries or (iii) subject to obtaining the Westar Shareholder Approval and the Consents referred to in Section 3.05(b) and making the Filings referred to in Section 3.05(b), conflict with, or result in any violation of any provision of, any Judgment or Law, in each case, applicable to Westar or any Westar Subsidiary or their respective properties or assets, except for, in the case of the foregoing clauses (ii) and (iii), any matter that would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the transactions contemplated hereby, including the Mergers.

(b) No consent, waiver or Permit (“Consent”) of or from, or registration, declaration, notice, submission or filing (“Filing”) made to or with, any Governmental Entity is required to be obtained or made by Westar, any Westar Subsidiary or any other Affiliate of Westar in connection with Westar’s execution and delivery of this Agreement or its performance of its covenants and agreements hereunder or the consummation of the transactions contemplated hereby, including the Mergers, except for the following:

- (i) (1) the filing with the Securities and Exchange Commission (the “SEC”), in preliminary and definitive form, of the Proxy Statement/Prospectus and
- (2) the filing with the SEC of such reports under, and such other compliance with,

(ii) compliance with, Filings under and the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder (the “HSR Act”) and such other Consents or Filings as are required to be obtained or made under any other Antitrust Law;

(iii) the filing of the Westar Articles of Merger with the Secretary of State of the State of Kansas and appropriate documents with the relevant authorities of the other jurisdictions in which GPE and Westar are qualified to do business;

(v) the Westar Required Consents;

(vi) compliance with and filings required under (1) the rules and regulations of the NYSE and (2) applicable state securities, “blue sky” or takeover Laws and applicable foreign securities Laws;

(vii) Filings and Consents as are required to be made or obtained under state or federal property transfer Laws or Environmental Laws; and

(viii) such other Filings or Consents the failure of which to make or obtain would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the Westar Merger.

SECTION 3.06 Westar Reports; Financial Statements.

(a) Westar has furnished or filed all reports, schedules, forms, statements and other documents (including exhibits and other information incorporated therein) required to be furnished or filed by Westar with the SEC since January 1, 2015 (such documents, together with all exhibits, financial statements, including the Westar Financial Statements, and schedules thereto and all information incorporated therein by reference, but excluding the Proxy Statement/Prospectus, being collectively referred to as the “Westar Reports”). Each Westar Report (i) at the time furnished or filed, complied in all material respects with

the applicable requirements of the Exchange Act, the Securities Act or the Sarbanes-Oxley Act of 2002 (including the rules and regulations promulgated thereunder), as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such Westar Report and (ii) did not at the time it was filed (or if amended or superseded by a filing or amendment prior to the date of this Agreement, then at the time of such filing or amendment) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of the consolidated financial statements of Westar included in the Westar Reports (the “Westar Financial Statements”) complied at the time it was filed as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, was prepared in accordance with United States generally accepted accounting principles (“GAAP”) (except, in the case of unaudited quarterly financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods and as of the dates involved (except as may be indicated in the notes thereto) and fairly presents in all material respects, in accordance with GAAP, the consolidated financial position of Westar and the Westar’s consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited quarterly financial statements, to normal year-end audit adjustments).

(b) Neither Westar nor any Westar Subsidiary has any liability of any nature that is required by GAAP to be set forth on a consolidated balance sheet of Westar and the Westar Subsidiaries, except liabilities (i) reflected or reserved against in the most recent balance sheet (including the notes thereto) of Westar and the Westar Subsidiaries included in the Westar Reports filed prior to the date hereof, (ii) incurred in the ordinary course of business after March 31, 2017, (iii) incurred in connection with the Mergers or any other transaction or agreement contemplated by this Agreement or the Original Merger Agreement or (iv) that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect.

(c) Westar maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act). Such internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. Westar maintains “disclosure controls and procedures” required by Rule 13a-15 or 15d-15 under the Exchange Act that are effective in all material respects to ensure that information required to be disclosed by Westar in the reports it files or submits under the Exchange Act is recorded, processed, summarized and reported on a timely basis to the individuals responsible for the preparation of Westar’s filings with the SEC and other public disclosure documents. Westar has disclosed, based on its most recent evaluation prior to the date of this Agreement, to Westar’s outside auditors and the audit committee of the Westar Board (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that are reasonably likely to adversely affect Westar’s ability to record, process, summarize and report financial information and (2) any fraud, known to Westar, whether or not

material, that involves management or other employees who have a significant role in Westar's internal controls over financial reporting.

SECTION 3.07 Absence of Certain Changes or Events.

(a) From December 31, 2016 to the date of this Agreement, each of Westar and the Westar Subsidiaries has conducted its respective business in the ordinary course of business in all material respects, except for the conduct in connection with the Mergers or as otherwise contemplated or required by this Agreement or the Original Merger Agreement.

(b) From December 31, 2016 to the date of this Agreement, there has not occurred any fact, circumstance, effect, change, event or development that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect.

SECTION 3.08 Taxes.

(a) (1) Each of Westar and Westar Subsidiaries has timely filed, taking into account all valid extensions, all material Tax Returns required to have been filed and such Tax Returns are accurate and complete in all material respects and (2) all material Taxes have been timely paid in full (whether or not shown or required to be shown as due on any Tax Return);

(b) each of Westar and Westar Subsidiaries has withheld and timely remitted to the appropriate Governmental Entity all material Taxes required to be withheld from amounts owing to any employee, creditor or third party;

(c) (1) no audit, examination, investigation or other proceeding is pending with any Governmental Entity with respect to any material amount of unpaid Taxes asserted against Westar or any Westar Subsidiary; and neither Westar nor any Westar Subsidiary has received written notice of any threatened audit, examination, investigation or other proceeding from any Governmental Entity for any material amount of unpaid Taxes asserted against Westar or any Westar Subsidiary, which have not been fully paid or settled, and (2) neither Westar nor any Westar Subsidiary has granted any waiver of any statute of limitations with respect to, or any extension of a period for the assessment of, any material Tax which has not yet expired (excluding extensions of time to file Tax Returns obtained in the ordinary course);

(d) (1) neither Westar nor any Westar Subsidiary had any liabilities for material unpaid Taxes as of the date of the latest balance sheet included in the Westar Financial Statements that had not been accrued or reserved on such balance sheet in accordance with GAAP and (2) neither Westar nor any Westar Subsidiary has incurred any material liability for Taxes since the date of the latest balance sheet included in the Westar Financial Statements except in the ordinary course of business;

(e) neither Westar nor any Westar Subsidiary has any liability for material Taxes of any Person (except for Westar or any Westar Subsidiary) arising from the

application of Treasury Regulation Section 1.1502-6 or any analogous provision of state, local or foreign Law, as a transferee or successor or by contract;

(f) neither Westar nor any Westar Subsidiary is a party to or is otherwise bound by any Tax sharing, allocation or indemnification agreement or arrangement, except for such an agreement or arrangement (1) exclusively between or among Westar and Westar Subsidiaries, (2) with customers, vendors, lessors or other third parties entered into in the ordinary course of business and not primarily related to Taxes or (3) that as of the Closing Date will be terminated without any further payments being required to be made;

(g) within the past three (3) years, neither Westar nor any Westar Subsidiary has been a “distributing corporation” or a “controlled corporation” in a distribution intended to qualify for tax-free treatment under Section 355 of the Code;

(h) neither Westar nor any Westar Subsidiary has participated in any “listed transaction” as defined in Treasury Regulations Section 1.6011-4(b)(2) or Treasury Regulations Section 301.6111-2(b) in any Tax year for which the statute of limitations has not expired;

(i) there are no Liens on any of the assets of Westar or any of its Subsidiaries that arose in connection with any failure (or alleged failure) to pay any material Tax (excluding Taxes that are being contested in good faith for which adequate reserves have been provided in accordance with GAAP);

(j) neither Westar nor any Westar Subsidiary has any Tax rulings, requests for rulings, closing agreements or other similar agreements in effect or filed with any Governmental Entity; and

(k) after reasonable diligence, neither Westar nor any Westar Subsidiary is aware of the existence of any fact, or has taken or agreed to take any action, that would prevent the Westar Merger or GPE Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code (or, in the case of the Westar Merger, as an exchange described in Section 351 of the Code).

(l) Except to the extent Section 3.09 relates to Taxes, the representations and warranties contained in this Section 3.08 are the sole and exclusive representations and warranties of Westar relating to Taxes, and no other representation or warranty of Westar contained herein shall be construed to relate to Taxes.

SECTION 3.09 Employee Benefits.

(a) Section 3.09(a) of the A&R Westar Disclosure Letter sets forth a complete and accurate list, as of the date of this Agreement, of each material Westar Benefit Plan and each material Westar Benefit Agreement.

(b) With respect to each material Westar Benefit Plan and material Westar Benefit Agreement, Westar has made available to GPE, to the extent applicable, complete and accurate copies of (i) the plan document (or, if such arrangement is not in writing, a

written description of the material terms thereof), including any amendment thereto and any summary plan description thereof, (ii) each trust, insurance, annuity or other funding Contract related thereto, (iii) the two (2) most recent audited financial statement and actuarial or other valuation report prepared with respect thereto, (iv) the two (2) most recent annual report on Form 5500 required to be filed with the Internal Revenue Service (the “IRS”) with respect thereto and (v) the most recently received IRS determination letter or, if applicable, current IRS opinion or advisory letter (as to qualified plan status). No Westar Benefit Plan or Westar Benefit Agreement is maintained outside the jurisdiction of the United States, or covers any Westar Personnel residing or working outside of the United States.

(c) Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Westar Material Adverse Effect, (i) each Westar Benefit Plan and each Westar Benefit Agreement has been maintained in compliance with its terms and with the requirements prescribed by ERISA, the Code and all other applicable Laws, (ii) there are no pending or, to the Knowledge of Westar, threatened proceedings or claims against any Westar Benefit Plan or Westar Benefit Agreement or any fiduciary thereof, or Westar or any Westar Subsidiary with respect to any Westar Benefit Plan or Westar Benefit Agreement and (iii) all contributions, reimbursements, premium payments and other payments required to be made by Westar or any Westar Commonly Controlled Entity to any Westar Benefit Plan have been made on or before their applicable due dates. Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Westar Material Adverse Effect, neither Westar nor any Westar Commonly Controlled Entity has engaged in, and to the Knowledge of Westar, there has not been, any non-exempt transaction prohibited by ERISA or by Section 4975 of the Code with respect to any Westar Benefit Plan or Westar Benefit Agreement or their related trusts that would reasonably be expected to result in a liability of Westar or a Westar Commonly Controlled Entity. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, no Westar Benefit Plan or Westar Benefit Agreement is under audit or is the subject of an administrative proceeding by the IRS, the Department of Labor, or any other Governmental Entity, nor is any such audit or other administrative proceeding, to the Knowledge of Westar, threatened.

(d) Section 3.09(d) of the A&R Westar Disclosure Letter sets forth each Westar Benefit Plan and Westar Benefit Agreement that is subject to Section 302 or Title IV of ERISA or Section 412, 430 or 4971 of the Code. No Westar Benefit Plan or Westar Benefit Agreement is a multiemployer plan, as defined in Section 3(37) of ERISA, and neither Westar nor any Westar Commonly Controlled Entity has contributed to or been obligated to contribute to any such plan within the six years preceding this Agreement. Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, neither Westar nor any Westar Commonly Controlled Entity has incurred any Controlled Group Liability (as defined below) that has not been satisfied in full nor do any circumstances exist that could reasonably be expected to give rise to any Controlled Group Liability (except for the payment of premiums to the Pension Benefit Guaranty Corporation). For the purposes of this Agreement, “Controlled Group Liability” means any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412, 430 and 4971 of

the Code or (iv) as a result of the failure to comply with the continuation of coverage requirements of Section 601 *et seq.* of ERISA and Section 4980B of the Code.

(e) Each Westar Benefit Plan that is intended to be qualified under Section 401(a) of the Code is so qualified and such plan has received a currently effective favorable determination letter or, if applicable, current opinion or advisory letter to that effect from the IRS and, to the Knowledge of Westar, there is no reason why any such determination letter should be revoked.

(f) Except for any liabilities of Westar that have not had and would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, neither Westar nor any Westar Subsidiary has any liability for providing health, medical or other welfare benefits after retirement or other termination of employment, except for coverage or benefits required to be provided under Section 4980(B)(f) of the Code or applicable Law.

(g) Except as set forth in Section 3.09(g) of the A&R Westar Disclosure Letter, none of the execution and delivery of this Agreement, the performance by either party of its covenants and agreements hereunder or the consummation of the Mergers (alone or in conjunction with any other event, including any termination of employment before, on or following the Effective Time) will (i) entitle any Westar Personnel to any material compensation or benefit, (ii) accelerate the time of payment or vesting, or trigger any payment or funding, of any material compensation or benefit or trigger any other material obligation under any Westar Benefit Plan or Westar Benefit Agreement or (iii) will result in any payment that could, individually or in combination with any other such payment, not be deductible under Section 280G of the Code.

(h) The representations and warranties contained in this Section 3.09 are the sole and exclusive representations and warranties of Westar relating to Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA, and no other representation or warranty of Westar contained herein shall be construed to relate to Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA.

SECTION 3.10 Labor and Employment Matters. Except for the Westar Union Contracts, neither Westar nor any Westar Subsidiary is party to any collective bargaining agreement or similar labor union Contract with respect to any of their respective employees. Except for employees covered by a Westar Union Contract, no employees of Westar or any Westar Subsidiary are represented by any other labor union with respect to their employment for Westar or any Westar Subsidiary. To the Knowledge of Westar, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, (a) there are no labor union representation or certification proceedings with respect to employees of Westar or any Westar Subsidiary pending or threatened in writing to be brought or filed with the National Labor Relations Board, and (b) there are no labor union organizing activities, with respect to employees of Westar or any Westar Subsidiary. From January 1, 2016 until the date of this Agreement, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, there have been no labor union

strikes, slowdowns, work stoppages or lockouts or other material labor disputes pending or threatened in writing against or affecting Westar or any Westar Subsidiary. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, since January 1, 2015, Westar and each Westar Subsidiary has complied and is in compliance with all applicable Laws pertaining to employment or labor matters and has not engaged in any action that will require any notifications under the Workers Adjustment and Retraining Notification Act and comparable local, state, and federal Laws (“WARN”). Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, there are no Claims or investigations pending or, to the Knowledge of Westar, threatened by or on behalf of any employee of Westar or any Westar Subsidiary alleging violations of Laws pertaining to employment or labor matters.

SECTION 3.11 Litigation. There is no Claim before any Governmental Entity pending or, to the Knowledge of Westar, threatened against Westar or any Westar Subsidiary that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. There is no Judgment outstanding against or, to the Knowledge of Westar, investigation by any Governmental Entity of Westar or any Westar Subsidiary or any of their respective properties or assets that has had or would reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect. This Section 3.11 does not relate to Taxes; Westar Benefit Plans or Westar Benefit Agreements (including their compliance with any applicable Law) or ERISA; Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Sections 3.08, 3.09, 3.14 and 3.17, respectively.

SECTION 3.12 Compliance with Applicable Laws; Permits. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Westar Material Adverse Effect, (a) Westar and the Westar Subsidiaries are in compliance with all applicable Laws (including Anti-Corruption Laws) and all material Permits applicable to the business and operations of Westar and the Westar Subsidiaries, and (b) Westar and each Westar Subsidiary hold, and are in compliance with, all Permits required by Law for the conduct of their respective businesses as they are now being conducted. Each of GPE, the GPE Subsidiaries, Holdco and Merger Sub has all requisite entity power and authority to enable it to own, operate, lease or otherwise hold its properties and assets and to conduct its businesses as presently conducted, except where the failure to have such power or authority would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect. Each of GPE, the GPE Subsidiaries, Holdco and Merger Sub is duly qualified or licensed to do business in each jurisdiction where the nature of its business or the ownership, operation or leasing of its properties make such qualification necessary, except in any such jurisdiction where the failure to be so qualified or licensed would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect. GPE has made available to Westar true and complete copies of the articles of incorporation of GPE, as amended and in effect as of the date of this Agreement (the “GPE Articles”) and the bylaws of GPE, as amended and in effect as of the date of this Agreement (the “GPE Bylaws”).

GPE Subsidiary, Holdco or Merger Sub or their respective properties or assets, except for, in the case of the foregoing clauses (ii) and (iii), any matter that would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the transactions contemplated hereby, including the Mergers.

(b) No Consent of or from, or Filing made to or with, any Governmental Entity, is required to be obtained or made by GPE, any GPE Subsidiary or any other Affiliate of GPE in connection with GPE's, Holdco's and Merger Sub's execution and delivery of this Agreement or their performance of their covenants and agreements hereunder or the consummation of the transactions contemplated hereby, including the Mergers, except for the following:

(vii) Filings and Consents as are required to be made or obtained under state or federal property transfer Laws or Environmental Laws; and

(viii) such other Filings and Consents the failure of which to make or obtain would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect and would not prevent or materially impede, interfere with or delay the consummation of the GPE Merger.

(a) GPE has furnished or filed all reports, schedules, forms, statements and other documents (including exhibits and other information incorporated therein) required to be furnished or filed by GPE or GPE Utility Sub with the SEC since January 1, 2015 (such documents, together with all exhibits, financial statements, including the GPE Financial Statements, and schedules thereto and all information incorporated therein by reference, but excluding the Proxy Statement/Prospectus, being collectively referred to as the “GPE Reports”). Each GPE Report (i) at the time furnished or filed, complied in all material respects with the applicable requirements of the Exchange Act, the Securities Act or the Sarbanes-Oxley Act of 2002 (including the rules and regulations promulgated thereunder), as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such GPE Report and (ii) did not at the time it was filed (or if amended or superseded by a filing or amendment prior to the date of this Agreement, then at the time of such filing or amendment) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Each of the consolidated financial statements of GPE included in the GPE Reports (the “GPE Financial Statements”) complied at the time it was filed as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, was prepared in accordance with GAAP (except, in the case of unaudited quarterly financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods and as of the dates involved (except as may be indicated in the notes thereto) and fairly presents in all material respects, in accordance with GAAP, the consolidated financial position of GPE and GPE’s consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited quarterly financial statements, to normal year-end audit adjustments).

(b) None of GPE, any GPE Subsidiary, Holdco and Merger Sub has any liability of any nature that is required by GAAP to be set forth on a consolidated balance sheet of GPE, the GPE Subsidiaries, Holdco and Merger Sub, except liabilities (i) reflected or reserved against in the most recent balance sheet (including the notes thereto) of GPE, the GPE Subsidiaries, Holdco and Merger Sub included in the GPE Reports filed prior to the date hereof, (ii) incurred in the ordinary course of business after March 31, 2017, (iii) incurred in connection with the Mergers or any other transaction or agreement contemplated by this Agreement or the Original Merger Agreement or (iv) that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

(c) GPE maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 or 15d-15, as applicable, under the Exchange Act). Such internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. GPE maintains “disclosure controls and procedures” required by Rule 13a-15 or 15d-15 under the Exchange Act that are effective to ensure that information required to be disclosed by GPE in the reports it

files or submits under the Exchange Act is recorded, processed, summarized and reported on a timely basis to the individuals responsible for the preparation of GPE's filings with the SEC and other public disclosure documents. GPE has disclosed, based on its most recent evaluation prior to the date of this Agreement, to GPE's outside auditors and the audit committee of the GPE Board (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that are reasonably likely to adversely affect GPE's ability to record, process, summarize and report financial information and (2) any fraud, known to GPE, whether or not material, that involves management or other employees who have a significant role in GPE's internal controls over financial reporting.

SECTION 4.07 Absence of Certain Changes or Events.

(a) From December 31, 2016 to the date of this Agreement, each of GPE, the GPE Subsidiaries, Holdco and Merger Sub has conducted its respective business in the ordinary course of business in all material respects, except for the conduct in connection with the Mergers or as otherwise contemplated or required by this Agreement or the Original Merger Agreement.

(b) From December 31, 2016 to the date of this Agreement, there has not occurred any fact, circumstance, effect, change, event or development that has had or would reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

(b) With respect to each material GPE Benefit Plan and material GPE Benefit Agreement, GPE has made available to Westar, to the extent applicable, complete and accurate copies of (i) the plan document (or, if such arrangement is not in writing, a written description of the material terms thereof), including any amendment thereto and any summary plan description thereof, (ii) each trust, insurance, annuity or other funding Contract related thereto, (iii) the two (2) most recent audited financial statement and actuarial or other valuation report prepared with respect thereto, (iv) the two (2) most recent annual report on Form 5500 required to be filed with the IRS with respect thereto and (v) the most recently received IRS determination letter or, if applicable, current IRS opinion or advisory letter (as to qualified plan status). No GPE Benefit Plan or GPE Benefit Agreement is maintained outside the jurisdiction of the United States, or covers any GPE Personnel residing or working outside of the United States.

(c) Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, (i) each GPE Benefit Plan and each GPE Benefit Agreement has been maintained in compliance with its terms and with the requirements prescribed by ERISA, the Code and all other applicable Laws, (ii)

there are no pending or, to the Knowledge of GPE, threatened proceedings or claims against any GPE Benefit Plan or GPE Benefit Agreement or any fiduciary thereof, or GPE or any GPE Subsidiary with respect to any GPE Benefit Plan or GPE Benefit Agreement and (iii) all contributions, reimbursements, premium payments and other payments required to be made by GPE or any GPE Commonly Controlled Entity to any GPE Benefit Plan have been made on or before their applicable due dates. Except as, individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, neither GPE nor any GPE Commonly Controlled Entity has engaged in, and to the Knowledge of GPE, there has not been, any non-exempt transaction prohibited by ERISA or by Section 4975 of the Code with respect to any GPE Benefit Plan or GPE Benefit Agreement or their related trusts that would reasonably be expected to result in a liability of GPE or a GPE Commonly Controlled Entity. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, no GPE Benefit Plan or GPE Benefit Agreement is under audit or is the subject of an administrative proceeding by the IRS, the Department of Labor, or any other Governmental Entity, nor is any such audit or other administrative proceeding, to the Knowledge of GPE, threatened.

(d) Section 4.08(d) of the A&R GPE Disclosure Letter sets forth each GPE Benefit Plan and GPE Benefit Agreement that is subject to Section 302 or Title IV of ERISA or Section 412, 430 or 4971 of the Code. No GPE Benefit Plan or GPE Benefit Agreement is a multiemployer plan, as defined in Section 3(37) of ERISA, and neither GPE nor any GPE Commonly Controlled Entity has contributed to or been obligated to contribute to any such plan within the six years preceding this Agreement. Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, neither GPE nor any GPE Commonly Controlled Entity has incurred any Controlled Group Liability (as defined below) that has not been satisfied in full nor do any circumstances exist that could reasonably be expected to give rise to any Controlled Group Liability (except for the payment of premiums to the Pension Benefit Guaranty Corporation).

(e) Each GPE Benefit Plan that is intended to be qualified under Section 401(a) of the Code is so qualified and such plan has received a currently effective favorable determination letter or, if applicable, current opinion or advisory letter to that effect from the IRS and, to the Knowledge of GPE, there is no reason why any such determination letter should be revoked.

(f) Except for any liabilities of GPE that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, none of GPE, any GPE Subsidiary, Holdco or Merger Sub has any liability for providing health, medical or other welfare benefits after retirement or other termination of employment, except for coverage or benefits required to be provided under Section 4980(B)(f) of the Code or applicable Law.

(g) Except as set forth in Section 4.08(g) of the A&R GPE Disclosure Letter, none of the execution and delivery of this Agreement, the performance by either party of its covenants and agreements hereunder or the consummation of the Mergers (alone or in

conjunction with any other event, including any termination of employment before, on or following the Effective Time) will (i) entitle any GPE Personnel to any material compensation or benefit, (ii) accelerate the time of payment or vesting, or trigger any payment or funding, of any material compensation or benefit or trigger any other material obligation under any GPE Benefit Plan or GPE Benefit Agreement or (iii) will result in any payment that could, individually or in combination with any other such payment, not be deductible under Section 280G of the Code.

(h) The representations and warranties contained in this Section 4.08 are the sole and exclusive representations and warranties of GPE relating to GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA, and no other representation or warranty of GPE contained herein shall be construed to relate to GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA.

SECTION 4.09 Labor and Employment Matters. Except for the GPE Union Contracts, none of GPE, any GPE Subsidiary, Holdco or Merger Sub is party to any collective bargaining agreement or similar labor union Contract with respect to any of their respective employees. Except for employees covered by a GPE Union Contract, no employees of GPE, any GPE Subsidiary, Holdco or Merger Sub are represented by any other labor union with respect to their employment for GPE, any GPE Subsidiary, Holdco or Merger Sub. To the Knowledge of GPE, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, (a) there are no labor union representation or certification proceedings with respect to employees of GPE, any GPE Subsidiary, Holdco or Merger Sub pending or threatened in writing to be brought or filed with the National Labor Relations Board, and (b) there are no labor union organizing activities, with respect to employees of GPE, any GPE Subsidiary, Holdco or Merger Sub. From January 1, 2016 until the date of this Agreement, except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, there have been no labor union strikes, slowdowns, work stoppages or lockouts or other material labor disputes pending or threatened in writing against or affecting GPE, any GPE Subsidiary, Holdco or Merger Sub. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, since January 1, 2015, GPE, each GPE Subsidiary, Holdco and Merger Sub has complied and is in compliance with all applicable Laws pertaining to employment or labor matters and has not engaged in any action that will require any notifications under the WARN. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, there are no Claims or investigations pending or, to the Knowledge of GPE, threatened by or on behalf of any employee of GPE, any GPE Subsidiary, Holdco or Merger Sub alleging violations of Laws pertaining to employment or labor matters.

SECTION 4.10 Litigation. There is no Judgment outstanding against or, to the Knowledge of GPE, investigation by any Governmental Entity of GPE, any GPE Subsidiary, Holdco or Merger Sub or any of their

respective properties or assets that has had or would reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect.

SECTION 4.11 Compliance with Applicable Laws. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, (a) GPE, GPE Subsidiaries, Holdco and Merger Sub are in compliance with all applicable Laws (including Anti-Corruption Laws) and all material Permits applicable to the business and operations of GPE, GPE Subsidiaries, Holdco and Merger Sub and (b) GPE, each GPE Subsidiary, Holdco and Merger Sub hold, and are in compliance with, all Permits required by Law for the conduct of their respective businesses as they are now being conducted. This Section 4.11 does not relate to Taxes; GPE Benefit Plans or GPE Benefit Agreements (including their compliance with any applicable Law) or ERISA; Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters; or Intellectual Property, which are addressed in Section 4.21, Section 4.08, Section 4.13 or Section 4.16, respectively.

SECTION 4.12 Takeover Statutes. Assuming that the representations and warranties of Westar contained in Section 3.19 are true and correct, GPE has taken all necessary actions, if any, so that the transactions contemplated hereby, including the Mergers, are not subject to any Takeover Statute or any similar antitakeover provision in the GPE Articles or GPE Bylaws.

SECTION 4.13 Environmental Matters.

(a) Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect:

terminate, any such Environmental Permits and (4) no such Environmental Permits will be subject to modification, termination or revocation as a result of the transactions contemplated by this Agreement;

(iii) there are no Environmental Claims pending or, to the Knowledge of GPE, threatened in writing against GPE, any GPE Subsidiary, Holdco or Merger Sub that have not been fully and finally resolved;

(iv) there are and have been no Releases of, or exposure to, any Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by GPE, any GPE Subsidiary, Holdco or Merger Sub, and there are no other facts, circumstances or conditions, that would reasonably be expected to form the basis of any Environmental Claim against GPE, any GPE Subsidiary, Holdco or Merger Sub; and

(v) GPE, the GPE Subsidiaries, Holdco and Merger Sub have not transported or arranged for the transportation of any Hazardous Materials generated by GPE, any GPE Subsidiary, Holdco or Merger Sub to any location which is listed on the National Priorities List under CERCLA, or on any similar state list, or which is the subject of federal, state or local enforcement actions or other investigations that would reasonably be expected to form the basis of any Environmental Claim against GPE, any GPE Subsidiary, Holdco or Merger Sub.

(b) The representations and warranties contained in this Section 4.13 are the sole and exclusive representations and warranties of GPE relating to Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters, and no other representation or warranty of GPE contained herein shall be construed to relate to Environmental Permits, Environmental Laws, Environmental Claims, Releases, Hazardous Materials or other environmental matters.

(b) Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, (i) each Filed GPE Contract is a valid, binding and legally enforceable obligation of GPE or one of the GPE Subsidiaries, as the case may be, and, to the Knowledge of GPE, of the other parties thereto, subject in all respects to the Bankruptcy and Equity Exceptions, (ii) each such Filed GPE Contract is in full force and effect and (iii) none of GPE or any GPE Subsidiary is (with or without notice or lapse of time, or both) in breach or default under any such Filed GPE Contract and, to the Knowledge of GPE, no other party to any such Filed GPE Contract is (with or without notice or lapse of time, or both) in breach or default thereunder.

SECTION 4.15 Real Property. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect, each of GPE and the GPE Subsidiaries has either good fee title or valid leasehold, easement or other real property rights, to the land, buildings, wires, pipes, structures and other improvements thereon and fixtures thereto necessary to permit it to conduct its business as currently conducted. Except as would not reasonably be expected to have, individually or in the aggregate, a GPE Material Adverse Effect and except as may be limited by the Bankruptcy and Equity Exceptions, (a) all leases, easements or other agreements under which GPE, any GPE Subsidiary, Holdco or Merger Sub lease, access, use or occupy real property necessary to permit it to conduct its business as currently conducted are valid, binding and in full force and effect against GPE, the GPE Subsidiaries, Holdco or Merger Sub and, to the Knowledge of GPE, the counterparties thereto, in accordance with their respective terms, and (b) none of GPE, the GPE Subsidiaries, Holdco or Merger Sub or, to the Knowledge of GPE, the counterparties thereto are in default under any of such leases, easements or other agreements described in the foregoing clause (a). (j) neither GPE nor any GPE Subsidiary has any Tax rulings, requests for rulings, closing agreements or other similar agreements in effect or filed with any Governmental Entity; and

(k) after reasonable diligence, neither GPE nor any GPE Subsidiary is aware of the existence of any fact, or has taken or agreed to take any action, that would prevent the Westar Merger or GPE Merger from qualifying as a “reorganization” within the meaning

of Section 368(a) of the Code (or, in the case of the Westar Merger, as an exchange described in Section 351 of the Code).

(l) Except to the extent Section 4.08 relates to Taxes, the representations and warranties contained in this Section 4.21 are the sole and exclusive representations and warranties of GPE relating to Taxes, and no other representation or warranty of GPE contained herein shall be construed to relate to Taxes.

SECTION 5.03 Proceedings.

(a) Westar Proceedings. Between the date of this Agreement and the Closing, Westar and the Westar Subsidiaries may (i) initiate and continue to pursue the rate cases and other proceedings set forth in Section 5.03 of the A&R Westar Disclosure Letter, (ii) with the prior written consent of GPE (such consent not to be unreasonably withheld, delayed or conditioned), initiate new rate cases or any other proceeding that would reasonably be expected to affect the authorized capital structure or authorized return on equity of Westar or any Westar Subsidiary or materially affect the return on equity of Westar or any Westar Subsidiary in an adverse manner, with Governmental Entities and (iii) initiate any other proceeding with Governmental Entities in the ordinary course of business (the foregoing clauses (i), (ii) and (iii), collectively, the "Westar Proceedings") and (iv) notwithstanding anything to the contrary herein, initiate any other proceedings with Governmental Entities or take any other action contemplated by or described in any filings or other submissions filed or submitted in connection with the Westar Proceedings prior to the date of this Agreement. Notwithstanding the foregoing, without the prior written consent of GPE (such consent not to be unreasonably withheld, delayed or conditioned), Westar and the Westar Subsidiaries will not enter into any settlement or stipulation in respect of any Westar Proceeding initiated prior to the date of this Agreement if such settlement or stipulation would affect the authorized capital structure or authorized return on equity of Westar or any Westar Subsidiaries or materially affect the return on equity of Westar or any Westar Subsidiary in an adverse manner.

(b) GPE Proceedings. Between the date of this Agreement and the Closing, GPE and the GPE Subsidiaries may (i) initiate and continue to pursue the rate cases and other proceedings set forth in Section 5.03 of the A&R GPE Disclosure Letter, (ii) with the prior written consent of Westar (such consent not to be unreasonably withheld, delayed or conditioned), initiate new rate cases or any other proceeding that would reasonably be expected to affect the authorized capital structure or authorized return on equity of GPE or any GPE Subsidiary or materially affect the return on equity of GPE or any GPE Subsidiary in an adverse manner, with Governmental Entities and (iii) initiate any other proceeding with Governmental Entities in the ordinary course of business (the foregoing clauses (i),

Notwithstanding the foregoing, without the prior written consent of Westar (such consent not to be unreasonably withheld, delayed or conditioned), GPE and the GPE Subsidiaries will not enter into any settlement or stipulation in respect of any GPE Proceeding initiated prior to the date of this Agreement if such settlement or stipulation would affect the authorized capital structure or authorized return on equity of GPE or any GPE Subsidiaries or materially affect the return on equity of GPE or any GPE Subsidiary in an adverse manner.

SECTION 5.04 No Solicitation by Westar; Westar Board Recommendation.

(a) Westar shall not, and shall not authorize any of its Affiliates or any of its and their respective officers, directors, principals, partners, managers, members, attorneys, accountants, agents, employees, consultants, financial advisors or other authorized representatives (collectively, “Representatives”) to, (i) directly or indirectly solicit, initiate or knowingly encourage, induce or facilitate any Westar Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a Westar Takeover Proposal, in each case, except for this Agreement and the transactions contemplated hereby, or (ii) directly or indirectly participate in any discussions or negotiations with any Person (except for Westar’s Affiliates and its and their respective Representatives or GPE and GPE’s Affiliates and its and their respective Representatives) regarding, or furnish to any such Person, any nonpublic information with respect to, or cooperate in any way with any such Person with respect to, any Westar Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a Westar Takeover Proposal. Westar shall, and shall cause its Affiliates and its and their respective Representatives to, immediately cease and cause to be terminated all existing discussions or negotiations with any Person (except for Westar’s Affiliates and its and their respective Representatives or GPE and GPE’s Affiliates and its and their respective Representatives) conducted heretofore with respect to any Westar Takeover Proposal, request the prompt return or destruction of all confidential information previously furnished and immediately terminate all physical and electronic data room access previously granted to any such Person or its Representatives. Notwithstanding anything to the contrary herein, at any time prior to obtaining the Westar Shareholder Approval, in response to the receipt of a bona fide written Westar Takeover Proposal made after the date of this Agreement that does not result from a breach (other than an immaterial breach) of this Section 5.04(a) by Westar and that the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) constitutes or could reasonably be expected to lead to a Superior Westar Proposal, Westar and its Representatives may (1) furnish information with respect to Westar and the Westar Subsidiaries to the Person making such Westar Takeover Proposal (and its Representatives) (provided that all such information has previously been provided to GPE or is provided to GPE prior to or concurrently with the provision of such information to such Person) pursuant to a customary confidentiality agreement and (2) participate in discussions regarding the terms of such Westar Takeover Proposal, including terms of a Westar Acquisition Agreement with respect thereto, and the negotiation of such terms with

the Person making such Westar Takeover Proposal (and such Person's Representatives). Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in this Section 5.04(a) by any Representative of Westar or any of its Affiliates, in each case, at Westar's direction, shall constitute a breach of this Section 5.04(a) by Westar. Notwithstanding anything to the contrary herein, Westar may grant a waiver, amendment or release under any confidentiality or standstill agreement to the extent necessary to allow a confidential Westar Takeover Proposal to be made to Westar or the Westar Board so long as the Westar Board promptly (and in any event, within one Business Day) notifies GPE thereof after granting any such waiver, amendment or release.

(b) Except as set forth in Section 5.04(a), Section 5.04(c) and Section 5.04(e), and except for the public disclosure of a Westar Recommendation Change Notice, neither the Westar Board nor any committee thereof shall (i) withdraw, change, qualify, withhold or modify in any manner adverse to GPE, or propose publicly to withdraw, change, qualify, withhold or modify in any manner adverse to GPE, the Westar Board Recommendation, (ii) adopt, approve or recommend, or propose publicly to adopt, approve or recommend, any Westar Takeover Proposal, (iii) fail to include in the Proxy Statement/Prospectus the Westar Board Recommendation or (iv) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer (except for a recommendation against such offer or a customary "stop, look and listen" communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) (any action in the foregoing clauses (i)–(iv) being referred to as a "Westar Adverse Recommendation Change"). Except as set forth in Section 5.04(a), Section 5.04(c) and Section 5.04(e), neither the Westar Board nor any committee thereof shall authorize, permit, approve or recommend, or propose publicly to authorize, permit, approve or recommend, or allow Westar or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, agreement or commitment constituting, or that would reasonably be expected to lead to, any Westar Takeover Proposal, or requiring, or that would reasonably be expected to cause, Westar to abandon or terminate this Agreement (a "Westar Acquisition Agreement").

(c) Notwithstanding anything to the contrary herein, at any time prior to obtaining the Westar Shareholder Approval, the Westar Board may make a Westar Adverse Recommendation Change (and, solely with respect to a Superior Westar Proposal, terminate this Agreement pursuant to Section 8.01(c)(i)) if (i) a Westar Intervening Event has occurred or (ii) Westar has received a Superior Westar Proposal that does not result from a breach (other than an immaterial breach) of Section 5.04 by Westar and, in each case, if the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to effect a Westar Adverse Recommendation Change as a result of the occurrence of such Westar Intervening Event or in response to the receipt of such Superior Westar Proposal, as the case may be, would reasonably likely be inconsistent with the Westar Board's fiduciary duties under applicable Law; provided, however, that the Westar Board may not make such Westar Adverse Recommendation Change unless (1) the Westar Board has provided prior written notice to GPE (a "Westar Recommendation Change Notice") that it is prepared to effect a Westar Adverse Recommendation Change at least three (3) Business Days prior to taking such action, which notice shall specify the basis for such Westar Adverse Recommendation

Change and, in the case of a Superior Proposal, attaching the most current draft of any Westar Acquisition Agreement with respect to such Superior Westar Proposal or, if no draft exists, a summary of the material terms and conditions of such Superior Westar Proposal (it being understood that such Westar Recommendation Change Notice shall not in itself be deemed a Westar Adverse Recommendation Change and that if GPE has committed in writing to any changes to the terms of this Agreement and there has been any subsequent material revision or amendment to the terms of a Superior Westar Proposal, a new notice to which the provisions of clauses (2), (3) and (4) of this Section 5.04(c) shall apply *mutatis mutandis* except that, in the case of such a new notice, all references to three (3) Business Days in this Section 5.04(c) shall be deemed to be two (2) Business Days), (2) during the three (3) Business Day period after delivery of the Westar Recommendation Change Notice, Westar and its Representatives negotiate in good faith with GPE and its Representatives regarding any revisions to this Agreement that GPE proposes to make and (3) at the end of such three (3) Business Day period and taking into account any changes to the terms of this Agreement committed to in writing by GPE, the Westar Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to make such a Westar Adverse Recommendation Change would be inconsistent with its fiduciary duties under applicable Law, and that, in the case of a Westar Adverse Recommendation Change with respect to a Westar Takeover Proposal, such Westar Takeover Proposal still constitutes a Superior Westar Proposal.

(d) Westar shall promptly (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) advise GPE orally and in writing of any Westar Takeover Proposal, the material terms and conditions of any such Westar Takeover Proposal and the identity of the Person making any such Westar Takeover Proposal. Westar shall keep GPE reasonably informed in all material respects on a reasonably current basis (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) of the material terms and status (including any change to the terms thereof) of any Westar Takeover Proposal.

(e) Nothing contained in this Section 5.04 shall prohibit Westar from (i) complying with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act or (ii) making any disclosure to the shareholders of Westar if, in the good-faith judgment of the Westar Board (after consultation with outside legal counsel) failure to so disclose would be inconsistent with its obligations under applicable Law.

(f) For purposes of this Agreement:

(i) “Westar Takeover Proposal” means any proposal or offer (whether or not in writing), with respect to any (1) merger, consolidation, share exchange, other business combination, recapitalization, liquidation, dissolution or similar transaction involving Westar, (2) sale, lease, contribution or other disposition, directly or indirectly (including by way of merger, consolidation, share exchange, other business combination, partnership, joint venture, sale of capital stock of or other equity interests in a Westar Subsidiary or otherwise) of any business or assets of Westar or the Westar Subsidiaries representing 20% or more of the consolidated

revenues, net income or assets of Westar and the Westar Subsidiaries, taken as a whole, (3) issuance, sale or other disposition, directly or indirectly, to any Person (or the shareholders of any Person) or group of securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing 20% or more of the voting power of Westar, (4) transaction (including any tender offer or exchange offer) in which any Person (or the shareholders of any Person) would acquire (in the case of a tender offer or exchange offer, if consummated), directly or indirectly, beneficial ownership, or the right to acquire beneficial ownership, or formation of any group which beneficially owns or has the right to acquire beneficial ownership of, 20% or more of any class of capital stock of Westar or (5) any combination of the foregoing.

(ii) “Superior Westar Proposal” means a *bona fide* written Westar Takeover Proposal (provided that for purposes of this definition, the applicable percentage in the definition of Westar Takeover Proposal shall be “50.1%” rather than “20% or more”), which the Westar Board determines in good faith, after consultation with outside legal counsel and a financial advisor, and taking into account the legal, financial, regulatory, timing and other aspects of such Westar Takeover Proposal, the identity of the Person making the proposal and any financing required for such proposal, the ability of the Person making such proposal to obtain such required financing and the level of certainty with respect to such required financing, and such other factors that are deemed relevant by the Westar Board, is more favorable to the holders of Westar Common Stock than the transactions contemplated by this Agreement (after taking into account any revisions to the terms of this Agreement that are committed to in writing by GPE (including pursuant to Section 5.04(c))).

(iii) “Westar Intervening Event” means any fact, circumstance, effect, change, event or development relating to Westar or the Westar Subsidiaries that (1) is unknown to or by the Westar Board as of the date hereof (or if known, the magnitude or material consequences of which were not known or understood by the Westar Board as of the date of this Agreement), (2) becomes known to or by the Westar Board prior to obtaining the Westar Shareholder Approval and (3) has or would reasonably be expected to have a material beneficial effect on Westar and the Westar Subsidiaries, taken as a whole.

SECTION 5.05 No Solicitation by GPE; GPE Board Recommendation.

(a) GPE shall not, and shall not authorize any of its Affiliates or any of its and their respective Representatives to, (i) directly or indirectly solicit, initiate or knowingly encourage, induce or facilitate any GPE Takeover Proposal or any inquiry or proposal that would reasonably be expected to lead to a GPE Takeover Proposal, or (ii) directly or indirectly participate in any discussions or negotiations with any Person (except for GPE’s Affiliates and its and their respective Representatives or Westar and Westar’s Affiliates and its and their respective Representatives) regarding, or furnish to any such Person, any nonpublic information with respect to, or cooperate in any way with any such Person with respect to, any GPE Takeover Proposal or any inquiry or proposal that would reasonably

be expected to lead to a GPE Takeover Proposal. GPE shall, and shall cause its Affiliates and its and their respective Representatives to, immediately cease and cause to be terminated all existing discussions or negotiations with any Person (except for GPE's Affiliates and its and their respective Representatives or Westar and Westar's Affiliates and its and their respective Representatives) conducted heretofore with respect to any GPE Takeover Proposal, request the prompt return or destruction of all confidential information previously furnished and immediately terminate all physical and electronic data room access previously granted to any such Person or its Representatives. Notwithstanding anything to the contrary herein, at any time prior to obtaining the GPE Shareholder Approval, in response to the receipt of a bona fide written GPE Takeover Proposal made after the date of this Agreement that does not result from a breach (other than an immaterial breach) of this Section 5.05(a) by GPE and that the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) constitutes or could reasonably be expected to lead to a Superior GPE Proposal, GPE and its Representatives may (1) furnish information with respect to GPE and GPE Subsidiaries to the Person making such GPE Takeover Proposal (and its Representatives) (provided that all such information has previously been provided to Westar or is provided to Westar prior to or concurrently with the provision of such information to such Person) pursuant to a customary confidentiality agreement and (2) participate in discussions regarding the terms of such GPE Takeover Proposal, including terms of a GPE Acquisition Agreement with respect thereto, and the negotiation of such terms with the Person making such GPE Takeover Proposal (and such Person's Representatives). Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in this Section 5.05(a) by any Representative of GPE or any of its Affiliates, in each case, at GPE's direction, shall constitute a breach of this Section 5.05(a) by GPE. Notwithstanding anything to the contrary herein, GPE may grant a waiver, amendment or release under any confidentiality or standstill agreement to the extent necessary to allow a confidential GPE Takeover Proposal to be made to GPE or the GPE Board so long as the GPE Board promptly (and in any event, within one Business Day) notifies Westar thereof after granting any such waiver, amendment or release.

(b) Except as set forth in Section 5.05(a), Section 5.05(c) and Section 5.05(e), and except for the public disclosure of a GPE Recommendation Change Notice, neither the GPE Board nor any committee thereof shall (i) withdraw, change, qualify, withhold or modify in any manner adverse to Westar, or propose publicly to withdraw, change, qualify, withhold or modify in any manner adverse to Westar, the GPE Board Recommendation, (ii) adopt, approve or recommend, or propose publicly to adopt, approve or recommend, any GPE Takeover Proposal, (iii) fail to include in the Proxy Statement/Prospectus the GPE Board Recommendation or (iv) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer (except for a recommendation against such offer or a customary "stop, look and listen" communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) (any action in the foregoing clauses (i)–(iv) being referred to as a "GPE Adverse Recommendation Change"). Except as set forth in Section 5.05(a), Section 5.05(c) and Section 5.05(e), neither the GPE Board nor any committee thereof shall authorize, permit, approve or recommend, or propose publicly to authorize, permit, approve or recommend, or allow GPE or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding,

agreement in principle, agreement or commitment constituting, or that would reasonably be expected to lead to, any GPE Takeover Proposal, or requiring, or that would reasonably be expected to cause, GPE to abandon or terminate this Agreement (a “GPE Acquisition Agreement”).

(c) Notwithstanding anything to the contrary herein, at any time prior to obtaining the GPE Shareholder Approval, the GPE Board may make a GPE Adverse Recommendation Change (and solely with respect to a Superior GPE Proposal, terminate this Agreement pursuant to Section 8.01(d)(iii)) if (i) a GPE Intervening Event has occurred or (ii) GPE has received a Superior GPE Proposal that does not result from a breach (other than an immaterial breach) of Section 5.05 by GPE and, in each case, if the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to effect a GPE Adverse Recommendation Change as a result of the occurrence of such GPE Intervening Event or in response to the receipt of such Superior GPE Proposal, as the case may be, would reasonably likely be inconsistent with the GPE Board’s fiduciary duties under applicable Law; provided, however, that the GPE Board may not make such GPE Adverse Recommendation Change unless (1) the GPE Board has provided prior written notice to Westar (a “GPE Recommendation Change Notice”) that it is prepared to effect a GPE Adverse Recommendation Change at least three (3) Business Days prior to taking such action, which notice shall specify the basis for such GPE Adverse Recommendation Change and, in the case of a Superior Proposal, attaching the most current draft of any GPE Acquisition Agreement with respect to such Superior GPE Proposal or, if no draft exists, a summary of the material terms and conditions of such Superior GPE Proposal (it being understood that such GPE Recommendation Change Notice shall not in itself be deemed a GPE Adverse Recommendation Change and that if Westar has committed in writing to any changes to the terms of this Agreement and there has been any subsequent material revision or amendment to the terms of a Superior GPE Proposal, a new notice to which the provisions of clauses (2), (3) and (4) of this Section 5.05(c) shall apply *mutatis mutandis* except that, in the case of such a new notice, all references to three (3) Business Days in this Section 5.05(c) shall be deemed to be two (2) Business Days), (2) during the three (3) Business Day period after delivery of the GPE Recommendation Change Notice, GPE and its Representatives negotiate in good faith with Westar and its Representatives regarding any revisions to this Agreement that Westar proposes to make and (3) at the end of such three (3) Business Day period and taking into account any changes to the terms of this Agreement committed to in writing by Westar, the GPE Board determines in good faith (after consultation with outside legal counsel and a financial advisor) that the failure to make such a GPE Adverse Recommendation Change would be inconsistent with its fiduciary duties under applicable Law, and that, in the case of a GPE Adverse Recommendation Change with respect to a GPE Takeover Proposal, such GPE Takeover Proposal still constitutes a Superior GPE Proposal.

(d) GPE shall promptly (and in any event no later than the later of (i) twenty-four (24) hours or (ii) 5 p.m. New York City time on the next Business Day) advise Westar orally and in writing of any GPE Takeover Proposal, the material terms and conditions of any such GPE Takeover Proposal and the identity of the Person making any such GPE Takeover Proposal. GPE shall keep Westar reasonably informed in all material respects on a reasonably current basis (and in any event no later than the later of (i) twenty-four (24)

hours or (ii) 5 p.m. New York City time on the next Business Day) of the material terms and status (including any change to the terms thereof) of any GPE Takeover Proposal.

(e) Nothing contained in this Section 5.05 shall prohibit GPE from (i) complying with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act or (ii) making any disclosure to the shareholders of GPE if, in the good-faith judgment of the GPE Board (after consultation with outside legal counsel) failure to so disclose would be inconsistent with its obligations under applicable Law.

(f) For purposes of this Agreement:

(i) “GPE Takeover Proposal” means any proposal or offer (whether or not in writing), with respect to any (1) merger, consolidation, share exchange, other business combination, recapitalization, liquidation, dissolution or similar transaction involving GPE, (2) sale, lease, contribution or other disposition, directly or indirectly (including by way of merger, consolidation, share exchange, other business combination, partnership, joint venture, sale of capital stock of or other equity interests in a GPE Subsidiary or otherwise) of any business or assets of GPE or the GPE Subsidiaries representing 20% or more of the consolidated revenues, net income or assets of GPE and the GPE Subsidiaries, taken as a whole, (3) issuance, sale or other disposition, directly or indirectly, to any Person (or the shareholders of any Person) or group of securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing 20% or more of the voting power of GPE, (4) transaction (including any tender offer or exchange offer) in which any Person (or the shareholders of any Person) would acquire (in the case of a tender offer or exchange offer, if consummated), directly or indirectly, beneficial ownership, or the right to acquire beneficial ownership, or formation of any group which beneficially owns or has the right to acquire beneficial ownership of, 20% or more of any class of capital stock of GPE or (5) any combination of the foregoing.

(ii) “Superior GPE Proposal” means a *bona fide* written GPE Takeover Proposal (provided that for purposes of this definition, the applicable percentage in the definition of GPE Takeover Proposal shall be “50.1%” rather than “20% or more”), which the GPE Board determines in good faith, after consultation with outside legal counsel and a financial advisor, and taking into account the legal, financial, regulatory, timing and other aspects of such GPE Takeover Proposal, the identity of the Person making the proposal and any financing required for such proposal, the ability of the Person making such proposal to obtain such required financing and the level of certainty with respect to such required financing, and such other factors that are deemed relevant by the GPE Board, is more favorable to the holders of GPE Common Stock than the transactions contemplated by this Agreement (after taking into account any revisions to the terms of this Agreement that are committed to in writing by Westar (including pursuant to Section 5.05(c)).

(iii) “GPE Intervening Event” means any fact, circumstance, effect, change, event or development relating to GPE or the GPE Subsidiaries that (1) is

unknown to or by the GPE Board as of the date hereof (or if known, the magnitude or material consequences of which were not known or understood by the GPE Board as of the date of this Agreement), (2) becomes known to or by the GPE Board prior to obtaining the GPE Shareholder Approval and (3) has or would reasonably be expected to have a material beneficial effect on GPE and the GPE Subsidiaries, taken as a whole.

SECTION 5.06 Dividends. Each of GPE and Westar shall coordinate with the other regarding the declaration and payment of dividends in respect of GPE Common Stock and Westar Common Stock and the record dates and payment dates relating thereto, it being the intention of GPE and Westar that no holder of GPE Common Stock or Westar Common Stock shall receive two dividends, or fail to receive one dividend, for any single calendar quarter (or portion thereof) with respect to its shares of GPE Common Stock or Westar Common Stock, as the case may be, and/or any shares of Holdco Common Stock any such holder receives pursuant to the Mergers. For the avoidance of doubt, it is the Parties' intent that (a) the first quarterly dividend paid to the holders of Holdco Common Stock (including former holders of Westar Common Stock) following the Effective Time shall be paid in accordance with GPE's dividend policy, to be adopted by Holdco immediately after the Effective Time, and in no event later than the first record date for the payment of dividends after the Closing Date, and (b) the Parties accordingly shall coordinate their declaration and payment of dividends prior to the Effective Time and GPE shall coordinate the declaration and payment of its dividends after the Effective Time.

SECTION 5.07 Tax Status. None of Holdco, GPE or Westar shall, or shall permit any of its respective Subsidiaries to, take any actions that would be reasonably likely to adversely affect the status of (i) the GPE Merger as a reorganization under Section 368(a) of the Code, (ii) the Westar Merger as a reorganization under Section 368(a) of the Code, and (iii) the Mergers, taken together, as a contribution under Section 351 of the Code.

ARTICLE VI

ADDITIONAL AGREEMENTS

SECTION 6.01 Preparation of the Form S-4 and the Proxy Statement/Prospectus; Shareholders Meetings.

(a) As promptly as reasonably practicable following the date of this Agreement, unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, (i) Westar and GPE shall jointly prepare and cause to be filed with the SEC a joint proxy statement to be mailed to the shareholders of each of Westar and GPE relating to the Westar Shareholders Meeting and the GPE Shareholders Meeting (together with any amendments or supplements thereto, and the Form S-4 of which it forms a part, the "Proxy Statement/Prospectus") in preliminary form and (ii) Westar, GPE and Holdco, shall jointly prepare and cause to be filed with the SEC a registration statement on Form S-4 which shall include the Proxy Statement/Prospectus as a prospectus relating to the registration of shares of Holdco Common Stock to be issued in connection with the Mergers (the "Form S-4"). Each of GPE, Westar and Holdco shall use their respective

reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as reasonably practicable after such filing and to keep the Form S-4 effective as long as necessary to consummate the Mergers. Each of GPE, Westar and Holdco shall furnish all information concerning itself and its Affiliates to the other Party, and provide such other assistance, as may be reasonably requested by the other Party or its outside legal counsel in connection with the preparation, filing and distribution of the Proxy Statement/Prospectus.

(b) Westar agrees that (i) none of the information supplied or to be supplied by Westar for inclusion or incorporation by reference in the Proxy Statement/Prospectus will, at the date it is first mailed to Westar's and GPE's shareholders or at the time of the Westar Shareholders Meeting and the GPE Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading and (ii) except with respect to any information supplied by GPE for inclusion or incorporation by reference in the Proxy Statement/Prospectus, the Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder. GPE agrees that (x) none of the information supplied or to be supplied by GPE for inclusion or incorporation by reference in the Proxy Statement/Prospectus will, at the date it is first mailed to Westar's shareholders and GPE's shareholders or at the time of the Westar Shareholders Meeting and the GPE Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading and (y) except with respect to any information supplied by Westar for inclusion or incorporation by reference in the Proxy Statement/Prospectus, the Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder.

(c) Each of Holdco, Westar and GPE shall promptly notify the others after the receipt of any comments from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus and shall provide the other with copies of all correspondence between it and its Affiliates and Representatives, on the one hand, and the SEC, on the other hand. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change:

(i) each of Westar and GPE shall use its reasonable best efforts (1) to respond as promptly as reasonably practicable to any comment from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus and (2) to have the SEC advise Westar and GPE as promptly as reasonably practicable that the SEC has no further comments on the Proxy Statement/Prospectus;

(ii) each of Westar and GPE shall file the Proxy Statement/Prospectus in definitive form with the SEC and cause such definitive Proxy Statement/Prospectus to be mailed to the shareholders of Westar and GPE as

promptly as reasonably practicable after the SEC advises Westar and GPE that the SEC has no further comments on the Proxy Statement/Prospectus; and

(iii) each of Westar and GPE shall include the Westar Board Recommendation and the GPE Board Recommendation in the preliminary and definitive Proxy Statements/Prospectus.

Notwithstanding anything to the contrary herein, unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, prior to filing the Proxy Statement/Prospectus in preliminary form with the SEC, responding to any comment from the SEC with respect to, or any request from the SEC for amendments or supplements to, the Proxy Statement/Prospectus or mailing the Proxy Statement/Prospectus in definitive form to the shareholders of Westar or GPE, each of Holdco, Westar and GPE shall provide the others with a reasonable opportunity to review and comment on such document or response and consider in good faith any of the other Parties' comments thereon. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each Party shall use its reasonable best efforts to have the SEC advise Holdco, Westar and GPE, as promptly as reasonably practicable after the filing of the preliminary Proxy Statement/Prospectus, that the SEC has no further comments on the Proxy Statement/Prospectus. Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each of Holdco, Westar and GPE shall also take any other action (except for qualifying to do business in any jurisdiction in which it is not now so qualified) required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Laws and the rules and regulations thereunder in connection with the Mergers.

(d) If, prior to the Effective Time, any event occurs with respect to GPE or any GPE Subsidiary, or any change occurs with respect to other information supplied by GPE for inclusion in the Proxy Statement/Prospectus, that is required to be described in an amendment of, or a supplement to, the Proxy Statement/Prospectus, GPE shall promptly notify Westar of such event, and Holdco, GPE and Westar shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Proxy Statement/Prospectus so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading, and, as required by Law, in disseminating the information contained in such amendment or supplement to Westar's shareholders and GPE's shareholders. Nothing in this Section 6.01(d) shall limit the obligations of any Party under Section 6.01(a).

(e) If prior to the Effective Time, any event occurs with respect to Westar or any Westar Subsidiary, or any change occurs with respect to other information supplied by Westar for inclusion in the Proxy Statement/Prospectus, that is required to be described in an amendment of, or a supplement to, the Proxy Statement/Prospectus, Westar shall

promptly notify GPE of such event, and Holdco, Westar and GPE shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Proxy Statement/Prospectus so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading and, as required by Law, in disseminating the information contained in such amendment or supplement to Westar's shareholders and GPE's shareholders. Nothing in this Section 6.01(e) shall limit the obligations of any Party under Section 6.01(a).

(f) Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change, Westar shall, as soon as practicable after the mailing of the definitive Proxy Statement/Prospectus to the shareholders of Westar, duly call, give notice of, convene and hold the Westar Shareholders Meeting and, subject to Section 5.04(c), solicit the Westar Shareholder Approval.

(g) Unless, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, GPE shall, as soon as practicable after the mailing of the definitive Proxy Statement/Prospectus to the shareholders of GPE, duly call, give notice of, convene and hold the GPE Shareholders Meeting and, subject to Section 5.05(c), solicit the GPE Shareholder Approval.

(h) Unless, in the case of Westar, the Westar Board has made a Westar Adverse Recommendation Change or, in the case of GPE, the GPE Board has made a GPE Adverse Recommendation Change, each of GPE and Westar shall use reasonable best efforts to hold the GPE Shareholders Meeting and the Westar Shareholders Meeting, respectively, at the same time and on the same date as the other Party.

SECTION 6.02 Access to Information; Confidentiality.

(a) Subject to applicable Law and the Confidentiality Agreement, Westar and GPE shall, and shall cause each of their respective Subsidiaries to, afford to the other Party and its Representatives reasonable access (at such Party's sole cost and expense), during normal business hours and upon reasonable advance notice, during the period from the date of this Agreement until the earlier of the Effective Time or termination of this Agreement pursuant to Section 8.01, to the material properties, books, contracts, commitments, personnel and records of such Party, and during such period, Westar and GPE shall, and shall cause their respective Subsidiaries to, make available promptly to then other Party (i) to the extent not publicly available, a copy of each material Filing made by it during such period pursuant to the requirements of securities Laws or filed with or sent to the SEC, the KCC, the MPSC or any other Governmental Entity and (ii) all other information concerning its business, properties and personnel as such other Party may reasonably request; provided, however, that Westar and GPE may withhold from the other Party or its Representatives any document or information that the disclosing Party believes is subject to the terms of a confidentiality agreement with a third party (provided that Westar and GPE, as applicable, shall use its reasonable best efforts to obtain the required consent of such third party to disclose such document or information) or subject to any attorney-client

privilege (provided that Westar and GPE, as applicable, shall use its reasonable best efforts to allow the disclosure of such document or information (or as much of it as possible) in a manner that does not result in a loss of attorney–client privilege) or is commercially sensitive (as determined in Westar’s and GPE’s, as applicable, reasonable discretion); provided, further, that neither Westar nor GPE or their respective Representatives shall have the right to collect any air, soil, surface water or ground water samples or perform any invasive or destructive air sampling on, under, at or from any of the properties owned, leased or operated by the other Party or its Subsidiaries. Except for incidents caused by Westar’s or GPE’s or their respective Affiliate’s intentional misconduct, each of Westar and GPE shall indemnify the other Party and its Affiliates and Representatives from, and hold the other Party and its Affiliates and Representatives harmless against, any and all Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs, expenses, including attorneys’ fees and disbursements, and the cost of enforcing this indemnity arising out of or resulting from any access provided pursuant to this Section 6.02(a).

(b) All documents and information exchanged pursuant to this Section 6.02 shall be subject to the letter agreement, dated as of March 3, 2016, between Westar and GPE, as amended (the “Confidentiality Agreement”). The Confidentiality Agreement is hereby further amended to extend the term thereof until November 30, 2018, subject to the exception and proviso in paragraph 17 of the Confidentiality Agreement. If this Agreement is terminated pursuant to Section 8.01, the Confidentiality Agreement, as amended, shall remain in effect in accordance with its terms.

SECTION 6.03 Further Actions; Regulatory Approvals; Required Actions.

(a) Subject to the terms and conditions of this Agreement, each of the Parties shall use its respective reasonable best efforts to take, or cause to be taken, all actions, and do, or cause to be done, and assist and cooperate with the other Parties in doing, all things necessary to cause the conditions to the Closing set forth in Article VII to be satisfied as promptly as reasonably practicable or to effect the Closing as promptly as reasonably practicable, including (i) making all necessary Filings with Governmental Entities or third parties, (ii) obtaining the Required Consents and all other third-party Consents that are necessary, proper or advisable to consummate the Mergers, (iii) obtaining the Required Statutory Approvals and all other Consents of Governmental Entities that are necessary, proper or advisable to consummate the Mergers and the other transactions contemplated hereby and (iv) executing and delivering any additional instruments that are necessary, proper or advisable to consummate the Mergers and the other transactions contemplated hereby. For the avoidance of doubt, any Filings made, or Consents or Required Statutory Approvals sought, obtained or denied based on the transactions contemplated by the Original Merger Agreement shall not be considered for any purposes of this Agreement, including Sections 6.03, 7.01(b), 7.01(c), 7.02(e) and 7.03(e), other than the Filings, Consents or Required Statutory Approvals set forth on Section 6.03 of the A&R GPE Disclosure Letter or that the Parties otherwise expressly agree are unaffected by the amendment and restatement of the Original Merger Agreement.

(b) In connection with and without limiting the generality of Section 6.03(a), each of GPE and Westar shall:

(i) make or cause to be made, in consultation and cooperation with the other, at a mutually agreeable time after the date of this Agreement, (1) an appropriate filing of a Notification and Report Form pursuant to the HSR Act relating to the Mergers, and (2) all other necessary Filings relating to the Mergers with other Governmental Entities under any other Antitrust Law;

(ii) make or cause to be made, as promptly as reasonably practicable after the date of this Agreement and in any event within sixty (60) days after the date of this Agreement, which may be extended by mutual agreement of the Parties, all necessary Filings with other Governmental Entities relating to the Mergers, including any such Filings necessary to obtain any Required Statutory Approval;

(iii) furnish to the other all assistance, cooperation and information reasonably required for any such Filing and in order to achieve the effects set forth in this Section 6.03;

(iv) unless prohibited by applicable Law or by a Governmental Entity, give the other reasonable prior notice of any such Filing and, to the extent reasonably practicable, of any communication with any Governmental Entity relating to the Mergers (including with respect to any of the actions referred to in this Section 6.03(b)) and, to the extent reasonably practicable, permit the other to review and discuss in advance, and consider in good faith the views of, and secure the participation of, the other in connection with any such Filing or communication;

(v) respond as promptly as reasonably practicable under the circumstances to any inquiries received from any Governmental Entity or any other authority enforcing applicable Antitrust Laws for additional information or documentation in connection with antitrust, competition or similar matters (including a “second request” under the HSR Act) and not extend any waiting period under the HSR Act or enter into any agreement with any such Governmental Entity or other authorities not to consummate the Mergers, except with the prior written consent of the other Party;

(vi) provide any information requested by any Governmental Entity in connection with any review or investigation of the transactions contemplated by this Agreement; and

(vii) unless prohibited by applicable Law or a Governmental Entity, to the extent reasonably practicable, (1) not participate in or attend any meeting or engage in any substantive conversation with any Governmental Entity in respect of the Mergers without the other Party, (2) to the extent reasonably practicable, give the other reasonable prior notice of any such meeting or conversation and, in the event one Party is prohibited by applicable Law or by the applicable Governmental Entity from participating in or attending any such meeting or engaging in any such

conversation, keep such Party apprised with respect thereto, (3) cooperate in the filing of any substantive memoranda, white papers, filings, correspondence or other written communications explaining or defending this Agreement or the Mergers, articulating any regulatory or competitive argument or responding to requests or objections made by any Governmental Entity and (4) furnish the other Party with copies of all substantive correspondence, Filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and any Governmental Entity or members of any Governmental Entity's staff, on the other hand, with respect to this Agreement or the Mergers; provided that the Parties shall be permitted to redact any correspondence, Filing or communication to the extent such correspondence, Filing or communication contains commercially sensitive information.

(c) Neither GPE nor Westar shall, and each shall cause its Affiliates not to, take any action, including acquiring any asset, property, business or Person (by way of merger, consolidation, share exchange, investment, other business combination, asset, stock or equity purchase, or otherwise), that could reasonably be expected to materially increase the risk of not obtaining or making any Consent or Filing contemplated by this Section 6.03 or the timely receipt thereof. In furtherance of and without limiting any of GPE's or Westar's covenants and agreements under this Section 6.03, each of GPE and Westar shall use its reasonable best efforts to avoid or eliminate each and every impediment that may be asserted by a Governmental Entity pursuant to any Antitrust Law with respect to the Mergers or in connection with granting any Required Statutory Approval so as to enable the Closing to occur as soon as reasonably possible, which such reasonable best efforts shall include the following:

(i) defending through litigation on the merits, including appeals, any Claim asserted in any court or other proceeding by any Person, including any Governmental Entity, that seeks to or could prevent or prohibit or impede, interfere with or delay the consummation of the Closing;

(ii) proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, licensing or disposition of any assets or businesses of GPE or its Affiliates or Westar or the Westar Subsidiaries, including entering into customary ancillary agreements on commercially reasonable terms relating to any such sale, divestiture, licensing or disposition;

(iii) agreeing to any limitation on the conduct of GPE, Westar or their respective Affiliates (including, after the Closing, Holdco and its Affiliates); and

(iv) agreeing to take any other action as may be required by a Governmental Entity in order to effect each of the following: (1) obtaining all Required Statutory Approvals as soon as reasonably possible and in any event before the End Date, (2) avoiding the entry of, or having vacated, lifted, dissolved, reversed or overturned any Judgment, whether temporary, preliminary or permanent, that is in effect that prohibits, prevents or restricts consummation of, or

impedes, interferes with or delays, the Closing and (3) effecting the expiration or termination of any waiting period, which would otherwise have the effect of preventing, prohibiting or restricting consummation of the Closing or impeding, interfering with or delaying the Closing;

provided that, notwithstanding anything else contained in this Agreement, the provisions of this Section 6.03 shall not be construed to (i) require GPE, Westar, Holdco, Merger Sub, any GPE Subsidiary or any Westar Subsidiary or (ii) permit GPE, any GPE Subsidiary, Westar or any Westar Subsidiary without the prior written consent of the other Party, to undertake any efforts or take any action (including accepting any terms, conditions, liabilities, obligations, commitments, sanctions or other measures and proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, licensing or disposition of assets or businesses of GPE or Westar or their respective Subsidiaries) if the taking of such efforts or action, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

SECTION 6.04 Transaction Litigation. Each of Westar and GPE shall promptly notify the other Party of any shareholder litigation arising from this Agreement or the Mergers that is brought against Westar or GPE or members of the Westar Board or the GPE Board (“Transaction Litigation”). Each of Westar and GPE shall reasonably consult with the other Party with respect to the defense or settlement of any Transaction Litigation and shall not settle any Transaction Litigation without the other Party’s consent (not to be unreasonably withheld, conditioned or delayed).

SECTION 6.05 Section 16 Matters. Prior to the Effective Time, each of Westar and GPE shall take all such steps as may be required to cause any dispositions of Westar Common Stock and GPE Common Stock (including derivative securities with respect to Westar Common Stock and GPE Common Stock) directly resulting from the Mergers by each individual who will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Westar and GPE immediately prior to the Effective Time to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 6.06 Post-Merger Governance.

(a) Board Matters. GPE, Westar and Holdco shall take all necessary corporate action to cause the following to occur as of the Effective Time:

(i) the number of directors constituting the Holdco Board as of the Effective Time to be mutually determined by GPE and Westar prior to the Effective Time;

(ii) the Holdco Board as of the Effective Time to be composed of an equal number of directors designated by each of GPE and Westar prior to the Effective Time (such individuals, the “GPE Designees” and the “Westar Designees”, as applicable), subject to such individuals’ ability and willingness to serve; and

(iii) the committees of the Holdco Board shall be as set forth in Exhibit B hereto, and the chairpersons of each such committee shall be designated in accordance with the provisions of Exhibit B hereto, subject to such individuals' ability and willingness to serve.

In the event that, before the Effective Time, any GPE Designee or any Westar Designee becomes unable or unwilling to serve as a director on the Holdco Board, or as a chairperson of a committee or as lead independent director, a replacement for such designee shall be determined in accordance with the provisions of Exhibit B hereto.

(b) Chairman of the Board; President and Chief Executive Officer; Executive Officers. Subject to such individuals' ability and willingness to so serve, Holdco shall take all necessary corporate action so that the individual identified on Exhibit B and designated as Holdco Chairman of the Board, and the individuals identified on Exhibit C and designated as President and Chief Executive Officer and other senior executive officer positions specified on such Exhibit C shall hold such designated positions as of the Effective Time as specified thereon. If, before the Effective Time, any such Person is unable or unwilling to serve as an officer of Holdco in the capacity set forth on Exhibit C, a replacement for such Person shall be determined in accordance with the provisions of Exhibit C hereto.

(c) Headquarters. From and after the Effective Time, (i) Holdco will have its corporate headquarters in Kansas City, Missouri and (ii) Holdco shall cause its utility operating headquarters to be located in Topeka, Kansas and Kansas City, Missouri.

(d) Holdco Organizational Documents. GPE and Holdco shall take all actions necessary so that (i) at or prior to the Effective Time, the articles of incorporation of Holdco shall be amended and restated so that, at the Effective Time, such articles of incorporation shall read in their entirety substantially in the form attached hereto as Exhibit D (the "Holdco Restated Articles") and (ii) at or prior to the Effective Time, the bylaws of Holdco shall be amended and restated so that, at the Effective Time, such bylaws shall read in their entirety substantially in the form attached hereto as Exhibit E (the "Holdco Restated Bylaws").

(e) Name. GPE and Westar agree to use their commercially reasonable efforts acting in good faith to agree on a new name and ticker symbol for Holdco prior to the Closing.

(f) Community Support. The Parties agree that provision of charitable contributions and community support in their respective service areas serves a number of their important corporate goals. From and after the Effective Time, Holdco and its subsidiaries taken as a whole intend to continue to provide charitable contributions and community support within the service areas of the Parties and each of their respective subsidiaries in each service area at levels substantially comparable to the levels of charitable contributions and community support provided, directly or indirectly, by GPE and Westar within their respective service areas prior to the Effective Time.

(g) KCC and MPSC Applications. Westar, GPE, Holdco and Merger Sub agree (i) that the applications submitted to the KCC and the MPSC with respect to the Mergers shall include the information concerning the Mergers, Westar, GPE, Holdco and Merger Sub required by the laws of the State of Kansas and the State of Missouri, (ii) to include specific commitments and agreements in such application to implement the principles set forth in Exhibit F hereto, and (iii) that the initial applications submitted to the KCC and the MPSC with respect to the Mergers and any amendment thereto shall only include such other agreements or commitments as agreed to by Westar, GPE, Holdco and Merger Sub, in each case, whose consent to any such agreements or commitments shall not be unreasonably withheld, conditioned or delayed. Westar agrees that it will not agree to, or accept, any additional or different agreements, commitments or conditions in connection with the Mergers pursuant to any settlement or otherwise with the staff of the KCC or any other Person without the prior written consent of GPE, which consent shall not be unreasonably withheld, conditioned or delayed. GPE agrees that it will not agree to, or accept, any additional or different agreements, commitments or conditions in connection with the Mergers pursuant to any settlement or otherwise with the staff of the MPSC or any other Person without the prior written consent of Westar, which consent shall not be unreasonably withheld, conditioned or delayed.

SECTION 6.07 Public Announcements. Except with respect to (a) a Westar Adverse Recommendation Change, a Westar Recommendation Change Notice, a Westar Takeover Proposal, a Superior Westar Proposal or any matter related to any of the foregoing, (b) a GPE Adverse Recommendation Change, a GPE Recommendation Change Notice, a GPE Takeover Proposal, a Superior GPE Proposal or any matter related to any of the foregoing, (c) any dispute between or among the Parties regarding this Agreement or the transactions contemplated hereby, and (d) a press release or other public statement that is consistent in all material respects with previous press releases, public disclosures or public statements made by a Party in accordance with this Agreement, including in investor conference calls, SEC Filings, Q&As or other publicly disclosed documents, in each case under this clause (d), to the extent such disclosure is still accurate, GPE and Westar shall consult with each other before issuing, and give each other the reasonable opportunity to review and comment upon, any press release or other written public statement with respect to this Agreement or the transactions contemplated hereby, including the Mergers, and shall not issue any such press release or make any such written public statement prior to such consultation, except as such Party reasonably concludes (based upon advice of its outside legal counsel) may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system. Westar and GPE agree that the initial press release to be issued with respect to this Agreement or Mergers shall be in a form agreed to by the Parties. Nothing in this Section 6.07 shall limit the ability of any Party to make internal announcements to its respective employees that are consistent in all material respects with the prior public disclosures regarding the transactions contemplated by this Agreement.

SECTION 6.08 Fees, Costs and Expenses. Except as provided otherwise in this Agreement, including Section 8.02(b), all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such fees, costs or expenses, whether or not the Closing occurs.

SECTION 6.09 Indemnification, Exculpation and Insurance.

(a) Holdco agrees that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of the current or former directors, officers or employees of Westar, the Westar Subsidiaries, GPE and the GPE Subsidiaries as provided in their respective Organization Documents and any indemnification or other similar Contracts of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary, in each case, as in effect on the date of this Agreement, shall continue in full force and effect in accordance with their terms (it being agreed that after the Closing such rights shall be mandatory rather than permissive, if applicable), and Holdco shall cause the Westar Surviving Corporation and the Westar Subsidiaries to perform their respective obligations thereunder. Without limiting the foregoing, from and after the Effective Time, Holdco agrees that it will indemnify and hold harmless each individual who is as of the date of this Agreement, or who becomes prior to the Effective Time, a director, officer or employee of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary or who is as of the date of this Agreement, or who thereafter commences prior to the Effective Time, serving at the request of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary as a director, officer or employee of another Person (the “Indemnified Parties”), against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys’ fees and disbursements, incurred in connection with any Claim, whether civil, criminal, administrative or investigative (including with respect to matters existing or occurring at or prior to the Effective Time (including this Agreement and the transactions and actions contemplated hereby)), arising out of or pertaining to the fact that the Indemnified Party is or was a director, officer or employee of Westar, any Westar Subsidiary, GPE, any GPE Subsidiary or is or was serving at the request of Westar, any Westar Subsidiary, GPE or any GPE Subsidiary as a director, officer or employee of another Person, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent permitted under applicable Law. In the event of any Claim covered under this Section 6.09, (i) each Indemnified Party will be entitled to advancement of expenses incurred in the defense of any such Claim from Holdco; provided that any Person to whom expenses are advanced provides an undertaking, if and only to the extent required by applicable Law or Holdco’s Organizational Documents, to repay such advances if it is ultimately determined by final adjudication that such person is not entitled to indemnification and (ii) Holdco shall cooperate in good faith in the defense of any such matter.

(b) In the event that Holdco or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, Holdco shall cause proper provision to be made so that the successors and assigns of Holdco assume the covenants and agreements set forth in this Section 6.09.

(c) For a period of six (6) years from and after the Effective Time, Holdco shall either cause to be maintained in effect the current policies of directors’ and officers’ liability insurance and fiduciary liability insurance maintained by Westar, the Westar Subsidiaries, GPE or the GPE Subsidiaries or provide substitute policies for Westar, GPE

and their respective current and former directors and officers who are currently covered by the directors' and officers' and fiduciary liability insurance coverage currently maintained by Westar and GPE, in either case, of not less than the existing coverage and having other terms not materially less favorable to the insured persons than the directors' and officers' liability insurance and fiduciary liability insurance coverage currently maintained by Westar and GPE with respect to claims arising from facts or events that occurred on or before the Effective Time (with insurance carriers having at least an "A" rating by A.M. Best with respect to directors' and officers' liability insurance and fiduciary liability insurance), except that in no event shall Holdco be required to pay with respect to such insurance policies in respect of any one policy year more than 300% of the aggregate annual premium most recently paid by Westar or GPE prior to the date of this Agreement (the "Maximum Amount"), and if Holdco is unable to obtain the insurance required by this Section 6.09(c) it shall obtain as much comparable insurance as possible for the years within such six (6) year period for an annual premium equal to the Maximum Amount, in respect of each policy year within such period. In lieu of such insurance, prior to the Closing Date Westar may, at its option, purchase a "tail" directors' and officers' liability insurance policy and fiduciary liability insurance policy for Westar, GPE and their respective current and former directors, officers and employees who are currently covered by the directors' and officers' and fiduciary liability insurance coverage currently maintained by Westar and GPE, such tail to provide coverage in an amount not less than the existing coverage and to have other terms not materially less favorable to the insured persons than the directors' and officers' liability insurance and fiduciary liability insurance coverage currently maintained by Westar and GPE with respect to claims arising from facts or events that occurred on or before the Effective Time for a period of not less than six (6) years; provided that in no event shall the cost of any such tail policy in respect of any one policy year exceed the Maximum Amount. Holdco shall maintain such policies in full force and effect, and continue to honor the obligations thereunder.

(d) The provisions of this Section 6.09 (i) shall survive consummation of the Mergers, (ii) are intended to be for the benefit of, and will be enforceable by, each indemnified or insured party (including the Indemnified Parties), his or her heirs and his or her representatives and (iii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise.

SECTION 6.10 Employee Matters.

(a) During the period commencing at the Effective Time and ending on the two (2) year anniversary of the Effective Time (the "Continuation Period"), Holdco shall, and shall cause the Westar Surviving Corporation to, provide each individual who is employed by Westar or a Westar Subsidiary immediately prior to the Effective Time and who remains employed thereafter by the Westar Surviving Corporation, Holdco or any of their Subsidiaries (each, a "Westar Employee") who is not a Westar Represented Employee (as defined in Section 6.10(b)) with (i) a base salary or wage rate that is no less favorable than that provided to the Westar Employee immediately prior to the Effective Time, (ii) aggregate incentive compensation opportunities that are substantially comparable, in the aggregate, to those provided to the Westar Employee immediately prior to the Effective Time and (iii) employee benefits that are substantially comparable, in the aggregate, to

those provided to the Westar Employee immediately prior to the Effective Time. During the Continuation Period, Holdco shall, and shall cause the Westar Surviving Corporation to, provide each Westar Employee who experiences a termination of employment with the Westar Surviving Corporation, Holdco or any of their Subsidiaries severance benefits that are no less favorable than those set forth in Section 6.10(a)(1) of the A&R Westar Disclosure Letter. During the two (2) year period following the Closing Date, subject to Section 6.10(e)(ii), Holdco shall, or shall cause the Westar Surviving Corporation to, treat retirees of Westar and its Subsidiaries with respect to the provision of post-retirement welfare benefits no less favorably than similarly situated retirees of Holdco and its Subsidiaries. Except as provided on Section 6.10(a)(2) of the A&R Westar Disclosure Letter, as soon as practicable following the end of the fiscal year in which the Effective Time occurs, Holdco shall, or shall cause the Westar Surviving Corporation to, pay each Westar Employee who remains employed with the Westar Surviving Corporation, Holdco or any of their Subsidiaries through the applicable payment date an annual cash bonus for such fiscal year in an amount determined based on the level of attainment of the applicable performance criteria under the bonus plan in which such Westar Employee participated as of immediately prior to the Effective Time.

(b) With respect to each Westar Employee who is covered by a Westar Union Contract (each, a “Westar Represented Employee”), Holdco shall, and shall cause the Westar Surviving Corporation to, continue to honor the Westar Union Contracts, in each case as in effect at the Effective Time, in accordance with their terms (it being understood that this sentence shall not be construed to limit the ability of Holdco or the Westar Surviving Corporation to amend or terminate any such Westar Union Contract, to the extent permitted by the terms of the applicable Westar Union Contract and applicable Law). The provisions of this Section 6.10 shall be subject to any applicable provisions of the Westar Union Contracts and applicable Law in respect of such Westar Represented Employee, to the extent the provisions of this Section 6.10 are inconsistent with or otherwise in conflict with the provisions of any such Westar Union Contract or applicable Law. Prior to the Closing Date, Westar shall provide, to the extent required by applicable Law, sufficient advance notice of the transactions contemplated hereby to any unions that are party to a Westar Union Contract, and, in response to a request from any such union to engage in bargaining over the effect of the transactions contemplated hereby, shall engage in meaningful, good-faith bargaining, to the extent required by applicable Law.

(c) At the Effective Time, Holdco shall, or shall cause the Westar Surviving Corporation to, assume and honor in accordance with their terms all of Westar’s and all of the Westar Subsidiaries’ employment, severance, retention, termination and change-in-control plans, policies, programs, agreements and arrangements (including any change-in-control severance agreement or other arrangement between Westar and any Westar Employee) maintained by Westar or any Westar Subsidiary, in each case, as in effect at the Effective Time, including with respect to any payments, benefits or rights arising as a result of the Mergers (either alone or in combination with any other event), it being understood that this sentence shall not be construed to limit the ability of Holdco or the Westar Surviving Corporation to amend or terminate any such plans, policies, programs, agreements, or arrangements, to the extent permitted by the terms of the applicable plan, policy, program, agreement or arrangement and applicable Law. For purposes of any

Westar Benefit Plan or Westar Benefit Agreement containing a definition of “change in control,” “change of control” or similar term that relates to a transaction at the level of Westar, the Closing shall be deemed to constitute a “change in control,” “change of control” or such similar term.

(d) At the Effective Time, Holdco shall, or shall cause a GPE Subsidiary to, assume and honor in accordance with their terms all of GPE’s and all of the GPE Subsidiaries’ employment, severance, retention, termination and change-in-control plans, policies, programs, agreements and arrangements (including any change-in-control severance agreement or other arrangement between GPE and any individual who is employed by GPE or a GPE Subsidiary immediately prior to the Effective Time and who remains employed thereafter by Holdco or any of its Subsidiaries) maintained by GPE or any GPE Subsidiary, in each case, as in effect at the Effective Time, including with respect to any payments, benefits or rights arising as a result of the Mergers (either alone or in combination with any other event), it being understood that this sentence shall not be construed to limit the ability of Holdco or any GPE Subsidiary to amend or terminate any such plans, policies, programs, agreements, or arrangements, to the extent permitted by the terms of the applicable plan, policy, program, agreement or arrangement and applicable Law. For purposes of any GPE Benefit Plan or GPE Benefit Agreement containing a definition of “change in control,” “change of control” or similar term that relates to a transaction at the level of GPE, the Closing shall be deemed to constitute a “change in control,” “change of control” or such similar term.

(e) With respect to all employee benefit plans of Holdco, the Westar Surviving Corporation or any of their Subsidiaries, including any “employee benefit plan” (as defined in Section 3(3) of ERISA) (including any vacation, paid time-off and severance plans), each Westar Employee’s service with Westar or any Westar Subsidiary (as well as service with any predecessor employer of Westar or any such Westar Subsidiary, to the extent service with the predecessor employer was recognized by Westar or such Westar Subsidiary and is accurately reflected within a Westar Employee’s records) shall be treated as service with Holdco, the Westar Surviving Corporation or any of their Subsidiaries for all purposes, including determining eligibility to participate, level of benefits, vesting and benefit accruals, except (i) to the extent that such service was not recognized under the corresponding Westar Benefit Plan immediately prior to the Effective Time, (ii) for purposes of any defined benefit retirement plan, any retiree welfare benefit plan, any grandfathered or frozen plan or any plan under which similarly situated employees of Holdco and its Subsidiaries do not receive credit for prior service or (iii) to the extent that such recognition would result in any duplication of benefits for the same period of service.

(f) Holdco shall, and shall cause the Westar Surviving Corporation to, use commercially reasonable efforts to waive, or cause to be waived, any pre-existing condition limitations, exclusions, actively at work requirements and waiting periods under any welfare benefit plan maintained by Holdco, the Westar Surviving Corporation or any of their Subsidiaries in which Westar Employees (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods would not have been satisfied or waived under the corresponding Westar Benefit

Plan immediately prior to the Effective Time. Holdco shall, or shall cause the Westar Surviving Corporation to, use commercially reasonable efforts to recognize the dollar amount of all co-payments, deductibles and similar expenses incurred by each Westar Employee (and his or her eligible dependents) during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time.

(g) Notwithstanding anything to the contrary herein, the provisions of this Section 6.10 are solely for the benefit of the parties to this Agreement, and no provision of this Section 6.10 is intended to, or shall, constitute the establishment or adoption of or an amendment to any employee benefit plan for purposes of ERISA or otherwise and no Westar Personnel or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Agreement or have the right to enforce the provisions hereof including in respect of continued employment (or resumed employment). Nothing contained herein shall alter the at-will employment relationship of any Westar Employee.

SECTION 6.11 Holdco; Merger Sub.

(a) Prior to the Effective Time, neither Holdco nor Merger Sub shall engage in any activity of any nature except for activities related to or in furtherance of the Mergers.

(b) GPE hereby (i) guarantees the due, prompt and faithful payment performance and discharge by Holdco and Merger Sub of, and compliance by Holdco and Merger Sub with, all of the covenants and agreements of Holdco and Merger Sub under this Agreement and (ii) agrees to take all actions necessary, proper or advisable to ensure such payment, performance and discharge by Holdco and Merger Sub hereunder.

SECTION 6.12 Takeover Statutes. If any Takeover Statute or similar statute or regulation becomes applicable to this Agreement or the Mergers, Westar and the Westar Board and GPE and the GPE Board shall use reasonable best efforts to grant such approvals and take such actions to ensure that the Mergers may be consummated as promptly as practicable on the terms contemplated by this Agreement.

SECTION 6.13 Stock Exchange Listing. Holdco shall use reasonable best efforts to cause the shares of Holdco Common Stock to be issued in the Mergers to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Closing. Each of Westar and GPE shall use its reasonable best efforts to cooperate with Holdco in connection with the foregoing, including by providing information reasonably requested by Holdco in connection therewith.

SECTION 6.14 Redemption of GPE Preference Stock. Prior to the Closing, GPE shall redeem all of the issued and outstanding shares of GPE Preference Stock pursuant to Section 13 of the Certificate of Designations for the GPE Preference Stock.

SECTION 6.15 Further Assurances. It may be preferable to effectuate a business combination between GPE and Westar by means of an alternative structure in light of the conditions set forth in Section 7.01(b), Section 7.02(e) and Section 7.03(e). Accordingly, if the

only conditions to the parties' obligations to consummate the Mergers that are not satisfied or waived are receipt of any one or more of the Westar Required Consents, GPE Required Consents, and the Required Statutory Approvals, and the adoption of an alternative structure (that otherwise substantially preserves for GPE and Westar the economic benefits of the Mergers without adversely affecting either GPE or Westar in any material respect) would result in such conditions being satisfied or waived, then the Parties shall use their respective commercially reasonable efforts to effect a business combination among themselves by means of a mutually agreed upon structure other than the Mergers that so preserves such benefits without adversely affecting either GPE or Westar in any material respect; provided that prior to closing any such restructured transaction, all third party and Governmental Authority declarations, filings, registrations, notices, authorizations, consents or approvals necessary for the effectuation of such alternative business combination shall have been obtained and all other conditions to the Parties' obligations to consummate the Mergers, as applied to such alternative business combination, shall have been satisfied or waived.

ARTICLE VII

CONDITIONS PRECEDENT

SECTION 7.01 Conditions to Each Party's Obligation to Effect the Transactions.

(c) No Legal Restraints. No Law and no Judgment, whether preliminary, temporary or permanent, shall be in effect that prevents, makes illegal or prohibits the consummation of the Mergers (any such Law or Judgment, a "Legal Restraint").

(d) Listing. The shares of Holdco Common Stock issuable in the Mergers shall have been approved for listing on the NYSE, subject to official notice of issuance.

(e) Form S-4. The Form S-4 shall have become effective under the Securities Act and shall not be subject of any stop order or proceeding seeking a stop order, and

(a) Representations and Warranties. (i) The representations and warranties of GPE, Holdco and Merger Sub contained herein (except for the representations and warranties contained in Section 4.03, Section 4.04 and Section 4.07(b)) shall be true and correct (without giving effect to any limitation as to “materiality” or “GPE Material Adverse Effect” set forth therein) at and as of the Effective Time as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct (without giving effect to any limitation as to “materiality” or “GPE Material Adverse Effect” set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to have a GPE Material Adverse Effect, (ii) the representations and warranties of GPE, Holdco and Merger Sub contained in Section 4.03 and Section 4.04 shall be true and correct at and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct would be de minimis, and (iii) the representations and warranties of GPE contained in Section 4.07(b) shall be true and correct in all respects at and as of the Closing as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Performance of Covenants and Agreements of GPE, Holdco and Merger Sub. GPE, Holdco and Merger Sub shall have performed in all material respects all covenants and agreements required to be performed by them under this Agreement at or prior to the Closing.

(c) Absence of GPE Material Adverse Effect. Since the date of this Agreement, no fact, circumstance, effect, change, event or development that, individually or in the aggregate, has had or would reasonably be expected to have a GPE Material Adverse Effect shall have occurred and be continuing.

Westar shall have received a certificate signed on behalf of each of GPE, Holdco and Merger Sub by an executive officer of GPE, Holdco and Merger Sub, respectively, certifying the satisfaction by GPE, Holdco and Merger Sub of the conditions set forth in Section 7.02(a), Section 7.02(b) and Section 7.02(c).

(e) Regulatory Approvals. The Final Orders referred to in Section 7.01(b) shall not include or impose any undertaking, term, condition, liability, obligation, commitment, sanction or other measure that, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

(f) Tax Opinion. Westar shall have received an opinion of Baker Botts L.L.P., in form and substance satisfactory to Westar, dated the Closing Date, which opinion may be based on appropriate representations of GPE, Westar and Holdco that are in form and substance reasonably satisfactory to such counsel, to the effect that (i) the Westar Merger, taken together with the GPE Merger, will be treated as a nontaxable exchange described in Code Section 351 and/or (ii) the Westar Merger will be treated as a nontaxable reorganization described in Code Section 368.

(g) GPE Preference Stock. As of the Effective Time, there shall be no shares of GPE Preference Stock outstanding.

(h) Cash or Cash Equivalents. As of the Effective Time, GPE shall have not less than \$1.25 billion in cash or cash equivalents on its balance sheet, excluding the proceeds of any Indebtedness issued outside of the ordinary course of business.

SECTION 7.03 Conditions to Obligations of GPE. The obligations of GPE to consummate the GPE Merger are further subject to the satisfaction or waiver (by GPE) at or prior to the Closing of the following conditions:

(a) Representations and Warranties. (i) The representations and warranties of Westar contained herein (except for the representations and warranties contained in Section 3.03, Section 3.04 and Section 3.07(b)) shall be true and correct (without giving effect to any limitation as to “materiality” or “Westar Material Adverse Effect” set forth therein) at and as of the Effective Time as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct (without giving effect to any limitation as to “materiality” or “Westar Material Adverse Effect” set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to have a Westar Material Adverse Effect, (ii) the representations and warranties of Westar contained in Section 3.03 and Section 3.04 shall be true and correct at and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of any such representation or warranty to be true and correct would be de minimis, and (iii) the representations and warranties of Westar contained in Section 3.07(b) shall be true and correct in all respects at and as of the Closing as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Performance of Covenants and Agreements of Westar. Westar shall have performed in all material respects all covenants and agreements required to be performed by it under this Agreement at or prior to the Closing.

(c) Absence of Westar Material Adverse Effect. Since the date of this Agreement, no fact, circumstance, effect, change, event or development that, individually or in the aggregate, has had or would reasonably be expected to have a Westar Material Adverse Effect shall have occurred and be continuing.

(d) Officer's Certificate. GPE shall have received a certificate signed on behalf of Westar by an executive officer of Westar certifying the satisfaction by Westar of the conditions set forth in Section 7.03(a), Section 7.03(b) and Section 7.03(c).

(e) Regulatory Approvals. The Final Orders referred to in Section 7.01(b) shall not include or impose any undertaking, term, condition, liability, obligation, commitment, sanction or other measure that, individually or in the aggregate, has resulted or would reasonably be expected to result in a Regulatory Material Adverse Effect.

(f) Tax Opinion. GPE shall have received an opinion of Bracewell LLP, in form and substance satisfactory to GPE, dated the Closing Date, which opinion may be based on appropriate representations of GPE, Westar and Holdco that are in form and substance reasonably satisfactory to such counsel, to the effect that the GPE Merger will be treated as a reorganization described in Code Section 368(a).

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01 Termination Rights.

(a) Termination by Mutual Consent. Westar and GPE shall have the right to terminate this Agreement at any time prior to the Effective Time, whether before or after receipt of the Westar Shareholder Approval or GPE Shareholder Approval, by mutual written consent.

(b) Termination by Either Westar or GPE. Each of Westar and GPE shall have the right to terminate this Agreement, at any time prior to the Effective Time, whether before or after the receipt of the Westar Shareholder Approval or GPE Shareholder Approval, if:

(i) the Closing shall not have occurred by 5:00 p.m. New York City time on the date that is twelve (12) months from the date hereof (the "End Date"); provided that if, prior to the End Date, all of the conditions to the Closing set forth in Article VII have been satisfied or waived, as applicable, or shall then be capable of being satisfied (except for any conditions set forth in Section 7.01(b), Section 7.01(c), Section 7.02(e), Section 7.03(e) and those conditions that by their nature are to be satisfied at the Closing), either Westar or GPE may, prior to 5:00 p.m. New York City time on the End Date, extend the End Date to a date that is six (6) months after the End Date (and if so extended, such later date being the End Date); provided, further, that neither Westar nor GPE may terminate this Agreement or extend the End Date pursuant to this Section 8.01(b)(i) if it is in breach of any of its covenants or agreements and such breach has caused or resulted in either (1) the failure to satisfy the conditions to its obligations to consummate the Mergers set forth in Article VII prior to the End Date or (2) the failure of the Closing to have occurred prior to the End Date;

(ii) the condition set forth in Section 7.01(c) is not satisfied and the Legal Restraint giving rise to such nonsatisfaction has become final and nonappealable; provided, however, that the right to terminate this Agreement under this Section 8.01(b)(ii) shall not be available to any Party if such failure to satisfy the condition set forth in Section 7.01(c) is the result of a failure of such Party to comply with its obligations pursuant to Section 6.03;

(iii) the Westar Shareholder Approval is not obtained at the Westar Shareholders Meeting duly convened (unless such Westar Shareholders Meeting has been adjourned, in which case at the final adjournment thereof); or

(iv) the GPE Shareholder Approval is not obtained at the GPE Shareholders Meeting duly convened (unless such GPE Shareholders Meeting has been adjourned, in which case at the final adjournment thereof).

(c) Termination by Westar. Westar shall have the right to terminate this Agreement:

(i) in the event that the Westar Board has made a Westar Adverse Recommendation Change with respect to a Superior Westar Proposal and shall have approved, and concurrently with the termination hereunder, Westar shall have entered into, a Westar Acquisition Agreement providing for the implementation of such Superior Westar Proposal, so long as (1) Westar has complied in all material respects with its obligations under Section 5.04(c) and (2) Westar prior to or concurrently with such termination pays to GPE the Westar Termination Fee in accordance with Section 8.02(b)(i) and the termination pursuant to this Section 8.01(c)(i) shall not be effective and Westar shall not enter into any such Westar Acquisition Agreement until GPE is in receipt of the Westar Termination Fee; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(i) after the Westar Shareholder Approval is obtained at the Westar Shareholders Meeting;

(ii) if GPE, Holdco or Merger Sub breaches or fails to perform any of its covenants or agreements contained herein, or if any of the representations or warranties of GPE, Holdco or Merger Sub contained herein fails to be true and correct, which breach or failure to perform (1) would give rise to the failure of a condition set forth in Section 7.02(a) or Section 7.02(b), as applicable, and (2) is not reasonably capable of being cured by GPE by the End Date (as it may be extended pursuant to Section 8.01(b)(i)) or is not cured by GPE within thirty (30) days after receiving written notice from Westar of such breach or failure; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(ii) if Westar is then in breach of any covenant or agreement contained herein or any representation or warranty of Westar contained herein then fails to be true and correct such that the conditions set forth in Section 7.03(a) or Section 7.03(b), as applicable, could not then be satisfied;

(iii) if (1) all of the conditions set forth in Section 7.01, Section 7.02 and Section 7.03 have been satisfied or waived in accordance with this Agreement as of the date that the Closing should have been consummated pursuant to Section 1.03 (except for those conditions that by their terms are to be satisfied at the Closing), (2) GPE does not comply with its obligations under this Agreement to complete the Closing on the day that the Closing should have been consummated pursuant to Section 1.03, and (3) GPE fails to comply with its obligations under this Agreement to consummate the Closing within five (5) Business Days following its receipt of written notice from Westar requesting such consummation; or

(iv) in the event that the GPE Board or a committee thereof has made a GPE Adverse Recommendation Change; provided, however, that Westar shall not have the right to terminate this Agreement under this Section 8.01(c)(iv) after the GPE Shareholder Approval is obtained at the GPE Shareholders Meeting.

(d) Termination by GPE. GPE shall have the right to terminate this Agreement:

(i) in the event that the Westar Board or a committee thereof has made a Westar Adverse Recommendation Change; provided, however, that GPE shall not have the right to terminate this Agreement under this Section 8.01(d)(i) after the Westar Shareholder Approval is obtained at the Westar Shareholders Meeting;

(ii) if Westar breaches or fails to perform any of its covenants or agreements contained herein, or if any of the representations or warranties of Westar contained herein fails to be true and correct, which breach or failure to perform (1) would give rise to the failure of a condition set forth in Section 7.03(a) or Section 7.03(b), as applicable, and (2) is not reasonably capable of being cured by Westar by the End Date (as it may be extended pursuant to Section 8.01(b)(i)) or is not cured by Westar within thirty (30) days after receiving written notice from GPE of such breach or failure; provided, however, that GPE shall not have the right to terminate this Agreement under this Section 8.01(d)(ii) if GPE is then in breach of any covenant or agreement contained herein or any representation or warranty of GPE contained herein then fails to be true and correct such that the conditions set forth in Section 7.02(a) or Section 7.02(b), as applicable, could not then be satisfied;

(iii) in the event that the GPE Board has made a GPE Adverse Recommendation Change with respect to a Superior GPE Proposal and shall have approved, and concurrently with the termination hereunder, GPE shall have entered into, a GPE Acquisition Agreement providing for the implementation of such Superior GPE Proposal, so long as (1) GPE has complied in all material respects with its obligations under Section 5.05(c) and (2) GPE prior to or concurrently with such termination pays to Westar the GPE Fiduciary Out Termination Fee in accordance with Section 8.02(b)(iii) and the termination pursuant to this Section 8.01(d)(iii) shall not be effective and GPE shall not enter into any such GPE Acquisition Agreement until Westar is in receipt of the GPE Fiduciary Out Termination Fee; provided, however, that GPE shall not have the right to terminate

this Agreement under this Section 8.01(d)(iii) after the GPE Shareholder Approval is obtained at the GPE Shareholders Meeting; or

(iv) if (1) all of the conditions set forth in Section 7.01, Section 7.02 and Section 7.03 have been satisfied or waived in accordance with this Agreement as of the date that the Closing should have been consummated pursuant to Section 1.03 (except for those conditions that by their terms are to be satisfied at the Closing), (2) Westar does not comply with its obligations under this Agreement to complete the Closing on the day that the Closing should have been consummated pursuant to Section 1.03, and (3) Westar fails to comply with its obligations under this Agreement to consummate the Closing within five (5) Business Days following its receipt of written notice from GPE requesting such consummation.

SECTION 8.02 Effect of Termination; Termination Fees.

(a) In the event of termination of this Agreement by either GPE or Westar as provided in Section 8.01, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Westar or GPE (or any shareholder, Affiliate or Representative thereof), whether arising before or after such termination, based on, arising out of or relating to this Agreement or the negotiation, execution, performance or subject matter hereof (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity), except for (i) the last sentence of Section 6.02(a), the last sentence of Section 6.02(b), Section 6.08, this Section 8.02 and Article IX, which provisions shall survive such termination and (ii) subject to Section 8.02(d), liability of any Party (whether or not the terminating Party) for any Willful Breach of this Agreement prior to such termination but solely to the extent such liability arises out of a Willful Breach by such Party of any covenant or agreement set forth herein that gave rise to the failure of a condition set forth in Article VII. The liabilities described in the preceding sentence shall survive the termination of this Agreement.

(b) Termination Fees.

(i) If (1) (A) either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) and, at the time of such termination, any of the conditions set forth in Section 7.01(b), Section 7.02(e) or Section 7.03(e) or, in connection with the Required Statutory Approvals, Section 7.01(c) shall have not been satisfied, (B) either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(ii) (if, and only if, the applicable Legal Restraint giving rise to such termination arises in connection with the Required Statutory Approvals) or (C) Westar terminates this Agreement pursuant to Section 8.01(c)(ii) based on a failure by GPE to perform its covenants or agreements under Section 6.03, and in each case of the foregoing clauses (A), (B) and (C), at the time of such termination, all other conditions to the Closing set forth in Section 7.01(a), Section 7.03(a), Section 7.03(b) and Section 7.03(c) shall have been satisfied or waived (except for (I) those conditions that by their nature are to be satisfied at the Closing but which conditions would be satisfied or would be capable of being satisfied if the Closing Date were the date of such termination or (II) those conditions that have not been satisfied as a result of a

breach of this Agreement by GPE, Holdco or Merger Sub), or (2) Westar terminates this Agreement pursuant to Section 8.01(c)(iii), then GPE shall pay to Westar a fee of \$190,000,000 in cash (the “GPE Termination Fee”). GPE shall pay the GPE Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE or no later than three (3) Business Days after the date of the applicable termination by Westar.

(ii) If Westar terminates this Agreement pursuant to Section 8.01(c)(i) or GPE terminates this Agreement pursuant to Section 8.01(d)(i), Westar shall pay to GPE a fee of \$190,000,000 in cash (the “Westar Termination Fee”). Westar shall pay the Westar Termination Fee to GPE (to an account designated in writing by GPE) prior to or concurrently with such termination of this Agreement by Westar pursuant to Section 8.01(c)(i) or no later than three (3) Business Days after the date of such termination of this Agreement by GPE pursuant to Section 8.01(d)(i).

(iii) If GPE terminates this Agreement pursuant to Section 8.01(d)(iii) or Westar terminates this Agreement pursuant to Section 8.01(c)(iv), GPE shall pay to Westar a fee of \$190,000,000 in cash (the “GPE Fiduciary Out Termination Fee”). GPE shall pay the GPE Fiduciary Out Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE pursuant to Section 8.01(d)(iii) or no later than three (3) Business Days after the date of such termination of this Agreement by Westar pursuant to Section 8.01(c)(iv).

(iv) If (1) either (A) GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) or Section 8.01(b)(iii) or (B) GPE terminates this Agreement pursuant to Section 8.01(d)(ii), (2) a Westar Takeover Proposal shall have been publicly disclosed or made to Westar after the date hereof (x) in the case of a termination pursuant to Section 8.01(b)(i) or Section 8.01(d)(ii), prior to the date of such termination, or (y) in the case of a termination pursuant to Section 8.01(b)(iii), prior to the date of the Westar Shareholders Meeting, and (3) within twelve (12) months after the termination of this Agreement, Westar shall have entered into a Westar Acquisition Agreement which is subsequently consummated, or consummated a Westar Takeover Proposal, then Westar shall pay the Westar Termination Fee to GPE (to an account designated in writing by GPE) within three (3) Business Days after the earlier of the date Westar enters into such Westar Acquisition Agreement or consummates such Westar Takeover Proposal. For purposes of clause (3) of this Section 8.02(b)(iv), the term “Westar Takeover Proposal” shall have the meaning assigned to such term in Section 5.04, except that the applicable percentage in the definition of “Westar Takeover Proposal” shall be “50.1%” rather than “20% or more”.

(v) If (1) either (A) GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(i) or Section 8.01(b)(iv) or (B) Westar terminates this Agreement pursuant to Section 8.01(c)(ii), (2) a GPE Takeover Proposal shall have been publicly disclosed or made to GPE after the date hereof (x) in the case of a termination pursuant to Section 8.01(b)(i) or Section 8.01(c)(ii), prior to the date of

such termination, or (y) in the case of a termination pursuant to Section 8.01(b)(iv), prior to the date of the GPE Shareholders Meeting, and (3) within twelve (12) months after the termination of this Agreement, GPE shall have entered into a GPE Acquisition Agreement which is subsequently consummated, or consummated a GPE Takeover Proposal, then GPE shall pay the GPE Fiduciary Out Termination Fee to Westar (to an account designated in writing by Westar) within three (3) Business Days after the earlier of the date GPE enters into such GPE Acquisition Agreement or consummates such GPE Takeover Proposal. For purposes of clause (3) of this Section 8.02(b)(v), the term “GPE Takeover Proposal” shall have the meaning assigned to such term in Section 5.05, except that the applicable percentage in the definition of “GPE Takeover Proposal” shall be “50.1%” rather than “20% or more”.

(vi) If either GPE or Westar terminates this Agreement pursuant to Section 8.01(b)(iv) and no fee is then payable pursuant to Section 8.02(b)(i), Section 8.02(b)(iii) or Section 8.02(b)(v), then GPE shall pay to Westar a fee of \$80,000,000 in cash (the “GPE No Vote Termination Fee”). GPE shall pay the GPE No Vote Termination Fee to Westar (to an account designated in writing by Westar) prior to or concurrently with such termination of this Agreement by GPE pursuant to Section 8.01(b)(iv) or no later than three (3) Business Days after the date of such termination of this Agreement by Westar pursuant to Section 8.01(b)(iv).

(c) The Parties acknowledge that the agreements contained in Section 8.02(b) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement. If GPE fails to promptly pay an amount due pursuant to Section 8.02(b)(i), Section 8.02(b)(iii), Section 8.02(b)(v) or Section 8.02(b)(vi) or Westar fails to promptly pay an amount due pursuant to Section 8.02(b)(ii) or Section 8.02(b)(iv), and, in order to obtain such payment, GPE, on the one hand, or Westar, on the other hand, commences a Claim that results in a Judgment against Westar for the amount set forth in Section 8.02(b)(ii) or Section 8.02(b)(iv) or any portion thereof, or a Judgment against GPE for the amount set forth in Section 8.02(b)(i), Section 8.02(b)(iii), Section 8.02(b)(v), or Section 8.02(b)(vi) or any portion thereof, Westar shall pay to GPE, on the one hand, or GPE shall pay to Westar, on the other hand, its costs and expenses (including reasonable attorneys’ fees and the fees and expenses of any expert or consultant engaged by Westar) in connection with such Claim, together with interest on the amount of such payment from the date such payment was required to be made until the date of payment at the U.S. prime rate as quoted by The Wall Street Journal in effect on the date such payment was required to be made. Any amount payable pursuant to Section 8.02(b) shall be paid by the applicable Party by wire transfer of same-day funds prior to or on the date such payment is required to be made under Section 8.02(b).

(d) Without limiting the rights of Westar under Section 9.10 prior to the termination of this Agreement pursuant to Section 8.01, if this Agreement is terminated under circumstances in which GPE is obligated to pay the GPE Termination Fee under Section 8.02(b)(i) or the GPE Fiduciary Out Termination Fee under Section 8.02(b)(iii) or Section 8.02(b)(v) or the GPE No Vote Termination Fee under Section 8.02(b)(vi), except as otherwise contemplated by the last sentence of this Section 8.02(d), upon payment of

the GPE Termination Fee, the GPE Fiduciary Termination Fee or the GPE No Vote Termination Fee, as the case may be, and, if applicable, the costs and expenses of Westar pursuant to Section 8.02(c) in accordance herewith, GPE, GPE Subsidiaries and their respective Affiliates and Representatives shall have no further liability with respect to this Agreement or the transactions contemplated hereby to Westar, the holders of the Westar Common Stock, Holdco, Merger Sub or any of their respective Affiliates or Representatives, and payment of the applicable fee and such costs and expenses by GPE shall be the Westar's sole and exclusive remedy for any Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, suffered or incurred by Westar, the Westar Subsidiaries or any other Person in connection with this Agreement, the transactions contemplated hereby (and the termination thereof) or any matter forming the basis for such termination, and Westar shall not have, and expressly waives and relinquishes, any other right, remedy or recourse (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity); provided that, regardless of whether GPE pays or is obligated to pay the GPE Termination Fee, the GPE Fiduciary Out Termination Fee or the GPE No Vote Termination Fee, nothing in this Section 8.02(d) shall release GPE from liability for a Willful Breach of this Agreement. If this Agreement is terminated under circumstances in which Westar is obligated to pay the Westar Termination Fee under Section 8.02(b)(ii) or Section 8.02(b)(iv), upon payment of the Westar Termination Fee and, if applicable, the costs and expenses of GPE pursuant to Section 8.02(c) in accordance herewith, Westar shall have no further liability with respect to this Agreement or the transactions contemplated hereby to GPE, the holders of the GPE Common Stock, Holdco, Merger Sub or any of their respective Affiliates or Representatives, and payment of the Westar Termination Fee and such costs and expenses by Westar shall be GPE's sole and exclusive remedy for any Claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, suffered or incurred by GPE, GPE Subsidiaries and any other Person in connection with this Agreement, the transactions contemplated hereby (and the termination thereof) or any matter forming the basis for such termination, and GPE, Holdco and Merger Sub shall not have, and each expressly waives and relinquishes, any other right, remedy or recourse (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity); provided that, regardless of whether Westar pays or is obligated to pay the Westar Termination Fee, nothing in this Section 8.02(d) shall release Westar from liability for a Willful Breach of this Agreement. The Parties acknowledge and agree that (i) in no event shall Westar or GPE, as applicable, be required to pay the Westar Termination Fee, the GPE Termination Fee, the GPE Fiduciary Out Termination Fee or the GPE No Vote Termination Fee, as applicable, on more than one occasion, (ii) the GPE Fiduciary Out Termination Fee may become due and payable pursuant to Section 8.02(b)(v) after the prior payment of the GPE No Vote Termination Fee pursuant to Section 8.02(b)(vi), in which case GPE shall be obligated to pay an amount equal to the GPE Fiduciary Out Termination Fee less the amount of the GPE No Vote Fee previously paid and (iii) if a termination event occurs requiring GPE to pay a termination fee hereunder and at such time more than one right to terminate this Agreement is exercisable by the Parties, GPE shall be obligated to pay the largest termination fee that would be applicable without regard to which termination right was actually exercised (e.g., if termination

pursuant to Section 8.01(b)(iv) and Section 8.01(c)(iv) is permitted, GPE shall be obligated to pay the GPE Fiduciary Out Termination Fee even if GPE terminates this Agreement pursuant to Section 8.01(b)(iv)).

(e) For purposes of this Agreement, “Willful Breach” means a breach that is a consequence of a deliberate act or deliberate failure to act undertaken by the breaching Party with the Knowledge that the taking of, or failure to take, such act would, or would reasonably be expected to, cause or constitute a material breach of any covenants or agreements contained in this Agreement; provided that, without limiting the meaning of Willful Breach, the Parties acknowledge and agree that any failure by any Party to consummate the Mergers and the other transactions contemplated hereby after the applicable conditions to the Closing set forth in Article VII have been satisfied or waived (except for those conditions that by their nature are to be satisfied at the Closing, which conditions would be capable of being satisfied at the time of such failure to consummate the Mergers) shall constitute a Willful Breach of this Agreement.

SECTION 8.03 Amendment. This Agreement may be amended by the parties at any time before or after receipt of the Westar Shareholder Approval; provided, however, that (a) after receipt of the Westar Shareholder Approval, there shall be made no amendment that by Law requires further approval by the shareholders of Westar without the further approval of such shareholders, (b) no amendment shall be made to this Agreement after the Effective Time and (c) except as provided above, no amendment of this Agreement shall require the approval of the shareholders of GPE or the shareholders of Westar. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

SECTION 8.04 Extension; Waiver. At any time prior to the Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant to this Agreement, (c) subject to Section 8.03(a), waive compliance with any covenants and agreements contained herein or (d) waive the satisfaction of any of the conditions contained herein. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

SECTION 8.05 Procedure for Termination, Amendment, Extension or Waiver. A termination of this Agreement pursuant to Section 8.01, an amendment of this Agreement pursuant to Section 8.03 or an extension or waiver pursuant to Section 8.04 shall, in order to be effective, require, in the case of Westar, GPE, Holdco or Merger Sub, action by its respective board of directors or the duly authorized designee of its board of directors. Termination of this Agreement prior to the Effective Time shall not require the approval of the shareholders of any Party. The Party desiring to terminate this Agreement pursuant to Section 8.01 shall give written notice of such termination to the other Parties in accordance with Section 9.02, specifying the provision of this Agreement pursuant to which such termination is effected.

ARTICLE IX

GENERAL PROVISIONS

SECTION 9.01 Nonsurvival of Representations, Warranties, Covenants and Agreements; Contractual Nature of Representations and Warranties. None of the representations or warranties contained herein or in any instrument delivered pursuant to this Agreement shall survive, and all rights, Claims and causes of action (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity) with respect thereto shall terminate at the Effective Time. Except for any covenant or agreement that by its terms contemplates performance after the Effective Time, none of the covenants or agreements of the Parties contained herein shall survive, and all rights, Claims and causes of action (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity) with respect to such covenants and agreements shall terminate at, the Effective Time. SECTION 9.03 Definitions. For purposes of this Agreement, each capitalized term has the meaning given to it, or specified, in Exhibit A.

SECTION 9.04 Interpretation.

(a) Time Periods. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, (i) the date that is the reference date in calculating such period shall be excluded and (ii) if the last day of such period is a not a Business Day, the period in question shall end on the next succeeding Business Day.

(b) Dollars. Unless otherwise specifically indicated, any reference herein to \$ means U.S. dollars.

(c) Gender and Number. Any reference herein to gender shall include all genders, and words imparting the singular number only shall include the plural and vice versa.

(d) Articles, Sections and Headings. When a reference is made herein to an Article or a Section, such reference shall be to an Article or a Section of this Agreement unless otherwise indicated. The table of contents and headings contained herein are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(e) Include. Whenever the words “include”, “includes” or “including” are used herein, they shall be deemed to be followed by the words “without limitation.”

(f) Hereof. The words “hereof,” “hereto,” “hereby,” “herein” and “hereunder” and words of similar import when used herein shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(g) Extent. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

(h) Contracts; Laws. Any Contract or Law defined or referred to herein means such Contract or Law as from time to time amended, modified or supplemented, unless otherwise specifically indicated.

(i) Persons. References to a person are also to its permitted successors and assigns.

(j) Or. Unless otherwise specifically provided herein, the term “or” shall not be deemed to be exclusive.

(k) Exhibits and Disclosure Letters. The Exhibits to this Agreement and the Disclosure Letters are hereby incorporated and made a part hereof and are an integral part of this Agreement. Each of Westar and GPE may, at its option, include in the A&R Westar Disclosure Letter or the A&R GPE Disclosure Letter, respectively, items that are not material in order to avoid any misunderstanding, and such inclusion, or any references to dollar amounts herein or in the Disclosure Letters, shall not be deemed to be an acknowledgement or representation that such items are material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement or otherwise. Any matter set forth in any section of the Disclosure Letters shall be deemed to be referred to and incorporated in any section to which it is specifically referenced or cross-referenced and also in all other sections of the such Disclosure Letter to which such matter’s application or relevance is reasonably apparent on the face of such matter. Any capitalized term used in any Exhibit or any Disclosure Letter but not otherwise defined therein shall have the meaning given to such term herein.

(l) Reflected On or Set Forth In. An item arising with respect to a specific representation, warranty, covenant or agreement shall be deemed to be “reflected on” or

“set forth in” the Westar Financial Statements included in the Westar Reports, to the extent any such phrase appears in such representation, warranty, covenant or agreement if (i) there is a reserve, accrual or other similar item underlying a number on such balance sheet or financial statement reasonably related to the subject matter of such representation or (ii) such item and the amount thereof is otherwise reasonably identified on such balance sheet or financial statement (or the notes thereto).

SECTION 9.05 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party or such Party waives its rights under this Section 9.05 with respect thereto. Upon any determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that transactions contemplated by this Agreement are fulfilled to the extent possible.

SECTION 9.06 Counterparts. This Agreement may be executed in one or more counterparts (including by means of facsimile or email in .pdf format), all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

SECTION 9.07 Entire Agreement; No Third-Party Beneficiaries. This Agreement, taken together with the A&R Westar Disclosure Letter, the A&R GPE Disclosure Letter and the exhibits hereto and other instruments referred to herein, and the Confidentiality Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between or among the Parties with respect to the Mergers, including the Original Merger Agreement. Except (a) after the Effective Time, the rights of GPE’s and Westar’s respective shareholders to receive the Merger Consideration and payments pursuant to Article II, and (b) after the Effective Time, for Section 6.09, each Party agrees that (i) their respective representations, warranties, covenants and agreements set forth herein are solely for the benefit of the other Parties, in accordance with and subject to the terms of this Agreement and (ii) this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein.

SECTION 9.08 Governing Law. This Agreement, and all Claims or causes of action of the Parties (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity) that may be based on, arise out of or relate to this Agreement or the negotiation, execution, performance or subject matter hereof, shall be governed by and construed in accordance with the laws of the State of Kansas, without regard to principles of conflict of laws, except to the extent any mandatory provisions of the General Business and Corporation Law of the State of Missouri govern.

SECTION 9.09 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise, by any of the Parties without the prior written consent of the other Parties. Any

purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

SECTION 9.10 Specific Enforcement. The Parties acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that, at any time prior to the termination of this Agreement pursuant to Article VIII, the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the performance of terms and provisions of this Agreement, including the right of a Party to cause each other Party to consummate the Mergers and the other transactions contemplated by this Agreement, in any court referred to in Section 9.11, without proof of actual damages (and each Party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity. The Parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach. If any Party brings any Claim to enforce specifically the performance of the terms and provisions of this Agreement when expressly available to such Party pursuant to the terms of this Agreement, then, notwithstanding anything to the contrary herein, the End Date shall automatically be extended by the period of time between the commencement of such Claim and the date on which such Claim is fully and finally resolved.

SECTION 9.11 Jurisdiction; Venue. All Claims arising from, under or in connection with this Agreement shall be raised to and exclusively determined by the courts of the State of Kansas located in Shawnee County or, if such court disclaims jurisdiction, the U.S. District Court for the District of Kansas, to whose jurisdiction and venue the Parties unconditionally consent and submit. Each Party hereby irrevocably and unconditionally waives any objection to the laying of venue of Claim arising out of this Agreement in such court and hereby further irrevocably and unconditionally waives and agree not to plead or claim in any such court that any such Claim brought in any such court has been brought in an inconvenient forum. Each Party further agree that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 9.02 hereof shall be effective service of process for any Claim brought against such Party in any such court.

SECTION 9.12 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE MERGERS. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 9.12.

SECTION 9.13 Construction. Each of the Parties has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if it is drafted by all the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of authorship of any of the provisions of this Agreement.

SECTION 9.14 Withdrawal of Original Merger Sub. By executing this Agreement, Original Merger Sub hereby withdraws from the Original Merger Agreement as a party thereto, and from and after the date hereof, Original Merger Sub shall have no further rights to or interests in, or liabilities or obligations relating to or arising out of, the Original Merger Agreement or the transactions contemplated thereby. The Parties acknowledge that Original Merger Sub is executing this Agreement solely for the purpose of withdrawing from the Original Merger Agreement and the transactions contemplated thereby as described above.

REGULATORY COMMITMENTS

GPE and Westar agree that the initial applications submitted to the Kansas Corporation Commission (“KCC”) and the Missouri Public Service Commission (“MPSC”) with respect to the Merger will include specific commitments and agreements consistent with the items set forth below.

1. Customer Rates

- a. *Goodwill* – GPE and Westar agree not to seek rate recovery of any goodwill recorded in connection with the Merger.
- b. *Transaction Costs* – GPE and Westar will agree not to seek rate recovery of any transaction costs (including advisory fees and change of control severance costs) incurred in connection with the Merger.
- c. *Transition Costs* – GPE and Westar will agree that their utility operations shall be required to attest in all future rate proceedings before the KCC and MPSC that no transition costs in excess of their corresponding benefits are included in cost of service and rates. This commitment shall be required until all transition costs are fully amortized. Transition costs are those costs incurred to integrate GPE and Westar under common ownership and include integration planning and execution and costs to achieve merger savings. Transition costs can be ongoing costs or one-time costs. Utility operations’ transition costs, which shall include but not be limited to severance payments made to employees other than those required to be made under change of control agreements, can be deferred and considered for recovery in future rate cases. If subsequent rate recovery is sought, each of GPE and Westar agree that the utility will have the burden of proof to demonstrate that recovery of such transition costs is just and reasonable as their incurrence facilitated the ability to provide benefits to its customers.
- d. *Rate Case Filing Plans* – GPE and Westar plan, consistent with their current respective business plans, to file general rate proceedings in 2018 for each of their electric operations.
- e. *Allocation of Costs Among Affiliates* – GPE and Westar agree that each of their utility operations will provide an updated cost allocation manual to the KCC and MPSC within six (6) months of the closing of the Merger explaining the basis of allocation factors used to assign costs to each utility, and will further agree that the KCC and MPSC may examine accounting records of its affiliates to determine the reasonableness of such allocation factors and cost assignments.

2. Financial integrity

- a. *Protection from Adverse Capital Cost Impacts* – GPE and Westar will agree that capital costs used to set rates shall not increase as a result of the Merger.
- b. *Transaction Financing* – No new debt will be issued to close the Merger. Regardless, GPE and Westar will agree that their electric utility operations' customers shall not bear any financing costs associated with the Merger.
- c. *Capital Structures* – Post-Merger, the new holding company and its utility subsidiaries will maintain separate capital structures to finance the activities and operations of each entity unless otherwise approved by the KCC or MPSC, as applicable. The new holding company and its utility subsidiaries will maintain separate debt, which is separately rated by national credit rating agencies, so that none will be responsible for the debts of affiliated companies and separate preferred stock, if any, unless otherwise authorized by the KCC or MPSC, as applicable. The new holding company and its utility subsidiaries will maintain investment grade credit ratings.
- d. *Other Financing-Related Matters* – GPE and Westar will agree that, except for guarantees between Westar and its subsidiaries, the new holding company and its utility subsidiaries shall not guarantee notes (or enter into make-well agreements, etc.) of one another, or the new holding company or any of the new holding company's other affiliates, absent prior approval of the KCC or MPSC, as applicable; that no utility stock or assets shall be pledged as collateral for obligations of any entity other than the utility absent prior approval of the KCC or MPSC, as applicable; and that each utility subsidiary shall be held harmless from any business and financial risk exposures associated with another utility subsidiary, the new holding company or its other affiliates.

3. Cost Savings – GPE and Westar expect to realize approximately \$40 million of net cost savings in 2018, growing to approximately \$160 million in 2022 and beyond. These cost savings are comprised of non-fuel operations and maintenance, fuel, and inventory carrying costs.

4. Employees – GPE and Westar will agree that no involuntary severance of employees shall occur as a result of the Merger. GPE and Westar will also agree that no involuntary severance of employees shall occur as a result of closing the following generating facilities: Sibley (units 1, 2 and 3), Montrose (units 1, 2 and 3), Lake Road (unit 4/6), Tecumseh, Gordon Evans and Murray Gill.

5. Capital Requirements – GPE and Westar acknowledge that their utility operations need significant amounts of capital to invest in energy supply and delivery infrastructure (including, but not limited to, renewable energy resources and other environmental sustainability initiatives such as energy efficiency and demand response programs) and acknowledge that meeting these capital requirements will be considered a high priority

by the new holding company's board of directors and executive management and that the new holding company's access to capital post-Merger will permit it and its utility subsidiaries to satisfy all of such capital requirements.

6. Service Quality and Reliability – GPE and Westar will agree to reasonable conditions, including compliance with KCC standards issued in Docket No. 02-GIME-365-GIE, regarding customer service quality and reliability reporting.

7. Books, Records and Information – GPE and Westar agree that the new holding company and its utility subsidiaries and other affiliates will maintain separate books and records and will agree to reasonable conditions regarding access by regulators to information, books and records.

8. Collective Bargaining – GPE and Westar will honor all existing collective bargaining agreements.

9. Low-Income Assistance – GPE and Westar will agree that each of their utility operations will maintain and promote low-income assistance programs consistent with those in place prior to the Merger.

10. Charitable and Community Involvement – GPE and Westar will maintain aggregate Kansas and Missouri charitable contributions and community support at 2015 levels for at least five years after closing of the Merger.

11	<p><u>Separate Debt:</u> Holdco, KCP&L and Westar shall maintain separate debt so that Westar will not be liable (directly or through guarantees, cross-defaults or other provisions) for the debts of Holdco, KCP&L, or GMO or other subsidiaries of Holdco (excluding Westar and subsidiaries of Westar), and KCP&L, GMO and other subsidiaries of Holdco (excluding Westar and subsidiaries of Westar) will not be liable (directly or through guarantees, cross-defaults or other provisions) for the debts of Westar. No.	Joint Applicants' Proffered Merger Commitments and Conditions
14	<p><u>Other Separation:</u> Westar (including subsidiaries of Westar), on the one hand, and Holdco and KCP&L, on the other hand, shall not grant or permit to exist any encumbrance, claim, security interest, pledge or other right in their respective stock or assets in favor of any entity or person other than immaterial liens or encumbrances in the ordinary course of business, letters of credit issued on behalf of third-parties in the ordinary course of business and encumbrances resulting from regulatory requirements unless otherwise authorized by the Commission.</p>
15	<p><u>Credit Rating:</u> Both Standard & Poor's ("S&P") and Moody's have opined that the Merger is credit-positive and that Holdco will have improved credit metrics and financial ratios compared to GPE on a stand-alone basis. GPE, KCP&L and Westar shall maintain separate issuer (i.e., Corporate Credit Ratings) and separate issue ratings for debt that is publicly placed.</p>
16	<p><u>Credit Rating Downgrade:</u> If S&P or Moody's downgrade the Corporate Credit Rating or senior secured or unsecured debt issue rating of KCP&L or Westar (the "Impacted Utility") to below investment grade (i.e., below BBB- or Baa3), the "Impacted Utility" commits to file:</p> <ol style="list-style-type: none"> <li data-bbox="218 711 2007 818">i. Notice with the Commission within five (5) business days of such downgrade that includes specification of the affected credit rating(s), the pre- and post-downgrade credit ratings of each affected credit rating, and a full explanation of why the credit rating agency or agencies downgraded each of the affected credit ratings; <li data-bbox="218 857 2007 1338">ii. A filing with the Commission within sixty (60) days which shall include the following: <ul style="list-style-type: none"> <li data-bbox="260 932 2007 1110">• Actions the Impacted Utility may take to raise its S&P or Moody's credit rating to BBB- or Baa3, respectively, including the costs and benefits of such actions and any plan the Impacted Utility may have to undertake such actions. If the costs of returning Westar and/or KCP&L to investment grade are above the benefits of such actions, Westar and/or KCP&L shall be required to show and explain why it is not necessary, or cost-effective, to take such actions and how the utility(s) can continue to provide efficient and sufficient service in Kansas under such circumstances; <li data-bbox="260 1159 2007 1224">• The change on the capital costs of the Impacted Utility due to its S&P or Moody's credit rating being below BBB- or Baa3, respectively; and <li data-bbox="260 1273 2007 1338">• Documentation detailing how the Impacted Utility will not request from its Kansas customers, directly or indirectly, any higher capital costs incurred due to a downgrade of its S&P or Moody's credit rating below BBB- or Baa3, respectively; <li data-bbox="218 1377 2007 1442">iii. File with the Commission, every forty-five (45) days thereafter until the Impacted Utility has regained its S&P or Moody's credit rating of BBB- or Baa3, respectively or above, an updated status report with respect to the items required in subparagraph ii above.

No.	Joint Applicants' Proffered Merger Commitments and Conditions
	<p>iv. If the Commission determines that the decline of the Impacted Utility's S&P or Moody's credit rating to a level below BBB- or Baa3, respectively, has caused its quality of service to decline, then the Impacted Utility shall be required to file a plan with the Commission detailing the steps that will be taken to restore service quality levels that existed prior to the ratings decline.</p> <p>v. In the event KCP&L's or Westar's affiliation (ownership or otherwise) with Holdco or any of Holdco's affiliates is a primary factor for KCP&L's or Westar's S&P or Moody's Corporate credit rating to be downgraded to below BBB- or Baa3, respectively, KCP&L and/or Westar shall promptly undertake additional legal and structural separation from the affiliate(s) causing the downgrade. Notwithstanding Commitment No. 10's limitation on payment of dividends, the Impacted Utility shall not pay a common dividend without Commission approval or until the Impacted Utility's S&P or Moody's credit rating has been restored to BBB- or Baa3, respectively.</p> <p>vi. If KCP&L's or Westar's respective S&P or Moody's credit rating declines below BBB- or Baa3, respectively, the Impacted Utility shall file with the Commission within 15 days a comprehensive risk management plan setting forth committed actions assuring the Impacted Utility's access to and cost of capital will not be further impaired. The plan shall include a non-consolidation opinion if required by S&P or Moody's.</p>
17	<p><u>Cost of Capital:</u> Holdco commits that future cost of service and rates of KCP&L and Westar shall not be adversely impacted on an overall basis as a result of the Merger and that future cost of service and rates will be set commensurate with financial and business risks attendant to their individual regulated utility operations. Neither KCP&L nor Westar shall seek an increase to their cost of capital as a result of (i.e., arising from or related to) the Merger or KCP&L's and Westar's ongoing affiliation with Holdco and its affiliates after the Merger.</p> <p>The return on equity capital ("ROE") as reflected in Westar's and KCP&L's rates will not be adversely affected as a result of the Merger. Holdco agrees the ROE shall be determined in future rate cases, consistent with applicable law, regulations and practices of the Commission.</p> <p>The burden of proof that any increase to the cost of capital is not a result of the Merger shall be borne by KCP&L or Westar. Any net increase in the cost of capital that KCP&L or Westar seeks shall be supported by documentation that: (a) the increases are a result of factors not associated with the Merger or the post-Merger operations of Holdco or its non-KCP&L and non-Westar affiliates; (b) the increases are not a result of changes in business, market, economic or other conditions caused by the Merger or the post-Merger operations of Holdco or its non-KCP&L and non-Westar affiliates; and (c) the increases are not a result of changes in the risk profile of KCP&L or Westar caused by the Merger or the post-Merger operations of Holdco or its non-KCP&L and non-Westar affiliates. The provisions of this section are intended to recognize the Commission's</p>

	<p>authority to consider, in appropriate proceedings, whether this Merger or the post-Merger operations of Holdco or its non-KCP&L and non-Westar affiliates have resulted in capital cost increases for KCP&L or Westar.</p> <p>Nothing in this condition shall restrict the Commission from disallowing such capital cost increases from recovery in KCP&L or Westar's rates.</p>
IV. Ratemaking, Accounting, and Related Conditions	
18	<p><u>Upfront Bill Credits:</u> Holdco agrees that its electric utility subsidiaries will provide all retail electric customers with one-time bill credits totaling \$50 million within 120 days of the closing of the Merger. This amount shall be allocated among Applicants' electric rate jurisdictions in both Kansas and Missouri on the basis of the total MWH of all retail Sales of Electricity reported to FERC under Form 1 (or Form 3-Q) for the most recent full twelve calendar month period prior to the closing of the Merger for which such report is available. The amount so allocated shall be assigned to each retail electric customer within the applicable Kansas electric rate jurisdiction based upon methodology approved by the Commission.</p>
19	<p><u>Transition Costs:</u> Neither Westar nor KCP&L will ever include in cost of service, and shall never seek to recover in rates, any transition costs related to this Merger that are in excess of the benefits that these transition costs are intended to attain.</p> <p>Transition costs are those costs incurred to integrate Westar and GPE, and include integration planning, execution, and "costs to achieve."</p> <p>Non-capital transition costs can be ongoing costs or one-time costs. KCP&L's and Westar's non-capital transition costs, which shall include but not be limited to severance payments made to employees other than those required to be made under change of control agreements, can be deferred on the books of either KCP&L or Westar to be considered for recovery in KCP&L and Westar future rate cases. If subsequent rate recovery is sought, KCP&L and Westar will have the burden of proof to clearly identify where all transition costs are recorded and of proving that the recoveries of any transition costs are just and reasonable as their incurrence facilitated the ability to provide benefits in excess of those costs to its Kansas customers. Such benefits may be the result of avoiding or shifting costs and activities.</p> <p>KCP&L and Westar shall be required to attest in all future rate proceedings before the Commission that no transition costs in excess of their corresponding benefits are included in cost of service and rates, and to provide a complete explanation of the procedures used to ensure that transition costs, in excess of their corresponding benefits, are not included in cost of service or rates. This commitment shall be required until all transition costs are fully amortized.</p> <p>KCP&L and/or Westar, as applicable, shall bear the burden of proving and fully documenting that any transition costs for which rate recovery is sought have produced net benefits. Such benefits may be the result of avoiding or shifting costs and activities.</p>

No.	Joint Applicants' Proffered Merger Commitments and Conditions
20	<p><u>Goodwill:</u> Goodwill associated with the Merger is the difference between the fair market value of GPE's assets and the exchange value of GPE's stock upon the closing of the Merger (referred to herein as "Merger Goodwill") and will be maintained on the books of Holdco. The amount of any such Merger Goodwill shall not be included in the revenue requirement of KCP&L or Westar in future Kansas rate cases. Neither KCP&L nor Westar will seek recovery through recognition in retail rates and revenue requirement in future rate cases of any such Merger Goodwill.</p>
